REPOR	Γ ΤΟ COUNCIL	City of	
Date:	October 24, 2016		Kelowna
RIM No.	1210-21		
То:	City Manager		
From:	Community Planning Department (MS)	
Application:	A16-0001	Owner:	Hillcrest Farm Market Inc.
Address:	560 Highway 33 E	Applicant:	Chanchal Bal
Subject:	ect: Application to the ALC for a Non-Farm Use (Commercial Assemblies)		

1.0 Recommendation

THAT Agricultural Land Reserve Appeal No. A16-0001 for Lot B Section 24 TWP 26 ODYD District Plan KAP81726 Except Plan EPP1364, located at 560 Highway 33 E, Kelowna for a non-farm use on land in the Agricultural Land Reserve pursuant to Section 20(3) of the *Agricultural Land Commission Act*, NOT be supported by Council;

AND THAT Council directs Staff NOT to forward the subject application to the Agricultural Land Commission for consideration.

2.0 Purpose

To consider a Staff recommendation NOT to support an application to the Agricultural Land Commission to obtain approval from the Agricultural Land Commission (ALC) under Section 20(3) of the Agricultural Land Commission Act for a "Non-farm use" within the Agricultural Land Reserve (ALR) to hold commercial assembly activities, including but not limited to weddings, anniversaries, reunions, festivals and concerts.

3.0 Community Planning

Community Planning does not support the non-farm use application, and recommends that Council not send it to the Agricultural Land Commission (ALC) for consideration.

On August 2, 2016, the Ministry of Agriculture, after consultation of almost one year with the farming community and regulators, issued a press release which brought clarity to what is permitted with respect to commercial events. Operations that wish to extend the parameters of this permitted use are required to have ALC approval through a non-farm use application.

The Ministry of Agriculture has developed a regulation that establishes that Agricultural Land Reserve (ALR) land owners will not need a permit from the ALC to host specific activities like commercial weddings, concerts or non-agriculture related festivals, providing that:

- The farm is classified as having farm status under the Assessment Act;
- No new, permanent structures are being built;
- All parking must be on the farm (no road parking) but the parking area must not be permanent nor interfere with the farm's agricultural productivity;
- The number of guests at any event is 150 or less; and
- The number of events is 10 or less in a calendar year.

This non-farm use application is required, as the operators wish to be able to hold an unlimited number of commercial events, from March 15th to November 15th, for up to 500 people, with the ability to have up to 1000 people twice per year.

Community Planning does not support the application for the following reasons:

- The OCP specifies that urban uses should be contained within the Permanent Growth Boundary¹;
- Bylaw enforcement, such as noise, parking and traffic;
- Potential upgrades to Highway 33, (see attached letter from MOTI), that would be born by the City of Kelowna;
- Commercial event operations to have the ability to impact farmland and to superceed the farming operation as the primary business on the property; and

The Ministry of Agriculture, through consultation with the farming community and regulators over the past year, have struck a balanced approach for events in the ALR. This balance, if implemented consistently through the City of Kelowna, would be equitable among farming operators, and is designed to avoid significant impacts to neighbourhoods and avoid replacing farming as the primary use on the land. Diversion from the 10 events permitted per year per farming operation has potential to impact the neighbourhood, as well as add additional resourcing impacts upon Bylaw enforcement, that would be born by City resources.

4.0 Proposal

4.1 Background

Hillcrest Farm Market owns and operates 140 acres of farmland in the City of Kelowna. The family has been farming in Kelowna for over 100 years. The family has taken steps to diversify and vertically expand the operation, through a farm market and cherry processing facility on site. The farm produces primarily cherries, but also apples, peaches, plums, table grapes and vegetable ground crops.

Initiatives to diversify the operation since 2010 include the farm café, fruit stand, and bed and breakfast. Pre-application discussions regarding future agri-tourism activities such as farm tours and an RV Park have been ongoing.

¹ City of Kelowna, 2016. OCP, Chapter 5.33 Policy 3

At the time Highway 33 E was expanded to four lanes by the Ministry of Transportation and Infrastructure (MOTI) land was required from the farm for the highway. The family negotiated with MOTI to salvage the subsoil and topsoil from the land prior to construction. With these soils, topographical challenges were modified and 10 acres put into production. In addition, the knoll where events are proposed to take place was built.

In addition to the proposed farm tours, Hillcrest Farms would like to undertake 'Farm to Table' catering, in accordance with the ALC Policy #4 - Agri-Tourism in the ALR. One of the activities identified in this policy document is:

• Catered food and beverage service special events where farm products from the farm are promoted, but not a service requiring the use of a permanent commercial kitchen.²

Hillcrest has invested in a custom built portable kitchen for the proposed catered events.

The Ministry of Agriculture's Discussion Paper and Proposed Minister's Bylaw Standards -Regulating Agri-tourism and Farm Retail Sales in the Agricultural Land Reserve³ indicates that commercial assembly activities require ALC approval as a Non-farm use in the ALR. Notwithstanding that the Discussion Paper has not been yet adopted as a Minister's Standard, this application is requesting approval to hold commercial assemblies on the property.

4.2 Project Description

The applicant is proposing to hold special events on the property, including but not limited to weddings, anniversaries, reunions, festivals and concerts. Many of the activities will be agritourism activities, such as educational school tours, fundraisers, as a sightseeing location for tourists, and small farm to table functions to promote our fruits and vegetables. See attached for the applicant's package and Map 1. Other details include:

- Location and Grading
 - \circ No additional grading of land form changes is proposed as part of this application.
- Parking
 - The upper parking area proposed for the special events is also used for loading cherries (not at the same time).
 - Parking areas proposed are two gravel areas near the portable kitchen, and one below the turf area. There is a one way driving loop around the site.
 - If required, overflow parking can be accommodated also by:
 - Parking along the access to the Proposed Special Events area; and
 - Parking at the Fruit Stand parking lot and being transported to site by bintrailer or shuttle van.
 - All driving lanes and parking lots will remain as gravel. No resurfacing to asphalt or concrete is proposed.

² ALC, Policy No. 4 Agri-Tourism in the ALR

³ Ministry of Agriculture, Strengthening Farming Program Innovation and Adaptation Services Branch, Sept.

^{14, 2015.} Regulating Agri-tourism and Farm Retail Sales in the Agricultural Land Reserve.

- Kitchen and Food Service
 - Full food service is supplied for events. The intent is to provide a 'Farm to Table' experience, using fresh fruit and vegetables grown from the farm.
 - Much of the food is prepared in the existing commercial kitchen at the Farm Retail Sales building, with some of it being prepared and finished in the portable kitchen at the Special Events area.
 - A portable, self-contained Special Events kitchen is proposed as part of the application.
 - Buffet service is provided.
- Liquor Service
 - Liquor Service is not proposed to be served by the applicant. The applicant requires that their customers secure a special events liquor license for the event they are holding.
- Services
 - No additional services (including power, water or septic hookups) are proposed as part of the application.
 - Only portable toilets are proposed. These will only be located in the current location of a platform, where they are dropped off and picked up after each event. No additional permanent septic facilities are proposed as part of the application.
- Structures
 - \circ $\,$ No permanent structures are proposed as part of the application.
 - \circ Temporary structures (tents) are proposed for the special events.
 - \circ No other spaces are proposed for the special events on the property.
- Capacity:
 - Most events will range from 30 100 people.
 - The proposed maximum capacity for most events proposed is 500 people (with the exception of below).
 - \circ The proposed maximum capacity for a maximum of twice annually is 1000 people.
- Season:
 - Unlimited number of events, (potentially daily), from March 15th to November 30th, per year.

5.2 City of Kelowna Agriculture Plan

ALR Application Criteria⁸

Exclusion, subdivision, or non-farm use of ALR lands will generally not be supported. General non-support for ALR applications is in the interest of protecting farmland through retention of larger parcels, protection of the land base from impacts of urban encroachment, reducing land speculation and the cost of entering the farm business, and encouraging increased farm capitalization.

6.0 Technical Comments

6.1 Building & Permitting Department

Building Permits are required for the existing kitchen trailer and any other structure that are proposed to be built or installed on the property. In addition:

- Septic Approval is required;
- Washroom requirement needs to be addressed;
- Water must be provided for fire fighting;
- Potable water must be provided to the kitchen trailer;
- Access to the area must be provided for emergency services;
- Electrical permits must be provided; and
- NFPA requirements must be provided for the kitchen hood.

6.2 Development Engineering Department

Development Engineering has no comments at this point in time with regard to this application, however, a comprehensive report will be provided at the time of development application submission when the Agricultural Land Commission agrees to the proposed activity on the subject property.

6.3 Bylaw Services

Due to noise concerns from this event site in previous years, for each event hosted, Bylaw Services would like to see efforts to mitigate noise impacts on neighbouring properties. There are a number of outstanding bylaw contraventions that should be brought into compliance before other activities are pursued.

⁸ City of Kelowna Agriculture Plan (1998); p. 130.

6.4 Fire Department

Regarding the events application specifically, the Fire Department notes the following:

- The commercial mobile kitchen trailer is self-contained with respect to fire suppression and no additional fire suppression is required for the kitchen.
- Tents fall under part 3 of the BCBC. Therefore, they require a Building Permit each time one is erected. Part of this requirement is to confirm that the materials used are made of fire resistant material, as well as that exiting is sufficient.

Of note for the other structures existing at Hillcrest Farms:

- The Cherry Packing Plant currently does not have sufficient permanent fire suppression system. BMID is not able to provide fire flow to this property (see attached letter). Currently, a temporary tank satisfies the fire flow requirements of the use of the structure as a packing plant when active. (this would apply at all times, active or not for insurance purposes)
- Any use of any other building for *assembly use* would not have sufficient fire flow, over and above the existing 30 person capacity of the Café. This should read that a permanent system should be installed to satisfy all weather conditions and appropriate fire department operations. A fire alarm would have to be installed should the existing buildings be used for an event that serves alcohol, and has more than 150 people. The requirement for other life safety documents and devices would be applicable at this time as well. The current restaurant has an occupant load of 30 so that it is not classified as an Assembly occupancy. There is also a bed and breakfast on the second floor with 6 bedrooms. The building department accepted a posted sign indicating that no more than 10 people would sleep there. Any more than 10 people requires a fire alarm system.

6.5 Interior Health Authority

A summary of the Interior Health Authority response is below, (for a full response, see the attached letter):

• It appears that holding events on the property, such as weddings, would not be a significant benefit to agriculture.

6.6 Irrigation District (BMID)

BMID has provided a letter (attached), but, specifically to this application, has noted that there are no water services proposed, and fire protection to the area is a concern.

6.7 Ministry of Transportation and Infrastructure

The Ministry has no objection on the condition that should the Ministry find the venue generated traffic load negatively impacts the daily performance of Hwy 33, the City agrees to directly work with the proponent to restore highway operations to a level acceptable to the Ministry.

7.0 Application Chronology

Date of Application Received:	January 25, 2016
Date of Complete Application Received:	March 11, 2016
Agricultural Advisory Committee	April 14, 2016

The above noted application was reviewed by the Agricultural Advisory Committee at the meeting held on April 14, 2016 and the following recommendations were passed:

Moved By Ed Schiller/Seconded By Domenic Rampone

THAT the Agricultural Advisory Committee recommends that Council support an application to the Agricultural Land Commission under Section 20(3) of the Agricultural Land Commission Act for "non-farm use" on the subject property at 560 Highway 33 to hold commercial assembly activities including weddings, anniversaries, reunions, festivals and concerts.

<u>Carried</u> Jeff Ricketts - Opposed

ANECTDOTAL COMMENT:

The Agricultural Advisory Committee supported the "non farm use" on this property, however, recognizing that this is a working cherry orchard, strongly suggest that patrons of an event are warned that pesticides have been used upon entry. That patrons have limited access to the surrounding Orchard to eliminate exposure to chemicals. The Agricultural Advisory Committee recognize and support the education component but raised concern on how success that will be. Recommended that a covenant be placed to ensure that if the property is sold, the use not be sold as a business, and that it be only for the current owner. The Agricultural Advisory Committee acknowledged the non-farm-use criteria being consistent with OCP Policy with respect to a non-farm use that uses existing infrastructure; not preclude future use of land for farming and not harm adjacent farms.

8.0 Alternate Recommendation

THAT Agricultural Land Reserve Appeal No. A16-0001 for Lot B Section 24 TWP 26 ODYD District Plan KAP81726 Except Plan EPP1364, located at 560 Highway 33 E, Kelowna for a non-farm use on land in the Agricultural Land Reserve pursuant to Section 20(3) of the *Agricultural Land Commission Act*, NOT be supported by Council;

RE: 700 HIGHWAY 33 EAST – HILLCREST FARM MARKET INC. FILE: # A16-0001 WATER SERVICING REQUIREMENTS FOR SPECIAL EVENTS IN ALR

Dear Ms. Steppuhn:

I am writing in response to COK's rezoning application referral A16-0001 to allow weddings and events (up to 500 people during the season, 1000 twice per year).

