(\* Denotes partial attendance)

## 1. Call to Order

Date:

Location:

Mayor Basran called the meeting to order at 1:35 p.m.

I would like to acknowledge that we are gathered today on the traditional, ancestral, unceded territory of the syilx/Okanagan people.

Mayor Basran advised that the meeting is open to the public and all representations to Council form part of the public record. A live audio and video feed is being broadcast and recorded by CastaNet and a delayed broadcast is shown on Shaw Cable.

#### 2. Confirmation of Minutes

## Moved By Councillor Wooldridge/Seconded By Councillor DeHart

<u>**R624/19/06/17</u>** THAT the Minutes of the Regular Meetings of June 10, 2019 be confirmed as circulated.</u>

#### **Carried**

## 3. Development Application Reports & Related Bylaws

3.1 Commerce Ave 1675-1677, Z19-0004 (BL11855) - Braemar Properties Ltd, Inc No BC1023360 1

Staff:

- Displayed a PowerPoint Presentation summarizing the application.

### Moved By Councillor Donn/Seconded By Councillor Wooldridge

**R625/19/06/17** THAT Rezoning Application No. Z19-0004 to amend the City of Kelowna Zoning Bylaw No. 8000 by changing the zoning classification of Lot A, District Lot 125, Osoyoos Division Yale District Plan KAP90858, except part in Plan EPP52444, located at 1675-1677 Commerce Avenue, Kelowna, BC from the C10lp/rls – Service Commercial (Liquor Primary/Retail Liquor Sales) zone to the C10lp/rls/rcs - Service Commercial (Liquor Primary/Retail Liquor Sales/Retail Cannabis Sales) zone, be considered by Council;

AND THAT the Rezoning Bylaw be forwarded to a Public Hearing for further consideration;

AND THAT final adoption of the Rezoning Bylaw be considered subsequent to the approval of the Ministry of Transportation and Infrastructure;

AND FURTHER THAT if the Rezoning Bylaw is adopted, Council direct Staff to send a recommendation to the British Columbia Liquor and Cannabis Regulation Branch that they support issuance of a non-medical cannabis retail store license for this legal lot with the following comments:

- The proposed location meets local government bylaw requirements and as such, no negative impact is anticipated;
- The views of the residents were captured during a public hearing process for the rezoning of the property and Council meeting minutes summarizing those views are attached; and
- Local government recommends that the application be approved because of compliance with local regulations and policies.

Carried

## 3.2 Commerce Ave 1675-1677, BL11855 (Z19-0004) - Braemar Properties Ltd, Inc No BC1023360

## **CITY OF KELOWNA**

## BYLAW NO. 11701 Z18-0109 – 2025 Agassiz Road

A bylaw to amend the "City of Kelowna Zoning Bylaw No. 8000".

The Municipal Council of the City of Kelowna, in open meeting assembled, enacts as follows:

- THAT City of Kelowna Zoning Bylaw No. 8000 be amended by changing the zoning classification of Lot 1, District Lot 129, ODYD, Plan EPP68381, located on Agassiz Road, Kelowna, BC from the RU1 – Large Lot Housing and RM4 – Transitional Low Density Housing zones to the RM5 – Medium Density Multiple Housing zone.
- 2. This bylaw shall come into full force and effect and is binding on all persons as and from the date of adoption.

Read a first time by the Municipal Council this 26<sup>th</sup> day of November, 2018.

Amended at first reading by the Municipal Council this 7<sup>th</sup> day of January, 2019.

Considered at a Public Hearing on this 17<sup>th</sup> day of January, 2019.

Read a second and third time by the Municipal Council this 17<sup>th</sup> day of January, 2019.

Approved under the Transportation Act this 19<sup>th</sup> day of January, 2019.

Audrie Henry

(Approving Officer – Ministry of Transportation)

Adopted by the Municipal Council of the City of Kelowna this

Mayor

City Clerk

## **REPORT TO COUNCIL**

Date:	June 24, 2019			NCIUWIIC
RIM No.	0940-00			
То:	City Manager			
From:	Community Pla	anning Department (LK)		
Application:	DP18-0244		Owner:	Provincial Rental Housing Corporation, Inc. No. BCo052129
Address:	2025 Agassiz R	oad	Applicant:	GTA Architecture
Subject:	Development I	Permit		
Existing OCP De	signation:	MRM – Multiple Unit R	esidential (Med	ium Density)
Existing Zone:		RU1 – Large Lot Housir	ng, RM4 – Trans	sitional Low Density Housing
Proposed Zone:		RM5 – Medium Density	/ Multiple Hous	ing

## 1.0 Recommendation

THAT final adoption of Rezoning Bylaw No. 11701 be considered by Council;

AND THAT Council authorizes the issuance of Development Permit No. DP18-0244 for Lot 1 District Lot 129 ODYD Plan EPP68381, located at 2025 Agassiz Road, Kelowna, BC subject to the following:

1. The dimensions and siting of the building to be constructed on the land be in accordance with Schedule "A,"

2. The exterior design and finish of the building to be constructed on the land, be in accordance with Schedule "B";

3. Landscaping to be provided on the land be in accordance with Schedule "C";

4. The applicant be required to post with the City a Landscape Performance Security deposit in the form of a "Letter of Credit" in the amount of 125% of the estimated value of the landscaping, as determined by a Registered Landscape Architect;

AND THAT the applicant be required to complete the above noted conditions of Council's approval of the Development Permit Application in order for the permit to be issued;

AND FURTHER THAT this Development Permit is valid for two (2) years from the date of Council approval, with no opportunity to extend.

## 2.0 Purpose

To consider the form and character of a proposed 4-storey supportive housing project on the subject property.

## 3.0 Community Planning

Community Planning Staff are supportive of the Development Permit as it meets many of the objectives and supporting policies of the Official Community Plan (OCP), as well as the applicable urban design guidelines. These include:

- Promote interesting, pedestrian friendly streetscape design and pedestrian linkages;
- Provide for a scale and massing of buildings that promotes a safe, enjoyable living, pedestrian and working experience;
- Incorporate architectural features and detailing of buildings and landscapes that define an area's character;
- Provide outdoor spaces, including rooftops, balconies, patios and courtyards; and
- Mitigate the actual and perceived bulk of buildings by utilizing appropriate massing, including:
  - Architectural elements (e.g. balconies, bay windows, cantilevered floors, cupolas, dormers);
  - Step back upper floors to reduce visual impact;
  - Detailing that creates a rhythm and visual interest along the line of the building; and
  - Wall projections and indentations, windows and siding treatments as well as varied material textures should be utilized to create visual interest and to articulate building facades.

The property is located in the Midtown Urban Centre on Agassiz Road between Barlee Road and Vasile Road. The property has a Walk Score of 72 (Very Walkable- most errands can be accomplished on foot) and a Transit Score of 48 (Some Transit - a few nearby public transportation options). The proximity to the Orchard Plaza/Park shopping centres provide nearby amenities including parks, restaurants, shops and recreational opportunities in the immediate area.

## 4.0 Proposal

## 4.1 <u>Background</u>

The subject property at 2025 Agassiz Road was created through consolidation of two residential lots and two remnant lots along with purchased land from the property owner to the south. An application was received in 2016 to rezone the property from RU1 – Large Lot Housing and RM4 – Transitional Low-Density Housing to RM5 – Medium Density Multiple Housing for a multi-family complex. The application was supported by Community Planning Staff and Council and received third reading on March 7, 2017. The applicant did not proceed with meeting the requirements for adoption of the rezoning (Development Engineering requirements, Development Permit, etc.) and the property was subsequently purchased by BC Housing in 2018.

BC Housing applied for the same rezoning application from RU1 – Large Lot Housing and RM4 – Transitional Low-Density Housing to RM5 – Medium Density Housing to facilitate the development of a supportive housing complex. The rezoning was considered at a Public Hearing on January 17, 2019 and given third reading.

## 4.2 Project Description

The proposal is for a 4-storey, 52 studio unit apartment building. Surface parking is provided on the east side of the site. This location is suitable for this use based on the proximity of shopping and services, parks and transit which is supported by the OCP Policy for Compact Urban Growth.

The proposed development provides a visually interesting façade along the streetscape through the articulated façade, flat-roof design and a mixture of building finish colours and textures. The building is finished with hardie-panel which includes lap siding (traditional red and beige) and vertical and horizontal panels in arctic white and slate gray. Slate coloured brick is used along the base of the building and wraps the west side of the building.

The project includes multiple outdoor spaces with extensive perimeter landscaping to enhance the public realm at the street level as well as providing privacy for the residents. This provides a more appealing streetscape and connection to the street.

## 4.3 <u>Site Context</u>

The location falls in the Midtown Urban Centre and the Permanent Growth Boundary, and is within walking distance to many amenities including a community garden, Mission Creek Park, and rapid bus transit on Highway 97. It fronts onto three streets, and is immediately adjacent to the Ukrainian Greek Orthodox Church to the south and Orchard Plaza Shopping Centre to the east. A mix of other land uses are in the area including single family, multi-family, public and institutional, and commercial uses.

## Subject Property Map: 2025 Agassiz Road

## 4.4 Zoning Analysis Table

Zoning Analysis Table						
CRITERIA RM5 ZONE REQUIREMENTS PROPOSAL						
E	xisting Lot/Subdivision Regulations					
Lot Area	1,400 m²	3,162 m²

## 5.0 Current Development Policies

## 5.1 Kelowna Official Community Plan (OCP)

## Chapter 14: Urban Design DP Guidelines

## *Comprehensive Development Permit Area Objectives*

- Convey a strong sense of authenticity through urban design that is distinctive for Kelowna;
- Promote a high urban design standard and quality of construction for future development that is coordinated with existing structures;
- Integrate new development with existing site conditions and preserve the character amenities of the surrounding area;
- Promote interesting, pedestrian friendly streetscape design and pedestrian linkages;
- Provide for a scale and massing of commercial buildings that promotes a safe, enjoyable living, pedestrian, working, shopping and service experience;
- Incorporate architectural features and detailing of buildings and landscapes that define an area's character;
- Promote alternative transportation with enhanced streetscapes and multimodal linkages;
- Highlight the significance of community institutional and heritage buildings; and
- Protect and restore the urban ecology (i.e. architectural and site consideration with respect to the ecological impact on urban design).
- Moderate urban water demand in the City so that adequate water supply is reserved for agriculture and for natural ecosystem processes.
- Reduce outdoor water use in new or renovated landscape areas in the City by a target of 30%, when compared to 2007.

## Revitalization Development Permit Area Objectives

- Use appropriate architectural features and detailing of buildings and landscapes to define area character;
- Convey a strong sense of authenticity through high quality urban design that is distinctive of Kelowna;
- Enhance the urban centre's main street character in a manner consistent with the area's character;
- Provide for a scale and massing of buildings that promotes an enjoyable living, pedestrian, working, shopping and service experience;
- Encourage an appropriate mix of uses and housing types and sizes;
- Design and facilitate beautiful public open spaces that encourage year-round enjoyment;
- Create open, architecturally-pleasing and accessible building facades to the street; and
- Improve existing streets and sidewalks to promote alternative transportation.

## 1. SCOPE OF APPROVAL

This Development Permit applies to and only to those lands within the Municipality as described above, and any and all buildings, structures and other development thereon.

This Development Permit is issued subject to compliance with all of the Bylaws of the Municipality applicable thereto, except as specifically varied or supplemented by this permit, noted in the Terms and Conditions below.

The issuance of a permit limits the permit holder to be in strict compliance with regulations of the Zoning Bylaw and all other Bylaws unless specific variances have been authorized by the Development Permit. No implied variances from bylaw provisions shall be granted by virtue of drawing notations that are inconsistent with bylaw provisions and that may not have been identified as required Variances by the applicant or Municipal staff.

## 2. CONDITIONS OF APPROVAL

- a) The dimensions and siting of the building to be constructed on the land be in accordance with Schedule "A";
- b) The exterior design and finish of the building to be constructed on the land be in accordance with Schedule "B";
- c) Landscaping to be provided on the land be in accordance with Schedule "C"; and
- d) The applicant be required to post with the City a Landscape Performance Security deposit in the form of a "Letter of Credit" in the amount of 125% of the estimated value of the landscaping, as determined by a Registered Landscape Architect.

This Development Permit is valid for two (2) years from the date of Council approval, with no opportunity to extend.

## 3. PERFORMANCE SECURITY

As a condition of the issuance of this Permit, Council is holding the security set out below to ensure that development is carried out in accordance with the terms and conditions of this Permit. Should any interest be earned upon the security, it shall accrue to the Developer and be paid to the Developer or his or her designate if the security is returned. The condition of the posting of the security is that should the Developer fail to carry out the development hereby authorized, according to the terms and conditions of this Permit within the time provided, the Municipality may use enter into an agreement with the property owner of the day to have the work carried out, and any surplus shall be paid over to the property own of the day. Should the Developer carry out the development permitted by this Permit within the time set out above, the security shall be returned to the Developer or his or her designate. There is filed accordingly:

- a) An Irrevocable Letter of Credit in the amount of **\$130,190.94**
- b) A certified cheque in the amount of **\$130,190.94**
- c) Before any bond or security required under this Permit is reduced or released, the Developer will provide the City with a statutory declaration certifying that all labour, material, workers' compensation and other taxes and costs have been paid.

## 4. INDEMNIFICATION

Upon commencement of the works authorized by this Permit the Developer covenants and agrees to save harmless and effectually indemnify the Municipality against:

a) All actions and proceedings, costs, damages, expenses, claims, and demands whatsoever and by whomsoever brought, by reason of the Municipality said Permit.

All costs, expenses, claims that may be incurred by the Municipality where the construction, engineering or other types of works as called for by the Permit results in damages to any property owned in whole or in part by the Municipality or which the Municipality by duty or custom is obliged, directly or indirectly in any way or to any degree, to construct, repair, or maintain.

The PERMIT HOLDER is the <u>CURRENT LAND OWNER</u>. Security shall <u>ONLY</u> be returned to the signatory of the Landscape Agreement or their designates.

## DEVELOPMENT PERMIT GUIDELINES

## Comprehensive Development Permit Area

Consideration has been given to the following guidelines as identified in Section 14.A. of the City of Kelowna Official Community Plan relating to Comprehensive Development Permit Areas:

COMPREHENSIVE DEVELOPMENT PERMIT AREA	YES	NO	N/A
Authenticity and Regional Expression			
Do landscaping and building form convey a character that is distinct to Kelowna and the Central Okanagan?	~		
Are materials in keeping with the character of the region?	✓		
Are colours used common in the region's natural landscape?	~		
Does the design provide for a transition between the indoors and outdoors?	~		
Context			
Does the proposal maintain the established or envisioned architectural character of the neighbourhood?	~		
Does interim development consider neighbouring properties designated for more intensive development?			~
Are façade treatments facing residential areas attractive and context sensitive?	~		
Are architectural elements aligned from one building to the next?			~
For exterior changes, is the original character of the building respected and enhanced?			~
Is the design unique without visually dominating neighbouring buildings?	~		
For developments with multiple buildings, is there a sense of architectural unity and cohesiveness?			~
Relationship to the Street			
Do buildings create the desired streetscape rhythm?	~		
Are parkade entrances located at grade?			~
For buildings with multiple street frontages, is equal emphasis given to each frontage?		~	
Massing and Height			
Does the design mitigate the actual and perceived mass of buildings?	~		
Does the height consider shading and view impacts for neighbouring properties and transition to less intensive areas?	~		
Human Scale			
Are architectural elements scaled for pedestrians?	~		
Are façades articulated with indentations and projections?	~		

COMPREHENSIVE DEVELOPMENT PERMIT AREA	YES	NO	N/A
Are top, middle and bottom building elements distinguished?	~		
Do proposed buildings have an identifiable base, middle and top?	~		
Are building facades designed with a balance of vertical and horizontal proportions?	~		
Are horizontal glazed areas divided into vertically proportioned windows	✓		
separated by mullions or building structures? Does the design incorporate roof overhangs and the use of awnings, louvers,	~		
canopies and other window screening techniques? Is the visual impact of enclosed elevator shafts reduced through architectural treatments?		✓	
Exterior Elevations and Materials			
Are buildings finished with materials that are natural, local, durable and appropriate to the character of the development?	~		
Are entrances visually prominent, accessible and recognizable?	~		
Are higher quality materials continued around building corners or edges that are visible to the public?		~	
Are a variety of materials used to create contrast, enhance the pedestrian environment and reduce the apparent mass of a building?	~		
Are elements other than colour used as the dominant feature of a building?	~		
Public and Private Open Space		1	
Does public open space promote interaction and movement through the site?	~		
Are public and private open spaces oriented to take advantage of and protect from the elements?	~		
Is there an appropriate transition between public and private open spaces?	~		
Are amenities such as benches, garbage receptacles, bicycle stands and community notice boards included on site?	✓		
Site Access			
Is the safe and convenient movement of pedestrians prioritized?	✓		
Are alternative and active modes of transportation supported through the site design?	~		
Are identifiable and well-lit pathways provided to front entrances?	$\checkmark$		
Do paved surfaces provide visual interest?	~		
Is parking located behind or inside buildings, or below grade?		~	
Are large expanses of parking separated by landscaping or buildings?	~		
Are vehicle and service accesses from lower order roads or lanes?	~		
Do vehicle and service accesses have minimal impact on the streetscape and public views?	~		

COMPREHENSIVE DEVELOPMENT PERMIT AREA	YES	NO	N/A
Is visible and secure bicycle parking provided in new parking structures and parking lots?	~		
Environmental Design and Green Building			
Does the proposal consider solar gain and exposure?	~		
Are green walls or shade trees incorporated in the design?	~		
Does the site layout minimize stormwater runoff?	~		
Are sustainable construction methods and materials used in the project?	~		
Are green building strategies incorporated into the design?		~	
Decks, Balconies, Rooftops and Common Outdoor Amenity Space			
Are decks, balconies or common outdoor amenity spaces provided?	~		
Does hard and soft landscaping enhance the usability of decks, balconies and outdoor amenity spaces?	~		
Are large flat expanses of roof enhanced with texture, colour or landscaping where they are visible from above or adjacent properties?	✓		
Amenities, Ancillary Services and Utilities			
Are loading, garage, storage, utility and other ancillary services located away from public view?	✓		
Are vents, mechanical rooms / equipment and elevator penthouses integrated with the roof or screened with finishes compatible with the building's design?	~		
Landscape Development and Irrigation Water Conservation		1	1
Does landscaping:	-	-	-
• Compliment and soften the building's architectural features and mitigate undesirable elements?	~		
<ul> <li>Maintain the dominant pattern of landscaping along the street and surrounding properties?</li> </ul>	~		
<ul> <li>Enhance the pedestrian environment and the sense of personal safety?</li> </ul>	~		
<ul> <li>Screen parking areas, mechanical functions, and garbage and recycling areas?</li> </ul>	✓		
Respect required sightlines from roadways and enhance public views?	~		
Retain existing healthy mature trees and vegetation?			~
Use native plants that are drought tolerant?	~		
• Define distinct private outdoor space for all ground-level dwellings?			~
Do any fences and retaining walls create visual interest and enhance the pedestrian environment?			~
Do parking lots have one shade tree per four parking stalls?	$\checkmark$		

COMPREHENSIVE DEVELOPMENT PERMIT AREA	YES	NO	N/A
Does the Landscape Architect's Landscape Water Conservation Report:	-	-	-
<ul> <li>Meet the requirements for Landscape Water Budget calculations for the landscaped area?</li> </ul>	~		
<ul> <li>Indicate how the development complies with or varies from the Landscape Water Conservation Guidelines?</li> </ul>	~		
Landscape Water Conservation Guidelines			
Are plants grouped into "hydro-zones" of high, medium and low or unirrigated / unwatered areas?	~		
Does at least 25% of the total landscaped area require no irrigation / watering?	~		
Does at least 25% of the total landscaped area require low water use?	~		
Does at most 50% of the total landscaped area require medium or high water use?	~		
Is mulch cover provided for shrubs and groundcover to reduce soil evaporation?	~		
Do water features such as pools and fountains use recirculated water systems?			✓
Do landscape installation standards meet the requirements of the BC Landscape Standard and / or the Master Municipal Construction Document?	~		
Are the required written declarations signed by a qualified Landscape Architect?	~		
Irrigation System Guidelines		1	I
Is the Irrigation Plan prepared by a Qualified Professional?	✓		
Are irrigation circuits grouped into "hydro-zones" of high, medium and low or unirrigated / unwatered areas consistent with the landscaping plan?	~		
Is drip or low volume irrigation used?	~		
Are the required written declarations signed by a qualified Certified Irrigation Designer?	~		
Crime prevention			
Are CPTED practices as related to landscaping, siting, form and exterior design included in the design?	~		
Are building materials vandalism resistant?	~		
Universal Accessible Design			<u>.</u>
Is access for persons with disabilities integrated into the overall site plan and clearly visible from the principal entrance?	~		
Are the site layout, services and amenities easy to understand and navigate?	~		
Lakeside Development			
Are lakeside open spaces provided or enhanced?			~
Are lake views protected?			~

COMPREHENSIVE DEVELOPMENT PERMIT AREA	YES	NO	N/A
Does lakeside development act as a transition between the lake and inland development?			~
Signs			
Do signs contribute to the overall quality and character of the development?	$\checkmark$		
Is signage design consistent with the appearance and scale of the building?	~		
Are signs located and scaled to be easily read by pedestrians?	~		
For culturally significant buildings, is the signage inspired by historical influences?			~
Lighting			
Does lighting enhance public safety?	~		
Is "light trespass" onto adjacent residential areas minimized?	~		
Does lighting consider the effect on the façade, neighbouring buildings and open spaces?	~		
Is suitably scaled pedestrian lighting provided?	~		
Does exterior street lighting follow the International Dark Sky Model to limit light pollution?	~		

## **ATTACHMENT**

This forms part of application # DP18-0244

## Revitalization Development Permit Area

City of Consideration has been given to the following guidelines as identified in Section 14.B. of the City of Keron Official Community Plan relating to Revitalization Development Permit Areitas COMMUNITY PLAN

REVITALIZATION DEVELOPMENT PERMIT AREA	YES	NO	N/A
Relationship to the Neighbourhood and Street			
Does the proposal maintain the established or envisioned	✓		
architectural character of the neighbourhood?			
Do developments adjacent to non-revitalization areas create an			$\checkmark$
appropriate transition? Are spaces for pedestrian friendly amenities, such as street			
furniture, included on site?	$\checkmark$		
	✓		
Is the ratio of streetwall height to street width less than 0.75:1?	v		
Does the building frontage occupy the entire length of the	$\checkmark$		
street, without drive aisles or other dead zones?			
Building Design			
Are architectural elements aligned from one building to the			$\checkmark$
next?			
Are the effects of shadowing on public areas mitigated?	$\checkmark$		
Are doors or windows incorporated into at least 75% of street	✓		
frontage?	¥		
Do proposed buildings have an identifiable base, middle and	~		
top?	•		
Are windows, entrances, balconies and other building elements	✓		
oriented towards surrounding points of interest and activity?			
Are architectural elements such as atriums, grand entries and		$\checkmark$	
large ground-level windows used to reveal active interior Are buildings designed with individual entrances leading to			
streets and pathways rather than with mall style entrances and			~
For multiple unit residential projects, is ground level access for		~	
first storey units provided?		v	
Are buildings finished with materials that are natural, local,	$\checkmark$		
durable and appropriate to the character of the development?	•		
Are prohibited materials such as vinyl siding, reflective or non-	✓		
vision glass, plastic, unpainted or unstained wood, and concrete			
Are stucco and stucco-like finishes omitted as a principal	$\checkmark$		
exterior wall material? Are vents, mechanical rooms/equipment and elevator			
penthouses integrated with the roof or screened with finishes	$\checkmark$		
View Corridors			I
Are existing views preserved and enhanced?			$\checkmark$
Vehicular Access and Parking			
Are at-grade and above-grade parking levels concealed with			✓
façade treatments?			
Are garage doors integrated into the overall building design?			✓

Β

REVITALIZATION DEVELOPMENT PERMIT AREA	YES	NO	N/A
Are pedestrian entrances more prominent features than garage doors and vehicle entrances?	✓		
Is surface parking located to the rear of the building or interior of the block?	✓		
Are truck loading zones and waste storage areas screened from public view?			~
Do parking lots have one shade tree per four parking stalls?		$\checkmark$	
Are pedestrian connections provided within and between parking lots?			~
Are driving, parking, pedestrian and cycling areas distinguished through changes in colour or pattern of paving materials?			~
Signage			
Is signage design consistent with the appearance and scale of the building?	$\checkmark$		
Are corporate logos on signs complimentary to the overall building character?			~
Is signage lighting minimized?			~
Public Art			
Is public art incorporated into the project?		✓

Date:	June 24, 2019			Kelowna
RIM No.	1250-30			
То:	City Manager			
From:	Community Pla	anning Department (LK)		
Application:	Z18-0091		Owner:	Jabs Construction Ltd., Inc. No. BCooo6o327
Address:	2175 Benvoulin	Court	Applicant:	GTA Architecture Ltd.
Subject:	Rezoning Appli	cation		
Existing OCP De	signation:	MRM – Multiple Unit Re	esidential (Med	ium Density)
Existing Zone:		A1 – Agriculture 1		
Proposed Zone:		RM5 – Medium Density	Multiple Housi	ing

#### 1.0 Recommendation

THAT Rezoning Application No. Z18-0091 to amend the City of Kelowna Zoning Bylaw No. 8000 by changing the zoning classification of Lot A District Lot 128 ODYD Plan KAP89861, located at 2175 Benvoulin Court, Kelowna, BC from the A1 – Agriculture 1 zone to the RM5 – Medium Density Multiple Housing zone, be considered by Council;

AND THAT the Rezoning Bylaw be forwarded to a Public Hearing for further consideration;

AND THAT final adoption of the Rezoning Bylaw be considered subsequent to the outstanding conditions of approval as set out in Attachment "A" attached to the Report from the Community Planning Department dated June 24, 2019;

AND FURTHER THAT final adoption of the Rezoning Bylaw be considered in conjunction with Council's consideration of a Development Permit and Development Variance Permit for the subject property.

#### 2.0 Purpose

To rezone the subject property to facilitate the development of apartment housing.

#### 3.0 **Community Planning**

Community Planning Staff are supportive of the rezoning application. The applicant is seeking to rezone the subject property from A1 – Agriculture 1 to RM5 – Medium Density Multiple Housing zone in order to facilitate the development of three purpose-built rental apartment buildings on a parkade podium. The project meets the Official Community Plan (OCP) Future Land Use designation of MRM – Multiple Unit Residential (Medium Density).

The development will trigger the requirement for the construction of Mayer Road to connect from Benvoulin Road to Benvoulin Court along the north property line. The Benvoulin Rd/Mayer Rd intersection will be a right-in/right-out intersection with the cost of the road construction shared between the subject site and the Society of Hope site to the North.

The subject property is well served by nearby amenities including parks, restaurants, shopping centres, farmers' market as well as transportation options. The property is in close proximity to the Mission Park Greenway and multiple bicycle network choices. The site has a Walk Score of 58 (Somewhat Walkable – some errands can be accomplished on foot) and a Transit Score of 48 (Some Transit- A few nearby public transportation options). The development proposal includes three proposed apartment buildings which should fit the context of the neighbourhood with several existing apartment buildings on Benvoulin Court.

Public consultation was undertaken by the applicant in accordance with Council Policy No. 367 by contacting all of the neighbours within a 50 m radius of the subject property. The applicant also hosted a public information session on Tuesday, May 14 from 5-7 pm at the Ramada Hotel and Conference Centre.

