### 1. Call to Order

Mayor Basran called the Hearing to order at 6:02 p.m.

Mayor Basran advised that the purpose of the Hearing is to consider certain bylaws which, if adopted, will amend "Kelowna 2030 - Official Community Plan Bylaw No. 10500" and Zoning Bylaw No. 8000", and all submissions received, either in writing or verbally, will be taken into consideration when the proposed bylaws are presented for reading at the Regular Council Meeting which follows this Public Hearing.

### 2. Notification of Meeting

The City Clerk advised that Notice of this Public Hearing was advertised by being posted on the Notice Board at City Hall on September 22, 2015 and by being placed in the Kelowna Capital News issues on September 25 and September 30, 2015 and by sending out or otherwise delivering 56 statutory notices to the owners and occupiers of surrounding properties, and 947 informational notices to residents in the same postal delivery route, between September 22 and September 25, 2015. The correspondence and/or petitions received in response to advertising for the applications on tonight's agenda were arranged and circulated to Council in accordance with Council Policy No. 309.

### 3. Individual Bylaw Submissions

#### 3.1 BL11131 (TA15-0007) - Micro Suite Text Amendment

Staff:

- Displayed a PowerPoint presentation summarizing the application.
- Spoke to alternative micro suite regulations that would expand the geographic area where such land use would be permitted to urban core areas.

- Confirmed that the bylaw before Council is pertaining to areas within Urban Centres and University South Village Centre within 400 metres of a bus stop or transit station.
- Confirmed that any amendments to the bylaw before Council this evening would require a second Public Hearing.
- Responded to questions from Council.

The City Clerk advised that no correspondence had been received.

Mayor Basran invited the applicant or anyone in the public gallery who deemed themselves affected to come forward, followed by comments of Council.

Gallery:

Shane Worman, West Avenue, UDI

- Spoke in favour of allowing micro suites to be built in the urban core rather than urban centres.
- Raised concern with designating from the RM4 zone and up and believes the RM3 zone should be considered.
- Commented that for the industry to be affordable there are not many choices anymore and you must build small.
- Responded to questions from Council.

John Hertay, Kyndree Court, Watermark Development

- Spoke to the bus stop proximity being problematic in the University South neighbourhood as there isn't the density to date to warrant transit service.
- Raised concerns with required parking stall numbers being too great. Walking and cycling has always been encouraged in the University area.
- Responded to questions from Council.

Dave Cullen, CTQ Consultants

- Conducted a study on micro suites in the University area and noted that walking proximities to bus stops are usually 800 metres or greater. The 400 metres does not apply very well on campus.
- Spoke to the number of parking stalls required per micro suite and would like to see a reduction in parking requirements.
- Responded to questions from Council.

Staff:

- Confirmed that amendments to the micro suite parking requirements are not part of the bylaw before Council this evening.
- Responded to questions from Council.

There were no further comments.