From email correspondence received from Melanie Steppuhn on July 6, 2016, we understand that no buildings are proposed as part of this application, although there is a portable commercial kitchen trailer that City of Kelowna Building and Permitting Department require water to be provided for firefighting and potable water to be provided to the kitchen. Only portable toilets are being proposed. No water services are proposed as part of this application.

BMID had previously issued letters to the applicant, Mr. Chanchal Bal, dated April 11, 2014 and May 22, 2015. The letters outline the requirements for domestic water supply and fire protection for a planned extension to the cherry packing plant and the buildings which were then already constructed. Requirements outlined in this letter remaining outstanding but do not include any allowance for any fire-fighting requirements for the commercial kitchen or any other temporary structures associated with the present rezoning application referral. **BMID still has no fire protection capacity to this area.** There are no fire hydrants and there is limited flow capacity through the existing mains that service this area.

To date, the water infrastructure inside the property has not been reviewed or approved by BMID.

If you have any questions or require more information, please don't hesitate to contact our office. Yours truly,

Dear Ms. Steppuhn,

RE: Application for Non-Farm use: file #A16-0001, 560 Hwy 33, Kelowna, BC

This is a letter of comment re: Kelowna City Council's consideration of Application for Non-Farm use in the ALR.

Interior Health has an interest in community design and planning as the built environment can support access to healthy food and promote food security. There are many positive health outcomes for a community that is food secure. Healthy eating can prevent and control a number of chronic health conditions, including type 2 diabetes, heart disease, and some forms of cancer. In the interest of food security, and the ability of our citizens to access nutritious and safe food, we suggest the consideration of the following:

- The health of the community relies on a healthy food system. Supporting agricultural capacity is a key aspect of a healthy food system.
- Any non-farm uses in the ALR should support agricultural capacity and provide significant benefit to agriculture.
- It appears that holding events on the property, such as weddings, would not be a significant benefit to agriculture.

On behalf of the Food Security and Community Nutrition Program, I appreciate the opportunity to provide comment on the aforementioned application.

Kind regards,

Provincial Agricultural Land Commission 133-4940 Canada Way Burnaby, BC, Canada V5G 4K6

Re: Non-Farm Use Application (Special Events)

To Whom It May Concern:

Proposal: To establish a special events site in order to host events such as, but not limited to, weddings, anniversaries, reunions, festivals and concerts. All events will promote farm products in the way of a farm to table offering. This will be achieved without the use of a permanent commercial kitchen at the site. The proposed activities are in line with the offerings already provided by wineries in our area.

Background History

Hillcrest Farm Market Inc. currently owns and operates approximately 140 acres within the City of Kelowna. Our family has been part of the agricultural landscape of Kelowna for over 100 years. Over that time, family members have struggled to maintain a viable farming operation and for years the land lay fallow. In present day, the focus has been to vertically integrate and diversify, with a main focus of growing, packing, and exporting cherries. Of the 5 parcels owned, approximately 100 acres are currently farmed, with the majority of that acreage being planted in late season cherries. Other commodities grown include: apples, peaches, plums, table grapes and a variety of vegetable ground crops. 20,000 cherry trees are currently in our nursery and will be available to plant in the 2017 season.

In 2010, our family moved towards adding several agri-tourism components to our farm in order to diversify and ensure the viability of our operation. To date we have added a Farm Café, Fruit Stand, and Bed and Breakfast. As our farm grows, we plan to expand our agri-tourism offerings by engaging in several of the permitted activities as outlined in Policy #4 of the ALC Act titled Activities Designated as Farm Use: Agri-Tourism in the ALR. Some examples are:

- Agricultural heritage exhibit
- Farm tours and farm demonstrations
- Hay, tractor and sleigh rides
- Pumpkin patch tours and related activities

• Picnicking

• Farm related educational activities including cooking classes using farm products from the farm

- Seasonal promotional events (e.g. harvest and Christmas fairs and activities)
- Special promotional events (e.g. private or public special occasion events for the promotion of farm products)

• Charity fund-raising events where farm products from the farm are offered for sale or by contribution and the majority of net proceeds are donated to a registered charity

• Catered food and beverage service special events where farm products from the farm are promoted, but not a service requiring the use of a permanent commercial kitchen

Corn mazes

One of the permitted uses listed above, catered food and beverage service special events was viewed by our family as a promising way in which we could promote our farm products in a larger group setting.

At the same time that we were planning to add agri tourism components to our farm, the Ministry of Transportation was in the process of 4-laning Highway 33. In order to expand the highway, land was needed from our farm. One thing that we were able to accomplish through our negotiations with the ministry was the salvaging of the soil that was lost to the highway expansion. Topsoil and subsoil was moved to the back of our farm where a steep and low spot was filled. This soil allowed us to bring approximately 10 acres of land into production. The remaining soil was used to fill a hole in the top of the hill of our property where the events site now sits. This area had never been farmed in the past due to the terrain.

Reduce Impact on Farmland

- The special event site is located in area that is not conducive to farming because of lay of the land.
- The site is at a distance from neighbouring properties. Closest home is over 300 meters away.
- Consolidating Agri-Tourism to specific areas and not on every parcel owned.
- Events site, Farm Café, Fruit Stand, Bed and Breakfast, and Cherry Packinghouse occupy less than 3% of total area farmed by Hillcrest Farm Market Inc.

- No additional road network needed, same roads used for farming activities
- Cherry trees planted in the vicinity will create a noise buffer
- Crop loading/Bin storage areas are used for parking.
- Vegetation Buffer Proposed along Eastern property line to reduce the impact of any noise on neighbouring property.

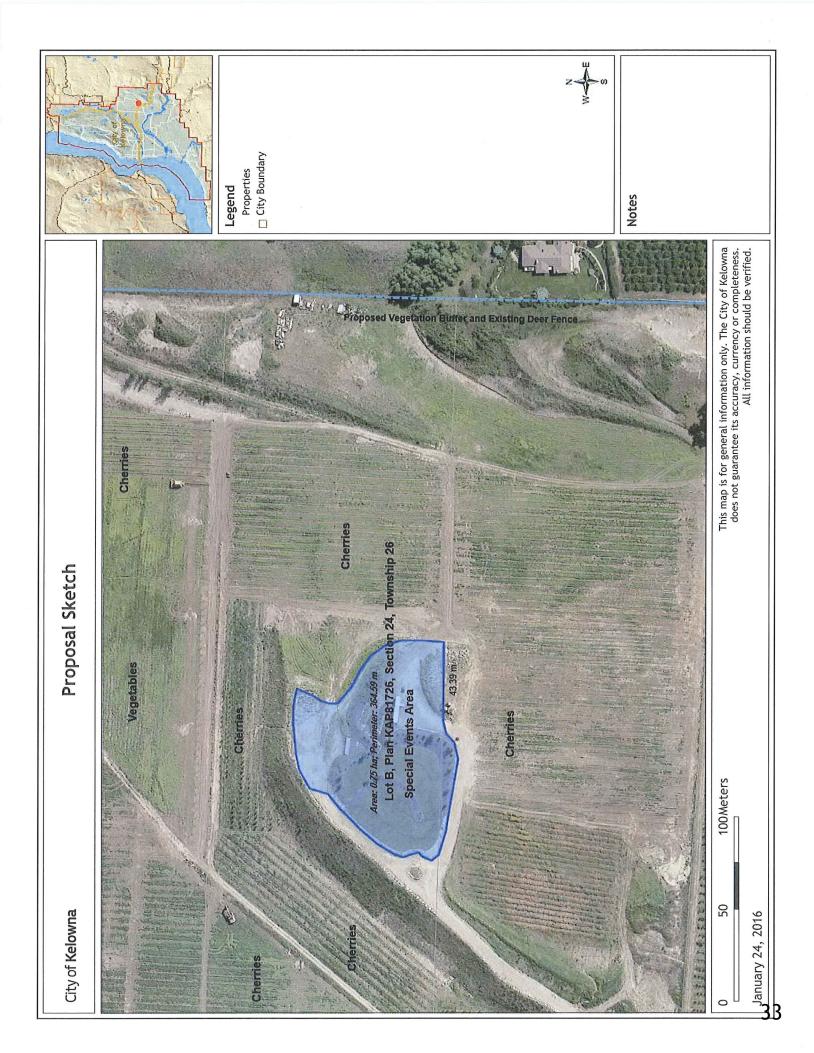

Benefits to Agriculture

- Ability to bring larger number of visitors to the farm to enjoy a farm to table experience.
- Bring awareness to farming to the younger generation. Site will be used in conjunction with educational school tours.
- Events site will generate revenue that will be invested back into the farm. In 2015, 40 acres were planted into cherries and there will be no revenue from this planting for the first 4 years.
- Diversified operation can better deal with the volatile nature of the agriculture industry.
- Events site will generate repeat customers that will return to our Farm Market to purchase fruits and vegetables.

In our overall business plan, the Events Site is an important component as it allows us the ability to leverage our existing farming activities and infrastructure, by adding more value and direct sales. This value added process is a key feature of successful farms today.

Sincerely,

Chanchal Bal President, Hillcrest Farm Market Inc.

1.0 Recommendation

THAT Council authorizes the issuance of Farm Help Development Permit No. FH16-0002 for TWP 27 ODYD Plan KAP91485 Except Plan KAP92999, located at 1380 Latta Road, Kelowna, BC subject to the following:

1. The dimensions and siting of the building to be constructed on the land be in accordance with Schedule "A";

2. The applicant be required to post with the City a Security deposit in the amount of \$20,000 for a Delayed Decommissioning Bond for the removal of the trailers should they not require the Temporary Farm Workers for two consecutive growing seasons, by December 31st of the second year; and

3. That the occupancy of the Temporary Farm Worker Housing be for no more than 8 months per calendar year;

AND THAT Council's consideration of this Farm Help Development Permit be considered subsequent to the outstanding conditions of approval as set out in Schedule "A" attached to the Report from the Community Planning Department dated (October 24, 2016);

AND THAT the applicant be required to complete the above noted conditions of Council's approval of the Development Permit Application in order for the permits to be issued;

AND FURTHER THAT this Development Permit is valid for two (2) years from the date of Council approval, with no opportunity to extend.

2.0 Purpose

To consider the application for Temporary Farm Worker Housing for up to 40 Temporary Farm Workers in trailers.

3.0 Community Planning

Staff supports the application for farm worker housing for up to 40 Temporary Farm Workers in trailers on the subject property. The application complies with City of Kelowna and Ministry of Agriculture policy for Temporary Farm Worker Housing (TFWH) and is also consistent with the Offiical Community Plan Policy 5.34.2:

Temporary farm worker housing (e.g. bunkhouse accommodation on non-permanent foundations) is the preferred solution where the need for farm worker housing is justified.¹

In addition, the proposal:

- Locates the TFWH on unfarmed land that has not been planted for some time, (since at least 1959); and
- The applicants have provided federal farm worker contracts demonstrating the need for the workers.

In addition, staff have been working with staff from the Regional District of the Central Okanagan, the District of Lake Country, and the City of West Kelowna on a regional approach to regulate Temporary Farm Worker Housing. Key elements of this approach is the use of temporary structures, the use of less valuable farm land, and providing a landscape buffer around the units. The Agricultural Land Commission and the Ministry of Agriculture have been consulted through this regional initiative. Staff notes that this proposal is consistent with the regional draft policies that staff has undertaken to date.

4.0 Proposal

4.1 Background

The Federal Government has recognized that there is a shortage of farm workers throughout Canada. As part of the Seasonal Agricultural Workers Program (SAWP) the owner must provide accommodation for their foreign workers. Seasonal dwellings for farm help are considered a 'farm use'² by the Agricultural Land Commission. According to the Ministry of Agriculture, seasonal worker housing should be communal and temporary in nature, with shared kitchens, and conform to SAWP / BC Agriculture Council standards.

The applicants are orchardists that farm 16 parcels, owned and leased, from Oliver to Lake Country. The Kelowna farm unit includes seven parcels within the City, with an area of over 48 ha (125 acres). The request is for 40 Temporary Farm Workers to be housed in temporary structures on non-permanent foundations (trailers). The location on the site is not currently planted. (See attached plan.)

¹ City of Kelowna Official Community Plan, Policy 5.34.2 (Development Process Chapter).