#### 4.0 Proposal

#### 4.1 <u>Project Description</u>

The applicant is proposing to construct three 5-storey apartment buildings, including a partially buried single level parkade podium. The project would be completed in three phases consisting of 169 rental units that range in size from bachelor to two-bedroom units. Variance requests to height and site coverage are expected, and will be considered by Council at a later date in conjunction with the Development Permit.

Parking requirements will be met through the provision of underground parking providing 164 stalls along with 90 at-grade parking stalls along the west side of the site. The primary site access is from Benvoulin Court for the at-grade and underground parking for two of the three buildings. The third building will have separate access from Mayer Road, which will be extended along the north property line.

The parkade podium level provides a vast amenity area for the use of the residents, including a plaza, seating, and open green space. Extensive landscaping will be provided on the podium with enhanced landscape buffers along Benvoulin Road to meet the Ministry of Agricultures edge planning guidelines for properties adjacent to the Agricultural Land Reserve (ALR).

Currently, there is an open-air irrigation channel extending across the parcel. This channel will be piped and re-aligned around the perimeter of the parcel. The alignment is still under discussion and will be further addressed upon review of the applications for the Development Permit and associated variances.

### 4.2 <u>Site Context</u>

The subject property 3.31 acres in area and is within the Midtown Urban Centre. It is on Benvoulin Court, which is accessed from Springfield Road. Cooper Road is situated to the west of the site and Benvoulin Road extends along the southeast of the site. Mayer Road will be constructed to connect between Benvoulin Court and Benvoulin Road. The properties to the east, south, and southwest are within the ALR. The parcel is within both the Permanent Growth Boundary and the Midtown Urban Centre.

#### Subject Property Map: 2175 Benvoulin Court

#### 5.0 Current Development Policies

#### 5.1 Kelowna Official Community Plan (OCP)

#### **Development Process**

Housing Mix.<sup>1</sup> Support a greater mix of housing unit size, form and tenure in new multi-unit residential and mixed-use developments.

**Family Housing.**<sup>2</sup> Support housing alternatives for families when single detached housing is too costly, including features that are important to families such as: outdoor space, direct access to grade, workshop space, larger units, safe design, and neighbourhood characteristics (e.g.: location and amenities).

#### 6.o Technical Comments

#### 6.1 Development Engineering Department

## CITY OF KELOWNA

# MEMORANDUM

Date:September 6, 2018 \_ Revised June 7, 2019File No.:Z18-0091To:Community Planning (LK)From:Development Engineering Manager (JK)Subject:2175 Benvoulin CtA1 to RM5

Development Engineering Department have the following comments and requirements associated with this application. The road and utility upgrading requirements outlined in this report will be a requirement of this development. The Development Engineering Technologist for this project is Aaron Sangster.

- 1) General
  - a) These are Development Engineering comments/requirements and are subject to the review and requirements from the Ministry of Transportation (MOTI) Infrastructure Branch.
- 2) Water
  - a) The property is located within the City of Kelowna service area. The existing lot is serviced with a 200mm diameter water service. Only one service will be permitted to the site or per property. The applicant, at his cost, will arrange for the removal of the existing service and the installation of one new larger metered water service if required.
  - b) An approved backflow protection devise must also be installed on site as required by the City Plumbing Regulation and Water Regulation bylaws.
  - c) A water meter is mandatory for this development and must be installed inside a building on the water service inlet as required by the City Plumbing Regulation and Water Regulation bylaws. The developer or building contractor must purchase the meter from the City at the time of application for a building permit from the Inspection Services Department, and prepare the meter setter at his cost.
  - d) Existing Benvoulin Water Users Community water channel must be relocated, bypassing the proposed building footprint.

#### 3) Sanitary Sewer

a) This property is currently serviced with a 150mm and a 200mm sanitary services. The developer's consulting mechanical engineer will determine the development requirements of this proposed development and establish the service needs. Only one service will be permitted for this development. The applicant, at his cost, will arrange for the removal and disconnection of the existing service and the installation of one new larger service.

#### 4) Drainage

- a) The developer must engage a consulting civil engineer to provide a storm water management plan for the site, which meets the requirements of the City Storm Water Management Policy and Design Manual. The storm water management plan must also include provision of lot grading plan, minimum basement elevation (MBE), if applicable, and provision of a storm drainage service for the development and / or recommendations for onsite drainage containment and disposal systems.
- b) Provide a detailed Stormwater Management Plan for this development as per the Subdivision, Development and Servicing Bylaw #7900.
- c) There is a possibility of a high water table or surcharging of storm drains during major storm events. This should be considered in the design of the onsite system.

#### 5) Road Dedication and Subdivision Requirements

- a) Access to the development should be via cul-de-sac on Benvoulin Ct.
- b) Access driveway should be designed to the SS-C7 standard with a continuous sidewalk. Driveway width must conform to bylaw 7900.

#### 6) Road Improvements

- a) Benvoulin Rd fronting this development has already been upgraded, and no further upgrades are required at this time.
- b) Mayer Rd extention must be built similar to WATT Consulting Group design, (modified SS-R4 urban standard) including curb and gutter, street lights, landscaped & irrigated boulevard, separated sidewalk, drainage system including catch basins, roundabout median, pavement removal and replacement, and relocation or adjustment of utility appurtenances if required to accommodate the upgrading construction.
- c) At the intersection Benvoulin Rd. and Mayer Rd extention shall be a temporary right-in/right-out.
- d) The installation of the traffic lights at the intersection of Benvoulin Road and Mayer Road cost was estimated to be **\$240,000.00**, inclusive of a bonding contingency. The City will accept a portion (½ of the west side costs) of the traffic lights contribution in the amount of **\$60,000.00** (if not already paid) and allow an interim right in-right out access at that location until the total amount has been received from all the contributing properties.

#### 7) Geotechnical Study.

(a) Provide a geotechnical report prepared by a Professional Engineer competent in the field of hydro-geotechnical engineering to address the items below: NOTE: The City is relying on the Geotechnical Engineer's report to prevent any damage to property and/or injury to persons from occurring as a result of problems with soil slippage or soil instability related to this proposed subdivision. The Geotechnical reports must be submitted to the Development Services Department for distribution to the Development Engineering Branch and Inspection Services Division prior to submission of Engineering drawings or application for subdivision approval:

- i. Area ground water characteristics, including any springs and overland surface drainage courses traversing the property. Identify any monitoring required.
- ii. Site suitability for development.
- iii. Site soil characteristics (i.e. fill areas, sulphate content, unsuitable soils such as organic material, etc.).
- iv. Any special requirements for construction of roads, utilities and building structures.
- v. Recommendations for items that should be included in a Restrictive Covenant.
- vi. Recommendations for roof drains, perimeter drains and septic tank effluent on the site.
- vii. Any items required in other sections of this document.

Additional geotechnical survey may be necessary for building foundations, etc

#### 8) Power and Telecommunication Services and Street Lights

- a) All proposed distribution and service connections are to be installed underground. Existing distribution and service connections, on that portion of a road immediately adjacent to the site, are to be relocated and installed underground as the subject properties are within the "City Center Urban Center".
- b) Streetlights must be installed on all roads.
- c) Make servicing applications to the respective Power and Telecommunication utility companies. The utility companies are required to obtain the City's approval before commencing construction.
- d) Re-locate existing poles and utilities, where necessary. Remove aerial trespass (es).

#### .10) Design and Construction

- a) Design, construction supervision and inspection of all off-site civil works and site servicing must be performed by a Consulting Civil Engineer and all such work is subject to the approval of the City Engineer. Drawings must conform to City standards and requirements.
- b) Engineering drawing submissions are to be in accordance with the City's "Engineering Drawing Submission Requirements" Policy. Please note the number of sets and drawings required for submissions.
- c) Quality Control and Assurance Plans must be provided in accordance with the Subdivision, Development & Servicing Bylaw No. 7900 (refer to Part 5 and Schedule 3).
- d) A "Consulting Engineering Confirmation Letter" (City document 'C') must be completed prior to submission of any designs.

e) Before any construction related to the requirements of this subdivision application commences, design drawings prepared by a professional engineer must be submitted to the City's Development Engineering Department. The de drawings must first be "Issued for Construction" by the City Engineer. The desian On examination of design drawings, it may be determined that rights-of-way are required for current or future needs.

#### .11) **Other Engineering Comments**

- Provide all necessary Statutory Rights-of-Way for any utility corridors required, a) including those on proposed or existing City Lands, and for public access to Vaughan Ave via the proposed lane.
- b) If any road dedication affects lands encumbered by a Utility right-of-way (such as Terasen, etc.) please obtain the approval of the utility prior to application for final subdivision approval. Any works required by the utility as a consequence of the road dedication must be incorporated in the construction drawings submitted to the City's Development Manager.

#### .12) Servicing Agreements for Works and Services

- b) A Servicing Agreement is required for all works and services on City lands in accordance with the Subdivision, Development & Servicing Bylaw No. 7900. The applicant's Engineer, prior to preparation of Servicing Agreements, must provide adequate drawings and estimates for the required works. The Servicing Agreement must be in the form as described in Schedule 2 of the bylaw.
- Part 3, "Security for Works and Services", of the Bylaw, describes the Bonding and Insurance requirements of the Owner. The liability limit is not to be less than c) \$5,000,000 and the City is to be named on the insurance policy as an additional insured.

#### .13) **Charges and Fees**

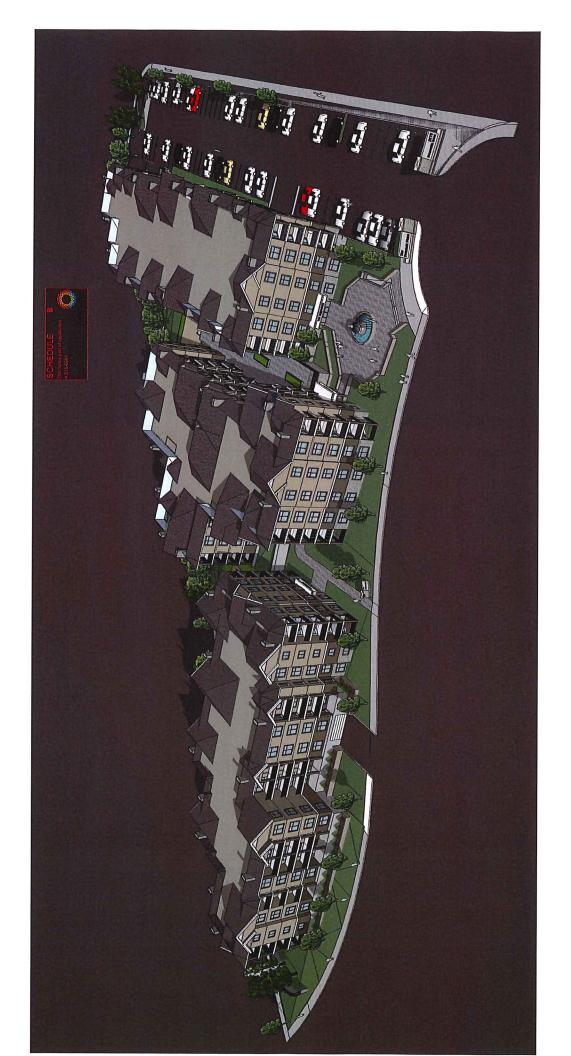

- a) Development Cost Charges (DCC's) are payable
- b) Fees per the "Development Application Fees Bylaw" include:
  - i) Street/Traffic Sign Fees: at cost if required (to be determined after design).
  - ii) Survey Monument, Replacement Fee: \$1,200.00 (GST exempt) - only if disturbed. iii)
    - Engineering and Inspection Fee: 3.5% of construction value (plus GST).

James Kay, P.Eng.

Development Engineering/Manager

#### 1.0 Recommendation

THAT Council authorizes the issuance of Development Permit No. DP19-0056 for Lot 1 Section 30 Blocks 31 and 32 Township 26 Osoyoos Division Yale District Plan EPP72804, located at 1180 Graham Street, Kelowna BC & Lot 2 Section 30 Blocks 31 and 32 Township 26 Osoyoos Division Yale District Plan EPP72804, located at 1189 Ethel Street, Kelowna BC subject to the following:

- 1. The dimensions and siting of the buildings to be constructed on the land be in accordance with Schedule "A,"
- 2. The exterior design and finish of the buildings to be constructed on the land, be in accordance with Schedule "B";
- 3. Landscaping to be provided on the land be in accordance with Schedule "C";
- 4. The applicant be required to post with the City a Landscape Performance Security deposit in the form of a "Letter of Credit" in the amount of 125% of the estimated value of the landscaping, as determined by a Registered Landscape Architect;
- 5. The lots located at 1180 Graham Street and 1189 Ethel Street shall be consolidated into one (1) legal lot.

AND THAT the applicant be required to complete the above noted conditions of Council's approval of the Development Permit Application in order for the permit to be issued.

AND FURTHER THAT this Development Permit is valid for two (2) years from the date of Council's approval, with no opportunity to extend.

#### 2.0 Purpose

To consider issuance of a Development Permit for the form and character of a proposed carwash, gas bar and convenience store.

#### 3.0 Community Planning

Staff recommend support for the Development Permit proposing to construct a car wash, gas bar and convenience store on the subject properties. The proposed site development meets the Official Community Plan (OCP) guidelines for form and character for urban design through building design including: building materials, textures, building and roof articulation, and site landscaping.

The proposed car wash represents a modern and contemporary building form containing a range of exterior finishing materials such as large feature glass windows, red brick siding, grey coloured aluminium composite panels, light grey pre-cast panels and a number of metal architectural sunshade canopies to further protect and accentuate the building facade. The extensive use of glass creates visual interest along Clement Avenue. This building features five modern style parapets oriented to the south to further accentuate the building roofline and allow for more natural light into the self-serve car wash area.

Both the proposed convenience store and gas bar complement the car wash structure by keeping with similar exterior finishing materials used in different ways and in different proportions. The convenience store predominantly utilizes red brick siding coupled with large glass windows, cedar wood textured hardie plank above the windows and grey hardie panel along the upper portion of the building. The large glass windows are further accentuated by the use of a decorative cantilevered wood beam detail seen on all building elevations. The gas bar has a wood finished canopy with structural wood posts finished with red brick siding at the base and a glass roof feature located in the middle of the canopy roof which further accents the structure and ties in with the design aesthetic for the overall site.

These properties represent the edge of industrial uses within the north end of the City and the properties on the south side of Clement Ave are residential. The proposed landscaping along Clement Ave has a variety of colours, textures, heights and seasonal bloom times. Planted berms along the Clement frontage add visual interest, screening and enhance the interface between the public realm and the development. The landscaping surrounding the proposed convenience store is further used to buffer the building which is located in close proximity to the Ethel Street and Clement Ave intersection. The applicant has proposed both on-site and off-site landscaping along all three frontages as well as a 1.8 m high opaque fence or wall at the north property line and between the adjacent industrial property to the north.

There are no variances requested for this proposal as it is consistent with the City of Kelowna Zoning Bylaw.

#### 4.0 Proposal

#### 4.1 Project Description

The proposal is for a comprehensive site development involving a self-serve and automated car wash, convenience store and gas bar. The car wash will be roughly in the centre of the site and is the largest of the three structures. It will feature an enclosed self-serve area with 10 self-serve stalls, and an automated car wash bay with additional building area for office space, control room, mechanical rooms, and washrooms. Two separate queuing lines will be located on the west side of the building for the self and auto car wash components, with vehicles moving eastward across the site, existing toward Graham St. A total of 16 vehicles stalls containing self-serve vacuums are proposed to the east and external to the car wash building.

The convenience store is located on the southwest portion of the site, at the intersection of Clement Ave and Ethel St, and the gas bar is between the convenience store and the car wash buildings. Vehicular access is provided on all street frontages, with right-in right-out access only on Clement Ave.

#### 4.2 Site Context

The subject property is zoned I4 – Central industrial, has an Official Community Plan (OCP) Future Land Use Designation of IND – Industrial, and is located in the Central City Area near the intersection of Gordon Drive and Clement Avenue. It is in close proximity to transit routes along Clement Ave and is within walking distance to the Downtown Core. There are several other I4 zoned properties situated on the north side of Clement Ave. Other surrounding zones include: I2 – General Industrial, RU6 – Two Dwelling Housing and one RM1 – Four Dwelling Housing zoned property. Clement Avenue represents the edge of industrial zoned properties to the north with predominantly residential zoned properties to the south.

Historically, both parcels were used for a range of industrial related activities such as the storage of boats, cars and antiques. Both sites currently sit completely vacant. Car washes and gas bars are a permitted use in the I4 zone.

Orientation	Zoning	Land Use
North	I4 – Central Industrial	IND – Industrial
East	I4 – Central Industrial	IND – Industrial
Couth	DIA Two Dwalling Housing	MRM – Multiple Unit Residential (Medium
South	RU6 – Two Dwelling Housing	Density)
West	l2 — General Industrial	IND – Industrial

Adjacent land uses are as follows:

#### 5.0 Current Development Policies

5.1 Kelowna Official Community Plan (OCP)

#### **Comprehensive Development Permit Objectives**

- Convey a strong sense of authenticity through urban design that is distinctive for Kelowna
- Promote a high urban design standard and quality of construction for future development that is coordinated with existing structures
- Promote interesting, pedestrian friendly streetscape design and pedestrian linkages
- Provide for a scale and massing of commercial buildings that promotes a safe, enjoyable living, pedestrian, working, shopping and service experience
- Incorporate architectural features and detailing of buildings and landscapes that define an area's character

Draft Development Permit DP19-0056

This permit relates to land in the City of Kelowna municipally known as

#### 1180 Graham St & 1189 Ethel St

and legally known as

# Lot 1 Section 30 Blocks 31 and 32 Township 26 ODYD Plan EPP72804 & Lot 2 Section 30 Blocks 31 and 32 Township 26 ODYD Plan EPP72804

and permits the land to be used for the following development:

I4 – Central Industrial

The present owner and any subsequent owner of the above described land must comply with any attached terms and conditions.

Decision By: Council

Development Permit Area: Comprehensive Development Permit Area

This permit will not be valid if development has not commenced by June 24, 2021.

Existing Zone: I4 – Central Industrial Future Land Use Designation: IND - Industrial

### This is NOT a Building Permit.

In addition to your Development Permit, a Building Permit may be required prior to any work commencing. For further information, contact the City of Kelowna, Development Services Branch.

### NOTICE

This permit does not relieve the owner or the owner's authorized agent from full compliance with the requirements of any federal, provincial or other municipal legislation, or the terms and conditions of any easement, covenant, building scheme or agreement affecting the building or land.

Owner: 1084641 B.C. Ltd

Applicant: Urban Options Planning & Permits

Terry Barton Development Planning Department Manager Planning & Development Services Date

#### 1. SCOPE OF APPROVAL

This Development Permit applies to and only to those lands within the Municipality as described above, and any and all buildings, structures and other development thereon.

This Development Permit is issued subject to compliance with all of the Bylaws of the Municipality applicable thereto, except as specifically varied or supplemented by this permit, noted in the Terms and Conditions below.

The issuance of a permit limits the permit holder to be in strict compliance with regulations of the Zoning Bylaw and all other Bylaws unless specific variances have been authorized by the Development Permit. No implied variances from bylaw provisions shall be granted by virtue of drawing notations that are inconsistent with bylaw provisions and that may not have been identified as required Variances by the applicant or Municipal staff.

#### 2. CONDITIONS OF APPROVAL

- a) The dimensions and siting of the building to be constructed on the land be in accordance with Schedule "A";
- b) The exterior design and finish of the building to be constructed on the land be in accordance with Schedule "B";
- c) Landscaping to be provided on the land be in accordance with Schedule "C"; and
- d) The applicant be required to post with the City a Landscape Performance Security deposit in the form of a "Letter of Credit" in the amount of 125% of the estimated value of the landscaping, as determined by a Registered Landscape Architect.

This Development Permit is valid for two (2) years from the date of Council approval, with no opportunity to extend.

#### 3. PERFORMANCE SECURITY

As a condition of the issuance of this Permit, Council is holding the security set out below to ensure that development is carried out in accordance with the terms and conditions of this Permit. Should any interest be earned upon the security, it shall accrue to the Developer and be paid to the Developer or his or her designate if the security is returned. The condition of the posting of the security is that should the Developer fail to carry out the development hereby authorized, according to the terms and conditions of this Permit within the time provided, the Municipality may use enter into an agreement with the property owner of the day to have the work carried out, and any surplus shall be paid over to the property own of the day. Should the Developer carry out the development permitted by this Permit within the time set out above, the security shall be returned to the Developer or his or her designate. There is filed accordingly:

- a) An Irrevocable Letter of Credit in the amount of **\$68,245.00 OR**
- b) A certified cheque in the amount of \$68,245.00

Before any bond or security required under this Permit is reduced or released, the Developer will provide the City with a statutory declaration certifying that all labour, material, workers' compensation and other taxes and costs have been paid.

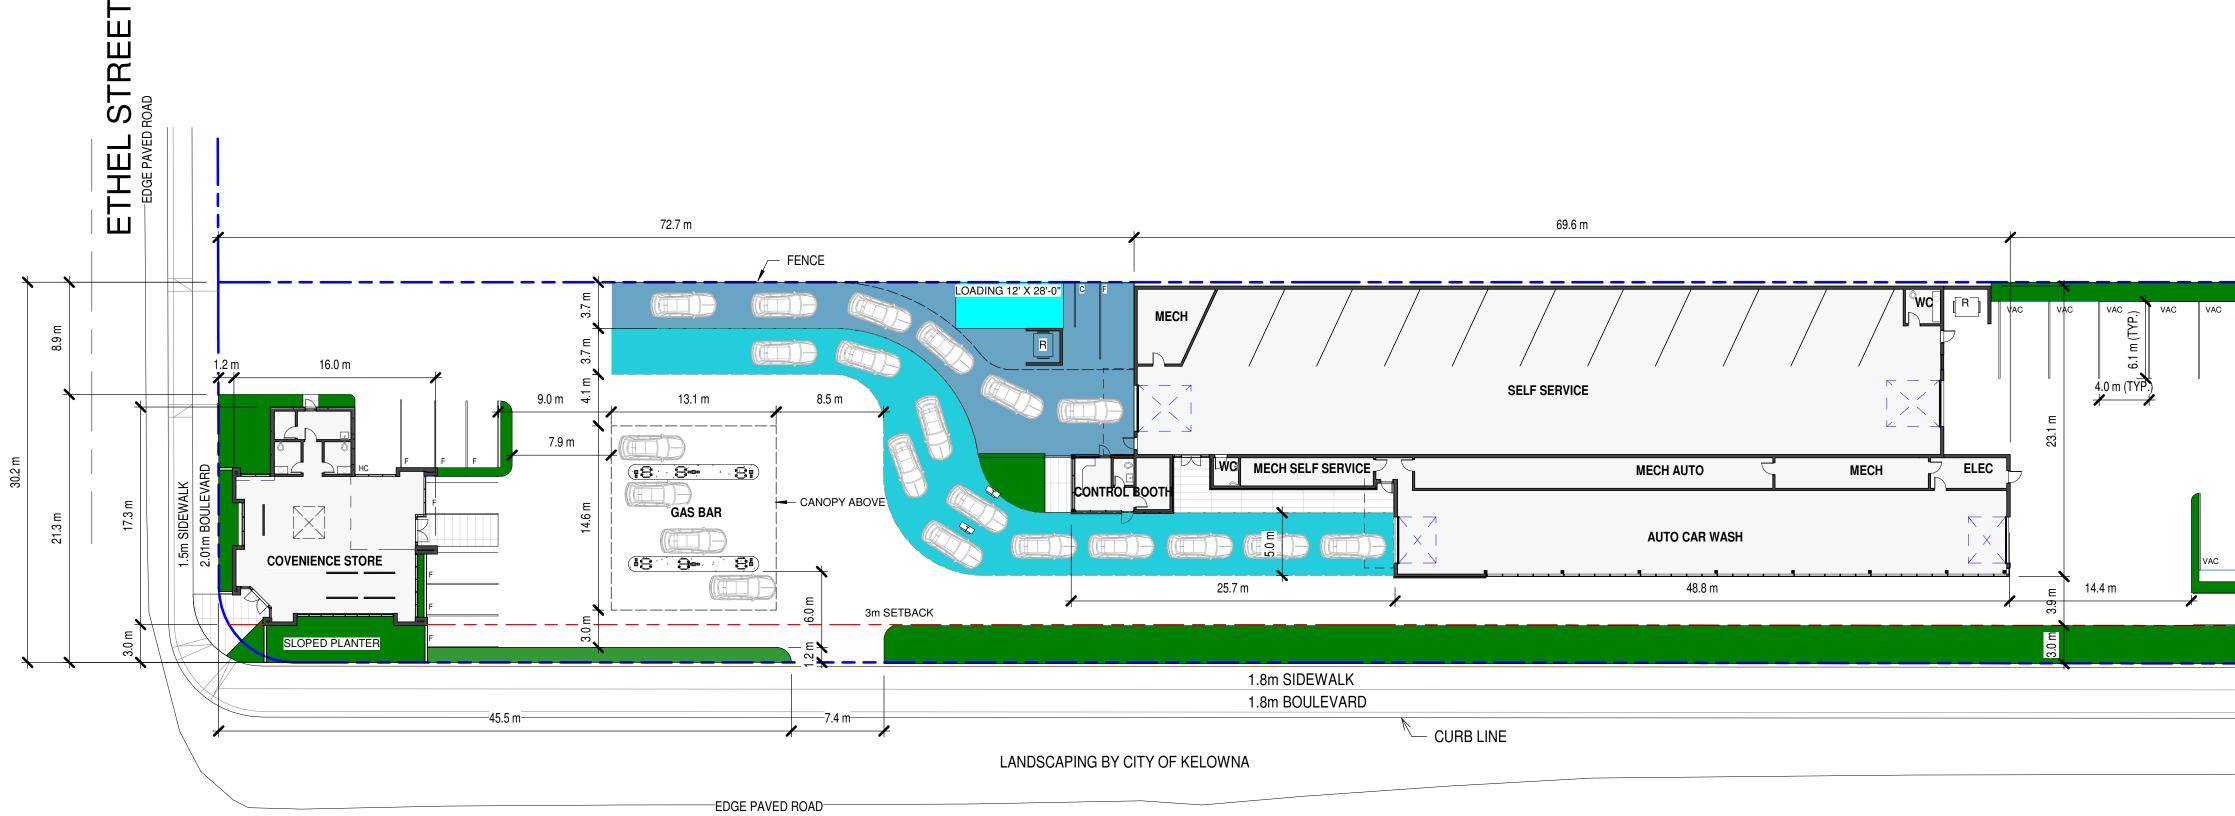

#### 5. INDEMNIFICATION

Upon commencement of the works authorized by this Permit the Developer covenants and agrees to save harmless and effectually indemnify the Municipality against:

a) All actions and proceedings, costs, damages, expenses, claims, and demands whatsoever and by whomsoever brought, by reason of the Municipality said Permit.

All costs, expenses, claims that may be incurred by the Municipality where the construction, engineering or other types of works as called for by the Permit results in damages to any property owned in whole or in part by the Municipality or which the Municipality by duty or custom is obliged, directly or indirectly in any way or to any degree, to construct, repair, or maintain.

The PERMIT HOLDER is the <u>CURRENT LAND OWNER</u>. Security shall <u>ONLY</u> be returned to the signatory of the Landscape Agreement or their designates.