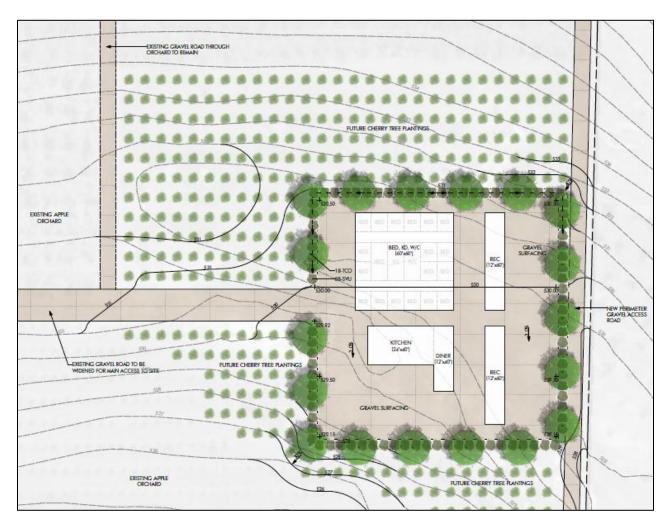

² Province of BC, 2002, Agricultural Land Commission Act – Agricultural Land Reserve Use, Subdivision and Procedure Regulation – Part 2.

4.2 Project Description

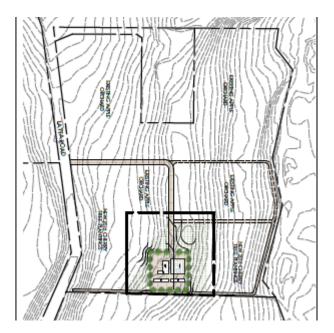

The proposed trailer accommodation for 40 workers is to be placed on an unfarmed portion of the subject property. (See below, and attached Layout Plan). The proposal includes:

- one sleeper / washroom trailer;
- one kitchen / dining trailer; and
- two recreation room trailers.

The plan includes a three metre wide landscape buffer, with proposed plantings to the south property line and all around the TFWH. A landscape bond is proposed to be included in the permit. The closest neighbouring residence is 300 metres to the southwest and there are no other structures on the property.

5.0 Current Development Policies

5.1 Kelowna Official Community Plan (OCP)

Development Process

Protect and Enhance Local Agriculture.³

Policy. 1 Protect Agricultural Land. Retain the agricultural land base bysupporting the ALR and by protecting agricultural lands fromdevelopment, except as otherwise noted in the City of Kelowna Agricultural Plan. Ensure that the primary use of agricultural land is agriculture, regardless of parcel size.

Policy .2 Farm Help Housing. Accommodation for farm help on the same agricultural parcel will be considered only where:

- agriculture is the principal use on the parcel, and
- the applicant demonstrates that the additional housing is necessary to accommodate farm employee(s) whose residence on the farm property is considered critical to the overall operation of the farm. The primary consideration is whether the scale of the farm operation is large enough that permanent help is deemed necessary.

Temporary farm worker housing (e.g. bunkhouse accommodation on non-permanent foundations) is the preferred solution where the need for farm worker housing is justified.

Policy .3 Homeplating. Locate buildings and structures, including farm help housing and farm retail sales area and structures, on agricultural parcels in close proximity to one another and where appropriate, near the existing road frontage. The goal should be to maximize use of existing infrastructure.

5.2 Ministry of Agriculture Guide to Bylaw Development in Farming Areas

The Agricultural Land Commission, as well as the Ministry of Agriculture's Guide to Bylaw Development in Farming Areas⁴, advises that temporary farm workers should be housed in temporary structures. This application complies with these standards.

Ministry of Agriculture guidelines for *Regulating Temporary Farm Worker Housing in the ALR*⁵ states that a maximum number of 40 workers per farm for orchards and vineyards is permissible.

In addition, the application complies with the provincial standards for Temporary Farm Worker Housing (TFWH) in that it:

- a) Meets the needs of the agriculture industry;
- b) Minimizes the residential impact of TFWH in the agricultural area;
- c) Minimizes the loss and/or fragmentation of agricultural land due to TFWH; and
- d) Minimizes the risk of TFWH being used for non-farm purposes.

³ City of Kelowna Official Community Plan, Policy 5.33.1 (Development Process Chapter).

⁴ BC Min. Of Ag., 2015. Guide for Bylaw Development in Farming Areas, (Revised 2015).

⁵ Min. Of Ag., 2009. Regulating Temporary Farm Worker Housing in the ALR – Discussion Paper and Standards, Sustainable Agriculture Management Branch.

The Bylaw Guide states that a local government may require the following:

- A Restrictive Covenant that states:
 - the TFWH shall be used for temporary farm workers only;
 - $\circ~$ the owner will remove the TFWH if the farm operation changes such that it is no longer required; and
 - the TFWH will only be used for farm workers for a specified limited number of months during the year (typically a maximum of eight months).
- A deposit sufficient to remove the TFWH *or* the cost of removal can be recovered by local government through taxes applied to the property.

6.0 Public Notification

Staff understands that the applicant has conducted neighbourhood notification for the project in accordance with Council Policy 367. This includes providing a project description and drawing package for all neighbours within 300 metres of the property, as well as contact information for the applicant and City staff. Staff received one phone call of concern within the notification area, and one phone call of concern from outside of the notification area.

7.0 Technical Comments

- 7.1 Building & Permitting Department
- Full Plan check for Building Code related issues will be done at time of Building Permit applications.
- 7.2 Development Engineering Department

The Development Engineering comments regarding this application to permit additional accommodations to ultimately house 40 seasonal workers on the subject property are noted below.

1. General.

This application does not trigger any off-site infrastructure upgrades.

2. Wastewater.

There is no municipal sewer infrastructure fronting this propery. The on-site treatment and disposal of wastewater is under the jurisdiction of the Public Health Officer.

3. Domestic Water.

The subject property is located within the Black Mountain Irrigation District (BMID) all fees and upgrades must be addressed directly with BMID.

7.3 Fire Department

Fire protection requirements in accordance with the BC Building Code is required.

7.4 Interior Health Authority

The subject parcel is not serviced by community water or sewer systems. As such, from a health perspective the following legislation will apply to this proposal:

- Industrial Camps Regulation Prescribes the minimum housing standards which must be met.
- Sewerage System Regulation Prescribes any buildings in which domestic sewage is produced must be connected to the sanitary sewer system or a sewerage system. See IH Onsite Sewerage webpage for more information.
- Drinking Water Protection Act and Regulation Prescribes requirements for domestic water system.
- Food Premises Regulation Prescribes requirements for food preparation.

This application not be approved until the City of Kelowna has received confirmation the requirements of the above legislation have been satisfied. Please have the owners contact hbe@interiorhealth.ca for information and an explanation of how to begin these processes.

7.5 Irrigation District

It should be noted the hydrant coverage near the subject property is not adequate for the fire flow required. The closest hydrant to the property is located more than 250m north of the property. BMID water distribution system has sufficient hydraulic capacity to supply the required fire flow of 100l/s at the south property line and requires a hydrant be installed at this location. The costs and other associated fees and charges resulting from water service to this proposed development will be born by the applicant.

8.0 Application Chronology

Application Received:	May 10, 2016
Agricultural Advisory Committee	June 9, 2016

The above noted application was reviewed by the Agricultural Advisory Committee at the meeting held on June 9, 2016 and the following recommendations were passed:

Moved By Keith Duhaime / Seconded By Domenic Rampone

THAT the Agricultural Advisory Committee recommends that Council support Application No. FH16-0002 for "Temporary Farm Worker Housing" at 1380 Latta Road in order to provide temporary housing for 40 temporary farm workers.

<u>Carried</u>

ANECTDOTAL COMMENT:

The Agricultural Advisory Committee supported this application for "Temporary Farm Worker Housing" on this property and commented that this proposal is using low quality land to erect the trailers as well as using a small footprint. The Agricultural Advisory Committee would recommend a covenant, bond or agreement to ensure that should the farm operation cease or change, the Temporary Farm Worker accommodation be removed from the property. The Committee recognizes that the application is conforming with policies and guidelines.

I further covenant and agree that should I be granted a Development Permit or Development Variance Permit, the Municipality may withhold the granting of any occupancy Permit for the occupancy and/or use of any building or part thereof constructed upon the hereinbefore referred to land until all of the engineering works or other works called for by the Permit have been completed to the satisfaction of the Municipal Engineer and the Manager, Suburban and Rural Planning, Community Planning Department. THIS AGREEMENT dated for reference @, is

BETWEEN:

<mark>@</mark>

("Owner")

AND:

<mark>@</mark>

("Municipality")

GIVEN THAT:

- A. Section 219 of the Land Title Act permits the registration of a covenant of a negative or positive nature in favour of a municipality, in respect of the use of land, the building or buildings on the land, the subdivision of land and the preservation of a specified amenity on the land;
- B. The Owner is the registered owner in fee simple of land in the Municipality legally described as @ (insert address) (the "Land") which land is within the Agricultural Land Reserve;

The Agricultural Land Commission Act prohibits the Municipality from approving more than one residence on a parcel of land in the Agricultural Land Reserve unless the additional residences are necessary for farm use; and

C. The Owner has represented to the Municipality that the additional farm residences permitted under this Agreement are necessary for the farm use of the Land, and has requested the Municipality to permit the development of the Land for Farm Worker Housing, in exchange for covenants of the Owner to be contained in a covenant registered against title to the Land under s. 219 of the Land Title Act.

This Agreement is evidence that the Owner covenants and agrees with the Municipality, in accordance with Section 905 of the *Local Government Act* and Section 219 of the *Land Title Act*, as follows:

1. Interpretation

In this Agreement, the following words and terms have the following meanings:

"Temporary farm worker housing" (TFWH) means accommodation units that are used solely for the purpose of providing cooking, sanitary, and sleeping facilities to temporarily house temporary farm worker(s) on a farm unit as necessary for the agricultural labour needs of a farm operation or other farms, if permitted, and be in accordance with the BC Agricultural Council standards for farm worker housing, as they may change from time to time. Specifically, the TFWH unit is identified in Schedule 'A'.

"temporary farm worker" means an individual or individuals who carry out agricultural work on a temporary and seasonal basis on a farm unit and may or may not be registered with a Canadian federal government temporary worker program.

"farm unit" means one or more contiguous or non-contiguous parcels, that may be owned, rented or leased, within City limits, which forms and is managed as a single farm.

2. Use of Farm Worker Housing

The Owner covenants and agrees that:

- (a) The TFWH is identified the dwelling identified in Schedule 'A';
- (b) The TFWH unit on the Land shall be occupied only by temporary farm workers carrrying out agricultural work on the farm unit;
- (c) The TFWH on the Land shall not be occupied by any person unless the Land is assessed as a "farm" under the Assessment Act, according to the most recent records of the B.C. Assessment Authority;
- (d) occupancy of the TFWH unit onsite is restricted to March 1 through October 31 inclusive; and
- (e) There will be no more than 40 temporary farm workers residing in the TFWH at any one time.

For certainty, the Owner must not permit the TFWH on the Land to be occupied for any tourist accommodation or bed and breakfast use, or for any residential occupancy other than the occupancy of a temporary farm worker. No other dwellings on the land, other than that identified in Schedule 'A', may be used for TFWH.

3. Removal or conversion of TFWHs

In the event that the TFWH unit, as identified in Schedule 'A', is no longer used or occupied by a farm worker or seasonal farm worker, the Owner covenants to decommission the dwelling to a use permitted on the land, or remove the TFWH.

The following is required as assurance that the TFWH will be removed when no longer required. Prior to the issuance of TFWH permit, a bond must be supplied sufficient to either:

- remove or demolish the TFWH; or
- decommission the TFWH to an approved use.

If the TFWH is vacant for two consecutive growing seasons, the owner will remove, at their expense, any temporary structures for TFWH, and remove or decomission any existing buildings that had been repurposed for TFWH purposes, by December 31st of the second year of vacancy.

4. Specific Performance

The Owner agrees that the Municipality is entitled to obtain an order for specific performance of this Agreement and a prohibitory or mandatory injunction in respect of any breach by the Owner of this Agreement. The Owner agrees that this is reasonable given the public interest in restricting the occupancy of the Land in accordance with this Agreement.

5. No Effect on Laws or Powers

This Agreement does not:

- (a) affect or limit the discretion, rights, duties or powers of the Municipality under any enactment or at common law, including in relation to the use or subdivision of the Land;
- (b) impose on the Municipality any legal duty or obligation, including any duty of care or contractual or other legal duty or obligation, to enforce this Agreement;
- (c) affect or limit any enactment relating to the use or subdivision of the Land; or
- (d) relieve the Owner from complying with any enactment, including in relation to the use or subdivision of the Land.

6. Notice

Any notice which may be or is required to be given under this Agreement must be in writing and either be delivered or sent by facsimile transmission. Any notice which is delivered is to be considered to have been given on the first day after it is dispatched for delivery. Any notice which is sent by fax transmission is to be considered to have been given on the first business day after it is sent. If a party changes its address or facsimile number, or both, it must promptly give notice of its new address or facsimile number, or both, to the other party as provided in this section.

7. Covenant Runs With the Land

Every obligation and covenant of the Owner in this Agreement constitutes both a contractual obligation and a covenant granted by the Owner to the Municipality in accordance with Section 219 of the *Land Title Act* in respect of the Land and this Agreement burdens the Land and runs with it and binds the Owner's successors in title and binds every parcel into which it is consolidated or subdivided by any means, including by subdivision.

8. Limitation on Owner's Obligations

The Owner is only liable for breaches of this Agreement that occur while the Owner is the registered owner of the Land.

9. Waiver

An alleged waiver of any breach of this Agreement is effective only if it is an express waiver in writing of the breach. A waiver of a breach of this Agreement does not operate as a waiver of any other breach of this Agreement.

10. Further Acts

The Owner shall do everything reasonably necessary to give effect to the intent of this Agreement, including execution of further instruments.

11. Severance

If any part of this Agreement is held to be invalid, illegal or unenforceable by a court having the jurisdiction to do so, that part is to be considered to have been severed from the rest of this Agreement and the rest of this Agreement remains in force unaffected by that holding or by the severance of that part.

12. No Other Agreements

This Agreement is the entire agreement between the parties regarding its subject and it terminates and supersedes all other agreements and arrangements regarding its subject.

13. Amendment

This Agreement may be discharged, amended or affected only by an instrument duly executed by both the Owner and the Municipality.

14. Enurement

This Agreement binds the parties to it and their respective successors, heirs, executors and administrators. Reference in this Agreement to the "Municipality" is a reference also to the elected and appointed officials, employees and agents of the Municipality.

15. Deed and Contract

By executing and delivering this Agreement each of the parties intends to create both a contract and a deed executed and delivered under seal.

PRIORITY AGREEMENT

Bank of XXXXXXX (the "Chargeholder") being the holder of Mortgage Number XXXXXXX and Assignment of Rents XXXXXXX (hereinafter referred to as the "Charge"). То:	City Manager	
From:	Community Planning (AC)	
Application:	TA16-0004/Z16-0010	
Subject:	To consider a Text Amendment to allow secondary suit prohibited zones and to consider secondary suite amer	

1.0 Recommendation

THAT Council receives, for information, the report from Community Planning dated August 8th 2016, with regards to a proposed text amendment that would permit secondary suites within single family dwellings throughout the City of Kelowna and amend various secondary suite regulations including business license requirements;

AND THAT Text Amendment No. TA16-0004 to amend City of Kelowna Zoning Bylaw No. 8000, as outlined in "Schedule A" attached to the Report from Community Planning dated August 8th 2016, be considered by Council;

AND THAT Rezoning Application No. Z16-0010 to amend City of Kelowna Zoning Bylaw No. 8000 to change the zoning classifications for all properties zoned CD6 to the zone identified in the OCP for that property (RU1, RU1H, RU4, RU4H, RU5, RU6, P3, P3LP, RM2, RM3, RM5, C2, C9, & A1), as identified in Appendix 'A' and Appendix 'B' attached to the Community Planning report dated August 8th 2016, be considered by Council;

AND THAT the Zone Amending Bylaw and Text Amending Bylaw be forwarded to a Public Hearing for further consideration;

AND THAT Council give reading consideration to Bylaw No. 11260 being Amendment No. 17 to Business Licence and Regulation Bylaw No. 7878.

2.0 Purpose

The purpose of this report is to consider text amendments to Zoning Bylaw 8000 to allow secondary suites within all single family dwellings and to consider carriage house and secondary suite amendments as well as some amendments to the Business License Bylaw.

3.0 Community Planning

3.1 <u>Background</u>

In September 2012, Council adopted a bylaw that "would permit secondary suites within single family dwellings throughout the City of Kelowna and to change the secondary suite zoning classifications." However, the bylaw revisions left out the non-standard and Comprehensive Development zones which also permitted single family housing. These zones are:

- RU4 Low Density Cluster Housing
- RU5 Bareland Strata Housing
- RH1 / RH1(s) Hillside Large Lot Residential (with secondary suite)
- RH2 Hillside Two Dwelling Housing
- RH3 Hillside Cluster Housing
- CD2 Kettle Valley Comprehensive Residential Development
- CD6 Comprehensive Residential Gold Resort

The City has a limited ability to influence the diversity of housing stock to address the needs of the community. However, the City can improve policy and zoning to support and to promote the provision of secondary suites across the City. Safe and legal secondary suites can provide many benefits to home owners including a revenue source to supplement income, assist a family member in need, and increase the value of the property.

By allowing the proposed changes the City can:

- help provide affordable housing in our community with minimal impact to neighbourhoods as no new infrastructure is required and the secondary suites are contained within existing single-family homes;
- continue to provide checks and balances for homeowners wanting to add a secondary suite to a single-family home. A building permit and business licence are still required;
- clarify regulations for ease of implementation for Staff and the community; and
- apply consistent treatment of all single family properties across the City regardless of the specific zone.

3.2 CMHC's Rental Market Report - Kelowna CMA

According to the results from Canada Mortgage and Housing Corporation's (CMHC) 2015 Fall Rental Market Survey, rental vacancies in the Kelowna Census Metropolitan Area (CMA) reached their lowest point in 2014 with the Fall Rental Market Survey which showed an apartment vacancy rate of 1.0 per cent compared to 1.8 per cent in 2013 and 1.5 per cent in 2015.

Several local economic factors were supportive of rental demand across the Kelowna CMA in 2014, resulting in lower vacancy rates. Employment levels grew modestly over the first ten months of the year. Kelowna's younger age cohort, those aged 15 - 24 years, has had a modest but steady stream of part-time employment growth and more recently an increase in full-time jobs. Youth employment is a key driver of rental housing demand. Rising enrollment at the University of British Columbia Okanagan and positive migration into the Kelowna area also contributed to a growing number of renter households. A key supply side factor contributing to the lower vacancy rates and increasing rents in Kelowna was the addition of very few new rental units over the past two years. Faced with a limited selection of available purpose-built rental accommodations, a growing number of renters found suitable rental accommodations within the stock of available secondary rental units.

Accessory suites continue to be an attractive alternative housing arrangement for renters. There were an estimated 2,103 households living in accessory suites as of October 2014, up from 1,351 during the same period the year previous, and this number is expected to continue to grow¹. For example, the City of Kelowna approved building permits for 207 accessory suites in 2013 and an additional 220 building permits between January and October 2014.

3.3 Current Secondary Suite Process

A property owner requires a Building Permit and a Business Licence for the suite, which will take a total of approximately 2 - 4 weeks, depending on each individual site and the complexity of the retrofits.

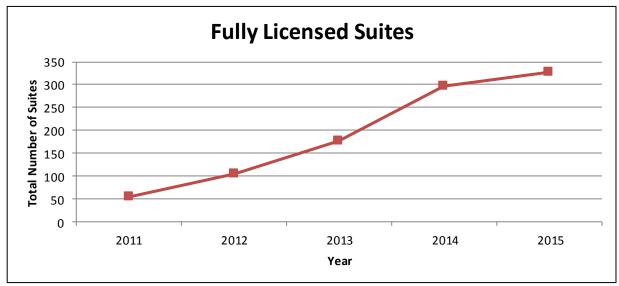

Through the submission of concurrent Building Permit and Business Licence applications, it will be determined if the secondary suite within a single family dwelling meets the requirements of Zoning Bylaw 8000 and BC Building code to obtain a Business Licence.

More specifically, the Building Permit application would ensure that the suite within the single family dwelling complies with the requirements of the Zoning Bylaw such as parking, pathway, private open space and lighting in addition to meeting the BC Building Code requirements. Once an Occupancy Permit has been issued, a Business Licence can then be processed and issued.

Currently, if a suite does not have a Business Licence and a complaint is received, Bylaw Services initiates an investigation. A suite is not considered legal unless it has an active Business Licence. Business Licenses are required to be renewed annually.

3.4 <u>Status of Secondary Suite Legalization</u>

Prior to 2012 each property needed a rezoning (to the 's' designation) if a secondary suite was to be permitted. In 2011, Council reviewed 41 's' rezoning applications for suites within a single family dwelling and only 2 were not supported by Council. Since allowing secondary suites outright, the City of Kelowna has steadily seen an increase in the number of legal suites licensed each year.

¹ Housing Market Outlook Kelowna CMA, CMHC, Fall 2015

TA16-0004/Z16-0010 - Page 4

The number of enforcement files related to secondary suites has steadily increased as well (see table below). This data illustrates citizens that have gone through the entire enforcement process to compliance, meaning they have either decommissioned their suite or have legalized it.

Date From	Date To	2011	2012	2013	2014	2015
Jan 01	Dec 31	136	139	157	250	277

Further, based on the business licenses data and the British Columbia Assessment Authority (BCAA) data, there are 631 properties in Kelowna that have a business license for a suite and are also assessed as having a suite. However, there are 1,771 properties that are assessed as having a suite but do not have a current business license. There are 482 properties that have a current business license for a suite but as not assessed as having a suite.

3.5 Proposed Secondary Suite Changes

3.5.1 Business Licenses

The secondary suite and carriage house regulations within the Zoning Bylaw require 'operators' of a secondary suite or a carriage house to hold a valid business license. However, this has been interpreted that a secondary suite or a carriage house must have a business license to be legal whether the owner is renting the dwelling unit or not. There is no other use category in the Zoning Bylaw that requires a 'type of use' to hold a business license to be legal. The original purpose of this requirement may have been to more easily track secondary suites and carriage houses but the main purpose of business license bylaw is to:

- a. require an owner or operator of a business within the City of Kelowna to hold a valid and subsisting license (including imposing of fees for licenses) for the carrying on of such business; and
- b. it is also the purpose of the business license bylaw to regulate the carrying on of business within the City of Kelowna, to the extent not inconsistent with the intent of the bylaw, for the purpose of protecting the public or preventing or minimizing nuisances and misleading business practices, and establishing different regulations for different classes of business.

The applicability of the regulations in the Business License Bylaw is limited to businesses earning income. Therefore, if secondary suites and carriage houses are not earning income, Staff are recommending those properties not be required to have a business license.

However, Staff are recommending one step further which would eliminate the need for a business license. This would require an amendment to the business license bylaw. The business license bylaw does not require property owners who are renting single detached dwellings, duplexes, triplexes, fourplexes, or townhouses to obtain a business license. Therefore, Staff are recommending that secondary suites conform with similar housing typologies.

The original purpose for requiring business licenses with secondary suites was to track legal secondary suites and provide statistics on the legalization process. Community Planning have coordinated with the Information Technology Staff to replace and to transfer the business license data into a 'legal suite' system in order to provide the ability for Bylaw Enforcement to continue to track legal secondary suites and provide statistics. This system will work similar to the

business license system. The only difference will be that One Window staff will enter all building permits for new secondary suite into the new 'legal suites' database instead of the "secondary suite - business license" database

3.5.2 Zoning

Staff are recommending that Council consider permitting secondary suites in the RU4 and RU5 zones which are strata zones. Strata corporations can self-regulate and can voluntarily restrict secondary suites if they desire. Further, if a single family strata lot can provide the private open space and the additional parking stall, then providing this option to property owners to increase the availability of the rental housing stock meets the goals and vision outlined in Kelowna's Official Community Plan. This same logic applies to the hillside zones (RH2 and RH3).

The remaining zones that currently do not permit secondary suites are CD2 (Kettle Valley) and CD6 (Quail Ridge, Tower Ranch, Gallaghers Canyon). The CD2 has a complicated set of sub-areas with zoning rules that are not based upon standardized residential and commercial zones in Kelowna. It is staff's suggestion that the CD2 zone remain intact while adding secondary suites as an allowable secondary use. The CD2 zone also states the total maximum density shall not exceed 1028 units which is in accordance with the Southwest Okanagan Mission Neighbourhood One Area Structure Plan that was adopted as part of the Kelowna Official Community Plan. Therefore, it is further recommended that a clause be added in the CD2 zone stating secondary suites shall not be counted as a dwelling unit for the purposes of calculating the maximum total density in the area.

The CD6 - Comprehensive Residential Golf Resort zone was intended to provide for the development of a residential golf resort which includes one or more land use designations as an integrated development unit based on an Area Structure Plan. The density within each area (Quail Ridge, Tower Ranch, and Gallaghers Canyon) is based on an averaging of all lands within the development. However, there are many problems associated with this zone. The first and largest anomaly is the principal use is "participant recreation services, outdoor" meaning each lot must have a golf course on it prior to any other use.