# **IRRIGATION NOTES**

1. IRRIGATION PRODUCTS AND INSTALLATION METHODS SHALL MEET OR EXCEED THE REQUIREMENTS OF THE WATER USE REGULATION BYLAW NO. 10480 AND THE SUPPLEMENTARY SPECIFICATIONS IN THE CITY OF KELOWNA BYLAW 7900 (PART 6, SCHEDULE 5).

2. THE IRRIGATION SYSTEM SHALL MEET THE REQUIREMENTS, REGULATIONS, AND BYLAWS OF THE WATER PURVEYOR.

3. THE IRRIGATION SYSTEM SHALL BE EQUIPPED WITH AN APPROVED BACKFLOW PREVENTION DEVICE, WATER METER, AND SHUT OFF VALVE LOCATED OUTSIDE THE BUILDING ACCESSIBLE TO THE CITY.

4. AN APPROVED SMART CONTROLLER SHALL BE INSTALLED. THE IRRIGATION SCHEDULING TIMES SHALL UTILIZE A MAXIMUM ET VALUE OF 7" / MONTH (KELOWNA JULY ET), TAKING INTO CONSIDERATION SOIL TYPE, SLOPE, AND MICROCLIMATE.

5. DRIP LINE AND EMITTERS SHALL INCORPORATE TECHNOLOGY TO LIMIT ROOT INTRUSION.

6. IRRIGATION SLEEVES SHALL BE INSTALLED TO ROUTE IRRIGATION LINES UNDER HARD SURFACES AND FEATURES.

7. IRRIGATION PIPE SHALL BE SIZED TO ALLOW FOR A MAXIMUM FLOW OF 1.5m /SEC.

8. A FLOW SENSOR AND MASTER VALVE SHALL BE CONNECTED TO THE CONTROLLER AND PROGRAMMED TO STOP FLOW TO THE SYSTEM IN CASE OF AN IRRIGATION WATER LEAK.

Date:	June 24, 2019
File:	0270-02
То:	City Manager
From:	Jackie Dueck, Controller
Subject:	2018 Annual Report

#### **Recommendation:**

THAT Council receives, for information, the 2018 Annual Report for the year ended December 31, 2018 attached to the Report of the Controller dated June 24, 2019;

AND THAT Council receives, for information, the 2018 Statement of Financial Information report that includes: Council Remuneration and Expense Report, Schedule of Remuneration and Expenses paid to or on behalf of each employee, Schedule of Payments to Suppliers for the Provision of Goods and Services and Schedule of Payments to Suppliers for Grants and Contributions attached to the Report of the Controller dated June 24, 2019.

#### **Purpose:**

To meet legislated reporting requirements for annual financial statements, showcase City services, programs and projects, and provide contextual information for the data contained in the remuneration reports.

#### Background:

Annual reporting of financial information is mandatory for all municipalities under the Financial Information Act. The City's annual report is available online at kelowna.ca/annualreport, with print copies available by request. Each year the City prides itself on producing a report that meets financial requirements, while presenting the information in a way that tells the story behind the numbers.

#### **Public review**

The Community Charter requires that the public is informed that the report is available for review two weeks prior to Council's consideration of the annual report. Members of the public were invited (via newspaper advertising, eSubscribe newsletter, online marketing and social media) to review the report, provide feedback and ask questions about the report prior to and at the June 24 Council meeting.

The 2018 Annual Report was published publicly on the new dedicated webpage **kelowna.ca/annualreport** on June 7, 2019. As of June 18, the webpage received 267 unique visitors, and the digital Annual Report document was opened and viewed 135 times (unique views). A promotional video capturing the highlights of 2018 has received 175 views on YouTube, and more notably nearly 4,700 views on social media (Facebook, Twitter and Instagram posts). In addition, an e-newsletter was sent to 741 subscribers, inviting them to read the report. Views and interactions will continue to increase as the report and its video are promoted over the coming months.

#### Inside the report

On April 30, 2019 the Audit Committee reviewed the City of Kelowna's Annual Consolidated Financial Statements for the year ended December 31, 2018; these statements were subsequently approved by Council on May 13, 2019.

In addition to the financial statements, the annual report summarizes the City's accomplishments and demonstrates how we collectively have served our residents, businesses and visitors to help Kelowna continue to be a great place to live

The 2018 report is structured to highlight and reflect the Council and Community adopted Imagine Kelowna principles. It discusses what was accomplished in the four principles of Collaboration, Smarter, Connected and Responsible. It shows the steps taken to meet the City's mission of: Leading the development of a safe, vibrant and sustainable city.

The 2018 Citizen's survey results showed that 94% of Citizens rate their quality of life as good or very good. Through the survey it was determined that the community's top concerns are: social issues, transportation and public safety. The annual report describes how Council priorities were moved forward to address these concerns with the adoption of the Journey Home strategy to address homelessness in a realistic and supportive way, launching updates to the Official Community Plan that sets the vision and strategies for 20 years of growth and to the Transportation Master plan which will create good transportation networks that are safe, cost-effective and sustainable. The Healthy Housing Strategy will provide diverse, affordable housing and the 2018 public safety report has provided recommendations to improve safety in Kelowna as has the investment of 25 new safety and first-responder positions.

These initiatives and many more are outlined in the Annual report and reflect how the City has taken steps to make Kelowna a more vibrant, diverse, inclusive and a thriving Community.

Helping generate awareness and to visually demonstrate at a glance how our community came together in 2018 to reimagine its future, a short promotional video was created and shared on social media, encouraging the public to read more in the annual report.

#### **Tax exemptions**

A report on permissive tax exemptions granted by Council is included in the annual report. The amount reported in this section includes the municipal portion of taxes exempted for the year 2018 as required under the Community Charter. A report is also included on Development Cost Charges to indicate the activity for charges received, expenditures made and any waivers or reductions for each DCC group.

#### **Statistical review**

Within the annual report, following the Audited Consolidated Financial Statements and Notes to Consolidated Statements, is the Statistical Review, in graphic format for the years 2014 through 2018.

#### Remuneration

The 2018 Council Remuneration and Expenses report, Employee Remuneration and Expenses report, the payment for the provision of goods and services schedule are prepared annually as part of the Financial Information Act reporting requirements.

The 2018 Employee Remuneration report shows an increase of 27 staff earning more than \$75,000 over 2017 - management staff increased by eighteen, IAFF staff decreased by one and CUPE staff increased by ten. This increase is a result of a combination of: a reflection of a growing population and incremental wage increases from collective agreements; management and CUPE contract increases (steady at approximately 2 per cent over the past several years); IAFF increase of 2.5 per cent and other compensation such as Emergency Operations work, vacation payouts or travel charges.

The City provides hundreds of services that require a wide variety of degrees and specialized qualifications. It competes with the public and private sector to recruit and retain employees who are qualified to fill these positions.

The chart below provides a summary of the changes by employee group:

	2018	2017	Change in
>\$75,000	Numbers	Numbers	Numbers
Management	133	115	18
IAFF	110	111	(1)
CUPE	164	154	10
TOTAL	407	380	27

#### Remuneration Comparison 2018 – 2017

The total employee remuneration for 2018 has increased by 4.4 per cent, or approximately \$3.1 million to \$73.9 million. This increase can be attributed as: 2% due to wage and salary increases and the balance is due to required staff increases to continue to provide the existing level of service to a growing City.

The City of Kelowna continues to support the business community through supplier payments. In the Annual Report the City talks about being Open for Business which means building a strong economy and creating an environment where business can thrive.

#### Supplier Payment Comparison 2018 – 2017 (\$000s)

Supplier Payments	2018		2017		Change	
Greater than \$25K	\$	372,358	\$	311,906	\$	60,452
Less than \$25K		10,307		9,788		519
Total	\$	382,665	\$	321,694	\$	60,971
# of Suppliers >						
\$25K		542		491		51

In 2019 the City provided payment to suppliers in the amount of \$382M and had an increase in the number of suppliers of 51.

#### The top 10 suppliers (excl. other Tax Authorities)

Supplier's Name	Amount (\$)		
Emil Anderson Construction (EAC)	24,298,365		
Young Anderson "In Trust"	19,771,808		
Pension Corporation	13,173,115		
BC Transit	12,069,075		
Fortis BC	5,239,297		
Landmark Solutions Ltd.	4,232,395		
Bouygues Energies and Services Canada Ltd.	3,971,071		
Morneau Shepell Ltd.	3,814,669		
OK Environmental Waste Systems Ltd.	3,538,484		
Sierra Landscaping Ltd.	3,442,816		

2018 was a year where steps were taken to create a vibrant, safe and inclusive City.

#### Legal/Statutory Authority:

Community Charter section 98, Annual Municipal Report - requires that the annual report be prepared by June 30 of each year and that it be available for public inspection at the meeting the Annual Report is to be considered by Council.

Community Charter section 99 - Council must give notice of the meeting at which the Annual Report is to be considered in accordance with section 94, and consider, the annual report along with any submissions and questions from the public.

Financial Information Act Regulations Schedule 1 Section 9(2) - requires that a Municipality have the Statement of Financial Information approved by its Council and by the officer assigned responsibility for financial administration under the Local Government Act.

#### Internal Circulation:

- G. Davidson, Divisional Director Financial Services
- S. Leatherdale, Divisional Director Human Resources
- C. Weaden, Divisional Director Corporate Strategic Services

## A MESSAGE FROM THE MAYOR

The City's Annual Report provides an opportunity to reflect on how our city has taken steps to make it an even more vibrant, diverse, inclusive and thriving community. I can say we learned a lot in the past year, both as a government body, but also personally. I've been candid about this: 2018 certainly had its trying moments, but through the year we saw great things emerge.

Council works together to best serve our residents, who in October 2018 voted to re-elect all incumbent candidates. I'm pleased to welcome our new colleague, Councillor Loyal Wooldridge, who took the seat vacated by former Councillor Tracy Gray. We all heard open and honest feedback from residents during the campaign trail and election: the issues, successes and priorities important to residents and where we can focus our leadership for the betterment of our community. The 2018 Citizen Survey also provided insight to help guide our decisions.

We are pragmatic about the practical needs in our community today, but we are also focused on the community's **Imagine Kelowna** vision, endorsed in 2018, to be smart and adapt to change and support innovation to preserve the quality of life we enjoy. That's why we invest millions every year in public amenities and facilities, while still managing to keep taxation demands competitive with other B.C. cities.

Despite being the fastest growing region in the province, out of 16 larger or similar-sized cities in B.C., Kelowna ranked seventh-lowest in property taxation in 2018 – more than \$200 below the provincial average. In the 2018 Citizen Survey, we heard that 79 per cent of residents say they receive good value for their tax dollars, and 87 per cent continue to say they are satisfied with the overall quality of services provided by the City.

Strong financial planning, policies and management are imperative when you maintain more than 1,600 kilometres of roads, more than 220 parks and beaches, more than 100 municipal buildings, continually expand our leasable fibre-optic network, and deliver 16 billion cubic litres of drinking water every year to Kelowna Water Utility customers. Council remains committed to making Kelowna a safe and inclusive city where people of all backgrounds work together to meet our collective challenges. In 2018, we prioritized investments in safety, creating 25 new safety positions in the City for new firefighters, RCMP and Bylaw officers and support staff.

We are pragmatic about the practical needs in our community today, but we are also focused on the community's *Imagine Kelowna* vision, endorsed in 2018, to be smart and adapt to change and support innovation to preserve the quality of life we enjoy.

Like most cities, we are taking a more active role in addressing social issues. This is happening on a scale that is relatively new to municipal governments of our size, but we cannot ignore the issues, and people look to us to show leadership in finding solutions.

It has led to stronger collaboration with our partners in government and in the community, most notably through the development of the Journey Home Strategy. I'm proud of the role the City has played in facilitating the bringing together of more than 50 community partners to deliver a five-year plan to address homelessness, with a focus on ensuring everyone has a place to call home.

It takes a lot of collaboration between agencies, organizations and people to make significant change happen. I'm proud to look back at the decisions made and projects delivered in 2018 that have helped make Kelowna a great place to live and I invite you to read about these in this year's Annual Report.

C. Ma

– Colin Basran

## A MESSAGE FROM THE CITY MANAGER

It is with a sense of accomplishment and optimism that I present the City of Kelowna's 2018 Annual Report. Looking back on 2018, it was a year marked by a view to the future of our great city. A municipal election in the fall saw the start of a new Council term and I transitioned into the role of City Manager in June. We reimagined our future through Imagine Kelowna and launched key foundational plans that we will build upon to ensure Kelowna continues to be a great place to live, play and conduct business.

The strong financial management reflected in this document is paramount to our operations, and it is imperative that we are accountable to residents about how their tax dollars are being invested in City services. The Annual Report provides the platform for financial transparency and it gives us an opportunity to reflect on how we delivered milestone initiatives that shape our community.

Through *Imagine Kelowna* our residents have asked for a Kelowna that is shaped by collaboration, responsible decision making, connected citizens and by adapting in smart ways to rapid growth. I can say that looking back at 2018, we are already advancing these goals.

2018 was also the beginning of a new era of partnerships. The City as a convener, will facilitate collaboration amongst our residents, partner agencies and other levels of government to address collective challenges and contribute to making Kelowna a vibrant, safe and inclusive community. A highlight of 2018 was the development and endorsement of the Journey Home Strategy that saw more than 50 community partners collaborate to address homelessness in a realistic and supportive way.

Continuing to keep residents safe is also a key priority. The 2018 Public Safety Report recommends further collaboration – working together to address complex issues. In the 2018 Citizen Survey, we heard from residents that their top concerns were addressing social issues and public safety. To respond to this issue, we invested in safety by hiring 12 new firefighters, four RCMP officers, four Bylaw Officers and five Police Services support staff.

Serving at Council's direction, our team of skilled and dedicated staff moved Council priorities forward in 2018, including: launching the Official Community Plan and Transportation Master Plan, delivering the Healthy Housing Strategy, opening the Okanagan Rail Trail with partner jurisdictions, expanding access to lakefront parks, introducing a spectacular 28 kilometre paddle trail and breaking ground on the \$86 million water integration project to bring clean drinking water to Southeast Kelowna and a reliable source for agriculture in the South Mission. These are just a few examples of what made 2018 a memorable year.

Through Imagine Kelowna our residents have asked for a Kelowna that is shaped by collaboration, responsible decision making, connected citizens and by adapting in smart ways to rapid growth. I can say that looking back at 2018, we are already advancing these goals.

As Kelowna's new City Manager, I also take this opportunity to look forward. I am committed to leading an organization that delivers the *Imagine Kelowna* goals and principles. We are a City that values people, exceptional service and a view to our long-term sustainable future.

I see the need for our organization to be innovative, bold and unafraid to do things differently to better serve our residents. We must continue to use strong partnerships to meet our challenges and embrace our growing community for its talent, diversity and inclusivity. 2018 has given us the foundation to get there and I'm extremely excited for the potential our future holds.

84

## OUR COMMUNITY

Kelowna is located along the beautiful shores of Okanagan Lake, in the heart of the stunning Okanagan Valley.

With a population of 131,600 Kelowna is the largest community in the Regional District of Central Okanagan. As a desirable place to live, offering an active four-season lifestyle, Kelowna remains one of Canada's fastest growing cities. By 2040 more than 50,000 new residents are expected to call Kelowna home. Dynamic tourism, cutting edge technology and deep rooted agriculture sectors remain pillars of the economy.

The lake offers opportunities for boating, swimming or fishing, while nearby mountains attract hikers, skiers and outdoor enthusiasts. Golfers tee-it-up at our 13 courses, and bustling urban centres offer restaurants with delectable food, award-winning wines, craft beers and ciders, local shopping, museums, live entertainment and cultural festivals.

## **OUR CITY**

The organization is led by our new City Manager and dedicated Mayor and Council. More than 900 employees deliver quality services to ensure our City is safe, vibrant and sustainable. A fiscally responsible municipality, the City of Kelowna provides core services, maintains existing infrastructure and builds new amenities when needed.

The public is kept informed of City projects and progress through an array of **publications** and the user-friendly and mobile responsive **kelowna.ca** website. Citizens can also provide input and be involved on key projects through the City's online engagement platform **getinvolved.kelowna.ca**. Engaged citizens help build strong neighbourhoods and create a city that is welcoming and inclusive.

#### VISION

TO BE THE BEST MID-SIZED CITY IN NORTH AMERICA.

#### **MISSION**

## MAYOR & COUNCIL

The City of Kelowna is governed by an elected Mayor and eight Councillors for a four-year term. Council provides direction and establishes the policies and budget to guide the growth, development and operations of the city. Council meets regularly and the public is welcome to attend any open meeting or provide feedback in writing via mail or email.

In the fall of 2018, Kelowna residents voted in the municipal elections to elect Council for the 2018-2022 term. In early 2019, Council will work to establish its priorities for its term in office and the direction for the next four years.

## CORPORATE FRAMEWORK

In 2018 the City's administration delivered on programs, services and projects with the Corporate Framework guiding operational work done by City staff.

The Corporate Framework captures what the City of Kelowna does to:

- Be an active, inclusive city
- Be a safe city
- Have resilient, well-managed infrastructure
- Provide a clean, healthy environment
- Foster a strong economy

#### **CORPORATE PLAN (A WELL-RUN CITY)**

#### STRONG FINANCIAL MANAGEMENT

Ensure the City is financially sound, accountable and transparent, and that long-term plans and policies protect the financial viability of services, programs and infrastructure.

#### **PERFORMANCE EXCELLENCE**

Ensure alignment of work to our highest priorities, focus on results, continuous improvement of services based on innovation and best practices.

#### **PASSIONATE PUBLIC SERVICE**

Build a resilient, adaptable workforce that shares a public service culture supported by career planning, learning opportunities, empowerment and employee accountability. At its core is the Corporate Plan (a Well-Run City) outlined below. With a new City Manager at the helm, the senior leadership administration will be reviewing and updating the corporate strategic direction in early 2019.

#### **PIONEERING LEADERSHIP**

Incubate new ideas and approaches, and seize opportunities to demonstrate leadership at any level to make significant improvements to key services.

#### **ENGAGED COMMUNITIES**

Ensure communication, outreach and engagement efforts reach all residents and stakeholders using multiple communication channels including new technologies and social media.

#### **RESPONSIVE CUSTOMER SERVICE**

Ensure services are accessible and focused on the needs of the customer.

### FINANCIAL STRATEGY: STRENGTH & STABILITY

The ability to acquire and manage a portfolio of financial and physical assets that meet the current and future needs of our community. Read more about our **Financial Management Strategies** on page 31.

#### FINANCIAL STRATEGY

- Assets New
- Assets Renew
- Debt
- Development Financing
- Grants
- Operations
- Partnerships and Enterprise
- Property Taxation
- Reserves and Surplus Funds
- User Fees and Charges

#### FINANCIAL PRINCIPLES

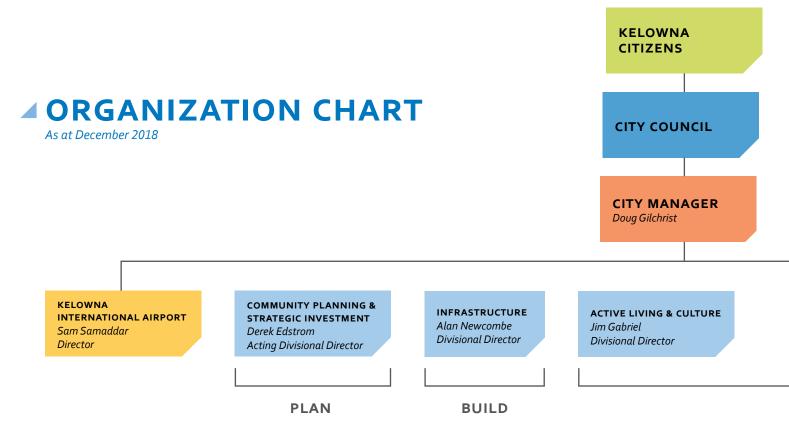

- Sufficient
- Pragmatic
- Flexible
- Transparent
- Balanced

#### PLANS THAT INFLUENCE FINANCIAL DECISIONS

- Council Priorities
- Official Community Plan
- Imagine Kelowna vision
- 10-year Capital Plan
- 2030 Infrastructure Plan
- 20-year Servicing Plan
- Community Trends report

## **2018 WAS A YEAR OF...**

Imagining our future and laying key foundational plans that will define our future Kelowna. It was also a year of collaboration and facilitating valuable community partnerships. City staff delivered on initiatives, projects and strategies aligned with Council priorities to support our growing community.

#### **NEW LEADERSHIP**

It was a year of new leadership with City Manager Doug Gilchrist hired to lead the City's administration. During the fall 2018 General Local Election, Mayor Colin Basran was re-elected to lead Council for the 2018-2022 term. The elections saw 32,151 voters cast their vote over six days of voting and 24 opportunities, including accessible voting for individuals with diverse abilities and mail ballot voting.

#### **COMMUNITY SAFETY**

**Community safety** was a priority focus area in 2018. Council invested in safety resources with the addition of 25 new safety first responder and support positions. Bylaw and RCMP foot patrols were increased in the downtown area and a one-number needle pick-up was established for residents to call if they found a needle in public spaces or outside private residences.

To better understand the complexities of social and safety issues, former RCMP Superintendent Bill McKinnon was hired to connect with community partners and develop a set of recommendations on how to move forward with addressing the complexities of the public safety landscape.

Investments also included the conversion of Fire Station No.8 to a career and paid-on-call fire station to improve the emergency response time to the Glenmore and Northern areas of the city. In addition, a \$500,000 upgrade to the fire dispatch system was completed.

SUPPORT STAFF FIREFIGHTERS

#### **OPEN FOR BUSINESS**

Building a strong economy and creating an environment where businesses can thrive contributes to making a great city.

Supporting tourism as a pillar of our economy, we ratified a lease agreement with Tourism Kelowna to allow for the development of a visitor information centre in a location that capitalizes on visitor trends in our community and reflects best practices in tourism development.

We expanded our **dark fibre** offering for entrepreneurs and organizations to plug into with the installation of an additional 23 km of fibre optic cable that connects the Airport and UBC Okanagan in the north, Okanagan College, Kelowna General Hospital, and City infrastructure in the south to the central city core.

We took steps to introduce the new federally-legalized cannabis industry into our community by amending zoning bylaws relating to production and retail sales of nonmedical cannabis and developing application requirements, process and a scoring matrix for new cannabis businesses applicants. We received 41 rezoning application submissions in the first intake by the end of November.

#### STRONG FINANCIAL MANAGEMENT

As stewards of public funds, through strong financial management, City projects and services for 2018 were funded from a variety of sources, with 74 per cent coming from sources other than taxation.

In the **2018 Citizen Survey** 79 per cent of residents said they receive good value for their taxes. Citizens continue to prefer tax increases over service reductions: when given the choice, 55 per cent of citizens choose increased taxes compared to 33 per cent opting for service reduction.

### COLLABORATION

#### **IMAGINE KELOWNA PRINCIPLE**

A community where people of all backgrounds work together to meet collective challenges.

A vision by our community, for the community, emerged after more than two years of public engagement in the largest city conversation ever. Council endorsed the **Imagine Kelowna** community vision which positions Kelowna for a future that puts people first, values its history, encourages curiosity and creativity, and recognizes the changing roles of individuals, businesses, government and community.

2018 saw the Journey Home Strategy developed and endorsed by Council. It is a housing-first, five-year action plan to support an estimated 2,100 people experiencing, or at risk of, homelessness in our community by 2024. Together with a community task force, the City facilitated the collaboration of more than 50 community and government partners. The strategy will see the addition of 300 new supportive housing units, 500 program spaces and a backbone organization to ensure that everyone has a place to call home. As part of the Inter-Jurisdictional Development Team, we helped complete the construction of the nearly 50 km pedestrian and bicycle Okanagan Rail Trail constructed on the discontinued CN Rail corridor. In Kelowna, residents and visitors can connect from downtown to mid-town, UBC Okanagan and the airport via this paved, separated multi-use trail.

This inter-regional project was made possible through a partnership that includes: The City of Kelowna, District of Lake Country, Regional District of North Okanagan and Okanagan Indian Band. Development was funded through a community campaign including donations from 5,089 individuals and organizations in addition to provincial and federal government grants.

We also collaborated with BC Transit to implement Automated Vehicle Locator real-time tracking. Riders can use mobile devices to see the location of their bus along its route and predicted arrival time.

98

to Be to

### **SMARTER**

#### **IMAGINE KELOWNA PRINCIPLE**

A community willing to learn, adapt and grow so we can thrive amid rapid change.

In 2018 we took steps towards planning for our future by launching the update to two significant long-range master plans which will work together to plan for a future that sees 50,000 new residents call Kelowna home by 2040.

The Official Community Plan, Kelowna 2040: Our Kelowna as we Grow will set the vision, strategies and objectives for 20 years of growth. The Transportation Master Plan: Our Kelowna as we Move will look at creating a good transportation network that is safe, cost-effective and sustainable. In addition, the Regional Transportation Master Plan: Connecting our Region was launched in 2018.

*Imagine Kelowna* outlines the goal of building healthy neighbourhoods that support a variety of households, income levels and life stages. In 2018, Council endorsed the **Healthy Housing Strategy:** a five-year, 19-action item plan towards diverse, affordable and attainable housing.

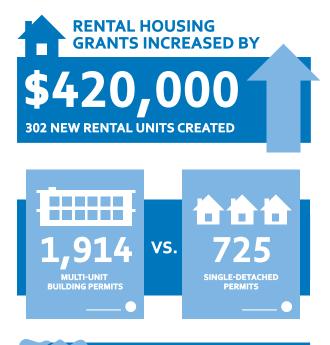

The development of Central Green – a residential masterplanned community – will build up an urban residential centre close to downtown. The land, previously owned by the City of Kelowna, was sold to support the development of increased rental and multi-unit family housing. It adds more than 115 affordable and supportive housing units in Kelowna.

We continue to be proactive and innovative in adapting to climate change and looking at ways to be more resilient. We completed the energy efficient (and cost-saving) solution of **retrofitting 10,000 street lights to LED light bulbs** which will result in nearly \$13 million in cost savings over the next 15 years.

As freshet, flooding, landslides and wildfires become a familiar reality, we continued to demonstrate strength, adaptability and resiliency in responding to these local and regional emergencies by **investing in mitigation projects** to help keep our community safe.

#### SUPPORTIVE HOUSING UNITS IN PURPOSE-BUILT BUILDINGS HEARTHSTONE & HEATH HOUSE

BC HOUSING COLLABORATION 300 AFFORDABLE RENTAL HOUSING UNITS TO COME

2,574 BUILDING PERMITS \$912,817,993 CONSTRUCTION VALUE

## CONNECTED

#### **IMAGINE KELOWNA PRINCIPLE**

A community where residents are connected to their neighbours, their city and the wider world.

Adding to our natural outdoor playground, we opened the spectacular 28 km Kelowna Paddle Trail on Okanagan Lake from Bertram Park to McKinley Beach as the newest Active by Nature route.

We increased public lakefront park access in the Mission with the acquisition of a 0.89 hectare future park property on Hobson Road and opened the interim access to the popular one hectare Bluebird Beach Park.

#### **GREAT PUBLIC SPACES**

- Phase 1 Rowcliffe Park
  - Large accessible playground
- Boyce-Gyro Beach upgrades
  - 126 permanent parking stalls
  - New volleyball courts
- Kerry Park upgrades
  - Pedestrian & landscape improvements

The community came together to celebrate **Park & Play's 10<sup>th</sup> anniversary** with free family fun events held in 48 City parks throughout the summer.

We also awarded nine Neighbourhood Grants (nearly \$8,000) for resident-led enhancements to the areas they live in, and supported 18 neighbourbood events that saw more than 1,100 participants come together as part of the Strong Neighbourhood program.