Further, the CD6 zoning interpretation has been compromised by a system of covenants registered on each title stating each sub-area within the CD-6 zone follow the future land use map. This system of covenants effectively represents various other standardized zones (RU1, RU4, RU5, RM3, etc.) and their associated development regulations. Within the development regulations of the CD-6 zone it states:

"lands are to be developed for residential use in accordance with one or more of the RU1/RU1h, RU2/RU2h, RU4/RU4h, RU5, RU6/RU6h, RM2, RM3, RM4, or RM5 zones. Commercial and hotel uses allowed in the CD6 zone shall be developed in accordance with the C2 or C9 zoning districts, and open space or public utility uses shall be developed in accordance with the P2, P3, or P4 zoning districts."

This means within the CD-6 area, any of those zones can exist as long as it is consistent with the plan identified in the Area Structure Plan. This had led to many interpretation conflicts. Further,

the City's legal counsel advised the zone needs to be eliminated or amended significantly in order to comply with the Local Government Act.

Staff's recommendation is to eliminate the CD-6 zone and rezone each sub-area to be consistent with the Area Structure Plan for each Golf Course and the future land use map. Once this occurs the traditional zoning will allow for secondary suites in each area.

3.5.3 Zoning (Parking)

Secondary suite Parking was amended in a recent zoning bylaw amendment. However, these rules have proved to be difficult to implement and Staff are recommending that the rules be simplified and clarified. Currently the suite parking reads:

One additional parking is required for a secondary suite is required which shall be:

- i. be designated as being solely for the use of the secondary suite
- ii. not be located within a private garage which is attached to and provides direct access to the principal **dwelling**;
- iii. not be provided in a tandem configuration;
- iv. be located within the required **front yard** setback area if the **parking space** does not block access to a required **parking space** utilized by the principal **dwelling** unit.

Providing a parking stall that has to be in the front yard setback but not block access to a required parking stall for the principal dwelling has proven ineffective. Staff are recommending this section be replaced with the following:

Secondary suite parking:

- i. shall be designated as being solely for the use of the secondary suite;
- ii. shall be accessed from a lane in circumstances where a rear or a side lane abuts the property;
- iii. shall be surfaced with permanent surface of asphalt, concrete or similar pavement.
- iv. shall be accessed from any *driveway* existing at the time the *secondary suite use* commences in circumstances where no rear or side lane abuts the property;
- v. can be located in the driveway and in tandem with the single detached dwelling parking as long as two additional off-street parking stalls provided for the principal dwelling

3.6 Infrastructure Impacts

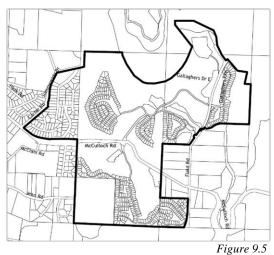

Technical comments received indicate that the City's current infrastructure would be able to absorb additional secondary suites within single family dwellings, should the number of new suites be consistent with the volume processed over the past years.

It is anticipated that owners of current illegal secondary suites within single family dwellings would legalize the units given the streamlined process, however, as they currently utilize City infrastructure, no additional servicing load would be anticipated for these illegal units. However,

should some area see an unprecedented increase in new suites (100+), there may be an impact on the sanitary sewer and water systems which could have a financial impact on the City's long term servicing plan.

3.6.1 Zoning (Servicing - Secondary Suite and Carriage House Prohibition)

Due to hydrogeotechnical challenges with on-site disposal systems and the private wastewater treatment facility, Staff are recommending that secondary suites and carriage houses not be permitted in the Gallaghers Canyon area (See full diagram in attachments). The Gallaghers Canyon privately operated treatment facility is near capacity and even a negligible increase in capacity should not be permitted until sewer is extended to this area or capacity improvements to the system are installed. The City has no plans for sewer extension or upgrades in this area.

The Eastwood subdivision immediately west of Gallaghers Canyon is also included in the proposed suite prohibition as a Hydrogeological Assessment was performed by Golder Associates in March of 2010 and concluded there are septic problems in this area related to soil conditions.

4.0 Existing Policy:

4.1 Kelowna Official Community Plan (OCP)

Goals for a Sustainable Future²

<u>Contain Urban Growth</u>. Reduce greenfield urban sprawl and focus growth in compact, connected and mixed-use (residential and commercial) urban and village centres.

<u>Address Housing Needs of All Residents</u>. Address housing needs of all residents by working towards an adequate supply of a variety of housing.

<u>Include Distinctive and Attractive Neighbourhoods</u>. Develop distinctive and attractive neighbourhoods and urban centres with safe, accessible public spaces that enhance investment.

Future Land Use Designation

<u>Single / Two Unit Residential</u>³ Single detached homes for occupancy by one family, single detached homes with a secondary suite, semi-detached buildings used for two dwelling units, modular homes, bareland strata, and those complementary uses (i.e. minor care centres, minor public services/utilities, and neighbourhood parks), which are integral components of urban neighbourhoods. Suitability of non-residential developments within the neighbourhood environment will be determined on a site-specific basis. Non-residential developments causing increases in traffic, parking demands or noise in excess of what would typically be experienced in a low density neighbourhood would not be considered suitable.

² OCP Chapter 1

³ Official Community Plan (OCP) - Chapter 4- Future land Uses

Other Supporting Policies

<u>Policy 5.2.3</u> <u>Complete Suburbs</u>.⁴ Support a mix of uses within Kelowna's suburbs (see Map 5.1 - Urban Core Area), in accordance with "Smart Growth" principles to ensure complete communities. Uses that should be present in all areas of the City (consistent with Map 4.1 - Future Land Use Map), at appropriate locations, include: commercial, institutional, and all types of residential uses (including affordable and special needs housing) at densities appropriate to their context.

<u>Policy 5.3.2 Compact Urban Form.</u>⁵ Develop a compact urban form that maximizes the use of existing infrastructure and contributes to energy efficient settlement patterns. This will be done by increasing densities (approximately 75 - 100 people and/or jobs located within a 400 metre walking distance of transit stops is required to support the level of transit service) through development, conversion, and re-development within Urban Centre's (see Map 5.3) in particular and existing areas as per the provisions of the Generalized Future Land Use Map 4.1.

<u>Policy 10.3 Policy 1 Housing Availability.</u>⁶ Support the provision of housing for all members of the community, including those in core housing need or requiring special needs housing (transitional, age in place, emergency or shelter).

<u>Objective 5.34 Policy 1 Secondary Suites</u>.⁷ Encourage secondary suites on agricultural land to be located within a permitted principal dwelling.

4.2 Council priorities 2014-2018

<u>Planning Excellence</u>. Council wants to ensure a strong foundation is in place so the short- and long-term needs of the community are met. This will require a focus on long-term planning that is innovative, while based on best practices.

Subject: Official Community Plan Amendment - Arab and Appaloosa Roads

Recommendation:

THAT Official Community Plan Map Amendment Application No. OCP16-0020 to amend Map 4.1 in the Kelowna 2030 - Official Community Plan Bylaw No. 10500 by changing the Future Land Use Designation of the properties identified in Appendix 'A' attached to the Community Planning report dated October 24, 2016, from the Industrial - Limited (IND-L) designation to the Resource Protection Area (REP) designation be considered by Council;

AND THAT the Official Community Plan Map Amending Bylaw be forwarded to a Public Hearing for further consideration;

AND THAT Council considers the public processes detailed in the Report from the Community Planning Department dated October 24, 2016, to be appropriate consultation for the *Purpose* of Section 879 of the *Local Government Act*.

Purpose:

To consider Official Community Plan amendments to change the Future Land Use of various properties that are without ready access to sewer and industrial water service.

Background:

The area in question is currently designated in the OCP Future Land Use Map for potential I6 -Low Impact Transitional Industrial zoning and is limited to properties off of Arab and Appaloosa Roads, near Sexsmith and Highway 97. Just over 40 properties totaling approximately 35 ha are effected. The properties are predominantly used as large lot residential properties, however a dozen have historical illegal, non-conforming light industrial uses.

The Sexsmith Industrial area is south and east of the area in question, and has been zoned and used for General Industrial purposes for many years. Properties to the north have been

zoned and developed for single family residential housing as part of the University South neighbourhood. To the west of Arab and Appaloosa roads, lands are agriculturally zoned and in the Agricultural Land Reserve.

Land Use History

2011

- In 2011, Council adopted the City of Kelowna Official Community Plan (OCP).
- The OCP designated the properties along Arab and Appaloosa Roads as being for future Industrial Limited use.
- The neighbourhood is made up of agriculturally zoned lots averaging 0.8 ha in area.
- Many of the properties were being used for light industrial and storage uses, not conforming to zoning restrictions of the day.
- The intent of the Industrial Limited designation was to recognize the character of the neighborhood and give owners a path to conformity by allowing properties to be rezoned for transitional industrial use.
- Properties designated Industrial Limited are permitted to apply to re-zone to the I6 Low Impact Transitional Industrial.

2012

- Since the adoption of the OCP, one property in the area has been re-zoned to 16 Limited Impact Transitional Industrial.
- In November of 2012, a moratorium was placed on development applications in the area, pending a resolution to servicing (water, sewer, roads and drainage improvements) and land use concerns.

2013-2015

In late 2013, staff and Council revisited the issue and Council reaffirmed its direction.

At the February 23, 2015 Council meeting, Council directed staff to pursue Bylaw amendments to the Official Community Plan and affirmed its desire to pursue a local service area to build the infrastructure required to rezone lots along Arab and Appaloosa Roads to the new I6 zoning designation.

The OCP amendments were completed in September 2015 and the policies were redesigned to accommodate a change in the Clydesdale road design.

Local Area Service Survey Process and Results

Personalized letters were sent out to each home owner in the identified area. These letters outlined the share of the costs for infrastructure improvements (to the specific property) and a description of the opportunity for rezoning of the property should a local service area be successful. Specific costs for improvements were identified for each type of improvement (roads, drainage, and sewer costs), and a self-addressed, self-stamped response form was provided in order to receive feedback from the residents. Also, an invitation to a public open house was provided. Residents had the choice of either submitting their survey at the open house or by mail. The Open House took place on January 27, 2016 and survey results were finalized on February 19, 2016. The results from the public interest survey are as follows.

Of the 48 properties that were asked to vote, only 29 responded:

59 % for NO for a LAS (roads, drainage, sewer) 41 % for YES

In order for a Local Area Service to be successful, the city must receive petitions from at least 50% of the parcel owners in the proposed service area that are in favor of the project. Further, the value of parcels whose owners are in favor of the proposed LAS must exceed 50% of the total assessed value.

The lack of neighbourhood support for the LAS process means that no urban style redevelopment will be able to occur on lands in this area which do not have access to services.

Spring 2016

On March 21, 2016, Council directed staff to prepare amendments to the OCP to redesignate non-serviceable properties in the Arab Appaloosa areas for non-industrial uses.

Bylaw Amendments:

The proposed amendments would re-designate the future land use for the properties without ready access to sewer and industrial water service from future Industrial - Limited to future Resource Protection. The Resource Protection designation is intended for lots with minimal development potential, and will see the lots remained zoned for agricultural use.

Internal Circulation: This policy direction is the result of discussions between Bylaw Enforcement, the Infrastructure Planning Department, the Community Planning Department and the Policy & Planning Department.

Legal/Statutory Authority:

Sections 472 and 473 of the Local Government Act allows the City to adopt an Official Community Plan that designates future land uses for properties in the City.

Section 475 of the Local Government Act establishes consultation and procedural requirements for the amendment of an OCP.

Legal/Statutory Procedural Requirements:

The Local Government Act requires that City consult with residents being effected by the amendment. The City has undertaken several consultative actions, including the open house surrounding the Local Area Service and a number of letters to residents.

The Act also requires that the City hold a public hearing prior to advancing the bylaw to third reading.

Existing Policy:

The current OCP designation for the properties is "Industrial Limited", which allows the properties to be rezoned to 16 - Transitional Industrial. This is a lower intensity industrial use that includes larger setbacks and smaller buildings than a traditional industrial zone.

To date, one property along Sexsmith has been rezoned to I6.

Financial/Budgetary Considerations:

Palamino Rd is an unconstructed road right of way running between properties fronting Sexsmith and Appaloosa. Palamino Rd is not a DCC road, and should the City want the roadway contructed in the future, it must be funded from general taxation and/or partly funded when fronting properties re-zone to industrial use. However, should Council redesignate properties along Appaloosa Rd for non-industrial use, the opportunity for development contributions from those properties is eliminated. There are no designs for Palamino Rd or cost estimates at this time.

Arab and Appaloosa Roads

PROPOSAL

To consider Official Community Plan amendments to change the Future Land Use of properties along Arab and Appaloosa Roads from Industrial – Limited to Resource Protection Area.

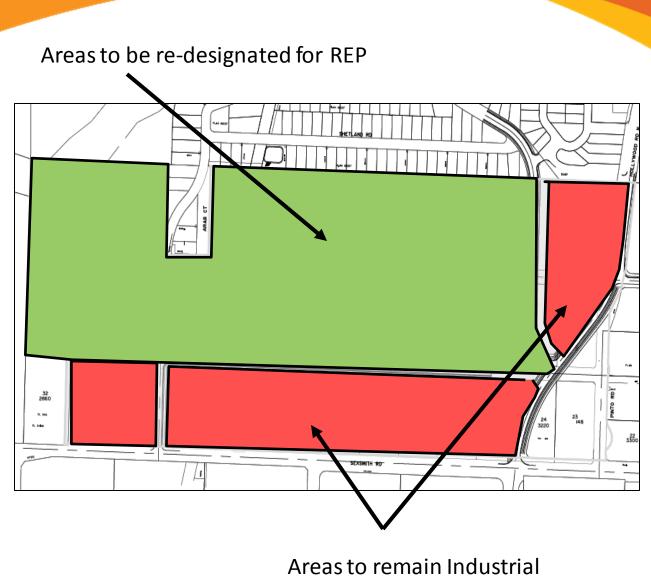

HISTORY

- Designated for future Industrial in 2011
- Moratorium placed on rezonings in 2012 pending resolution of servicing
- Local Area Service turned down by public in early 2016
- Council gave direction to amend OCP

PROPOSED AMENDMENTS

- Staff recommend amending OCP to change future designation of nonserviceable properties from future Industrial-Limited to Resource Protection Area (REP)
- Would not allow any rezonings in area without an OCP amendments

Limited (future I6)

City of **Kelowna**

REDESIGNATION

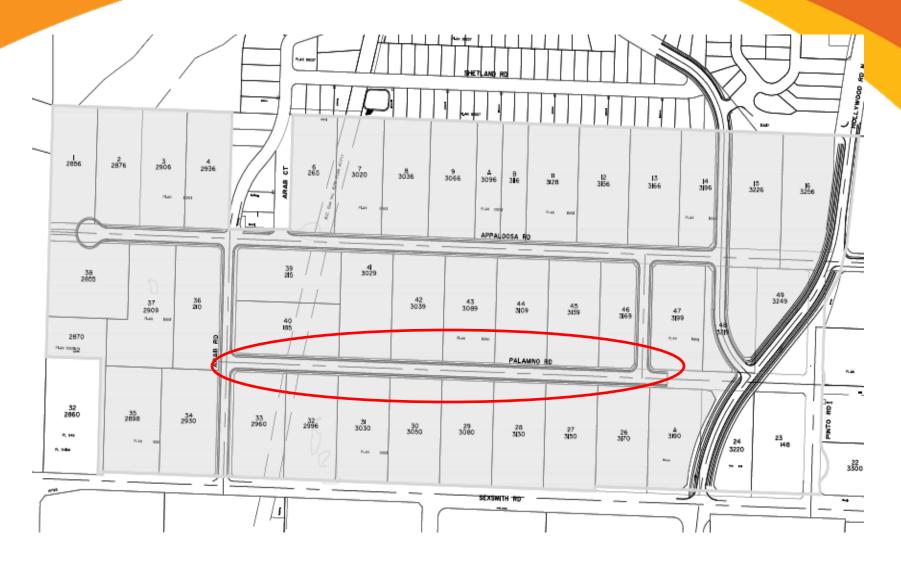

- Council may choose to amend future land uses if conditions change, or in response to applications
- In the interim, the redesignation will send a clear message and discourage speculation

PALOMINO ROAD

- Unconstructed road right of way
- Construction may not be funded with redevelopment of properties to the north
- Partially funded by redevelopment of properties to the south

STAFF RECOMMENDATION

- Staff recommend that the OCP Amendments be given first reading and advanced to public hearing
 - The Industrial future land use without servicing sends an inconsistent message and sets unrealistic expectations for future developments in the area

1.0 Recommendation

THAT Rezoning Application No. Z16-0039 to amend the City of Kelowna Zoning Bylaw No. 8000 by changing the zoning classification of Lot A District Lot 532 ODYD Plan 28500, located at 2310 Enterprise Way, Kelowna, BC from the I2 - General Industrial zone to the C10 - Service Commercial zone, be considered by Council;

AND THAT the Rezoning Bylaw be forwarded to a Public Hearing for further consideration;

AND FURTHER THAT final adoption of the Rezoning Bylaw be considered subsequent to MOTI approval of the Zone Amending Bylaw.

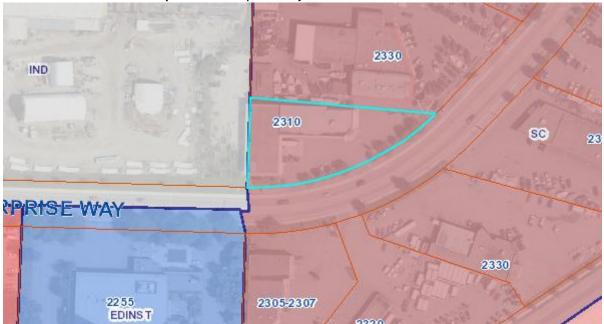

2.0 Purpose

To rezone the subject property from I2 - General Industrial zone to C10 - Service Commercial zone for an existing building.

3.0 Community Planning

Community Planning Staff supports the proposed rezoning of the existing building on the subject parcel. The property is located within the Permanent Growth Boundary and meets the Official Community Plan (OCP) Future Land Use of SC - Service Commercial. The parcel is located adjacent to the Midtown Urban Centre boundary along the Enterprise Way commercial corridor. The proposed rezoning application is supported by policies within the OCP to ensure adequate

supply of commercial land. The rezoning will allow the property owner additional uses in order to attract an appropriate long-term tenant to the existing building.

OCP - Future Land Use Map: 2130 Enterprise Way

4.0 Proposal

4.1 <u>Background</u>

In 1977, the owner purchased the subject property which comprised of a large warehouse facility. It was utilized for over 20 years by a wholesale lawn and garden distribution company until 1998. Heritage Furniture moved into the space and remained as a long term tenant. In 2005, an addition to the existing building was completed. This included offices, showroom and additional warehouse space and was built to suit the existing tenant. In 2015, the tenant relocated to a smaller space, as the business did not flourish as hoped. Since that time, the owners have been unsuccessful in retaining a new tenant under the allowable uses of the I2 zone.

4.2 <u>Project Description</u>

The property is located on the boundary of the Service Commercial area, with industrial land adjacent to the west. The owner is applying to amend the Zoning Bylaw from I2 - General Industrial to C10 - Service Commercial to align with the OCP's future land use of Service Commercial for the subject property. The applicant is waiting for zoning bylaw approval prior to seeking new tenants. Any interior building changes required for the space would trigger a Building Permit application and any exterior changes to the building would trigger a form \pounds character Development Permit.

If the zoning is approved, the proposed uses would change from an industrial nature to commercial. The site would require a single loading stall. The applicant will be removing the existing second loading stall in order to accommodate additional on-site parking, as commercial uses tend to have a higher parking requirement.

Retention of Commercial Land.¹ In order to ensure that the City's commercial land supply is not eroded, where the OCP Bylaw 10500 indicated a commercial land use designation for the property, the expectation would be that there be no net loss of commercial space on the site as a result of the redevelopment to include other uses.

2.0 Purpose

To consider a REVISED Development Permit Amendment DP14-0093-02 for the consideration of the form and character of an interior addition to rooftop space above the 6th floor of the Okanagan Innovation Centre.

3.0 Proposal

3.1 Background

The initial Development Permit for the Okanagan Innovation Centre was issued in 2014. A Development Permit Amendment application was received on September 14, 2016. On October 3, 2016 Council deferred consideration of Development Permit No DP14-0093-01, located at 460 Doyle Avenue, Kelowna, BC, pending receipt of further information regarding the following:

- 1. Detailed development permit form and character information
- 2. Updated and detailed landscape plan
- 3. Refresher on terms of the agreement; and
- 4. Concrete plans on the use of the structure.

Based on community feedback regarding possible rooftop operations at the Okanagan Innovation Centre, the applicants have withdrawn the C7LP (Liquor Primary) rezoning application and associated Liquor Primary License Application and are now applying only for the Development Permit Amendment for the addition to the interior rooftop space. The applicant has provided revised and additional information to be considered today as REVISED Development Permit Amendment DP14-0093-02.

3.2 Detailed Development Permit Form and Character Information

The form of the rooftop café addition increases the interior café space by approximately $51m^2$ by eliminating a storage area and expanding to the north, south, and east. The rooftop space has gone through several revisions, and the timeline of revisions of the rooftop space are illustrated in the renderings below.

Figure 1: May 13, 2014 DP

Figure 2: Sept 15, 2014 DP Revision

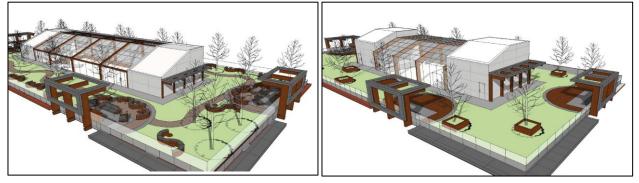

Figure 3: April 28, 2015 BP Review

Figure 4: Current Proposed Rooftop Plan 2016

The material palette of the rooftop café was chosen to relate directly to the rest of the building as illustrated and described in Attachment "A". Vertical and horizontally installed cedar siding is stained with a grey finish to resemble weather aged cedar and tie more closely to the wooden decking tiles that surround it. Black anodized metal trimming elements provide a distinguished accent colour compared to the rest of the building. A series of vertical windows allow light into the space and provide visual interest to guests.

3.3 Updated and Detailed Landscape Plan

The final roof plan and landscaping plan represents a simpler version of the original considerations in 2014. Attention to detail is still present through the use of a variety of surface treatments including synthetic lawn, wood decking, cedar decking, and concrete pavers as illustrated in Attachment "B". Shade elements, trees, and planter boxes are proposed for vegetation. A series of patio spaces will allow for outdoor seating weather permitting.

3.4 Refresher on the Terms of the (Lease) Agreement

The terms of the lease agreement with the City of Kelowna include a public amenity space (theatre) on the first floor, a portion of space granted to the Province of BC (2^{nd} floor), and the remainder of the building is to be strata titled and operated by the operator of the facility (Kelowna Sustainable Innovation Group, KSIG).

The theatre is to be granted to the City as a portion of payment for the land contributed by the City. The remaining rent payment is to be paid as rent to the City over a period of 5 years. The City is granting its space (the theatre) in return to the non-profit operator of the facility (KSIG) with requirement that it be made available for public booking. The City also agreed to share the cost of connection to the library as part of the ground lease payment. This table summarizes the financial situation:

Appraised value of City Land	\$1,740,000	
Less appraised value of theatre	(\$485,000)	
space		
Less 50% of library connection	(\$110,000)	
costs		
Rent payment	\$1,145,000	
Less Legal Fees	(\$25,000)	
Ground Rent to Land Sales	\$1,120,000	
Value of Strata Space Received	\$485,000	

The connection to the library was not a requirement of the lease agreement, but was submitted as part of the Development Permit. The Developer, City and Library shared agreement on the library connection through a tri-partite agreement.

The land lease also contained a requirement to construct the building as submitted for Development Permit construction. If Council approves the additional space on the rooftop through the REVISED Development Permit Amendment, the land lease will need to be amended accordingly.

It was never mandated by the City that the rooftop space be considered open to the public as a public amenity, however it was recognized as an amenity for the building and its tenants. Please see Attachment "C" for the Preliminary Strata Plan, indicating the first floor theatre space that is to be granted to the City, while the second floor is granted to the Province of BC, and the roof plan is to be retained by the operators of the building.

3.5 Concrete Plans on the Use of the Structure

The applicants have provided supplemental information and inspiration images pertaining to the use of the proposed addition in a letter dated October 17, 2016 (Attachment "D").

The applicant has proposed that the rooftop patio area remain for use by the tenants and guests of the building, while the proposed café addition would be operated as a food primary establishment with operating hours to be determined. The applicant has also stated that the interior and exterior space would be available to be rented out to the public for special events.

The proposed addition will allow for an interior capacity of 37 persons and an outdoor capacity of 298 persons. Food and beverage, bar and soft seating, amplified music, and catering services would be available within the increased space.

Okanagan Centre for Innovation (OCI) - Rooftop Café Alterations

Development Permit Amendment Design Rationale

Ryan,

As a follow up to our meeting on August 22nd, 2016 I am pleased to describe the nature of the alterations to the Okanagan Centre of Innovation (OCI) as a result of the addition of a rooftop café on the eastern side of level 7.

AREA & HEIGHT

The addition of the rooftop café has been carefully considered from an area standpoint as it relates to the other rooms and spaces on the seventh floor. In an effort to reduce the area gain a storage room that was previously located at the northeast corner of the east core. As a result the overall area gain is clouded on drawing A1.01 and is approximately 500 square feet. The red dashed line shown on drawing A3.07 shows the extents of the BP exterior wall for reference.