As our community grows and evolves into a larger urban centre, we want to continue offering and fostering dynamic cultural options for residents and visitors to enjoy. An update to the City's Cultural Plan was launched in 2018 with a number of options for the public to provide input.

We also provided approximately \$650,000 in community development grants to support social development, arts, culture, heritage, and sport organizations, individuals and events in the community.

Embracing diverse transportation options, Phase 2 construction to open the **Rutland Transit Exchange** for full service and the extension of Shepherd Road was completed. This improves connectivity and increases access for pedestrians, cyclists and transit users in the Rutland Town Centre.

We partnered with senior levels of government to build and open John Hindle Drive, providing a new route to UBC Okanagan and Kelowna International Airport. The City also built a multi-use overpass helping pedestrians and cyclists get to campus safely.

We introduced a **bikeshare pilot program** which saw 33,000 rides in the first three months.

#### **NEW PUBLIC ART**

FROM WITHIN SCULPTURE AT THE KARIS WOMEN'S SUPPORT SOCIETY

### THE VALLEY

SCULPTURE ATTACHED TO THE LIBRARY PARKADE

### RESPONSIBLE

#### **IMAGINE KELOWNA PRINCIPLE**

A community where decisions are made ethically and where social and environmental concerns are prioritized.

We broke ground on the \$86 million Kelowna Integrated Water Phase 1 project to integrate the South East Kelowna Irrigation District (SEKID) and deliver agriculture water to the South Mission. Plus, we secured an additional \$12 million provincial grant for Phase 2 of the Integrated Water project, building on the \$43.9 million previously received in 2017 for Phase 1.

We launched a review of the newly acquired SEKID irrigation system assets to assure long term sustainability of the agricultural water system. The Source Water Protection Plan for the City's four lake water intakes was developed and we also worked on the development of a broader separate plan with the Okanagan Basin Water Board.

We completed policy and regulation updates to implement the Agriculture Plan to provide clear and transparent land use direction.

## FINANCIAL INFORMATION

## FINANCIAL SERVICES

The City of Kelowna is committed to financial strength and stability. The City defines this as the ability to acquire and manage a portfolio of financial and physical assets that meet the current and future needs of our community. This commitment to excellence was recognized again by the Government Finance Officers Association. In 2018 and for the 16<sup>th</sup> year in a row, the City was awarded the Canadian Award for Financial Reporting and, for the 17<sup>th</sup> year the Distinguished Budget Presentation Award.

#### CANADIAN AWARD FOR FINANCIAL REPORTING

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Canadian Award for Financial Reporting to the City of Kelowna for its annual financial report for the fiscal year ended December 31, 2017. The Canadian Award for Financial Reporting program was established to encourage municipal governments throughout Canada to publish high quality financial reports and to provide peer recognition and technical guidance for officials preparing these reports.

In order to be awarded a Canadian Award for Financial Reporting, a government unit must publish an easily readable and efficiently organized annual financial report, whose contents conform to program standards. Such reports should go beyond the minimum requirements of generally accepted accounting principles and demonstrate an effort to clearly communicate the municipal government's financial picture, enhance an understanding of financial reporting by municipal governments, and address user needs.

A Canadian Award for Financial Reporting is valid for a period of one year only. We believe our current report continues to conform to the Canadian Award for Financial Reporting program requirements, and we are submitting it to the GFOA.

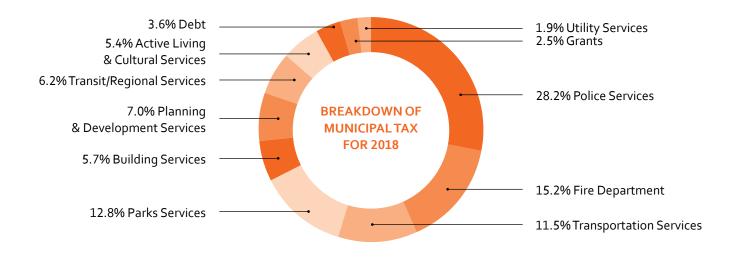

## PROVISION OF SERVICES & SUPPORT FOR GROWTH

The 2018 taxation increase averaged 2.99 per cent for all property classes. This increase reflected resources allocated to the emerging challenges of growth: increased safety resources, balanced and active transportation solutions, ongoing commitments to address homelessness and plans for a sustainable future. The use of tax revenue and development cost charges generated from new growth assist in providing a balanced approach to the expansion of services and infrastructure required to accommodate growth within the municipality.

The City budgeted to collect a total of \$235.5 million in taxation revenues, 57 per cent of which was retained for municipal purposes. The remaining 43 per cent is levied on behalf of other governments and agencies to provide funding for schools, the Regional District of Central Okanagan shared services, libraries, regional hospital, Kelowna business improvement areas, and for BC Assessment to cover the City's share of costs associated with providing assessment information.

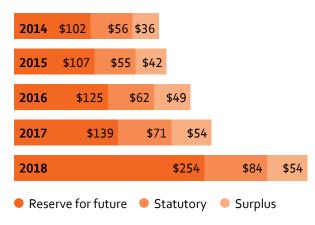

The City has historically relied on pay-as-you-go rather than debt financing for major infrastructure needs wherever possible in achieving strategic servicing goals. In 2018, 5.3 cents of each municipal tax dollar collected was budgeted for tax-supported debt servicing programs. The 0.3 cent decrease from 2017 is due to interest rate resets related to borrowing for Chapman Parkade, Okanagan Gymnastics Centre, H2O Adventure + Fitness Centre and the Police Services Facility. Pay-as-you-go capital project funding represented 9.5 per cent of the 2018 taxation requirement.

Financial Information | City Reserves

## CITY RESERVES

City reserves provide a financial mechanism for saving money to finance all or part of future infrastructure, equipment and other requirements. Reserve funds can also provide a degree of financial stability, by reducing reliance on indebtedness to finance capital projects and acquisitions, flexibility to leverage opportunities as they arise, or safeguards to extraordinary tax increases.

## DEVELOPMENT COST CHARGES

Development cost charges (DCCs) are fees that municipalities collect from new development to help pay the cost of infrastructure services that are needed for growth. Imposed by bylaw pursuant to the *Local Government Act*, the charges are intended to facilitate development by providing a method to finance capital projects related to roads, drainage, sewer, waterworks, and parkland.

The City's DCC program supports community development and integrates with longer-term plans. Infrastructure requirements are based on the Official Community Plan that estimates a resulting population of 161,701 by the end of 2030. The 20-Year Servicing Plan and Financing Strategy provides the infrastructure requirements to 2030 along with the cost sharing for various projects. Cost sharing methodologies reflect the level of benefit to existing taxpayers and new growth. Charges are based on the demand placed on services by different residential types, commercial, industrial, and institutional growth.

The latest update to the 20-Year Servicing Plan impacted DCC rates with the changes taking effect in July 2016. The DCC rates were updated to reflect the construction and land costs of the day. This plan reflects a total program cost of \$785 million. The funding for the program is 66 per cent from Development, 28 per cent from City funds, and 6 per cent from senior levels of government. Arterial Roads maintain the largest share of the program at \$462 million; followed by Park Land acquisition at \$136 million.

Wastewater Treatment at \$86 million, Water Distribution at \$60 million, and Wastewater Trunks at \$41 million. In 2018, staff reviewed the current costs of development infrastructure and will be submitting rate updates in 2019 for Council approval.

Local governments are permitted to temporarily lend available money from one DCC reserve fund to another. The money, along with appropriate interest, must be returned to the original reserve fund. For 2018, a deficit in Water Sector B reserve fund was covered from Water Sector A, and a deficit in the Wastewater Treatment reserve was covered by Water Sector A and Roads Sector A reserve fund.

### **MUNICIPAL ASSIST FACTOR**

The Local Government Act requires local governments to assist in the cost of new infrastructure. The municipal assist factor reflects Council and the community's support towards the financing costs of new infrastructure. The level of the assist, determined by City Council, reflects a benefit to the existing population while encouraging development and housing affordability.

#### City of Kelowna assist factor

Roads	15%
Parks	8%
Water	1%
Wastewater	1%

### MAJOR PROJECT EXPENDITURES IN 2018

#### Parks

\$5.5 million – Parkland Acquisition at 591 Poplar Point Drive and 4214 Hobson Road.

#### Roads

\$3.7 million – John Hindle Drive, Steward Road DCC and debt repayment.

## Water

\$222k – South End Water Upgrades.

#### Wastewater Trunks and Treatment

\$5.95 million – Airport Gravity Main Bypass, and debt repayment.

#### **FUTURE PLANS**

Total program expenditures are projected at \$27.5 million.

#### Parks

**\$5.2** million – Dewdney park expansion and planned parkland acquisition.

#### Roads

\$11 million – Stewart Road, South Perimeter Road, Hollywood Road, McCulloch Road (KLO, Hall, Spiers) Improvements, Sutherland Avenue and Ethel Street Active Transportation Corridors and Sector B Top Lift Paving.

#### Water

\$795k – South End Water Upgrades and Skyline Pump Station Electrical Building Upgrades.

### Wastewater Trunks and Treatment

\$10.5 million – Guy Street Lift Station, Swordy Road Sewer Upgrades, Water Street and Gyro Force Mains and debt repayment.

#### **Development Cost Charge Reserve Funds**

(thousands of dollars)

	Opening Balance	Receipts	Interest	-	Transfers Out	Closing Balance	Re	ductions/ Waivers <sup>*</sup>
Parks	\$ 10,300	\$ 10,864	\$ 275	\$	3,161	\$ 18,278	\$	91

\*Waivers are for Affordable Rental Housing and are paid for through taxation.

The DCC program underwent a minor update in 2016 and was reviewed and approved by Council.

On April 18, 2016 Council approved the 2030 Infrastructure Plan, which identifies all the City's infrastructure investment needs for the next 15 years (2016 – 2030).

# FINANCIAL MANAGEMENT STRATEGIES

**Principles and Strategies for Financial Strength and Stability** have been adopted by Council establishing guidelines for how the City will acquire and manage a portfolio of financial and physical assets that meets the current and future needs of our community.

The 10 financial management strategies are:

#### ASSETS – NEW

Expenditures for new assets will be prioritized based on social, economic and environmental factors and life cycle cost implications. Emergent opportunities will be evaluated against existing priorities. Investment in new assets should follow the long-term capital plan. The decision-making process for new asset investment will be documented, transparent and clearly communicated to Council, staff and the community.

#### **ASSETS – RENEW**

The City will invest in existing infrastructure renewal in accordance with the long-term capital plan. Funding for asset renewal will be balanced against service levels and risk tolerance. Life cycle costs should be managed through preventative maintenance and renewal strategies.

#### DEBT

General Fund debt servicing costs will be maintained at or below a targeted level of annual taxation demand. The City's debt capacity will be preserved by limiting the use of debt to fund only one-time major capital projects. If possible and when beneficial, debt will be paid down earlier. Financing for less than a five-year term will be completed through internal financing. Impacts on overall City debt levels from "self-funded" cost centres and Funds will be reviewed and understood.

#### **DEVELOPMENT FINANCING**

Developers will pay their fair share for growth-related infrastructure through DCCs and other tools. Where appropriate, other funding can be used to provide additional capacity over and above the current OCP horizon. Taxation- funded DCC's through grant programs may be used to encourage economic development and community projects.

#### GRANTS

Grants will only be pursued for the City's priority projects. Grant funding will not increase the scope of a project without Council endorsement. Annual project funding must be sufficient without conditional grants. Long-term financial planning will rely on unconditional grant opportunities only.

#### **OPERATIONS**

All services, including new services, must be aligned with the City's priorities and reviewed regularly. The full financial cost of service and staff requirements will be understood by Council and administration. Future changes in operating costs, including personnel resourcing requirements, will be considered in long-term capital and financial planning. Ongoing operating activities will only be funded through taxes, fees and charges.

#### **PARTNERSHIPS AND ENTERPRISE**

The City will pragmatically partner with other entities to deliver community services and amenities. The City will explore access to new sources of capital and revenue streams. The City will leverage existing assets to attract private sector involvement. The City will leverage the expertise of outside partners. Services from partnerships will be reviewed regularly to ensure the needs of the City continue to be met. The City supports organizations within the community that enhance the quality of life.

#### **PROPERTY TAXATION**

Property taxes will remain as stable as possible over time. Property taxes will be comparative with similar communities. Increases to property taxes will be balanced among assessment classes. Property tax information will be transparent and easy to understand. Property taxes will reflect the infrastructure, services and service levels that the community believes are important.

#### **RESERVES AND SURPLUS FUNDS**

The purpose of each reserve will be documented and reviewed regularly. Ongoing operating requests will not be funded from reserves. Accumulated surplus will only be used as an emergency funding source.

#### **USER FEES AND CHARGES**

Everyone will pay a fair amount for the services they receive. Services will be reasonably accessible by all citizens. User fees will be transparent and easy to understand.

# REPORT FROM THE DIVISIONAL DIRECTOR, FINANCIAL SERVICES

June 7, 2019

### MAYOR BASRAN AND MEMBERS OF COUNCIL,

I am pleased to present the City of Kelowna's 2018 Annual Financial Report for the year ended December 31, 2018. The purpose of this report is to publish the City of Kelowna's consolidated Financial Statements, Auditor's Report and to provide an update on City services and projects, pursuant to Sections 98 and 167 of the Community Charter.

Preparation of the Consolidated Financial Statements is the responsibility of City Council and City of Kelowna management. These statements are prepared by City staff in accordance with Canadian public sector accounting standards. Management is also responsible for implementing and maintaining a system of internal controls for the safeguarding of assets and to provide reasonable assurance that reliable information is produced.

External auditors, Grant Thornton LLP, conducted an independent examination in accordance with Canadian auditing standards to express their opinion on the Consolidated Financial Statements. The City's Audit Committee also reviewed the financial statements to ensure they are comprehensive, reliable and understandable. The City received a clear audit opinion.

The City's Council-adopted Principles & Strategies for Financial Strength & Stability continue to guide how the City will acquire and manage a portfolio of financial and physical assets that meets the current and future needs of our community. The City continues to monitor and report financial health indicators as part of the annual financial reporting to the Audit Committee and Council. The financial indicators show that the City is well positioned to meet current financial obligations and take on new opportunities without significant debt or tax increases.

The City ended the year with a \$114 million increase to accumulated surplus, which now sits at \$2.04 billion. Revenues increased over 2017 by \$78 million, mainly due to government grants and capital contributions from the Kelowna Water Integration, John Hindle Drive and Upper Vernon Creek projects.

Fees and charges increased due to integrating the South East Kelowna Irrigation District's (SEKID) water system with ours and the increased airport passenger and landfill volumes. Expenses increased over last year by \$14 million to \$287 million as a result of required flood recovery expenses and ongoing Kelowna Water Integration Project that includes the addition of SEKID operations.

The General Fund ended 2018 with a \$9.6 million unappropriated surplus from operations: \$8.8 million was put into reserves and \$0.8 million added to accumulated surplus. The accumulated surplus balance of \$3.4 million adheres to financial best practices and is to be used only for extraordinary events. For the 2018 year end this balance is 2.5 per cent of the 2018 taxation requirement.

Through strong financial management the City funds the delivery of services, programs and infrastructure that make Kelowna a great place to live. Nearly all residents (94 per cent) say they have a good quality of life and 87 percent are satisfied with the overall level and quality of services provided. We achieved this while also balancing the taxation demand: in 2018 taxation represented 26 per cent of the City's revenue.

In 2018 the City continued to balance the community's interest in maintaining levels and quality of services. We continued to plan for a safe, vibrant, and sustainable community with the implementation of Imagine Kelowna, focus on community safety, Healthy Housing Strategy, Journey Home Strategy and planning for the future through updates to the Official Community Plan and Transportation Master Plan. The City invested in new and existing infrastructure with the completion of John Hindle Drive to UBCO and the UBCO Pedestrian/Cyclist Overpass. Implementation of the City's long-term integrated water supply plan got underway with the South End Water Upgrade and SEKID Integration projects.

The City of Kelowna is well positioned to continue delivering quality services to its current and future residents, businesses and visitors in support of a community that is collaborative, responsible, connected and adapting smartly to rapid growth.

Respectfully submitted,

- Genelle Davidson, CPA, CMA

## **INDEPENDENT AUDITOR'S REPORT**

#### To the members of the Council of the City of Kelowna:

#### Opinion

We have audited the consolidated financial statements of the City of Kelowna ("the City"), which comprise the consolidated statement of financial position as at December 31, 2018, and the consolidated statements of operations and accumulated surplus, consolidated statement of changes in net financial assets and consolidated statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the City of Kelowna as at December 31, 2018, and the results of operations, its changes in its net debt, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

#### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the consolidated financial statements* section of our report. We are independent of the City in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the City's ability to continue as a going concern, disclosing, as applicable, matters related to a going concern and using the going concern basis of accounting unless management either intends to liquidate the City or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the City's financial reporting process.

#### Auditor's Responsibilities for the Audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

Audit | Tax | Advisory © Grant Thornton LLP. A Canadian Member of Grant Thornton International Ltd

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the City's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the City to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

#### December 31, 2018

(all tabular amounts reported in 000's of dollars)

The notes to the consolidated financial statements are an integral part of the statements. They explain the significant accounting and reporting policies and principles underlying these statements. They also provide relevant supplementary information and explanations which cannot be conveniently expressed in the consolidated financial statements.

The consolidated financial statements are the responsibility of and prepared by management in accordance with Canadian public sector accounting standards (PSAS). The preparation of these consolidated financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

### **1. SIGNIFICANT ACCOUNTING POLICIES**

#### **Basis of presentation**

The City of Kelowna's resources and operations are segregated into General, Airport, Wastewater Utility, Water Utility, Natural Gas Legacy, Development Cost Charges and Statutory Reserve Funds for accounting and financial reporting purposes. The consolidated financial statements include all the accounts of these funds. All material interfund transactions and balances have been eliminated within the consolidated financial statements.

The Natural Gas Legacy Fund was created from an agreement with FortisBC for a 35 year capital lease for the natural gas distribution system within the City's municipal boundary and a 17 year operating lease, expiring in 2018, whereby the City leased back to FortisBC the operations of the gas distribution system. The Natural Gas Legacy Fund is accounted for in its own fund. On October 31, 2018 Fortis exercised their right to terminate the Capital and Operating Lease by delivery of written notice to the City. The Termination Payment has been calculated in accordance with the Capital Lease and the Additions Lease and as a result the City releases and discharges any interest it may have in or related to the Gas Distribution Assets and Additions and has closed out the Natural Gas Legacy Fund. The City has signed an operating agreement with FortisBC Energy Inc. to receive an operating fee based on a percentage of gross revenues.

South East Kelowna Irrigation District ("SEKID"): On June 5, 2018 (the "transfer date"), the City commenced ownership and operations of the SEKID Water Operations. As of the transfer date, SEKID was dissolved by an Order of the Lieutenant Governor in Council. The Order in Council set out that all rights, property and assets of SEKID were to be transferred to and vested in the City of Kelowna. The City assumed the obligations of SEKID and any reference to SEKID in any commercial paper, lease, permit or other contract or instrument or document that is transferred is deemed to be a reference to the City of Kelowna. Financial assets in the amount of \$10,539,511, liabilities in the amount of \$791,465 and non- financial assets in the amount of \$11,692,245 were transferred to the City on June 5, 2018 and have been integrated into the Water Fund.

#### Accrual accounting

The accrual method for reporting revenues and expenses has been used.

#### Property held for resale

Property held for sale are those expected to be sold within one year. They are valued at the lower of cost or expected net realizable value. Cost includes amounts for improvements to prepare the property for sale.

#### Inventory

Inventory is valued at the lower of cost, determined principally on a weighted average and specific item basis, or replacement cost.

#### Municipal Finance Authority cash deposits and demand notes

The City issues the majority of its debt instruments through the Municipal Finance Authority. As a condition of these borrowings, a portion of the debenture proceeds is withheld by the Municipal Finance Authority as a debt reserve fund. The City also executes demand notes in connection with each debenture whereby the City may be required to loan certain amounts to the Municipal Finance Authority. These demand notes are contingent in nature. The Debt Reserve and Demand Note balances are as follows:

	 2018	2017
Cash deposits held by MFA	\$ 2,401	\$ 3,566
Demand notes held by MFA	 6,731	9,658
	\$ 9,132	\$ 13,224

#### Municipal pension plan

The City of Kelowna's pension plan follows the guidelines of the Municipal Pension Plan which is administered by the Province of British Columbia for all British Columbia municipalities. The City and its employees contribute to the Municipal Pension Plan (a jointly trusteed pension plan). The board of trustees, representing plan members and employers, is responsible for administering the plan, including investment of assets and administration of benefits. The plan is a multi- employer defined benefit pension plan.

#### Work in progress

Work in progress represents capital projects under construction but not yet completed and are valued at cost.

#### **Tangible capital assets**

The City records tangible capital assets, including assets held as work in progress or capital lease, at cost in the period they were acquired or when the asset is put into use.

All tangible capital assets are valued at cost which includes all costs directly attributable to acquisition, construction, development or betterment of the tangible capital asset.

Assets owned by the City but not paid for by the City including contributions, dedications, gifts and donations, are valued at fair value at the date of contribution, dedication, gift or donation, where fair value is reasonably determinable.

#### Contributions of tangible capital assets

Tangible capital assets received as contributions are recorded at their fair market value.

#### Amortization

The cost less residual value of the tangible capital assets is amortized on a straight-line basis over the useful lives of the asset as follows:

Asset Type	Useful Life (years)	Asset Type	Useful Life (years)
Parks infrastructure		Vehicles	
Playground equipment	15 - 20	Cars and light trucks	5 - 10
Artificial turf field	10 - 12	Fire trucks	15 - 20
Washrooms, concessions, picnic shelters	40 - 50	IT infrastructure	
Outdoor pools, spray pools	50 - 60	Hardware	4 - 5
Building structure	40 - 75	Software	5 - 10
Building improvements		Telephone system	7 - 10
Exterior envelope	30 - 40	Infrastructure	
HVAC systems	10-12	(dependent upon component and material)	
Roof	15 - 20	Electrical	20 - 25
Electrical, plumbing and fire	15 - 20	Water	10 - 100
Site works - asphalt, water and sewer lines, etc	10 - 100	Wastewater	10 - 100
Machinery & equipment		Drainage	10 - 100
General equipment	7 - 10	Transportation	10 - 100
Grounds equipment and machinery	10 - 15		
Heavy construction equipment	5 - 10		

Land and Work in Progress are not amortized.

#### Intangible assets

Intangible assets include works of art and historic assets located throughout the City. They are not reflected in these consolidated financial statements.

#### Interest capitalization

The City of Kelowna only capitalizes interest on projects being financed internally which will require debenture borrowing upon completion. Interest is calculated on monthly expenditures at the bank prime rate less 2%.

#### **Reserves for future expenditures**

Reserves for future expenditures are non-statutory reserves which represent an appropriation of surplus for specific purposes. Transfers to reserves for future expenditures include funds to finance incomplete projects and accumulations for specific purposes.

#### Statutory reserve funds

The use of these funds is restricted by the Community Charter and associated Municipal Bylaws. Statutory reserve funds are funded 100% by cash and portfolio investments.

#### **Revenue recognition**

#### **Taxation revenue**

Annual levies for non-optional municipal services and general administrative services are recorded as taxes for municipal purposes. Levies imposed by other taxing authorities are not included as taxes for municipal purposes. Taxes are recognized as revenue in the year they are levied.

Through the BC Assessment appeal process taxes may be adjusted by way of supplementary roll adjustments. The effect of these adjustments on taxes are recognized at the time they are awarded.

#### Fees and charges revenue

Charges for transportation, environmental health, building permits, water, wastewater, natural gas and airport are included in this category. These revenues are recorded on the accrual basis and recognized as earned which is usually when services are provided or facilities are utilized.

#### DCC contributions

DCCs are recognized as revenue during the period in which the related costs are incurred.

#### Government transfers

Government transfers are recognized as revenue in the period that the transfer is authorized, eligibility criteria, if any, has been met by the City, and a reasonable estimate of the amount to be received can be made.

#### Investment income

The City's investments are disclosed in Note 3.

Investment income is recorded on the accrual basis and recognized when earned.

A portion of the City's investments are invested in pooled funds of the Municipal Finance Authority of British Columbia. Earnings on these funds are allocated to the members from time to time based on the market value of the pool. The City recognizes only its share of the realized earnings of the pool. This revenue is recorded as investment income and the amount is added to the cost base of the investment.

To the extent that investments have no stated rate of return, investment income is recognized as it is received.

#### Expenses

Expenses are recorded in the period in which the goods or services are acquired and a liability is incurred.

128 <sub>48</sub>

#### Liability for contaminated sites

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. The liability is recorded net of any expected recoveries. A liability for remediation of contaminated sites is recognized when a site is not in productive use and all of the following criteria are met:

- an environmental standard exists;
- contamination exceeds the environmental standard;
- the City is directly responsible; or accepts responsibility;
- it is expected that future economic benefits will be given up; and
- a reasonable estimate of the amount can be made.

The liability is recognized as management's estimate of the cost of post-remediation including operation, maintenance and monitoring that are an integral part of the remediation strategy for a contaminated site.

There are no liabilities to be recorded as at December 31, 2018 and 2017.

#### Use of estimates

Management has made estimates and assumptions that affect the amounts reported in preparing these financial statements. Actual results could differ from the estimates. Significant areas requiring the use of management estimates relate to the determination of tangible capital assets estimated useful life and related amortization, allowance for doubtful accounts, landfill post closure costs and settlement costs associated with outstanding legal actions.

## 2. FUTURE ACCOUNTING CHANGES

#### PS 3041 – Portfolio investments

This section revises and replaces the existing Section PS 3040 *Portfolio investments*. This section applies to fiscal years beginning on or after April 1, 2021, with early adoption permitted.

#### PS 3280 Asset retirement obligations

This section revises and replaces the existing Section PS 3270 *Solid waste landfill closure and post-closure liability*. This section applies to fiscal years beginning on or after April 1, 2021, with early adoption permitted.

#### PS 3400 Revenues

This section establishes standards on how to account for and report on revenue. This section applies to fiscal years beginning on or after April 1, 2022, with early adoption permitted.

#### PS 3450 - Financial instruments

This section establishes standards for recognizing and measuring financial assets, financial liabilities and non-financial derivatives. This section applies to fiscal years beginning on or after April 1, 2021, with early adoption permitted.

## 3. FINANCIAL ASSETS AND LIABILITIES

#### Cash and cash equivalents

Cash and cash equivalents consist of cash and short-term investments with maturities of 90 days or less from the date of acquisition.

#### Accounts receivable

Accounts receivable are recorded net of allowance and are comprised of the following:

Type of receivable	2018	2017
Property tax	\$ 4,279	\$ 4,257
Trade receivables	17,169	12,981
Due from government	5,748	3,016
Due from provincial government	4,373	3,990
Due from regional government	64	4
Utilities	3,996	3,953
Deferred development cost charges	 9,785	5,519
	\$ 45,414	\$ 33,720

#### Portfolio investments

Portfolio investments are recorded at cost and are comprised of the following:

Type of investment		
	 2018	2017
Municipal Finance Authority bond / Intermediate Funds	\$ 106,139	\$ 103,646
Provincial and bank issued bonds	95,030	98,446
Publicly traded shares	62,748	60,654
Guaranteed Investment Certificates and deposit notes	 231,900	154,518
Total Portfolio investments	\$ 495,817	\$ 417,264

The quoted market value of the publicly traded shares at December 31, 2018 was \$85.91 million (2017 - \$85.09 million).