The height of the rooftop café has been purposely kept low to align the wrapper, or trim element, that acts as a cornice with the arcade wrapper and west bbq wrapper. The underside of these elements is approximately 8'-6" and provides a human scale to the entries as well as offering weather protection. The heights of the rooftop mechanical units, their associated floors and guardrail height pony walls have been altered. The top of these walls and the units exceeds that of the café by approximately 5'.

WARMTH IN MATERIALS

The proposed material palette of the rooftop café has been strategically chosen to allow it to relate directly to the OCI yet distinguish itself through colour. The primary cladding material of the café is cedar siding installed both vertically to speak to the OCI, and also horizontally on return walls. The siding is stained with a grey finish to resemble weather aged cedar and tie more closely to the wooden decking tiles that abut the walls clad in siding. The metal trimming elements which are clear anodized in finish on the remainder of the OCI are black anodized to provide a distinguished accent colour.

CATERING & ANIMATION

When one looks at the intent of the rooftop café it can be viewed as a logical expansion of the catering kitchen that was shown in the BP drawings as it will serve as the prep and staging space for catered events. A warming kitchen is proposed to be included in the café and in the research done by the café operator it became apparent that there was a need for more area than the former catering kitchen provided to ensure that the quality of food service was of a standard befitting of the facility. The café will also serve as a social hub for the project and provide a level of animation an otherwise open roof deck might not.

I hope that you find this summary satisfactory and please don't hesitate to call if you have any questions.

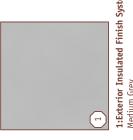

Yours truly,

Stoke Tonne, Architect AIBC, MRAIC, LEED AP

AGAN CENTRE FOR INNOVATION -0.0 -

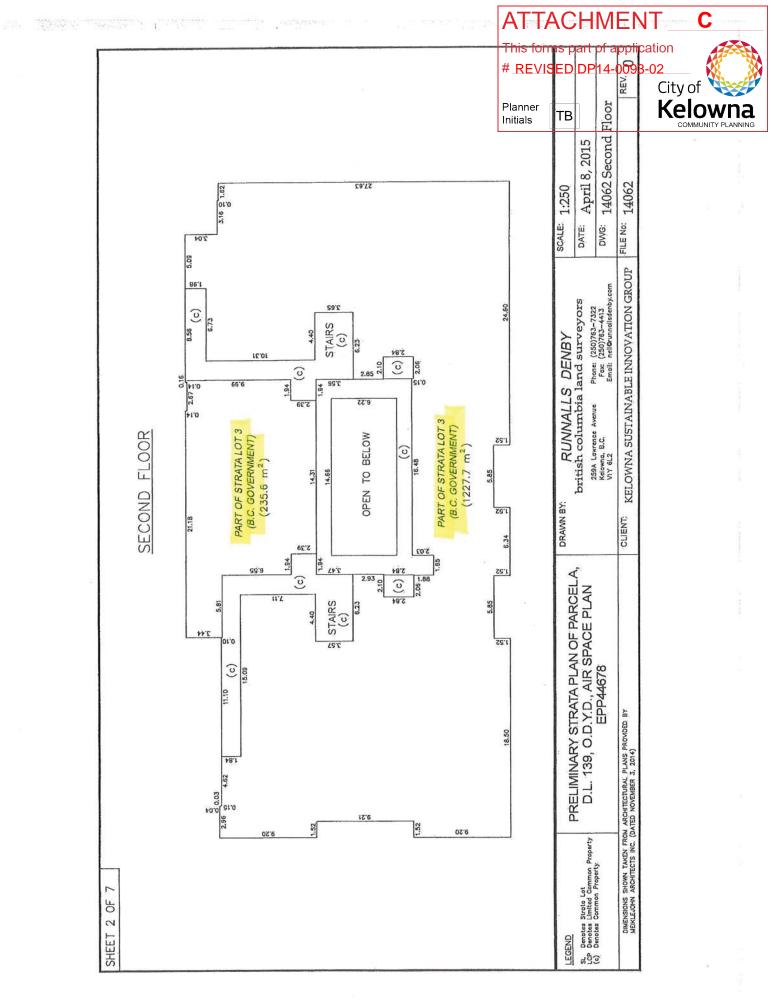

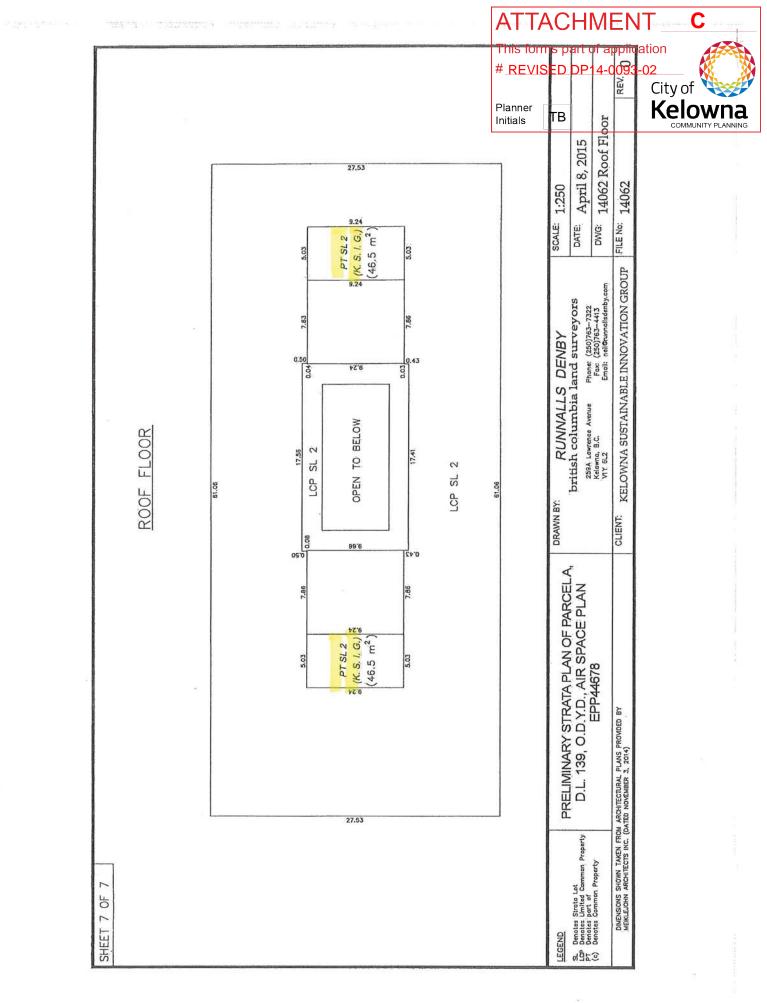

Kelowna Sustainable Innovation Group Ltd.

October 17th, 2016

Mr. Ryan Smith Community Planning Manager Kelowna City Hall 1435 Water Street Kelowna, BC, Canada V1Y 1J4

Re: Report to Council

Dear Ryan,

As a follow-up to our meeting last week and per your request, the Kelowna Sustainable Innovation Group Ltd. has prepared the following update regarding the Okanagan Centre for Innovation and rooftop patio for inclusion with your report to council in support of our DP Amendment Request.

Based on community feedback and apprehension regarding possible OCI rooftop operations, we have decided not to proceed with the contemplated C7LP (liquor primary) rezoning application and have decided instead to proceed with the current zoning as C7. We will also be revising our Liquor Primary submission with the Provincial Government to reflect Food Primary.

Regarding the DP amendment that is currently in process for the addition of 500 sq. ft. of enclosed space to the rooftop café, we provide the following use of space information:

- Perch is an upscale venue and outdoor patio area located on the rooftop of the Okanagan Centre for Innovation. Beautifully architected and intentionally designed, visitors to Perch will enjoy breathtaking views of the city surrounded by stunning finishes, features and amenities. Perch's premier interior and exterior finishing includes soft seating, fireplace, live trees, plants and greenery which will inspire visitors to connect, collaborate and share in an incredibly welcoming, comfortable and encouraging environment. Perch along with other key building features including the presentation theatre and arts and cultural atrium will provide gathering space that will further advance the overall vision and mission of the OCI to be the preeminent hub of innovation, technology and entrepreneurship in the Okanagan.
- Initially rooftop access will be restricted to tenants and guests during normal business hours (8am to 5pm Monday to Friday) until such time that the operational processes are well defined and running smoothly; once defined we plan to grant public access to the roof as a gift to all community members.
- The operational hours for Perch are yet to be confirmed, as we will be consulting with tenants to assess demand, types and frequency of use. It should be noted that regardless of the outcome of the consultation process, Perch operations will comply with all time and noise bylaws that pertain to a C7 food primary zoning.
- Perch will provide food and beverage service, table, bar and soft seating, amplified music and catering services. Perch along with the entire rooftop can be booked for corporate events, weddings and private parties; again all operational activities will comply with time and noise bylaws that pertain to a C7 food primary zoning

From: Ross Soward, Planner Specialist Graham Hood, Manager, Strategic Land Development

Subject: 1745 Chapman Place Revitalization Tax Exemption

Recommendation:

THAT Council approves the City of Kelowna entering into a Revitalization Tax Exemption Agreement with Ki-Low-Na Friendship Society, for Lot 2, District Lot 139, ODYD, Plan KAP92715 Except Plan EPP40150 at 1745 Chapman Place, Kelowna, BC, in the form attached to the report from the Planner Specialist and Manager, Strategic Land Development dated October 24, 2016;

AND THAT Council authorize the Manager, Strategic Land Development, to amend the lease as outlined in the report to Council from the Planner Specialist and Manager, Strategic Land Development, dated October 24, 2016;

AND FURTHER THAT the Mayor and City Clerk be authorized to execute all documents necessary to complete this transaction.

Purpose:

To enter into a 10-year Revitalization Tax Exemption Agreement with Ki-Low-Na Friendship Society for purpose-built rental housing in accordance with Revitalization Tax Exemption Program Bylaw No. 9561 and to amend the Ground Lease between the City of Kelowna, BC Housing and the Ki-Low-Na Friendship Society to allow for the provision of a revitalization tax exemption.

Background:

The subject property is designated as MRM - Multiple Unit Residential (Medium Density) in the Official Community Plan (OCP) and is zoned CD22 - as per the Central Green Comprehensive Development Zone. The Building Permit was submitted on February 18, 2015 and was issued by the City on May 19th of 2015. Occupancy for the subject property is anticipated for October

28, 2016. The project is in the Purpose-Built Rental Housing Projects category as described by the Revitalization Tax Exemption Program Bylaw No. 9561. In this category, projects will be considered for a tax incentive as long as:

- 1. The vacancy rate is at or below 3%
- 2. The subject property has a Housing Agreement (for up to 10 years)
- 3. Are in compliance with the OCP Future Land Use designation.

Over the last few years, rental housing has been in great demand. According to CMHC at the end of 2015 the total vacancy rate in the Kelowna CMA was 0.7% compared to 1.0% the year prior. Therefore, the vacancy rate requirement is met. Also, the applicant received Council approval of a housing agreement for the project on May 9th of 2016, meeting the requirement of a minimum ten-year commitment of operating the project as purpose-built rental housing. Lastly, the subject property is in compliance with the OCP Future Land Use designation. With all requirements met the property is qualified to receive 100% of the Revitalization Amount on the parcel. The exemption will be valid for the tax years 2017-2026. A draft copy of the Revitalization Tax Exemption Agreement is attached as Schedule A.

In March of 2015, the City entered into a 60-year Ground Lease (Schedule "B") with BC Housing and the Ki-Low-Na Friendship Society for a 0.73-acre parcel of land located at 1745 Chapman Place in the Central Green Neighborhood. The City is providing the land for this development at no cost in exchange for a covenant requiring the development of affordable housing on the land. Ki-Low-Na is expecting occupancy for the development to occur in November of this year. The developer has recently made application for the City's Revitalization Tax Exemption program which would result in an exemption for the municipal portion of taxes for the improvements to the site. Clause 3.2 of the Ground Lease requires that the developer make payment of an amount equal to any tax exemption. Staff are requesting clause 3.2 of the ground lease be amended so that no rent would be payable should a revitalization tax exemption be provided for this project.

ARTICLE 4 GENERAL

- 4.1 Notice of Housing Agreement For clarity, the Owner acknowledges and agrees that:
 - (c) this Agreement constitutes a housing agreement entered into under s. 483 of the Local Government Act;
 - (d) the City is requiring the Owner to file a notice of housing agreement in the LTO against title to the Land;
 - (c) once such a notice is filed, this Agreement binds all persons who acquire an interest in the Land; and the notice of housing agreement may not be released from title to the Land, and this Agreement may not be terminated, sooner than ten (10) years from the date of this Agreement;
 - (d) repayment of any rental grant received from the City will be required if this Agreement is terminated

and the notice of housing agreement is released from title to the Lands. Funds received would be directed to the Housing Opportunities Reserve Fund.