#### **Operating line of credit**

The City has an operating line of credit with the Royal Bank of Canada for an authorized amount of \$5.0 million, bearing interest at bank prime rate. At December 31, 2018 the balance outstanding was \$nil (2017 - \$nil).

### Deferred revenue

The City records deferred revenue for funds received in advance on services not yet rendered and is recognized into revenue during the period in which the service is provided. The City also records deferred revenue when a contract specifies how the resources are to be used and therefore funds received in advance are deferred until the period in which the requirements are met. Because these funds are restricted in nature they are shown as a liability.

Deferred Revenue by Type	2017	Receipts		Interest	Tra	Transfers Out		2018
Tax prepayments	\$ 18,919	\$	19,784	\$ 55	\$	18,919	\$	19,839
Construction	11,890		1,965	138		1,092		12,901
Grants	14,448		586	194		6,718		8,510
Other	6,366		7,735	29		9,311		4,819
Local Area Service	4,144		1,709	-		1,540		4,313
Total	\$ 55,767	\$	31,779	\$ 416	\$	37,580	\$	50,382

#### Deferred development cost charges (DCC)

The City collects development cost charges to pay for a proportionate share of infrastructure related to new growth. In accordance with the Local Government Act, these funds must be deposited into a separate reserve fund. Because these funds are externally restricted in nature they are shown as a liability.

	 2017	<b>Receipts</b>		Interest		<b>Transfers</b> Out		2018
Parks	\$ 10,300	\$	10,864	\$ 275	\$	3,161	\$	18,278
Roads	30,038		15,826	782		3,596		43,050
Water	12,094		1,268	289		222		13,429
Wastewater	 (9,665)		7,939	(247)		5,950		(7,923)
Total Deferred DCC	\$ 42,767	\$	35,897	\$ 1,099	\$	12,929	\$	66,834

#### Long term debt

Sinking fund installments and mortgage payments on net outstanding debt and loans payable over the next five years and thereafter are as follows:

	 Total
2019	\$ 16,677
2020	12,291
2021	10,286
2022	9,647
2023	8,403
2024 and thereafter	 62,036
Total	\$ 119,340

Total debt issued was \$283.9 million and total debt payable at December 31, 2018 was \$119.3 million (2017 - \$137.4 million). Schedule 3 provides a breakdown of long term debt.

## 4. TANGIBLE CAPITAL ASSETS (TCA) AND WORK IN PROGRESS

	2018 Work in progress	ass	2018 Tangible capital sets (NBV)	2017 Work in progress	2017 Tangible capital assets (NBV)
Land	\$ -	\$	303,532	\$ -	\$ 280,235
Land improvements	327		37,168	910	32,135
Buildings	2,762		194,848	2,935	197,056

## 6. TAXATION

Taxation revenue comprises the following amounts raised less transfers to other governments:

	 2018	2017
Taxes collected		
Property taxes	\$ 229,253	\$ 219,875
Local improvement levies	158	156
Frontage tax - water	1,483	1,457
Specified sewer area recoveries	1,398	1,398
Grants in lieu of taxes	570	514
Levies	 7,316	7,010
	 240,178	230,410
Less transfers to other governments		
Province of BC (school taxes)	68,641	66,049
BC Assessment Authority	1,981	1,854
Regional Hospital District	11,691	11,507
Regional District of Central Okanagan	 11,921	11,605
	94,234	91,015
Net taxes available for municipal purposes	\$ 145,944	\$ 139,395

## 7. GOVERNMENT TRANSFERS

Government transfers are the major source of transfers to the City. Government transfers received are for completed projects that meet the required criteria as set out by the Government body providing the funding. Government transfers do not include grants in lieu of taxes received from the Federal and Provincial governments. During the year \$7.9 million remained as deferred revenue for future capital expenditures. In 2018 the City received and recorded as revenue the following transfers:

	 2018	2017
Operating transfers		
Federal	\$ 173	\$ 148
Provincial	19,637	17,585
Other governments	 212	187
	 20,022	17,920
Capital transfers		
Federal	12,328	2,695
Provincial	16,639	944
Other governments	30	-
	 28,997	3,639
Total Government transfers	\$ 49,019	\$ 21,559

## 8. CONTINGENT LIABILITIES

#### **Regional District of Central Okanagan**

Regional District debt is, under the provisions of the Local Government Act, a direct, joint and several liability of the District and each member municipality within the District including the City of Kelowna.

The loan agreements with the Regional District of Central Okanagan and the Municipal Finance Authority provide that if at any time the scheduled payments provided for in the agreements are not sufficient to meet the Authority's obligation with respect to such borrowing, the resulting deficiency becomes a liability of the member municipalities.

#### **Pension liability**

The employer and its employees contribute to the Municipal Pension Plan (a jointly trusteed pension plan). The board of trustees, representing plan members and employers, is responsible for administering the plan, including investment of assets and administration of benefits. The plan is a multi-employer defined benefit pension plan. Basic pension benefits are based on a formula. As at December 31, 2017, the plan has about 197,000 active members and approximately 95,000 retired members. Active members include approximately 39,000 contributors from local governments.

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent valuation for the Municipal Pension Plan as at December 31, 2015, indicated a \$2,224 million funding surplus for basic pension benefits on a going concern basis. As a result of the 2015 basic account actuarial valuation surplus and pursuant to the joint trustee agreement, \$1,927 million was transferred to the rate stabilization account and \$297 million of the surplus ensured the required contribution rates remained unchanged.

The City of Kelowna paid \$7.2 million (2017 - \$6.9 million) for employer contributions while employees contributed \$5.9 million (2017 - \$5.5 million) to the plan in fiscal 2018.

The next valuation will be as at December 31, 2018, with results available in 2019.

Employers participating in the plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plan records accrued liabilities and accrued assets for the plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the plan.

#### Post employment benefits

The City of Kelowna does not accrue expenses for post employment benefits such as retirement allowances or compensated absences (sick leave). City employees retiring do not receive any retirement allowance that either vests or accrues over the period of employment. Sick benefits do not accrue and are not vested. The City recognizes the expense for sick time when the event obligates the City to pay.

#### Legal actions

The City of Kelowna is currently engaged in certain legal actions, the outcome of which is not determinable at this time. Accordingly, no provision has been made in the accounts for these actions.

The amount of loss, if any, arising from these contingent liabilities will be recorded in the accounts in the period in which the loss is realized. The City of Kelowna has insurance policies and financial reserves to offset associated risks.

## 9. COMMITMENTS

#### Agreements, contracts and purchase orders

The City has entered into various agreements and contracts for services and construction with periods ranging from one to five years.

The City has purchase orders open as at December 31, 2018 which have not been recorded in the accounts. The balance of these open purchase orders are not determinable at this time. The funding for the majority of these obligations has been set aside in reserves for future expenditures. These amounts will be recorded in the accounts in the period the goods and services, to which they relate, are received.

#### Landfill closure and post closure costs

As required by PSAS and regulated by the Ministry of Water, Land and Air Protection, the City has agreed to obligations regarding the operation of the landfill site. These obligations include recognition of closure and post-closure liability. As currently engineered, and based on current waste disposal patterns, the landfill has a remaining life expectancy of 90 years. The estimated length of time needed for post-closure is 80 years.

The present value of future cash flows for the expected landfill closure and post-closure care costs is estimated to be \$30.7 million based on a Design, Operations and Closure Plan (DOCP) completed in 2018.

The City's liability for these landfill closure and post-closure care cost expenditures is recognized as the landfill site's capacity is used. The reported liability of \$4.0 million (2017 - \$3.8 million) represents the portion of the estimated total expenditure recognized as at December 31, 2018. The remaining capacity of the landfill site is estimated at 27.7 million tonnes which is 92% of the site's total capacity.

The liability and annual expenditure is calculated based on the ratio of current usage to the total capacity of the site and the discounted estimated future cash flows associated with closure and post-closure activities using an inflation rate of 0.96% and discount rate of 2.25%.

The reported liability is based on estimates and assumptions with respect to events extending over the remaining life of the landfill. Future events may result in significant changes to the estimated remaining useful life, estimated total costs, total or used capacity and the estimated liability. These would be recognized prospectively as a change in estimate when applicable.

#### YMCA of Okanagan Association loan guarantee agreement

The City has, under the terms of the partnering agreement between the City of Kelowna and YMCA of Okanagan Association, guaranteed repayment in the event that the YMCA of Okanagan Association defaults on a \$1.8 million, 20-year loan issued in 2001. Under the agreement the City shall resume operation of the facility and assume responsibility for the repayment of the debt incurred by the YMCA of Okanagan Association. During 2010 an amendment was made to the agreement for additional financing of \$700,000 for a 20-year term. As at December 31, 2018, the outstanding loan balance was \$765,079 (2017 - \$879,437). The City does not expect to make any payments on the guarantee and no amounts have been accrued in the financial statements.

#### Multi-Purpose Facility Public/Private Partnership

The City has, under the terms of the Preferred Share Agreement between the City of Kelowna and RG Properties Ltd., purchased \$6.0 million of preferred shares in RG Arenas (Kelowna) Ltd. at a cost of \$1 per share. The terms and conditions of the purchase are subject to the terms of a Tripartite Agreement between the City of Kelowna, Royal Bank of Canada and RG Arenas (Kelowna) Ltd., RG Properties Ltd., Prospero Canadian Land Investment Fund Ltd. group of companies.

The City has, under the terms of the above noted Tripartite Agreement, committed to the annual purchase of community use time at the Multi-Purpose facility, commencing with substantial completion, on November 10, 1999 under the following terms:

- (i) \$1.3 million per annum for Years 1 to 3 comprised of a payment of \$1.1 million, which for Years 2 and 3 is subject to a minimum CPI increase of 1% per annum and a maximum average CPI increase of 5% per annum, plus an annual payment of \$150,000 without any adjustment for CPI;
- (ii) \$1.2 million per annum for Years 4 to 7, subject to a minimum CPI increase of 1% per annum and a maximum average CPI increase of 5% per annum;
- (iii) \$1.2 million per annum for Years 8 to 10, subject to a minimum CPI increase of 1% per annum and a maximum average CPI increase of 5% per annum, minus \$150,000 per annum;

138 <sub>58</sub>

- (iv) \$1.0 million per annum for Years 11 to 20, subject to a minimum CPI increase of 1% per annum and a maximum average CPI increase of 5% per annum; and
- (v) \$0.5 million per annum for Years 21 to 30, subject to a minimum CPI increase of 1% per annum and a maximum average CPI increase of 5% per annum.

The year 2018 represented year 19 of the agreement.

Should the City not exercise, in its sole discretion, its option to renew any future term for community use time in the Multi- Purpose facility, under the above terms it shall be required to make a lump sum payment to RG Arenas (Kelowna) Ltd. on or before the 15th day of one of year 6, 11, 16, 21 or 26 commencing with the year of substantial completion in the following amounts:

2005	Year 6	\$13.2 million
2010	Year 11	\$11.9 million
2015	Year 16	\$10.4 million
2020	Year 21	\$6.7 million
2025	Year 26	\$4.5 million

Upon such payment, no further amounts will be payable to RG Arenas (Kelowna) Ltd. and the City will have the right to the community use time for the period from the beginning of the year in which the payment was made until November 9, 2029 without any additional payment.

The City did exercise its option to renew the purchase of community use time under the above annual payments terms and accordingly did not make any of the lump sum payment of \$13.2 or \$11.9 or \$10.4 million otherwise due to RG Arenas (Kelowna) Ltd. in years 6 or 11 or 16.

#### **Royal Canadian Mounted Police Services**

The Province of British Columbia and the Federal Government have an agreement with the Royal Canadian Mounted Police to provide police services for various municipalities in the Province, including the City of Kelowna. This agreement has a 20 year term expiring on March 31, 2032.

#### **10. LONG TERM INVESTMENTS**

#### Kelowna Developments Ltd.

The investment in Kelowna Developments Ltd., a wholly owned subsidiary, is carried at its cost of \$2. The company is inactive with no assets or liabilities and is being retained for potential future use.

#### RG Arenas (Kelowna) Ltd.

The investment in preferred shares in RG Arenas (Kelowna) Ltd. is carried at its cost of \$6.0 million. The shares were purchased under the terms of the Preferred Share Agreement between the City of Kelowna and RG Properties Ltd. and are to be retained until 2029 per the terms of that agreement described in Note 9.

#### **11. LETTERS OF CREDIT**

In addition to the performance deposits reflected in cash balances, the City is holding irrevocable Letters of Credit in the amount of \$45.0 million (2017 - \$36.4 million) which were received from depositors to ensure their performance of works to be undertaken within the City. These amounts are not reflected in the financial statements but are available to satisfy any liabilities arising from non-performance by the depositors. Included in the \$45.0 million, the City is holding irrevocable Letters of Credit in the amount of \$7.9 million (2017 - \$5.7 million) which are received from developers to ensure payment of development cost charges in future years.

## **12. CAPITAL LEASE PAYABLE**

The City had entered into an agreement with FortisBC Energy Inc. ("FortisBC") that resulted in the creation of the Natural Gas Legacy Fund. The agreement with FortisBC was for a 35 year capital lease for the natural gas distribution system within the City's municipal boundary and a 17 year operating lease, expiring in 2018, whereby the City leased back to FortisBC the operations of the gas distribution system.

On October 31, 2018 Fortis exercised their right to terminate the Capital and Operating Lease by delivery of written notice to the City. The Termination Payment has been calculated in accordance with the Capital Lease and the Additions Lease and as a result the City releases and discharges any interest it may have in or related to the Gas Distribution Assets and Additions. These interests include: the Lease In Lease Out ("LILO") Agreements and any right or interest of the City under the LILO Agreements, the unexpired Term of the LILO Agreements, and any right of the City to or related to the Gas Distribution Assets and the Additions pursuant to the LILO Agreements and City Security, with the intent that all of these rights will merge into the reversion of the LILO Agreements set up from Oct 2018 to 2036 were removed from the City's financial records. The City has signed an operating agreement with FortisBC Energy Inc. to receive an operating fee based on a percentage of gross revenues.

## **13. TRUST FUNDS**

In accordance with PSAS, trust funds are not included in the City's consolidated financial statements. The City administers a Cemetery Maintenance Fund for the perpetual care and maintenance of the City owned and operated cemetery. As at December 31, 2018 the Trust Fund balance is \$2.9 million (2017 - \$2.8 million).

## **14. SEGMENTED INFORMATION**

The City of Kelowna is connecting communities and providing a multitude of services to the citizens of Kelowna. The City's operations and activities are organized and reported by funds and departments. The General Fund reports on operations, funded primarily by property taxes, which include services provided by the City such as general government, protective services, transportation services, recreation and cultural services, as well as public health, and environmental and development services. The City also operates its own airport and City utilities comprised of the wastewater and water systems that are self-sustaining operations. Operating results reported by the following segments are included in Schedule 2.

#### **General government**

General Government operations are primarily funded by property taxation and business tax revenues. The expenses within the department are for executive and legislative costs, general administration, and other general government areas such as community service grants and rental property operating costs within the municipality. The general revenue reported under the department includes revenues associated with taxation, business tax revenues and senior government payments in lieu of taxes. These revenues have not been apportioned to other departments supported by the General Fund.

#### **Protective services**

Protective services are comprised of police services provided by the Royal Canadian Mounted Police, fire protection services, building inspection services and bylaw enforcement.

Police services include administration, crime investigation and prevention, traffic, prisoner custody and court liaison expenses.

The fire department is responsible for effective fire protection and public safety services to the City. This includes fire suppression and rescue, prevention and investigation, specialty rescue/first medical responses and fire safety inspections.

#### **Transportation services**

Transportation services are responsible for the delivery of municipal public works services related to the planning, development and maintenance of streets and roads, bridges, drainage systems, street lights, traffic lights and signals, parking lots and on-street parking, and public transit as well as maintenance of workshops, yards and other buildings. The mandate is to provide a safe, efficient, environmentally-sensitive and cost-effective transportation network.

#### **Recreation and cultural services**

Recreation and cultural services provide services related to recreation, leisure and culture including administration and program costs as well as grounds and building maintenance. Facilities managed within this area include parks and playgrounds, arenas, swimming pools, beaches, boat launches, stadiums as well as community and seniors centers. The H2O Adventure & Fitness Centre, Parkinson Recreation Centre, Kelowna Community Theatre, Kelowna Museum, Kelowna Library, Kelowna Art Gallery and the Rotary Centre for the Arts are some of the larger facilities included.

### Other services (Public Health/Environmental/Development services)

Public health services are comprised of cemetery operations and maintenance, environmental and development services including community planning and zoning as well as landfill operations.

#### **Airport services**

The Airport, owned and operated by the City of Kelowna, provides quality airport services in a safe and cost effective manner in compliance with Federal regulations. The Airport is accounted for in its own fund.

#### Wastewater services

Kelowna's sanitary sewer system collects, conveys, treats and disposes of domestic wastewater (derived from the home) and industrial wastewater (resulting from business use, manufacturing and processing). The system currently services approximately 70% of Kelowna's population and continues to be extended to unserviced areas. Kelowna's wastewater system has a treatment capacity of 72 million litres per day. Wastewater Utility is accounted for in its own fund.

#### Water services

The Water Utility is responsible for planning, designing, building, operating and maintaining the City's Water Utility and is one of four water suppliers operating within Kelowna's boundaries. During the current year, the operations and assets of SEKID were transferred to the City of Kelowna to the water fund. The Water Utility is accounted for in its own fund.

#### Natural Gas legacy services

Natural Gas Legacy Fund was created from an agreement with FortisBC for a 35 year capital lease for the natural gas distribution system within the City's municipal boundary and a 17 year operating lease, expiring in 2018, whereby the City leased back to FortisBC the operations of the gas distribution system. The Natural Gas Legacy Fund was accounted for in its own fund. As at October 31, 2018 Fortis terminated this agreement and the City has closed out this fund and excess reserve funds were transferred to the General Fund.

#### Statutory reserves

Statutory Reserves include funds for parking, land and capital works, machinery and equipment.

## 15. EXPENSES BY OBJECT

Total consolidated expenses by object are itemized in Schedule 2 – Segmented information.

## **16. BUDGET DATA**

The budget figures are from the Annual Five-Year Financial Plan Bylaw adopted before May 15th of each year. Subsequent amendments have been made by Council to reflect changes in the budget as required by law. Amortization of tangible capital assets was not included in the budget. The table below shows the reconciliation between the approved budget and the budget presented in these consolidated financial statements.

	Budget
	 Amount
Revenues:	
Operating budget	\$ 297,758
Capital budget	 83,062
	 380,820
Expenses:	
Operating budget	231,638
Capital budget	 197,659
	429,297
Annual deficit per approved budget	(48,477)
Add: tangible capital asset purchases	197,659
Annual surplus per statement of operations	\$ 149,182

## **17. COMPARATIVE FIGURES**

Certain comparative figures have been reclassified to conform to the presentation format adopted in the current year.

## ▲ SCHEDULE 1 – TANGIBLE CAPITAL ASSETS

Employees les	s than \$75,000		33,779,258	252,815
Total of all Employees*		\$ 73,918,429	\$ 849,109	

\* Prepared under the Financial Information Regulation, Schedule 1, Section 6 (2),(3),(4),(5) and (6)

#### STATEMENT OF SEVERANCE AGREEMENTS\*\*

There were 3 severance agreements under which payment commenced between the City of Kelowna and its employees during the fiscal year 2018. These agreements represent between 5 and 10 months of salary and benefits.

\*\*Prepared under the Financial Information Regulation, Schedule 1, subsection 6(7)

#### RECONCILIATION PER SECTION 6 (2) (d)

Total Employees (including council)	\$74,163,043
Total per Schedule 2 - Segmented Information: Expenses - Salaries and benefits	\$83,858,583
Variance*	\$ 9,695,540

\*The variance between the Schedule of Remuneration and Expenses and the Salaries and benefits expenses reported on the consolidated financial statements of the City are due to various factors including:

- + The Remuneration and Expenses schedule is based on actual cash payments made during the fiscal year (including payouts of vacation, gratuity, and overtime banks) whereas the consolidated financial statement figure is determined on an accrual basis; and,
- + The Salaries and benefits includes benefits that are recorded at full cost on the consolidated financial statements and includes items such as employer portions of federal deductions, retirement benefits and medical benefits.

# **Report to Council**

Date:	June 24, 2019
File:	1220-02
То:	City Manager
From:	Ross Soward, Planner Specialist
Subject:	Rental Housing Revitalization Tax Exemption Agreements Spring 2019

## **Recommendation:**

THAT Council, receives, for information, the Report from the Planner Specialist dated June 24, 2019 recommending that Council adopt the following Revitalization Tax Exemption Agreements for two purpose-built rental housing project;

AND THAT Council approves the City of Kelowna entering into a Revitalization Tax Exemption Agreement with 0904419 BC Ltd., for Lot B Section 29, Township 26 ODYD, PLAN EPP54061 at 773 Glenmore Road, Kelowna, BC;

AND FURTHER THAT Council approves the City of Kelowna entering into a Revitalization Tax Exemption Agreement with Society of Housing Opportunities and Progressive Employment, for Lot B Section 4, Township 23 ODYD, Plan EPP70323 at 165 Celano Crescent, Kelowna, BC.

## **Purpose:**

To bring forward two 10-year Revitalization Tax Exemption Agreements for the two purpose-built rental housing projects identified in the report from the Planner Specialist, dated June 24, 2019 in accordance with Revitalization Tax Exemption Program Bylaw No. 9561.

## Background:

The City's Healthy Housing Strategy (HHS) identifies the need for annual construction of purpose-built rental housing to encourage a balanced long-term rental housing market in Kelowna. Through the HHS an annual target of 400 purpose-built rental units was established to achieve a healthy long-term rental market. The development of purpose-built rental housing continues to be an important priority with the City's vacancy rate continuing to be below 2 per cent as of fall 2018.

To encourage the development of purpose-built rental housing the City provides two main financial incentive programs. One of the incentives is for 10-year revitalization tax exemptions for purpose-built rental housing where the proponent meets three requirements:

- 1. The vacancy rate is at or below 3%
- 2. The subject property has a Housing Agreement (for up to 10 years)
- 3. Development in compliance with the OCP Future Land Use designation.

Both proposed projects meet the criteria for revitalization tax exemption applications. The affordable rental project at Celano Crescent will be a partnership with BC Housing and therefore will have a long-term operating agreement in place that satisfies the City's requirement for a housing agreement. The Glenmore Road project has a housing agreement registered on title after Council approved the agreement on March 25<sup>th</sup>, 2019. The City's rental housing vacancy rate remains below 3 per cent and both projects comply with the OCP future land use designation. The proposed exemptions will be valid for the ten years based on occupancy of each individual project. A draft copy of the Revitalization Tax Exemption Agreement for each project is attached for additional details.

Although there is a significant need and demand for long-term purpose-built rental housing, the Revitalization Tax Exemption program does come at a financial cost to the City of Kelowna. Staff estimate that \$920,000 of municipal tax revenue would be exempt over the lifespan of the 10-year agreements for the 108 purpose-built rental units. A revenue impact estimate for each project is provided in the table below.

Property	Project Details	Estimated Annual Revenue Impact
773 Glenmore Road	87 rental units	\$75,000
165 Celano Crescent	21 rental units	\$17,000

## **Internal Circulation:**

Supervisor, Revenue Divisional Director, Planning & Development Services Department Manager, Policy & Planning Manager, Long Range Policy Planning Department Manager, Development Planning

## Legal/Statutory Authority:

Revitalization Tax Exemption Program Bylaw No. 9561, 2006 Community Charter, Division, Section 226

## Legal/Statutory Procedural Requirements:

The Revitalization Tax Exemption Bylaw No. 9561 supports municipal tax incentives for purpose-built rental housing when the vacancy rate for rental housing is at three per cent or lower.

## **Existing Policy:**

Official Community Plan Bylaw No. 10500

Revitalization Tax Exemption Program Bylaw No. 9561 Policy 5.1.3

Submitted by: R. Soward, Planner Specialist

Approved for inclusion: J. Moore, Department Manager of Policy & Planning

#### SCHEDULE "B" Revitalization Tax Exemption Agreement

#### RTE17-0010

THIS AGREEMENT dated for reference the 28<sup>th</sup> day of February, 2019 is

#### **BETWEEN:**

ogo4419 BC Ltd. 2000-77 Blooor Street West Toronto, Ontario M5S 1M2 (the "Owner")

#### AND:

#### **CITY OF KELOWNA**

1435 Water Street, Kelowna, B.C. V1Y 1J4

(the "City")

#### GIVEN THAT:

- A. The Owner is the registered owner in fee simple of lands in the City of Kelowna at 773 Glenmore Road legally described as Lot B Section 29 Township 26 Osoyoos Division Yale District Plan EP54061 (the "Parcel");
- B. Council has established a revitalization tax exemption program and has included within the City of Kelowna Revitalization Tax Exemption Program Bylaw No. 9561 the designation of areas which include the Parcel as a revitalization area; and
- C. The Owner proposes to construct new improvements [or alter existing improvements] on the Parcel as described in Appendix "A" attached to and forming part of this agreement (the "Project") and has applied to the City to take part in the revitalization tax exemption program in respect of the Project and the City has agreed to accept the Project under the program;

THIS AGREEMENT is evidence that in consideration of the promises exchanged below, the Owner and the City covenant and agree each with the other as follows:

- 1. **The Project** the Owner will use its best efforts to ensure that the Project is constructed, maintained, operated and used in a fashion that will be consistent with and will foster the objectives of the revitalization tax exemption program, as outlined in the City of Kelowna Revitalization Tax Exemption Program Bylaw No. 9561. Without limiting the generality of the foregoing, the Owner covenants to use its best efforts to ensure that the Project will:
  - a. Provide additional 87 rental apartment units in a 4 storey building with 2 levels below grade parking
- 2. **Operation and Maintenance of the Project** throughout the term of this agreement, the Owner shall operate, repair and maintain the Project and will keep the Project in a state of good repair as a prudent owner would do.
- 3. Revitalization Amount In this agreement, "Revitalization Amount" means the municipal portion of property tax calculated in relation to the increase in the assessed value of improvements on the Parcel resulting from the construction of the Project as described in section 1;

- 4. **Revitalization Tax Exemption** subject to fulfilment of the conditions set out in this agreement and in "City of Kelowna Revitalization Tax Exemption Program Bylaw No. 9561", the City shall issue a revitalization tax exemption certificate (the "Tax Exemption Certificate") to the British Columbia Assessment Authority entitling the Owner to a property tax exemption in respect of the property taxes due (not including local service taxes) in relation to the Revitalization Amount on the Parcel (the "Tax Exemption") for the calendar year(s) set out in this agreement.
- 5. **Conditions** the following conditions shall be fulfilled before the City will issue a Tax Exemption Certificate to the Owner in respect of the Project:
  - a. The Owner must obtain a building permit from the City for the Project on or before July 1, 2017;
  - b. The Owner must complete or cause to be completed construction of the Project in a good and workmanlike fashion and in strict compliance with the building permit and the plans and specifications attached hereto as Appendix "A" and the Project must be officially opened for use as *purpose-built renal housing* (the "Exempt Use") and for no other use, by no later than July 15, 2019;
  - c. The Owner must submit a copy of the Occupancy Permit and Revitalization Tax Exemption Agreement to the City of Kelowna's Revenue Branch before the City will issue the Tax Exemption Certificate.
  - d. The completed Project must substantially satisfy the performance criteria set out in Appendix "B" hereto, as determined by the City's Urban Planning Manager or designate, in their sole discretion, acting reasonably.
- 6. **Calculation of Calculation of Revitalization Tax Exemption** the amount of the Tax Exemption shall be equal to:
  - a) For Purpose-Built Rental Housing Projects throughout the City, 100% of the Revitalization Amount on the Parcel where the project is subject to a Housing Agreement (for up to 10 years) and is in compliance with the OCP Future Land Use designation as at May 30, 2011. A tax incentive for rental housing will only be considered when the vacancy rate is at or below 3%;
- 7. **Term of Tax Exemption** provided the requirements of this agreement, and of the City of Kelowna Revitalization Tax Exemption Program Bylaw No. 9561, are met the Tax Exemption shall be for the taxation years 2020 to 2029, inclusive.

#### 8. [deleted]

- 9. **Compliance with Laws** the Owner shall construct the Project and, at all times during the term of the Tax Exemption or any renewal term, use and occupy the Parcel and the Project in compliance with all statutes, laws, regulations and orders of any authority having jurisdiction and, without limiting the generality of the foregoing, all federal, provincial, or municipal laws or statutes or bylaws, including all the rules regulations policies guidelines criteria or the like made under or pursuant to any such laws.
- 10. **Effect of Stratification** if the Owner stratifies the Parcel under the Strata Property Act, then the Tax Exemption shall be prorated among the strata lots in accordance with the unit entitlement of each strata lot for:
  - a. the current and each subsequent tax year during the currency of this agreement if the strata plan is accepted for registration at the Land Title Office before May 1; or
  - b. for the next calendar year and each subsequent tax year during the currency of this agreement if the strata plan is accepted for registration at the Land Title Office after May 1;

so long as, if the Project is the subject of an operating agreement between the Owner and the Provincial Rental Housing Corporation, the Owner is in compliance with the operating agreement. The Owner agrees to provide written confirmation to the City regarding the Owner's compliance with the said operating agreement, satisfactory to the City, upon the City's reasonable inquiry.

- 11. **Cancellation** the City may in its sole discretion cancel the Tax Exemption Certificate at any time:
  - a. on the written request of the Owner; or
  - b. effective immediately upon delivery of a notice of cancellation to the Owner if at any time any of the conditions in the Tax Exemption Certificate are not met.
  - c. If the Owner is subject to an operating agreement with the Provincial Rental Housing Corporation and is not in compliance with the operating agreement.

If such cancellation occurs, the Owner of the Parcel for which the Tax Exemption Certificate was issued will remit to the City an amount equal to the value of any Tax Exemption received after the cancellation of the Tax Exemption Certificate.

- 12. No Refund for greater certainty, under no circumstances will the Owner be entitled under the City's revitalization tax exemption program to any cash credit, any carry forward tax exemption credit or any refund for any property taxes paid.
- 13. **Notices** any notice or other writing required or permitted to be given hereunder or for the purposes hereof to any party shall be sufficiently given if delivered by hand or posted on the Parcel, or if sent by prepaid registered mail (Express Post) or if transmitted by facsimile to such party:
  - a. in the case of a notice to the City, at:

THE CITY OF KELOWNA 1435 Water Street, Kelowna, B.C. V1Y 1J4

Attention: Kelowna Revenue Branch 250-469-8452 Fax:

b. in the case of a notice to the Owner, at:

ogo4419 BC Ltd. 2000-77 Bloor Street West Toronto, ON M5S 1M2

Attention: Matthew German Email: matthew.german@realstar.ca

Or at such other address as the party to whom such notice or other writing is to be given shall have last notified the party giving the same.

14. **No Assignment** – the Owner shall not assign its interest in this agreement except to a subsequent owner in fee simple of the Parcel.

- 15. **Severance** if any portion of this agreement is held invalid by a court of competent jurisdiction, the invalid portion shall be severed and the decision that it is invalid shall not affect the validity of the remainder of this agreement.
- 16. Interpretation wherever the singular or masculine is used in this agreement, the same shall be construed as meaning the plural, the feminine or body corporate where the context or the parties thereto so require.
- 17. **Further Assurances** the parties hereto shall execute and do all such further deeds, acts, things and assurances that may be reasonably required to carry out the intent of this agreement.
- 18. **Waiver** waiver by the City of a default by the Owner shall be in writing and shall not be deemed to be a waiver of any subsequent or other default.
- 19. **Powers Preserved** this agreement does not:
  - a. Affect or limit the discretion, rights or powers of the City under any enactment or at common law, including in relation to the use or subdivision of the Parcel;
  - b. Affect or limit any enactment relating to the use or subdivision of the Parcel; or
  - c. Relieve the Owner from complying with any enactment, including in relation to the use or subdivision of the Parcel and without limitation shall not confer directly or indirectly any exemption or right of set-off from development cost charges, connection charges, application fees, user fees or other rates, levies or charges payable under any bylaw of the City.
- 20. **Reference** every reference to each party is deemed to include the heirs, executors, administrators, personal representatives, successors, assigns, servants, employees, agents, contractors, officers, licensees and invitees of such party, wherever the context so requires or allows.
- 21. **Enurement** this agreement shall ensure to the benefit of and be binding upon the parties hereto and their respective successors and permitted assigns.
- 22. Any construction of a new improvement or alteration of an existing improvement as of this bylaw undertaken prior to the application for a Revitalization Tax Exemption will not be eligible for consideration
- 23. The maximum Revitalization Tax Exemption authorized under this Bylaw must not exceed the Revitalization Amount on the Property between:
  - a. the calendar year before the construction or alteration began, as outlined under Section 1 of this agreement; and
  - a. the calendar year in which the construction or alteration, as outlined under Section 1 of this agreement, is completed.
- 24. The Property's assessed value of improvements must not be reduced below the amount assessed in the calendar year prior to construction or alteration, as a result of the Revitalization Tax Exemption.

IN WITNESS WHEREOF the parties hereto have executed this agreement as of the day and year first above written.

#### PURPOSE-BUILT RENTAL HOUSING AGREEMENT

THIS AGREEMENT dated for reference February 28, 2019 affects:

## LEGAL DESCRIPTION OF PROPERTY SUBJECT TO THE AGREEMENT:

Lot 1 Section 29 Township 26 ODYD Plan EPP54061

("Land")

And is

BETWEEN: 0904419 B.C. Ltd. 2000 - 77 Bloor Street West Toronto, ON M5S 1M2

("Owner")

#### AND:

**CITY OF KELOWNA**, a local government incorporated pursuant to the *Community Charter* and having its offices at 1435 Water Street, Kelowna, B.C. V1Y 1J4

("City")

#### GIVEN THAT:

- A. The Owner has applied to the City for rezoning of the Lands to permit the construction of a housing complex that will include purpose-built rental housing units, as defined in this Agreement, on certain lands more particularly described in this Agreement;
- B. The City may, pursuant to section 483 of the *Local Government Act*, enter into an agreement with an owner of land that includes terms and conditions regarding the occupancy, tenure, and availability of the housing units on the land or construction on land;
- C. The Owner and the City wish to enter into this Agreement to provide for purpose-built rental housing on the terms and conditions set out in this Agreement, and agree that this Agreement is a housing agreement under s. 483 of the *Local Government Act*; and
- D. The City has, by bylaw, authorized the execution of this Agreement and the Owner has duly authorized the execution of this Agreement;

This Agreement is evidence that in consideration of \$1.00 paid by the City to the Owner (the receipt of which is acknowledged by the Owner) and in consideration of the promises exchanged below, the City and Owner agree, as a housing agreement between the Owner and the City under s. 483 of the *Local Government Act*, as follows:

## ARTICLE 1 INTERPRETATION

#### 1.1 Definitions -

"Caregiver" means an individual who provides assistance with the performance of the personal functions and activities necessary for daily living that a person is unable to perform efficiently for himself or herself;

"City" means the City of Kelowna;

"Dwelling Unit" means accommodation providing sleeping rooms, washrooms, and no more than one kitchen, intended for domestic use, and used or intended to be used permanently or semi-permanently for a Household. This use does not include a room in a hotel or a motel.

"Household" means

- (a) a person;
- (b) two or more persons related by blood, marriage, or adoption; or associated through foster care, all living together in one dwelling unit as a single household using common cooking facilities;
- (c) a group of not more than five persons, including boarders, who are not related by blood, marriage, or adoption, or associated through foster care, all living together in one dwelling unit as a single household using common cooking facilities; or
- (d) a combination of (b) and (c), provided that the combined total does not include more than 3 persons unrelated by blood, marriage or adoption or associated through foster care; all living together in one dwelling unit as a single household using common cooking facilities.

In addition, a household may also include up to one Caregiver or nanny;

"Land" means the land described herein;

"LTO" means the Kamloops Land Title Office or its successor;

"Official Community Plan" means the City of Kelowna Official Community Plan Bylaw No. 10500, or its successor bylaw;

"Owner" means the registered owner of the Lands from time to time and any parcels into which the Lands are subdivided;

"Purpose-Built Rental Housing" means a Dwelling Unit that is intended to be used for rental housing; and

"Tenancy Agreement" means a tenancy agreement as defined in, and subject to, the *Residential Tenancy Act*.

#### **1.2** Interpretation - In this Agreement:

- (a) reference to the singular includes a reference to the plural, and vice versa, unless the context requires otherwise;
- (b) article and section headings have been inserted for ease of reference only and are not to be used in interpreting this Agreement;
- (c) reference to a particular numbered section or article, or to a particular lettered Schedule, is a reference to the correspondingly numbered or lettered article, section or Schedule of this Agreement;
- (d) if a word or expression is defined in this Agreement, other parts of speech and grammatical forms of the same word or expression have corresponding meanings;
- (e) the word "enactment" has the meaning given in the *Interpretation Act* on the reference date of this Agreement;
- (f) reference to any enactment includes any regulations, orders or directives made under the authority of that enactment;
- (g) reference to any enactment is a reference to that enactment as consolidated, revised, amended, reenacted or replaced, unless otherwise expressly provided;
- (h) the provisions of s. 25 of the Interpretation Act with respect to the calculation of time apply;
- (i) time is of the essence;
- (j) all provisions are to be interpreted as always speaking;
- (k) reference to a "party" is a reference to a party to this Agreement and to their respective successors, assigns, trustees, administrators and receivers;
- (I) reference to a "day", "month", "quarter" or "year" is a reference to a calendar day, calendar month, calendar quarter or calendar year, as the case may be, unless otherwise expressly provided;
- (m) the definitions given in the City of Kelowna Zoning Bylaw No. 8000, or its successor bylaw, and the Official Community Plan apply for the purposes of this Agreement; and
- (n) any act, decision, determination, consideration, consent or exercise of discretion by a party, or other person, as provided in this Agreement will be performed, made or exercised acting reasonably.

#### **1.3 Purpose of Agreement** - The Owner and the City agree that:

- (a) this Agreement is intended to serve the public interest by providing for occupancy of a certain number of Dwelling Units, of the kinds provided for in this Agreement, that are in demand in the City of Kelowna but that are not readily available;
- (b) damages are not an adequate remedy to the City in respect of any breach of this Agreement by the Owner, such that the Owner agrees the City should be entitled to an order for specific performance, injunction or other specific relief respecting any breach of this Agreement by the Owner.

#### ARTICLE 2 HOUSING AGREEMENT AND LAND USE RESTRICTIONS

#### 2.1 Land Use Restrictions - The Owner and the City herby covenant and agree as follows:

- (a) The Land will be used only in accordance with this Agreement;
- (b) The Owner will design, construct and maintain one or more buildings providing 87 Dwelling Units as Purpose-Built Rental Housing
- (c) The Owner acknowledges that the City will not support applications to stratify the building(s) on the Land, thereby allowing the identified Purpose-Built Rental Housing Dwelling Units to be sold independently of each other, for a period of ten (10) years from the date of this Agreement.

#### ARTICLE 3 HOUSING AGREEMENT AND TRANSFER RESTRICTIONS

- 3.1 **Purchaser Qualifications** The City and the Owner agree as follows:
  - (a) the Owner will not sell or transfer, or agree to sell or transfer, any interest in any building containing Purpose-Built Rental Housing Dwelling Units on the Land other than a full interest in the fee simple title to an agency or individual that will continue to ensure that the Purpose-Built Rental Housing Dwelling Units are available in accordance with this Agreement.

**3.2 Use and Occupancy of Purpose-Built Rental Housing Dwelling Unit** - The Owner agrees with the City as follows:

- (a) the Owner will rent or lease each Purpose-Built Rental Housing Dwelling Unit on the Land in accordance with the *Residential Tenancy Act*, and in no event may the Owner itself occupy a Purpose-Built Rental Housing Dwelling Unit or use the Purpose-Built Rental Housing Dwelling Unit for short-term vacation accommodation; and
- (b) the Owner will deliver a copy of the Tenancy Agreement for each Purpose-Built Rental Housing Dwelling Unit to the City upon demand.

## ARTICLE 4 GENERAL

- 4.1 Notice of Housing Agreement For clarity, the Owner acknowledges and agrees that:
  - (a) this Agreement constitutes a housing agreement entered into under s. 483 of the *Local Government Act;*

- (b) the City is requiring the Owner to file a notice of housing agreement in the LTO against title to the Land;
- (c) once such a notice is filed, this Agreement binds all persons who acquire an interest in the Land;
- (d) in the event the parties agree to release this Agreement from the title of the Land, which may not occur before the tenth (10<sup>th</sup>) anniversary of the date of this Agreement, the Owner will repay the City for 100% of the amount of the rental grant received from the City. Such repaid funds will be directed to the City's Housing Opportunities Reserve Fund.

#### 4.2 No Effect On Laws or Powers - This Agreement does not

- (a) affect or limit the discretion, rights, duties or powers of the City under any enactment or at common law, including in relation to the use or subdivision of land,
- (b) impose on the City any legal duty or obligation, including any duty of care or contractual or other legal duty or obligation, to enforce this Agreement,
- (c) affect or limit any enactment relating to the use or subdivision of land, or
- (d) relieve the Owner from complying with any enactment, including in relation to the use or subdivision of land.
- **4.3 Management** The Owner covenants and agrees that it will furnish good and efficient management of the Dwelling Units and will permit representatives of the City to inspect the Dwelling Units at any reasonable time, subject to the notice provisions of the *Residential Tenancy Act*. The Owner further covenants and agrees that it will maintain the Dwelling Units in a satisfactory state of repair and fit for habitation and will comply with all laws, including health and safety standards applicable to the Land. Notwithstanding the foregoing, the Owner acknowledges and agrees that the City, in its absolute discretion, may require the Owner, at the Owner's expense, to hire a person or company with the skill and expertise to manage the Dwelling Units.
- 4.4 Notice Any notice which may be or is required to be given under this Agreement will be in writing and either be delivered or sent by facsimile transmission. Any notice which is delivered is to be considered to have been given on the first day after it is dispatched for delivery. Any notice which is sent by fax transmission is to be considered to have been given on the first business day after it is sent. If a party changes its address or facsimile number, or both, it will promptly give notice of its new address or facsimile number, or both, to the other party as provided in this section.
- **4.5** Agreement Runs With the Land Every obligation and covenant of the Owner in this Agreement constitutes both a contractual obligation and a covenant granted by the Owner to the City in respect of the Land and this Agreement burdens the Land and runs with it and binds the Owner's successors in title and binds every parcel into which it is consolidated or subdivided by any means, including by subdivision or by strata plan under the *Strata Property Act*.
- **4.6 Limitation on Owner's Obligations** The Owner is only liable for breaches of this Agreement that occur while the Owner is the registered owner of the Land.
- 4.7 Release The Owner by this Agreement releases and forever discharges the City and each of its elected

officials, officers, directors, employees and agents, and its and their heirs, executors, administrators, personal representatives, successors, and assigns, from and against all claims, demands, damages, actions, or causes of action by reason of or arising out of advice or direction respecting the ownership, lease, operation or management of the Land or the Dwelling Units which has been or at any time after the commencement of this Agreement may be given to the Owner by all or any of them. This clause will survive the termination of this Agreement.

- **4.8 Joint Venture** Nothing in this Agreement will constitute the Owner as the agent, joint venturer, or partner of the City or give the Owner any authority to bind the City in any way.
- **4.9** Waiver An alleged waiver of any breach of this Agreement is effective only if it is an express waiver in writing of the breach. A waiver of a breach of this Agreement does not operate as a waiver of any other breach of this Agreement.
- **4.10** Further Acts The Owner will do everything reasonably necessary to give effect to the intent of this Agreement, including execution of further instruments.
- **4.11** Severance If any part of this Agreement is held to be invalid, illegal or unenforceable by a court having the jurisdiction to do so, that part is to be considered to have been severed from the rest of this Agreement and the rest of this Agreement remains in force unaffected by that holding or by the severance of that part.
- **4.12** Equitable Remedies The Owner acknowledges and agrees that damages would be an inadequate remedy for the City for breach of this Agreement and that the public interest strongly favours specific performance, injunctive relief (mandatory or otherwise), or other equitable relief, as the only adequate remedy for a default under this Agreement.
- **4.13 No Other Agreements** This Agreement is the entire agreement between the parties regarding its subject and it terminates and supersedes all other agreements and arrangements regarding its subject.
- **4.14 Amendment** This Agreement may be discharged, amended or affected only by an instrument duly executed by both the Owner and the City.
- **4.15** Enurement This Agreement binds the parties to it and their respective successors, heirs, executors and administrators. Reference in this Agreement to the "City" is a reference also to the elected and appointed officials, employees and agents of the City.
- **416 Deed and Contract** By executing and delivering this Agreement each of the parties intends to create both a contract and a deed executed and delivered under seal.

## RTE18-0006

#### SCHEDULE "B" Revitalization Tax Exemption Agreement

THIS AGREEMENT dated for reference the 30<sup>th</sup> day of October, 2018 is

#### **BETWEEN:**

THE SOCIETY OF HOUSING OPPORTUNITIES AND PROGRESSIVE EMPLOYMENT (the "Lessee")

#### AND:

CITY OF KELOWNA 1435 Water Street, Kelowna, B.C. V1Y 1J4

(the "City")

#### GIVEN THAT:

- A. The City is the registered owner in fee simple of lands in the City of Kelowna at (165 Celano Crescent) described as, (Lot B, Section 4, Township 23 Osoyoos Division Yale District, Plan EPP70323), (the "Parcel");
- B. Council has established a revitalization tax exemption program and has included within the City of Kelowna Revitalization Tax Exemption Program Bylaw No. 9561, as amended, the designation of areas which include the Parcel as a revitalization area; and
- C. The Lessee proposes to construct new improvements [or alter existing improvements] on the Parcel as described in Appendix "A" attached to and forming part of this agreement (the "Project") and has applied to the City to take part in the revitalization tax exemption program in respect of the Project and the City has agreed to accept the Project under the program;

THIS AGREEMENT is evidence that in consideration of the promises exchanged below, the Lessee and the City covenant and agree each with the other as follows:

- 1. The Project the Lessee will use its best efforts to ensure that the Project is constructed, maintained, operated and used in a fashion that will be consistent with and will foster the objectives of the revitalization tax exemption program, as outlined in the City of Kelowna Revitalization Tax Exemption Program Bylaw No. 9561. Without limiting the generality of the foregoing, the Lessee covenants to use its best efforts to ensure that:
  - a. the Project will provide 21 purpose built rental townhouses;
  - b. the Lessee will permanently operate the housing development on a non-profit affordable rental basis.
- 2. **Operation and Maintenance of the Project** throughout the term of this agreement, the Lessee shall operate, repair and maintain the Project and will keep the Project in a state of good repair as a prudent Lessee would do.

- 3. Revitalization Amount In this agreement, "Revitalization Amount" means the municipal portion of property tax calculated in relation to the increase in the assessed value of improvements on the Parcel resulting from the construction of the Project as described in section 1;
- 4. **Revitalization Tax Exemption** subject to fulfilment of the conditions set out in this agreement and in "City of Kelowna Revitalization Tax Exemption Program Bylaw No. 9561", the City shall issue a revitalization tax exemption certificate (the "Tax Exemption Certificate") to the British Columbia Assessment Authority entitling the Lessee to a property tax exemption in respect of the property taxes due (not including local service taxes) in relation to the Revitalization Amount on the Parcel (the "Tax Exemption") for the calendar year(s) set out in this agreement.
- 5. **Conditions** the following conditions shall be fulfilled before the City will issue a Tax Exemption Certificate to the Lessee in respect of the Project:
  - a. The Lessee must have obtained a building permit from the City for the Project on September 6, 2018;
  - b. The Lessee must complete construction of the Project in a good and workmanlike fashion and in strict compliance with the building permit and the plans and specifications attached hereto as Appendix "A" and the Project must be officially opened for use as *a purpose-built non-profit affordable rental housing development* (the "Exempt Use") and for no other use, by no later than March 20, 2020;
  - c. The Lessee must submit a copy of the Occupancy Permit and this Agreement to the City of Kelowna's Revenue Branch before the City will issue the Tax Exemption Certificate.
  - d. The completed Project must substantially satisfy the performance criteria set out in Appendix "B" hereto, as determined by the City's Urban Planning Manager or designate, in their sole discretion, acting reasonably.
- 6. Calculation of Revitalization Tax Exemption the amount of the Tax Exemption shall be equal to
  - a) For Purpose-Built Rental Housing Projects throughout the City, 100% of the Revitalization Amount on the Parcel where the project is subject to a Housing Agreement (for up to 10 years) and is in compliance with the OCP Future Land Use designation as at May 30, 2011. A tax incentive for rental housing will only be considered when the vacancy rate is at or below 3%.
- 7. **Term of Tax Exemption** provided the requirements of this agreement, and of the City of Kelowna Revitalization Tax Exemption Program Bylaw No. 9561, are met the Tax Exemption shall be for the taxation years 2021 to 2030, inclusive.
- 8. [deleted]
- 9. **Compliance with Laws** the Lessee shall construct the Project and, at all times during the term of the Tax Exemption or any renewal term, use and occupy the Parcel and the Project in compliance with all statutes, laws, regulations and orders of any authority having jurisdiction and, without limiting the generality of the foregoing, all federal, provincial, or municipal laws or statutes or bylaws, including all the rules regulations policies guidelines criteria or the like made under or pursuant to any such laws.
- 10. **Effect of Stratification** if the Lessee stratifies the Parcel under the Strata Property Act, then the Tax Exemption shall be prorated among the strata lots in accordance with the unit entitlement of each strata lot for:

- a. the current and each subsequent tax year during the currency of this agreement if the strata plan is accepted for registration at the Land Title Office before May 1; or
- b. for the next calendar year and each subsequent tax year during the currency of this agreement if the strata plan is accepted for registration at the Land Title Office after May 1;

so long as, if the Project is the subject of an operating agreement between the Lessee and the Provincial Rental Housing Corporation, the Lessee is in compliance with the operating agreement. The Lessee agrees to provide written confirmation to the City regarding the Lessee's compliance with the said operating agreement, satisfactory to the City, upon the City's reasonable inquiry.

- 11. **Cancellation** the City may in its sole discretion cancel the Tax Exemption Certificate at any time:
  - a. on the written request of the Lessee; or
  - b. effective immediately upon delivery of a notice of cancellation to the Lessee if at any time any of the conditions in the Tax Exemption Certificate are not met.
  - c. If the Lessee is subject to an operating agreement with the Provincial Rental Housing Corporation and is not in compliance with the operating agreement.

If such cancellation occurs, the Lessee of the Parcel for which the Tax Exemption Certificate was issued will remit to the City an amount equal to the value of any Tax Exemption received after the cancellation of the Tax Exemption Certificate.

- 12. No Refund for greater certainty, under no circumstances will the Lessee be entitled under the City's revitalization tax exemption program to any cash credit, any carry forward tax exemption credit or any refund for any property taxes paid.
- 13. Notices any notice or other writing required or permitted to be given hereunder or for the purposes hereof to any party shall be sufficiently given if delivered by hand or posted on the Parcel, or if sent by prepaid registered mail (Express Post) or if transmitted by facsimile to such party:
  - a. in the case of a notice to the City, at:

THE CITY OF KELOWNA 1435 Water Street, Kelowna, B.C. V1Y 1J4

Attention: Revenue Branch Phone: 250-469-8757

b. in the case of a notice to the Lessee, at:

THE SOCIETY OF HOUSING OPPORTUNITIES AND PROGRESSIVE EMPLOYMENT 101-2055 Benvoulin Court Kelowna, B.C V1W 2C7

Attention: Mr. Ken Zeitner, C.F.O. Contact # 778-478-7977

Or at such other address as the party to whom such notice or other writing is to be given shall have last notified the party giving the same.

- 14. **No Assignment** the Lessee shall not assign its interest in this agreement except to a subsequent owner in fee simple or lessee of the Parcel.
- 15. Severance if any portion of this agreement is held invalid by a court of competent jurisdiction, the invalid portion shall be severed and the decision that it is invalid shall not affect the validity of the remainder of this agreement.
- 16. Interpretation wherever the singular or masculine is used in this agreement, the same shall be construed as meaning the plural, the feminine or body corporate where the context or the parties thereto so require.
- 17. **Further Assurances** the parties hereto shall execute and do all such further deeds, acts, things and assurances that may be reasonably required to carry out the intent of this agreement.
- 18. **Waiver** waiver by the City of a default by the Lessee shall be in writing and shall not be deemed to be a waiver of any subsequent or other default.
- 19. **Powers Preserved** this agreement does not:
  - a. Affect or limit the discretion, rights or powers of the City under any enactment or at common law, including in relation to the use or subdivision of the Parcel;
  - b. Affect or limit any enactment relating to the use or subdivision of the Parcel; or
  - c. Relieve the Lessee from complying with any enactment, including in relation to the use or subdivision of the Parcel and without limitation shall not confer directly or indirectly any exemption or right of set-off from development cost charges, connection charges, application fees, user fees or other rates, levies or charges payable under any bylaw of the City.
- 20. **Reference** every reference to each party is deemed to include the heirs, executors, administrators, personal representatives, successors, assigns, servants, employees, agents, contractors, officers, licensees and invitees of such party, wherever the context so requires or allows.
- 21. **Enurement** this agreement shall ensure to the benefit of and be binding upon the parties hereto and their respective successors and permitted assigns.
- 22. Any construction of a new improvement or alteration of an existing improvement undertaken prior to the application for a Revitalization Tax Exemption will not be eligible for consideration
- 23. The maximum Revitalization Tax Exemption authorized under City of Kelowna Revitalization Tax Exemption Program Bylaw No. 9561, as amended must not exceed the Revitalization Amount on the Parcel between:
  - a. the calendar year before the construction or alteration began, as outlined under Section 1 of this agreement; and
  - a. the calendar year in which the construction or alteration, as outlined under Section 1 of this agreement, is completed.
- 24. The Parcel's assessed value of improvements must not be reduced below the amount assessed in the calendar year prior to construction or alteration, as a result of the Revitalization Tax Exemption.

IN WITNESS WHEREOF the parties hereto have executed this agreement as of the day and year first above written.

# UMBRELLA AGREEMENT CONSOLIDATED PORTFOLIO AMENDING AGREEMENT

DATED FOR REFERENCE December 7, 2018 BCH File # 90613-02 / 3544

#### BETWEEN

BRITISH COLUMBIA HOUSING MANAGEMENT COMMISSION

1701 – 4555 Kingsway, Burnaby, British Columbia V5H 4V8 ("BC Housing")

AND

THE SOCIETY OF HOUSING OPPORT UNITIES AND PROGRESSIVE EMPLOYMENT 101-2055 Benvoulin Court, Kelowna, British Columbia V1W 2C7 (the "Society")

#### BACKGROUND:

- A. Pursuant to the Umbrella Agreement, dated for reference September 1, 2013, between BC Housing and the Society (the "Original Agreement"), the Parties agreed to amend certain provisions of the Operating Agreements and to administer all the Projects as one Portfolio pursuant to the Umbrella Agreement.
- B. BC Housing and the Society now wish to amend the Original Agreement in order to make the specific changes outlined in this Amending Agreement.

#### AGREEMENT:

- A. This Amending Agreement is effective upon execution.
- B. With the exception of the amendments made under this Amending Agreement, all other terms and conditions in the Original Agreement remain the same.
- C. Unless specified otherwise, capitalized terms in this Amending Agreement have the same meaning as in the Original Agreement.
- D. The parties agree to make the following amendment to the Original Agreement:
  - 1. Agreement Summary, Part 1, Clause 1 is amended by replacing 408 with 499.

# 2. Agreement Summary, Part 1, Clause 4 is deleted in its entirety and replaced with the following:

The thirteen (13) housing developments listed in Schedule D (the "Projects), are operated under six (6) separate and distinct housing programs (the "Housing Programs") namely the Pre '86 Section 95 Non-Profit Housing program (the "2% Write-Down Program"), the Provincial Homelessness Initiative (the "PHI Program"), the Seniors Rental Housing Initiative (the "Seniors Rental Housing Program"), the Provincial Housing Program - HOMES BC (the "HOMES BC Program"), the Investment in Affordable Housing Program (the "IAH Program").

- 3. Agreement Summary, Part 3, Clause 1.c.i is amended by replacing 45% with 36.8%.
- 4. Schedule A, Part G is amended by adding the following as Clause 4:
  - 4. In the event that an operator agreement for the management of PRHC-owned units in a Project is terminated, those units will be removed from the Portfolio.

#### 5. *Schedule D – Projects* is amended by adding the following:

File/Project Ref #	Project Name	Address	Funding Program	# of Units	Agreement End Date
93907/7202	Pleasantvale Homes	678 Richter Street, Kelowna, British Columbia	Community Partnership Initiative	50	16/12/2074
93907/7342	Pleasantvale Homes	671, 673, 675, 677, 679, 681, 685, 687, 689 and 691 Cambridge Avenue, Kelowna, British Columbia; and 668, 670, 672, 674, 676, 678, 682, 684, 686 and 688 Central Avenue, Kelowna, British Columbia	Investment in Affordable Housing	20	21/12/2050
94266/7743	Providence Boulevard	165 Celano Crescent, Kelowna, British Columbia	Provincial Investment in Affordable Housing	11	
94266/8229	Providence Boulevard	165 Celano Crescent, Kelowna, British Columbia	Provincial Investment in Affordable Housing	10	

6. By way of this Amending Agreement, BC Housing also confirms that the Pleasantvale Homes and Providence Boulevard Projects are exempt from the 15% minimum RGI Tenant level described in *Agreement Summary, Part 3, Clause 1.c.ii.* BC Housing acknowledges the challenges the Society faces in transitioning RGI Tenants between Projects with different Operating Agreements. It is the intention of the Society to endeavor, over time, to ensure a minimum RGI Tenant level in each Project.

IN WITNESS of which the duly authorized signatories of each of the Society and BC Housing have executed this Amending Agreement effective upon execution.

# **Report to Council**

Date:	June 24, 2019
File:	1200-02
То:	City Manager
From:	Ross Soward, Planner Specialist
Subject:	Revitalization Tax Exemption Bylaw – Housekeeping Updates

## **Recommendation:**

THAT Council receives, for information, the report from the Planner Specialist, dated June 24, 2019 regarding the Revitalization Tax Exemption Bylaw;

AND THAT Bylaw No. 11854 being amendment No. 6 to Revitalization Tax Exemption Bylaw No. 9561 be forwarded for reading consideration.

## Purpose:

To make minor updates to the Revitalization Tax Exemption Bylaw No. 9561 to reduce the number of minor amendments to revitalization agreements in the future.

## **Background:**

The Revitalization Tax Exemption (RTE) program provides 10-year tax exemptions for projects that meet key City objectives related to rental housing and downtown revitalization. Over the last five years, the RTE program has had considerable uptake from the development community with roughly 25 applications submitted over this time.

Through the RTE application process, the proponent is required to submit a range of project information to ensure the application meets the eligibility criteria. Generally, applications are submitted after the project has an approved development permit, ensuring core project details are established, thereby reducing the likelihood that projects with approved RTE Agreements are not constructed. The RTE agreement specifies the conditions that must be met by the applicant for the tax exemption to be provided by the City. The RTE Agreement is then presented to Council for consideration before it is executed.

Over the last year, a handful of RTE projects have had minor shifts in their construction and occupancy schedule. For larger rental and mixed-use projects, shifts in the construction schedule and timelines are common. However, based on the way the City's RTE Bylaw and agreement template are currently configured, delays in project schedules often trigger changes to the RTE Agreement. To account for these changes and to ensure the projects receive the Council approved ten-year tax exemption, staff are currently required to bring forward the agreements to council for minor amendments. These amendments require additional time on the part of staff and council with limited benefit to the community, as the projects are still receiving the 10-year exemption based on the same criteria that Council originally approved.

Staff has identified several minor updates to the RTE Bylaw agreement template that will allow for greater flexibility on the term of exemption and eliminate the need for minor amendments to individual tax exemption agreements in the future. In addition, the RTE Bylaw updates address some minor issues that were identified in consultation with BC Assessment after recent shifts in the provincial policy on tax exemptions. In conclusion, the proposed bylaw updates maintain the core direction of the RTE program, while reducing low value amendments in the future.

## **Internal Circulation:**

Deputy City Clerk Director, Financial Services Revenue Supervisor, Revenue Manager, Urban Planning Divisional Director, Community Planning & Strategic Investments Department Manager, Policy & Planning Manager, Long Range Policy Planning

## Legal/Statutory Authority:

Community Charter, Division, Section 226

## **Existing Policy:**

Official Community Plan Bylaw No. 10500

Objective 5.9 – support the creation of affordable and safe rental, non-market and/or special needs housing.

Policy 5.1.3 Rutland & Downtown Revitalization Tax Exemption Program. Provide a revitalization tax exemption for the municipal portion of the annual taxes on improvements for development within the City Centre and Rutland Town Centre as per Revitalization Tax Exemption Bylaw No. 9561

Approved for inclusion:

J. Moore, Manager Long Range Policy & Planning

# **CITY OF KELOWNA**

# BYLAW NO. 11854

# Amendment No. 6 to Revitalization Tax Exemption Program Bylaw No. 9561

The Municipal Council of the City of Kelowna, in open meeting assembled, enacts that the City of Kelowna Revitalization Tax Exemption Bylaw No. 9561 be amended as follows:

1. THAT Section 5, sub-paragraph e be deleted that reads:

"For Purpose-Built Rental Housing Projects throughout the City, 100% of the Revitalization Amount on the parcel, for projects that are subject to a Housing Agreement (for up to 10 years) and are in compliance with the OCP Future Land Use designation as at May 30, 2011. A tax incentive for rental housing will only be considered when the vacancy rate is at or below 3%;"

And replace it with:

"For Purpose-Built Rental Housing Projects throughout the City, 100% of the Revitalization Amount on the parcel, for projects that are subject to a Housing Agreement (for up to 10 years) and where the proposed project is in compliance with the Official Community Plan Future Land Use designation at the time of the Revitalization Tax Exemption application. A tax incentive for rental housing will only be considered when the vacancy rate is at or below 3%";

- 2. AND THAT Section 6., be amend by:
  - a) deleting in sub-paragraph c "\$300.000.00" and replacing it with "\$300,000.00";
  - b) deleting in sub-paragraph d and f the words "Kelowna 2030 Offical Community Plan Bylaw No. 10500" and replacing it with "Offical Community Plan";
- 3. AND THAT Section 11 be amended by deleting the title "Urban Planning Manager" and replace it with "Development Planning Manager";
- 4. AND THAT Section 16 be amended by deleting the title "Revenue Manager" and replacing it with "Director of Financial Services";
- 5. AND THAT Schedule B Revitalization Tax Exemption Agreement be deleted in its entirety and replaced with a new Schedule B Revitalization Tax Exemption Agreement as attached to and forming part of this bylaw;
- 6. AND THAT the title in that reads in Schedule C **`Tax Exemption Certificate**" be deleted and replaced with the following new title in Schedule C:

Revitalization Tax Exemption Agreement No. \_\_\_\_\_

Date of Issuance by Revenue Department \_\_\_\_\_

Tax Exemption Certificate

- 6. This bylaw may be cited for all purposes as "Bylaw No. 11854, being Amendment No. 6 to Revitalization Tax Exemption Program Bylaw No. 9561.".
- 7. This bylaw shall come into full force and effect and is binding on all persons as and from the date of adoption.

Read a first, second and third time by the Municipal Council this

Adopted by the Municipal Council of the City of Kelowna this

Mayor

City Clerk

#### SCHEDULE "B" Revitalization Tax Exemption Agreement

THIS AGREEMENT dated for reference the \_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_ is

#### **BETWEEN:**

XXXX (the "Owner")

AND:

CITY OF KELOWNA 1435 Water Street, Kelowna, B.C. V1Y 1J4

(the "City")

#### GIVEN THAT:

- A. The Owner is the registered owner in fee simple of lands in the City of Kelowna at [civic address] legally described as [legal description] (the "Parcel");
- B. Council has established a revitalization tax exemption program and has included within the City of Kelowna Revitalization Tax Exemption Program Bylaw No. 9561 the designation of areas which include the Parcel as a revitalization area; and
- C. The Owner proposes to construct new improvements [or alter existing improvements] on the Parcel as described in Appendix "A" attached to and forming part of this agreement (the "Project") and has applied to the City to take part in the revitalization tax exemption program in respect of the Project and the City has agreed to accept the Project under the program;

THIS AGREEMENT is evidence that in consideration of the promises exchanged below, the Owner and the City covenant and agree each with the other as follows:

1. The Project – the Owner will use its best efforts to ensure that the Project is constructed, maintained, operated and used in a fashion that will be consistent with and will foster the objectives of the revitalization tax exemption program, as outlined in the City of Kelowna Revitalization Tax Exemption Program Bylaw No. 9561. Without limiting the generality of the foregoing, the Owner covenants to use its best efforts to ensure that the Project will:

a.

b.

c.

- Operation and Maintenance of the Project throughout the term of this agreement, the Owner shall operate, repair and maintain the Project and will keep the Project in a state of good repair as a prudent owner would do.
- 3. Revitalization Amount In this agreement, "Revitalization Amount" means the municipal portion of property tax calculated in relation to the increase in the assessed value of improvements on the Parcel resulting from the construction of the Project as described in section 1;
- 4. **Revitalization Tax Exemption** subject to fulfilment of the conditions set out in this agreement and in "City of Kelowna Revitalization Tax Exemption Program Bylaw No. 9561", the City shall issue a

revitalization tax exemption certificate (the "Tax Exemption Certificate") to the British Columbia Assessment Authority entitling the Owner to a property tax exemption in respect of the property taxes due (not including local service taxes) in relation to the Revitalization Amount on the Parcel (the "Tax Exemption") for the calendar year(s) set out in the Tax Exemption Certificate .

- 5. **Conditions** the following conditions shall be fulfilled before the City will issue a Tax Exemption Certificate to the Owner in respect of the Project:
  - a. The Owner must complete or cause to be completed construction of the Project in a good and workmanlike fashion and in strict compliance with the building permit and the plans and specifications attached hereto as Appendix "A";
  - b. The completed Project must substantially satisfy the performance criteria set out in Appendix "B" hereto, as determined by the City's Development Planning Manager or designate, in their sole discretion, acting reasonably; and
  - c. The Owner must submit a copy of the Occupancy Permit and Title Certificate to the City of Kelowna's Revenue Branch within 48 months from the date the Agreement is executed by Council.
- 6. **Calculation of Revitalization Tax Exemption** the amount of the Tax Exemption shall be equal to *[choose one from below and insert applicable wording]:* 
  - a. For "Tax Incentive Area 1", 100% of the Revitalization Amount on the Parcel;
  - b. For "Tax Incentive Area 2,"
    - i. 100% of the Revitalization Amount on the Parcel, for a project with a minimum floor area of 3,716 m<sup>2</sup> (40,000 sq. ft.);
    - ii. 75% of the Revitalization Amount on the Parcel which can be attributed to a residential land use, and/or 50% of the Revitalization Amount on the Parcel which can be attributed to a commercial land use, for a project with a minimum floor area of less than 3,716 m<sup>2</sup> (40,000 sq. ft.);
  - c. [deleted]
  - d. For "Tax Incentive Area 3," 100% of the Revitalization Amount on the Parcel;
  - e. For Purpose-Built Rental Housing Projects throughout the City, 100% of the Revitalization Amount on the Parcel where the project is subject to a Housing Agreement (for up to 10 years) and is in compliance with the OCP Future Land Use designation as at May 30, 2011. A tax incentive for rental housing will only be considered when the vacancy rate is at or below 3%;
- 7. **Term of Tax Exemption** provided the requirements of this agreement, and of the City of Kelowna Revitalization Tax Exemption Program Bylaw No. 9561, are met the Tax Exemption shall be for 10 years after the BC Assessment Authority validates the Tax Exemption Certificate issued by the City of Kelowna's Revenue Branch.,
- 8. **Compliance with Laws** the Owner shall construct the Project and, at all times during the term of the Tax Exemption or any renewal term, use and occupy the Parcel and the Project in compliance with all statutes, laws, regulations and orders of any authority having jurisdiction and, without limiting the generality of the foregoing, all federal, provincial, or municipal laws or statutes or bylaws, including all the rules regulations policies guidelines criteria or the like made under or pursuant to any such laws.

- 9. Effect of Stratification if the Owner stratifies the Parcel under the Strata Property Act, then the Tax Exemption shall be prorated among the strata lots in accordance with the unit entitlement of each strata lot for:
  - a. the current and each subsequent tax year during the currency of this agreement if the strata plan is accepted for registration at the Land Title Office before May 1; or
  - b. for the next calendar year and each subsequent tax year during the currency of this agreement if the strata plan is accepted for registration at the Land Title Office after May 1;

so long as, if the Project is the subject of an operating agreement between the Owner and the Provincial Rental Housing Corporation, the Owner is in compliance with the operating agreement. The Owner agrees to provide written confirmation to the City regarding the Owner's compliance with the said operating agreement, satisfactory to the City, upon the City's reasonable inquiry.

- 10. **Termination of the agreement** the revitalization tax exemption agreement will be valid for 48 months from the date the agreement is executed by Council. If the conditions for issuance of a Tax Exemption Certificate have not been met during this term, the owner may request a renewal term to this agreement or the agreement will be terminated.
- **Cancellation** the City may in its sole discretion cancel the Tax Exemption Certificate at any time:
  - a. on the written request of the Owner; or
  - b. effective immediately upon delivery of a notice of cancellation to the Owner if at any time any of the conditions in the Tax Exemption Certificate are not met.
  - c. If the Owner is subject to an operating agreement with the Provincial Rental Housing Corporation and is not in compliance with the operating agreement.

If such cancellation occurs, the Owner of the Parcel for which the Tax Exemption Certificate was issued will remit to the City an amount equal to the value of any Tax Exemption received after the cancellation of the Tax Exemption Certificate.

- 12. No Refund for greater certainty, under no circumstances will the Owner be entitled under the City's revitalization tax exemption program to any cash credit, any carry forward tax exemption credit or any refund for any property taxes paid.
- 13. **Notices** any notice or other writing required or permitted to be given hereunder or for the purposes hereof to any party shall be sufficiently given if delivered by hand or posted on the Parcel, or if sent by prepaid registered mail (Express Post) or if transmitted by facsimile to such party:
  - a. in the case of a notice to the City, at:

THE CITY OF KELOWNA 1435 Water Street, Kelowna, B.C. V1Y 1J4

Attention: Phone: Email: b. in the case of a notice to the Owner, at:

[Insert name and address of owner]

Attention: Phone: Email:

Or at such other address as the party to whom such notice or other writing is to be given shall have last notified the party giving the same.

- 14. **No Assignment** the Owner shall not assign its interest in this agreement except to a subsequent owner in fee simple of the Parcel.
- 15. **Severance** if any portion of this agreement is held invalid by a court of competent jurisdiction, the invalid portion shall be severed and the decision that it is invalid shall not affect the validity of the remainder of this agreement.
- 16. Interpretation wherever the singular or masculine is used in this agreement, the same shall be construed as meaning the plural, the feminine or body corporate where the context or the parties thereto so require.
- 17. **Further Assurances** the parties hereto shall execute and do all such further deeds, acts, things and assurances that may be reasonably required to carry out the intent of this agreement.
- 18. **Waiver** waiver by the City of a default by the Owner shall be in writing and shall not be deemed to be a waiver of any subsequent or other default.
- 19. **Powers Preserved** this agreement does not:
  - a. Affect or limit the discretion, rights or powers of the City under any enactment or at common law, including in relation to the use or subdivision of the Parcel;
  - b. Affect or limit any enactment relating to the use or subdivision of the Parcel; or
  - c. Relieve the Owner from complying with any enactment, including in relation to the use or subdivision of the Parcel and without limitation shall not confer directly or indirectly any exemption or right of set-off from development cost charges, connection charges, application fees, user fees or other rates, levies or charges payable under any bylaw of the City.
- 20. **Reference** every reference to each party is deemed to include the heirs, executors, administrators, personal representatives, successors, assigns, servants, employees, agents, contractors, officers, licensees and invitees of such party, wherever the context so requires or allows.
- 21. **Enurement** this agreement shall ensure to the benefit of and be binding upon the parties hereto and their respective successors and permitted assigns.
- 22. Any construction of a new improvement or alteration of an existing improvement as of this bylaw undertaken prior to the application for a Revitalization Tax Exemption will not be eligible for consideration
- 23. The maximum Revitalization Tax Exemption authorized under this Bylaw must not exceed the Revitalization Amount on the Property between:
  - a. the calendar year before the construction or alteration began, as outlined under Section 1 of this agreement; and

- a. the calendar year in which the construction or alteration, as outlined under Section 1 of this agreement, is completed.
- 24. The Property's assessed value of improvements must not be reduced below the amount assessed in the calendar year prior to construction or alteration, as a result of the Revitalization Tax Exemption.

IN WITNESS WHEREOF the parties hereto have executed this agreement as of the day and year first above written.

### Report to Council

Date:	June 24, 2019	Kelowna	
File:	1405-06		
То:	City Manager		
From:	Transit and Programs Manager		
Subject:	2019 Transit Capital Program Reprioritization and Tran	sit Reserve Funding Request	

City of

#### **Recommendation:**

THAT Council receive the report from the Transit and Programs Manager dated June 24, 2019 with respect to the 2019 Transit Capital Program Reprioritization and Transit Reserve Funding Request;

AND THAT the 2019 Financial Plan be amended to reflect the cancellation and re-assignment of transit capital funds, and to accommodate the request for \$100,000 from the Transit Reserve.

#### Purpose:

To inform Council of the rationale for the proposed reprioritization of 2019 transit capital projects and request additional funding from the Transit Reserve.

#### Background:

In 2018, the Province of British Columbia entered into an Integrated Bilateral Agreement with the Government of Canada for Investing in Canada Infrastructure Program (ICIP) funding. The public transit stream of the program includes \$2.7 billion in funding allocated between BC Transit<sup>1</sup> and Translink based upon ridership in each of these systems. Under the agreement, the Federal Government will fund between 40% and 50% of eligible projects with the Province contributing a minimum of 33.33%. Local government partners are required to contribute the remainder for projects under consideration within their region. A portion of ICIP funds will support important BC Transit system-wide initiatives such as modernization of the transit fare system. Several transit infrastructure projects throughout the Central Okanagan have been identified as candidates for ICIP funding over the horizon of the program. Successful application for Federal funding depends upon BC Transit and partner communities having certainty that projects can be successfully delivered within the horizon of the funding program. Projects must be substantially completed by Fall 2027. In preparation for applications for initial candidate projects in Kelowna, further analysis, design and stakeholder consultation is required. While costs associated with preliminary project scoping is not recoverable for projects not yet approved for ICIP funding, it is a necessary step to increase the likelihood of success of applications.

<sup>1</sup> BC Transit represents all transit systems that operate outside of the Translink service area in the Lower Mainland.

### **Capital Funding Request**

The current Transit Operations and Maintenance Centre facility at 1494 Hardy Street, has been in operation for over 25 years and is now at capacity for bus maintenance and repair, bus storage, fueling, supply and equipment storage, and administration space. The current site is constrained in terms of available land, with a large portion of bus storage temporarily located on future road right of way for the Central Okanagan Multi Modal Corridor (COMMC). A 2013 Facilities Study commissioned by BC Transit concluded, "The facility on Hardy Street will be unable to sustain continued growth of the transit system in this region ... As there is no opportunity to expand the site due to adjacent property restrictions, consideration should be made to the eventual construction of either a secondary site, or a single consolidated facility to replace the existing one." In 2016, \$325,000 of federal gas tax funds were invested to extend the life of the facility by 5-6 years in anticipation of the upcoming PTIF (now ICIP) federal/provincial transit funding program.

The City's Real Estate Department conducted a comprehensive property search to identify potential replacement sites for the transit operations centre. Several sites, including both City-owned and privately held land assemblies were identified and analyzed for location, cost, ease of acquisition, and other site characteristics. The 2017 strategic acquisition of 4670 Hwy 97 N (the former Serwa property) has provided the most suitable option given cost, location, property size, and future expansion capability.

The site is presently within the ALR and zoned A1 for agricultural use, however the Official Community Plan (OCP) designates the future land use as Industrial. Application for ALR exclusion is planned. Upon successful application for exclusion from the ALR, subsequent planning and development applications will be required.

To secure project funding through the Investing in Canada Infrastructure Program (ICIP), a joint study (co-funded by BC Transit) for site location, cost analysis and proof of concept for construction is required. This study will also form a part of project approval processes and potential future funding opportunities and application requests. On a 50/50 basis, the City of Kelowna's contribution is set at \$100,000 of the full study cost of \$200,000. This study's site analysis work will include future road alignment options for Hollywood Road which will bisect the property; basic geotechnical analysis; preliminary transit operations center layout options including buildings, parking, utility locations, water and drainage, and access and egress points. This work will allow for improved accuracy in developing total buildout costs for use in the ultimate funding application. The proposed funding source for the City's portion of the initial study is the Transit Reserve.

### **Capital Projects Reprioritization**

The 2019 Transit Capital Program includes projects categorized by New Transit Equipment and Transit Equipment Renewal totaling \$325,000 in 2019. A total of \$195,000 is proposed to be reallocated toward scoping four additional ICIP candidate projects. Projects proposed to be cancelled for the current year are those deemed lower priority and/or determined to be best delivered in coordination with other works in the future.

Current 2019 transit capital budget allocation (projects in bold are proposed to be deferred)

Project	Scope	Budget
Glenmore/High bus bay	Design/construct - pull out, passenger boarding	\$100,000
	platform and amenities	
Rutland Rd/RSS bus stop	Construct – new stop, repurposed bus shelter	\$20,000
Springfield/Richter bus	Design/construct – enhance stop – passenger boarding	\$20,000
stop	platform, bench seating	
KLO/Casorso bus stop	New transit shelter on existing platform	\$25,000
Springfield/Ethel bus stop	Construct – passenger boarding platform, bench	\$10,000
	seating.	
Rutland/Gray bus stop	Design/feasibility review, construct – stop enhancement	\$35,000
improvement	– platform, shelter	
Highway 33/Kneller bus	Design/construct – stop safety enhancement – new	\$35,000
stop improvement	shelter back of sidewalk	
Highway 33/Oswell bus	Design/construct – stop safety enhancement – relocate	\$10,000
stop improvement	shelter back of sidewalk	
Glenmore/Bernard bus	Design/feasibility review, construct – passenger	\$60,000
stop improvement	boarding platform, bench seating	
Bus stop signage, general	Annual transit signage program & minor improvements	\$10,000
amenities		

### **ICIP Candidate Projects**

The four additional candidate projects proposed to be studied further to assess feasibility and explore preliminary design options are shown below. Each project is further detailed in the appendix 'Initial ICIP Projects in Kelowna' accompanying this report.

Project	Description	Objectives	
Orchard Park Exchange &	Facility renewal and	Expand capacity, improve efficiency,	
Mobility Hub	mobility integration	safety, amenities. Explore design,	
		placement, layout options.	
Rutland Park & Ride/Mobility	Dedicated Park &	Facilitate auto and micro-mobility access	
Hub	Ride area, mobility	to high-order transit services at Rutland	
	integration	Exchange from outlying areas.	
Mission Rec Exchange, Park	Facility relocation and	Reduce annual operating costs, address	
& Ride/Mobility Hub	mobility integration	current bus/vehicle conflicts &	
		maintenance challenges, support future	
		service expansions.	
YLW Transit Stations	Improved transit	Coordination with YLW ground-side and	
	infrastructure in	Okanagan Gateway studies. Support	
	support of future	future transit service expansions.	
	service growth		

Council's approval of the 2019 budget amendment is requested.

#### Internal Circulation:

Real Estate Department Manager Communications Advisor, Community Engagement Divisional Director, Infrastructure Financial Planning Manager Integrated Transportation Department Manager Infrastructure Engineering Manager Airport Operations Manager

#### Financial/Budgetary Considerations:

- 1. A request for the 2019 Financial Plan to be amended to fund the \$100,000 ICIP joint study project from the Transit Reserve;
- 2. Summary of Budget Amendment Request to transfer budget to fund ICIP projects.

2019 Transit Capital Projects (transferred from)	2019 Current Budget	2019 ICIP Candidate Projects (transferred to)	2019 Proposed Budget
Glenmore Rd at High Rd - Major Bus Stop	\$100,000	Orchard Park Exchange & Mobility Hub	\$140,000
Rutland Rd S at Gray Rd	\$35,000	Rutland Park & Ride/Mobility Hub	\$15,000
Glenmore Rd at Bernard Ave	\$60,000	Mission Rec Exchange, Park & Ride/Mobility Hub	\$25,000
		YLW Transit Stations	\$15,000
Total Amount to be Transferred	\$195,000	-	\$195,000

### Mid-Town (Orchard Park) Transit Exchange and Mobility Hub Renewal

**Background & Rationale** – This facility is the only major transit exchange in Kelowna that remains to be upgraded having not been included in funding rounds during the various Rapid Bus program streams. The Mid Town (Orchard Park) transit exchange is the second busiest in the region with 2/3rds of all transit trips passing through the facility. The exchange is operating at capacity today constraining service expansion. Amenities are sub-standard and operating challenges persist in the current layout which relies entirely on private property at Orchard Park Mall. The facility is not under a formal lease agreement with the land owner. Renewal of the exchange is considered the second highest infrastructure priority in the system next to replacement of the transit operating centre.

**Status** – Multiple concept designs have been developed dating back to 2007 with concepts for an on-street facility on Cooper Rd developed in 2016. In early 2019 City of Kelowna staff engaged Orchard Park Shopping Centre and parent company, Primaris who expressed support to explore options that retain some or all of transit operations on their site and in considering a lease to formalize use of the property. Engagement with Orchard Plaza management (McIntosh Properties) followed

with their team sharing factors important to them and their site for consideration.

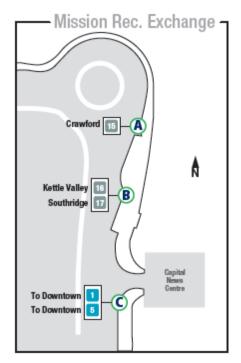

### **Study Objectives**

In collaboration with external and internal (City) stakeholders:

- Identify key operational, safety, design objectives.
- Assess the broader road network impacts of various facility design options.
- Explore placement, layout and design options and ultimately identify a recommended option.
- Assess the feasibility of improved cycling and pedestrian access and shared micro-mobility integration.

### Mission Rec Exchange and Park & Ride and Mobility Hub

Background and Rationale – This facility was constructed in 2008 in conjunction with the City's H20 indoor water park project. Service did not begin at the facility until early 2012. The exchange is served by 3 community bus routes and 2 major routes (1, 5) and serving the exchange requires that buses slowly navigate the internal road network of the broader site. Doing so adds significant run time and conflicts and thus operating cost each year. Conflicts with both private and service vehicles occur daily often resulting in buses unable to navigate the adjacent roundabout and bus operators experiencing tense interactions with motorists. Maintaining the facility proves challenging and costly with full surface renewal required periodically as a result of damage to the 50mm paved surface caused by buses. In addition, snow must be fully removed from the roundabout each winter to ensure it is passable by buses which are often blocked by illegally parked private vehicles.

**Status** – All efforts have been made to improve winter maintenance practices and reduce conflict between buses,

private automobiles and service vehicles however challenges persist. The cost of operating deep into the park continues to be a burden on resources. The <u>Transit Future Action Plan</u> proposes a network review in the South Mission that includes possible changes to route structures and service levels for routes serving the exchange. A preliminary proposal to relocate the exchange to the northeast corner of Gordon Dr at Lequime Rd within an underutilized portion of the parking lot has garnered interest internally. This proposed new facility may include new bus stops on Gordon Dr, dedicated park & ride spaces and amenities and connections to support micro-mobility connections to transit. The new facility would serve to address the challenges faced today, reduce operating costs and accommodate park & ride connections to high-order transit for residents of outer neighborhoods that are not cost effective to serve by transit.

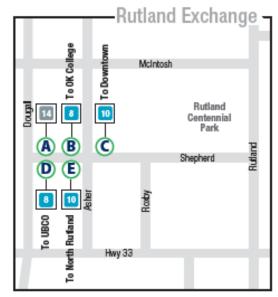

### **Study Objectives**

In collaboration with external and internal (City) stakeholders:

- Identify key operational, safety, design objectives.
- Assess the broader road network impacts of various facility design options.
- Explore placement, layout and design options and ultimately identify a recommended option.
- Assess the feasibility of improved cycling and pedestrian access and shared micro-mobility integration.

### **Rutland Exchange Park & Ride and Mobility Hub**

**Background and Rationale** – Rutland Town Centre Exchange was completed in 2018 facilitating the restructuring of Rutland area transit routes focusing them on a single site. This central access point to high-order transit services provided on routes 8 University, 10 North Rutland and 11 South Rutland is well situated to accommodate park & ride and mirco-mobility integration. These elements would improve general access to transit with park & ride particularly benefiting residents of outlying areas that are not easily or cost-effectively served by transit or those with limited service today. The City's Roxby parking lot includes an underutilized section in its north extent which borders the transit exchange that ideal for this proposed use.

**Status** – Repurposing a portion of the Roxby municipal parking lot has garnered preliminary support from The City of

Kelowna's Parking Management team who recognize the value of enhancing access to transit and better utilization of the site. This project presents an opportunity for expedited delivery of an ICIP project that will have an immediate benefit to users while continuing the City's vision for redevelopment of the Town Centre.

### **Study Objectives**

In collaboration with external and internal (City) stakeholders:

- Identify key operational, safety, design objectives.
- Explore layout and design options and ultimately identify a recommended option.
- Assess the feasibility of improved cycling and pedestrian access and shared micro-mobility integration.

### Kelowna International Airport Transit Station

Background and Rationale - Kelowna International Airport (YLW) was the second busiest airport in British Columbia in 2018 with over 2 million trips accommodated. The airport, together with the multitude of private businesses located on the broader campus are major regional employers with growing workforces. Today, YLW is served by route #23 Lake Country which operates along Airport Way between Highway 97 and Old Vernon Road on weekdays only from 6am to 6:30pm. Outside of these hours, the route reverts to Highway 97 between UBCO and Lake Country. The #90 North Okanagan connector interregional service linking Kelowna and Vernon services the airport on northbound routing only with 8 trips per day (4 in the summer months). Public requests and political support for expanded airport service has grown in recent years with a focus on extending

the 97 Okanagan Rapid Bus line to YLW. The <u>YLW Master Plan</u> proposes investment in public transit infrastructure and the introduction of Rapid Bus no later than 2025, improvements that are also proposed in <u>The Transit Future Action Plan</u>.

**Status –** The YLW Ground-side study and Okanagan Gateway study are in development currently. These plans will identify the form of future transit services and infrastructure and identify the ultimate location of transit stations. Once complete YLW and City Transportation staff, in collaboration with BC Transit, will determine the most appropriate time frame to initiate a detailed design exercise or the facility.

# Transit Capital Requests

### June 24, 2019

- Launched in 2016 as the Public Transit Infrastructure Fund
- \$3.4 billion Canada wide
- Local projects include the SmartBus Initiative
  - Cameras on buses
  - Real time transit information (NextRide)
  - Automated passenger counting
- New transit exchange at UBCO

kelown<sup>233</sup>ca

- Phase II announced 2017
- \$25.3 billion Canada wide over 10 years
- \$2.7 billion allocated to BC
- Bilateral Agreement (Provincial/Federal) signed in 2018
  - ► Federal contribution 40% 50%
  - Provincial minimum of 33.3%
  - Remainder Local Governments (as low as 17% after partner contribution on regional projects)

### ► BC priorities:

- BC Transit modernization projects
- Preliminary Kelowna project list submitted to BC Transit
- Funding informally reserved for Kelowna
- Today requesting funding allocation to develop/further refine the priority project application

### Funding process:

- Province enters into bilateral agreement with Federal Government
- Province enters into agreements with Local Governments to deliver projects
- BC Transit identifies projects and submits to Federal Government for approval

Basis project information is required, but must include financial and start/completion information

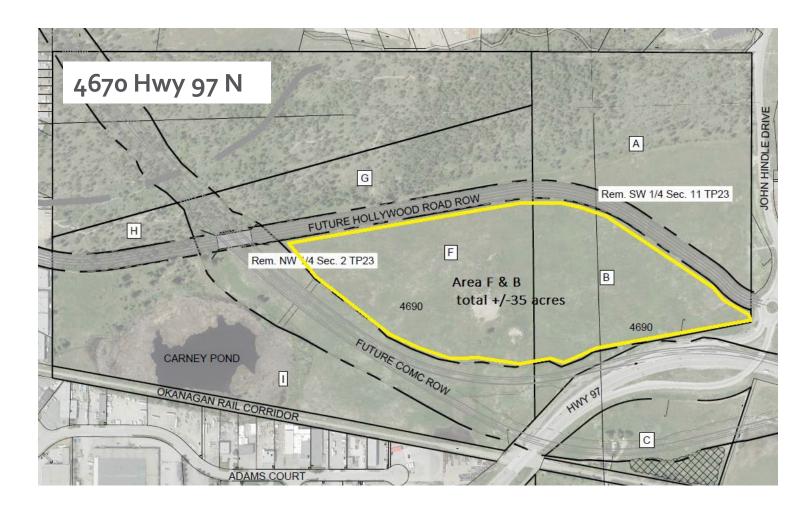

kelown<sup>23</sup>.ca

kelowna.ca

kelowna.?a

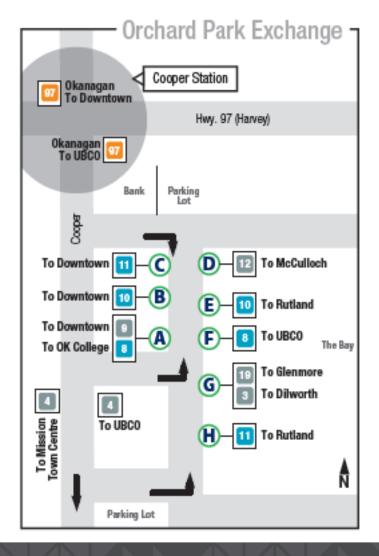

Four additional candidate projects:

- Orchard Park Exchange & Mobility Hub
- Mission Rec Exchange, Park & Ride/Mobility Hub
- Kelowna Airport Transit Stations
- Rutland Park & Ride/Mobility Hub

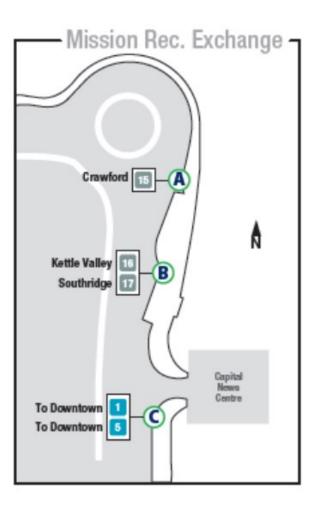

Mid-Town (Orchard Park) Transit Exchange and Mobility Hub Renewal

kelowna.ca

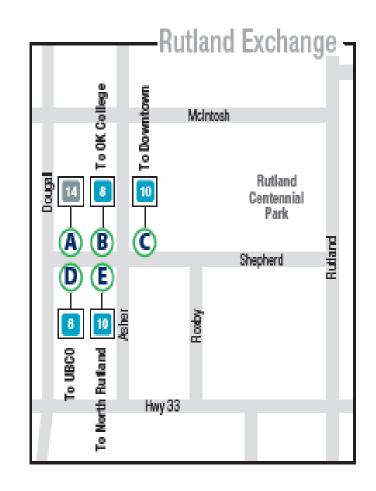

Mission Rec Exchange and Park & Ride and Mobility Hub

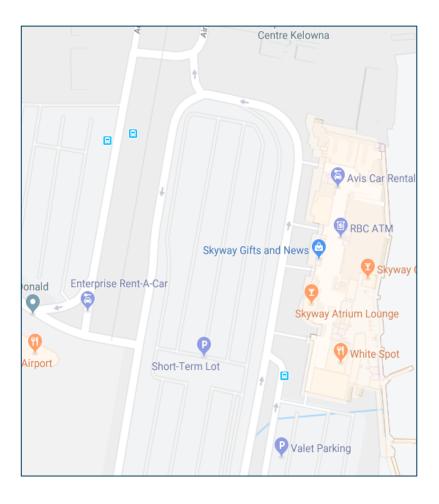

Rutland Exchange Park & Ride and Mobility Hub

kelowna.ca

### Kelowna International Airport Transit Station

- Glenmore/High bus bay
  - Design/construct pull out, passenger boarding platform and amenities \$100,000
- Rutland/Gray bus stop improvement
  - Design/feasibility review, construct stop enhancement platform, shelter \$35,000
- Glenmore/Bernard bus stop improvement
  - Design/feasibility review, construct –passenger boarding platform, bench seating \$60,000

## Recommendation

The 2019 Financial Plan be amended

- to fund the \$100,000 ICIP joint study project from the Transit Reserve and
- to reflect the cancellation and re-assignment of transit capital funds of \$195,000

### **CITY OF KELOWNA**

### BYLAW NO. 11729

### <u>Road Closure and Removal of Highway Dedication Bylaw</u> (Portion of Lane North of Highway 33)

### A bylaw pursuant to Section 40 of the Community Charter to authorize the City to permanently close and remove the highway dedication of a portion of highway on Highway 33

NOW THEREFORE, the Municipal Council of the City of Kelowna, in open meeting assembled, hereby enacts as follows:

- 1. That portion of highway attached as Schedule "A" comprising 156.9m<sup>2</sup> shown in bold black as Closed Lane on the Reference Plan prepared by Ryan Delaurier, B.C.L.S., is hereby stopped up and closed to traffic and the highway dedication removed.
- 2. The Mayor and City Clerk of the City of Kelowna are hereby authorized to execute such conveyances, titles, survey plans, forms and other documents on behalf of the said City as may be necessary for the purposes aforesaid.

Read a first, second and third time by the Municipal Council this 6<sup>th</sup> day of May, 2019.

Approved Pursuant to Section 41(3) of the Community Charter this 15<sup>th</sup> day of May, 2019.

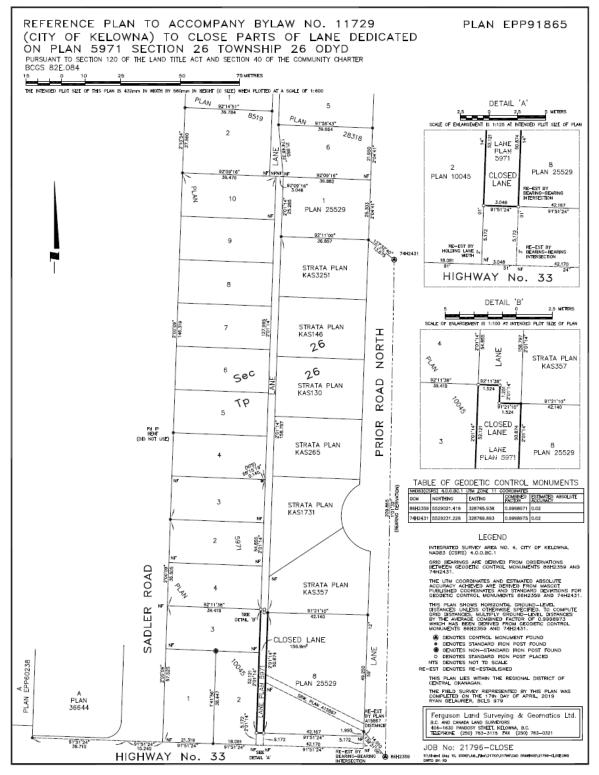

Blaine Garrison (Approving Officer-Ministry of Transportation)

Adopted by the Municipal Council of the City of Kelowna this

Mayor

City Clerk

Schedule "A"

### **CITY OF KELOWNA**

### BYLAW NO. 11770

### Well Regulation Bylaw

### A bylaw to regulate the disconnection and closure of wells on properties connected to the City Water Utility.

WHEREAS under Section 8 of the *Community Charter*, Council may by bylaw, regulate, prohibit and impose requirements in relation to municipal services;

AND WHEREAS the City of Kelowna has established by section 2.1.1 of the Water Regulation Bylaw No. 10480 the service of water supply through the City Water Utility (the "System");

AND WHEREAS the City of Kelowna deems it necessary and desirable to regulate the use and closure of wells on properties served by the system;

AND THEREFORE, the Council of the City of Kelowna, in an open meeting assembled, enacts as follows:

#### 1. Introduction

1.1 This Bylaw may be cited for all purposes as the "City of Kelowna Well Regulation Bylaw No. 11770."

### 2. Applicabilty

- 2.1 Nothing in this Bylaw shall preclude anyone from complying with the provisions of any other local, provincial, or federal regulations or enactment.
- 2.2 Any enactment referred to herein is a reference to an enactment of British Columbia, and the regulations thereto, as amended, revised, consolidated or replaced from time to time, and any bylaw referred to herein is a reference to an enactment of the Council of the City of Kelowna, as amended, revised, consolidated, or replaced from time to time.

### 3. Definitions

3.1 In this Bylaw;

"Backflow" means flow of water, well water or other substances back into any plumbing system connected to the System.

"Bylaw" means the City of Kelowna Well Regulation Bylaw.

"City" means the City of Kelowna.

"Close" means to remove a Well from service permanently in accordance with section 9 of the Groundwater Regulation.

"Connect" or "Connection" means to connect the Private System on a parcel to the System.

"Contractor" means the person responsible for the performance in the compliance with this Bylaw of the work to Close a Well.

"Disconnect" or "Disconnected" means to disconnect a Well from the Private System on the parcel on which the Well is located, in a manner that permanently prevents water or other substances from entering the System.

"Domestic Purpose" means the use of water for "domestic purpose" as defined in the Water Sustainability Act.

"Groundwater Regulation" means the Groundwater Protection Regulation, B.C. Reg.299/2004, under the *Water Sustainability Act.* 

"Irrigation System" means the separate network of pipes, pumps, water treatment facilities, valves, hydrants, service lines, water meters and all other appurtenances or facilities that made up the water supply and distribution system of the former South East Kelowna Irrigation District ("SEKID") and which, since the dissolution of SEKID, is being operated by the City of Kelowna as a water supply for non-domestic purposes within the area formerly serviced by SEKID.

"Manager" means the person with responsibility for the management and oversight of the day-to-day operation of the System.

"Non-Domestic Purpose" means for uses other than those defined for a Domestic Purpose.

"Owner" means the owner of a Well on a parcel Connected to the System, and in the case of a Well situated on land to which the *Strata Property Act*, SBC 1998, c. 43 applies, means the strata corporation.

"Permission to Use Well for Domestic Purposes" means a permission authorized by the Manager under section 6 to operate a well for a Domestic Purpose.

"Private System" means the onsite pipes and other apparatus on a parcel, connected to the System at the property line and used to convey water from the System to the plumbing fixtures in the buildings or structures on that parcel.

"Service Connection" has the same meaning as defined in the City of Kelowna Bylaw No. 10480.

"System" has the same meaning as "City Water Utility" in the City of Kelowna Bylaw No. 10480.

"Well" means a groundwater well that was used for supplying water for Domestic Purposes or Non-Domestic Purposes prior to the Connection of the parcel on which the well was located.

"Well Decommission Report" has the same meaning as a "well decommission report" in the Groundwater Regulation and which contains all of the information required under Schedule 4 of the Groundwater Regulation.

"Well Driller" means a person holding, in relation to the decommissioning of wells, the prescribed qualifications of a well driller under the Water Sustainability Act, SBC 2014, c. 15.

### 4. Well Disconnection and Closure Options

- 4.1 The Owner of a parcel on which a Well is located, upon the Connection, must promptly Disconnect or cause the Well to be Disconnected at the Owner's expense.
- 4.2 No later than the later of 12 months after the Connection or 12 months after the date of adoption of this bylaw, the Owner must:
  - (a) ensure the Well is Closed in accordance with this Bylaw and all applicable provincial enactments, and
  - (b) at the Owner's expense, obtain and submit a Well Decommission Report prepared by the Well Driller, to the City and Ministry of Environment.

#### 5. Non-domestic Purpose Option

- 5.1 If, despite section 4.2, an Owner wishes to be or remain Connected to the System and to continue to use the Well for Non-Domestic Purposes, the Owner must submit to the Manager, not later than sixty days after the date of the adoption of this Bylaw where there is an existing Connection, or not later than sixty days after the date of Connection in the case of a parcel that does not have a Connection at the date of adoption of this Bylaw:
  - (a) an Application for Permission to Use a Well for Non-Domestic Water Purpose after Connection in the form prescribed for that purpose by the Manager;
  - (b) a map showing:
    - (i) the location of the Well in relation to the buildings and structures on the parcel on which the Well is located, and
      - (ii) the well identification plate number, if available.
  - (c) a copy of the Owner's application to the Province for a groundwater license.
- 5.2 An Owner who is permitted under this section to use a Well for Non-Domestic Purposes after Connection to the System must:

- (a) operate and maintain the Well in good order and in accordance with the requirements of sections 58 and 59 of the *Water Sustainability Act*, S.B.C. 2014, c. 15 and Part 7 of the Groundwater Regulation;
- (b) ensure that the Well is physically disconnected from the Irrigation System;
- (c) ensure the Well is Closed immediately when required by the City to do so if it is not operated or maintained in good order;
- (d) not reconnect the Well to an Owner's existing private domestic water distribution system or the Private System as long as the Owner's parcel is Connected; and
- (e) not use the Well for Domestic Purposes.

### 6. Option of Well for Domestic Use

- 6.1 If, despite section 4.2, an Owner wishes to use the Well for a Domestic Purpose, the City will not provide water service from the System to the parcel through a Service Connection except in accordance with Section 6.2. The Owner must submit to the Manager not later than sixty days after the date of the adoption of this Bylaw where there is an existing Connection, or not later that sixty days after the date of Connection in the case of a parcel that does not have a Connection at the date of adoption of this Bylaw:
  - (a) an Application for Permission to Use a Well for Domestic Water Purpose after Connection in the form prescribed for that purpose by the Manager;
  - (b) a map showing the location of the Well in relation to the buildings and structures on the parcel on which the Well is located, and the well identification plate number, if available.
- 6.2 The Manager may issue a Permission to Use Private Well for Domestic Purposes to an Owner of a parcel that has a Connection where there is more than one residential dwelling on the parcel and it would be unduly expensive in the assessment of the Manager to provide a Connection to one or more of the residential dwellings.
- 6.3 An Owner who is permitted under this section to use a Well for Domestic Purposes after Connection to the System must:
  - (a) operate and maintain the Well in good order and in accordance with the requirements of sections 58 and 59 of the Water Sustainability Act, S.B.C. 2014, c. 15 and Part 7 of the Groundwater Regulation;
  - (b) ensure the Well is Closed immediately when required by the City to do so if it is not operated or maintained in good order;
  - (c) not connect the Well to the Owner's private water distribution system which provides water service for a purpose other than that authorized by the Manager under subs. 6.2 as long as the Owner's parcel is Connected;
  - (d) submit a Domestic Well Registration Form, in the form prescribed by the Province, to FrontCounterBC.ca and provide a copy of the submitted form to the Manager.

### 7. Discontinuation of Service

- 7.1 Where a provision of this bylaw has or is being violated which puts the System or Irrigation System at risk of contamination, or which has the potential to pose a risk of contamination to either the System or Irrigation System, the City will provide a notice to the Owner that the City will discontinue the provision of water service through either or both of the System or the Irrigation System in the event the violation is not remedied within seven (7) days.
- 7.2 The notice under section 7.1 may be provided by one of more of:
  - (a) personal delivery to the Owner;
  - (b) registered mail to the Owner;
  - (c) by leaving the written notice at the property.
- 7.3 The notice must inform the Owner that they have an opportunity to make representations to City Council before the provision of water service is discontinued.
- 7.4 In the event that the Owner requests reconsideration by Council of a proposed discontinuation of water service, the water service must not be discontinued until Council has reconsidered the matter or the Owner fails to appear for the Council reconsideration having been given notice in accordance with section 7.2 of the date and time of the reconsideration.
- 7.5 In the event the violation of the bylaw is not rectified within seven (7) days of giving notice under section 7.2, or in the case of a reconsideration by Council, within seven (7) days of Council affirming the discontinuation of the service, the City may discontinue the provision of water service through the System, Irrigation System, or both, as the case may be.

### 8. City Action in Default

- 8.1 In addition to discontinuing a water service under section 7, where there is a contravention of the bylaw as described in section 7.1 that the Owner has failed to rectify, the City may take action in default of the Owner and rectify the contravention, including by disconnecting the Private System from the System or Irrigation System or installing an Approved Backflow Preventer to prevent Backflow to the System or Irrigation System.
- 8.2 Any costs incurred by the City in taking action under section 8.1 may be recovered from the Owner as a debt in accordance with Division 14 of Part 7 of the Community Charter.

### 9. Prevention of Contamination

9.1 No person shall introduce, or cause to be introduced into the System, any water or other substance from a well on a parcel owned or occupied by that person or, if the person is not the owner or occupier of the parcel, from a well that the person has Disconnected, Closed, performed any other work upon or caused any of those things to be done in relation to the well.

#### 10. Offences and Penalties

- 10.1 Every person who violates any provisions of this bylaw or who suffers or permits any act or thing to be done in contravention or in violation of any of the provisions of this bylaw or who neglects to do or refrains from doing anything required to be done by any of the provisions of this bylaw, or who does any act which constitutes an offence against the bylaw is guilty of an offence against this bylaw and liable to the penalties hereby imposed. Each day that the violation continues to exist, shall constitute a separate offence.
- 10.2 Every person who commits an offence against this bylaw is liable on conviction, to a fine of up to \$10,000.00, or liable to a term of incarceration for a period of not more than 90 days, or both. Any penalty imposed pursuant to this bylaw shall be in addition to, and not in substitution for, any other penalty or remedy imposed pursuant to any other applicable statute, law or legislation.

#### 11. Severance

11.1 If a section, subsection, sentence, clause or phrase of this bylaw is for any reason held to be invalid by the decision of a Court of competent jurisdiction, it shall be severed and such decision shall not affect the validity of the remaining portions of this bylaw.

### **CITY OF KELOWNA**

### BYLAW NO. 11848

### Amendment No. 33 to Traffic Bylaw No. 8120

The Municipal Council of the City of Kelowna, in open meeting assembled, enacts that the City of Kelowna Traffic Bylaw No. 8120 be amended as follows:

#### 1. THAT **PART 9 CYCLE REGULATIONS**, **9.1 Highways and Sidewalks**, beamended by:

a) deleting in section 9.1.2 <u>Cyclist Duties</u> sub-paragraph (a) that reads:

"must not ride on a **sidewalk** unless otherwise directed by a **traffic control device**, unless that person is under the age of 12 years and is operating a non-chain driven 3 or 4 wheeled **cycle** which is designed for recreational use,"

And replacing it with:

"must not ride on a **sidewalk** unless otherwise directed by a **traffic control device**, or unless that person is under the age of 12 years,"

b) adding insection 9.1.2 <u>Cyclist Duties</u> a new sub-section (h) in its appropriate location that reads:

"shall not ride in a marked **crosswalk**, unless it is also marked by **elephants' feet** markings on one or both sides of the **crosswalk**, or it is otherwise signed to permit cycling."

c) deleting in section 9.1.7 <u>In-Line skates, roller skates;</u> in its entirety that reads:

"PART 9 CYCLE REGULATIONS, 9.1.7 In-line Skates, Roller Skates.

A person using in-line skates or roller skates on a highway:

- (a) shall have the same rights and duties as the operator of a cycle;
- (b) shall be on a bicycle lane, if there is a bicycle lane adjacent to the roadway;
- (c) shall, subject to paragraph (b), be as near as practicable to the right side of the highway;
- (d) shall not be on a sidewalk unless directed by a traffic control device;
- (e) shall not be abreast of another person or cycle on a highway;
- (f) shall only cross a **highway** at an **intersection** using the **pedestrian crosswalk** and obeying **pedestrian** crossing signals where applicable;
- (g) shall not be attached by the arm and hand of the operator or otherwise to a **vehicle** on a **highway;** and
- (h) shall not be on a **highway** between 1/2 hour after sunset and 1/2 hour before sunrise unless equipped with lights and/or reflective clothing visible from the front and rear."

And replacing it with:

### "PART 9 CYCLE REGULATIONS, 9.1.7 In-line Skates, Roller Skates, Skateboards and Kick Scooters.

A person using in-line skates, roller skates, a skateboard or a kick scooter on a highway:

(a) shall have the same rights and duties as the operator of a cycle;

- (b) shall be on a bicycle lane, if there is a bicycle lane adjacent to the **roadway;**
- (c) shall, subject to paragraph (b), be as near as practicable to the right side of the highway;
- (d) shall not be on a sidewalk unless directed by a traffic control device;
- (e) shall not be abreast of another person or cycle on a highway;
- (f) shall not be attached by the arm and hand of the operator or otherwise to a **vehicle** on a **highway;** and
- (g) shall not be on a **highway** between <sup>1</sup>/<sub>2</sub> hour after sunset and <sup>1</sup>/<sub>2</sub> hour before sunrise unless equipped with lights visible from the front and rear."
- 2. This bylaw may be cited for all purposes as "Bylaw No.11848, being Amendment No.33 to Traffic Bylaw No. 8120."
- 3. This bylaw shall come into full force and effect and be binding on all persons as of the date of adoption.