4.2 No Effect On Laws or Powers - This Agreement does not

- (a) affect or limit the discretion, rights, duties or powers of the City under any enactment or at common law, including in relation to the use or subdivision of land,
- (b) impose on the City any legal duty or obligation, including any duty of care or contractual or other legal duty or obligation, to enforce this Agreement,
- (c) affect or limit any enactment relating to the use or subdivision of land, or
- (d) relieve the Owner from complying with any enactment, including in relation to the use or subdivision of land.
- **4.3 Management** –The Owner further covenants and agrees that it will maintain the Dwelling Units in a satisfactory state of repair and fit for habitation and will comply with all laws, including health and safety standards applicable to the Land.
- **4.4 Notice** Any notice which may be or is required to be given under this Agreement must be in writing and either be delivered or sent by facsimile transmission. Any notice which is delivered is to be considered to have been given on the first day after it is dispatched for delivery. Any notice which is sent by fax transmission is to be considered to have been given on the first business day after it is sent. If a party changes its address or facsimile number, or both, it must promptly give notice of its new address or facsimile number, or both, to the other party as provided in this section.
- **4.5** Agreement Runs With the Land Every obligation and covenant of the Owner in this Agreement constitutes both a contractual obligation and a covenant granted by the Owner to the City in respect of the Land and this Agreement burdens the Land and runs with it and binds the Owner's successors in title and binds every parcel into which it is consolidated or subdivided by any means, including by subdivision or by strata plan under the *Strata Property Act*.
- **4.6** Limitation on Owner's Obligations The Owner is only liable for breaches of this Agreement that occur while the Owner is the registered owner of the Land.
- **4.7 Release** The Owner by this Agreement releases and forever discharges the City and each of its elected officials, officers, directors, employees and agents, and its and their heirs, executors, administrators, personal representatives, successors, and assigns, from and against all claims, demands, damages, actions, or causes of action by reason of or arising out of advice or direction respecting the ownership, lease, operation or management of the Land or the Dwelling Units which has been or at any time after the commencement of this Agreement may be given to the Owner by all or any of them. - **4.8 Joint Venture** Nothing in this Agreement will constitute the Owner as the agent, joint venturer, or partner of the City or give the Owner any authority to bind the City in any way.
- **4.9** Waiver An alleged waiver of any breach of this Agreement is effective only if it is an express waiver in writing of the breach. A waiver of a breach of this Agreement does not operate as a waiver of any other breach of this Agreement.

- Further Acts The Owner shall do everything reasonably necessary to give effect to the intent of this 4.10 Agreement, including execution of further instruments.
- Severance If any part of this Agreement is held to be invalid, illegal or unenforceable by a court having 4.11 the jurisdiction to do so, that part is to be considered to have been severed from the rest of this Agreement and the rest of this Agreement remains in force unaffected by that holding or by the severance of that part.
- Equitable Remedies The Owner acknowledges and agrees that damages would be an inadequate 4.12 remedy for the City for breach of this Agreement and that the public interest strongly favours specific performance, injunctive relief (mandatory or otherwise), or other equitable relief, as the only adequate remedy for a default under this Agreement.
- No Other Agreements This Agreement is the entire agreement between the parties regarding its subject 4.13 and it terminates and supersedes all other agreements and arrangements regarding its subject.
- Amendment This Agreement may be discharged, amended or affected only by an instrument duly 4.14 executed by both the Owner and the City.
- Enurement This Agreement binds the parties to it and their respective successors, heirs, executors and 4.15 administrators. Reference in this Agreement to the "City" is a reference also to the elected and appointed officials, employees and agents of the City.
- Deed and Contract By executing and delivering this Agreement each of the parties intends to create 416 both a contract and a deed executed and delivered under seal.

IN WITNESS WHEREOF the parties hereunto have executed this Agreement on the date and year first above written.

The Lessee will construct the Building, together with other facilities ancillary thereto and connected therewith, on the Lands in substantial accordance with the drawings, specifications (including materials to be used), elevations, location on the Lands and exterior decoration and design and all other documents and information upon which the issuance of the building permits by the City are based and that have been approved by the Lessor and the Commission. No changes will be made to such drawings, specifications, elevations, location, exterior decoration and design, other documents or information, or to the requirements of such building permits without the approval of the Lessor and the Commission, provided that the Commission may approve minor changes allowed by the building permit(s) for the Building without the approval of the Lessor.

4.2 Substantial Completion of Building

For the purposes of this Article 4, the Building will be deemed to have been substantially completed when the Architect has certified to, or otherwise satisfied, the Lessor and the Commission that, with respect to the Building:

- (a) all work of a structural nature has been properly completed;
- (b) all building equipment and services, including elevators (if any), heating systems and air-conditioning systems (if any), and utilities have been completed, are

operating properly and are available for use by tenants of the Lessee, and all lobbies, stairwells and other areas intended for the common use of tenants of the Lessee are completed except for work of a superficial nature, which is both minor in character and of a type that, owing to the likelihood of damage, may reasonably be deferred until the Building is partially or substantially occupied by tenants of the Lessee;

- (c) all building bylaws and regulations of the City have been complied with by the Lessee;
- (d) all rentable space is completed for occupancy except for work of a superficial nature that is dependent upon unascertained requirements of individual tenants of the Lessee, and work that is reasonably and customarily performed by tenants of the Lessee;
- (e) all areas are clean and all surplus building material and rubbish have been removed;
- (f) the Building is in a condition in which it can be occupied by tenants of the Lessee, and any work that is still unfinished can be completed promptly and is work the incompletion of which will not be objectionable to a tenant of the Lessee acting reasonably;
- (g) the Building has been constructed in all respects in a good and workmanlike manner and in accordance with the drawings and specifications, location on the Lands and the exterior decoration and design approved in writing by the Lessor, and in compliance with all building permits issued by the City; and

- 4.3 Termination of Lease on Failure to Construct

Subject to sections 4.6 and 18.2 and Article 23, the Lessee agrees with the Lessor that if Commencement of Construction has not taken place within one hundred and eighty (180) days of the Lease Commencement Date, or if construction of the Building is not substantially completed in accordance with the requirements of section 4.1 within one hundred and eighty (180) days after the second anniversary of the Lease Commencement Date, the Lessor will have the option at any time thereafter to terminate this Lease, and in such event this Lease will terminate and be of no further force or effect and without any reimbursement or compensation to the Lessee, unless the Lessor consents in writing to extend the deadline for Commencement of Construction, such consent not to be unreasonably withheld.

4.4 Landscaping

Within one hundred and eighty (180) days of substantial completion of the Building, the Lessee will landscape the Lands and thereafter maintain the landscaping in accordance with landscaping plans that have been approved by the Commission.

4.5 Alterations After Substantial Completion

After substantial completion of the Building, the Lessee will not make or permit to be made any Alterations affecting the structure of the Building or the exterior appearance of the Building without the written approval of the Lessor and the Commission, which approval the Lessor and the Commission will not unreasonably withhold. No Alterations involving an estimated cost of more than Two Hundred and Fifty Thousand Dollars (\$250,000.00) (in 2014 dollars) will be undertaken until the Lessee has submitted or caused to be submitted to the Lessor and the Commission such drawings, specifications (including the materials to be used), elevations (where applicable), locations (where applicable), exterior decoration and design and such other documentation and information as the Lessor and the Commission may request in connection with the proposed Alterations, and until all of the same have been approved in writing by the Lessor and the Commission, which approval the Lessor and the Commission will not unreasonably withhold. The Lessee covenants and agrees with the Lessor and the Commission that, subject to section 4.6, all Alterations undertaken by or for the Lessee once begun will be prosecuted with due diligence to completion.

4.6 Unavoidable Delays

If, by reason of strike, lock-out or other labour dispute, material or labour shortage not within the control of the Lessee, fire, explosion, flood, wind, water, earthquake, act of God or other similar circumstances beyond the reasonable control of the Lessee and not avoidable by the exercise of reasonable effort or foresight by the Lessee, the Lessee is, in good faith and without default or neglect on its part, prevented or delayed in achieving Commencement of Construction or substantial completion of the Building in accordance with section 4.2 or the repair of the Building or any part or parts of the Building which under the terms of this Lease the Lessee is required to do by a specified date or within a specified time, the date or period of time within which such work was to have been completed will be extended by the Lessor by a reasonable period of time at least equal to that of such prevention or delay, and the Lessee will not be deemed to be in default if it performs and completes the work in the manner required by the terms of this Lease within such extended period of time or within such further extended period of time as may be agreed upon from time to time between the Lessor, the Lessee and the Commission.

ARTICLE 5 BUILDERS LIENS

5.1 Builders Liens

In connection with all labour performed on or materials supplied to the Lands, including but not limited to the construction of the Building, the Lessee will comply with, and will cause any contractor hired by it to comply with, the provisions of the *Builders Lien Act* (British Columbia), and with all other statutes applicable in connection therewith and in force from time to time, including any provision or statute requiring or permitting the retention of portions of any sums payable by way of holdbacks.

5.2 Discharge of Builders Liens

If and whenever any builders lien, or other lien or claim arises or is filed against the Lessor's interest in the Lands in connection with work, labour, services or materials supplied to or for the Lessee or for the cost of which the Lessee may in any way be liable, the Lessee will, within fifteen (15) days after receipt of notice of such lien or claim, procure the discharge thereof, and the discharge of any certificate of pending litigation registered in respect of any such lien or claim, by payment or giving security or in such other manner as may be required or permitted by law; provided, however, that in the event of a bona fide dispute by the Lessee of the validity or correctness of any claim for any such lien, the Lessee will not be bound by the foregoing, but will be entitled to defend against the same in any proceedings brought in respect thereof after first paying into a court of competent jurisdiction the amount claimed or sufficient security therefor, and such costs as the court may direct. The Lessor may pay and discharge any lien claim if, in its reasonable judgement, the Lands or the Lessor's interest in the Lands becomes liable to forfeiture or sale, or is otherwise in jeopardy. The Lessee will reimburse to the Lessor any amount paid by the Lessor in discharging a lien claim and the Lessor's reasonable expenses in connection therewith.

5.3 Notice by Lessor

Pursuant to section 3(2) of the *Builders Lien Act*, the Lessor may file in the Land Title Office notice of its fee simple interest in the Lands and for all purposes of this Lease the construction of the Building by the Lessee will be deemed not to be done at the request of the Lessor.

ARTICLE 6 RESTRICTIONS ON OPERATIONS AND USE

6.1 Use

Unless otherwise agreed to in writing by the Lessor and the Commission, the Lessee covenants and agrees with the Lessor and the Commission that neither the Lands nor Building nor any part of the Lands or Building will be used for any purpose except that of housing Eligible Occupants, subject always to the laws, bylaws, regulations and permits governing the use of the Lands and Building from time to time. Neither the Lands nor Building nor any part of the Lands or Building will be used for business, trade or manufacture without the written approval of the Lessor and the Commission, which approval the Lessor and the Commission may arbitrarily withhold. If, however, the Lessor in its unfettered discretion and the Lessee determine that it is not practical or commercially reasonable to continue to carry on the use described in section 6.1, the Lessee may commerce to use and occupy the Lands and Building for another use, including a commercial use that is approved by the Lessor, and if it elects to do so:

(a) the Basic Rent will be adjusted, from time to time, to reflect the fair rental value of the Lands, without reference to the Building, given the use to which the Lands and Building are put, from time to time. If the parties cannot agree on the Basic Rent or the dates when the Basic Rent is to be adjusted, the Basic Rent and/or adjustment dates will be settled by arbitration pursuant to Article 19; and

- (b) the Lands and Building will not be exempt from Realty Taxes.
- 6.2 No Nuisance

The Lessee will not carry on, or suffer or permit to be carried on, upon the Lands anything which would constitute a nuisance to the Lessor or to any neighbouring properties or their owners or occupants provided, however, that the occupation of the Lands and Building by Eligible Occupants in accordance with the terms of this Lease shall not constitute a nuisance.

6.3 Subdivision by Strata Titling

The Lessee may subdivide the Lands or the Building pursuant to the *Strata Property Act* (British Columbia), and upon such stratification, the Lessee may transfer title to some of the resulting strata properties to the Commission, but shall not transfer title of the resulting properties to any other organization or individual without the consent of the Lessor.

6.4 Constitution

The Lessee agrees that without the prior written consent of the Commission, it will not amend or permit its constitution to be amended or varied in any way from the constitution filed in the British Columbia Corporate Registry as of the Review Date. If the Review Date is not established by the Commission, the Lease Commencement Date will be deemed to be the Review Date.

6.5 Restriction on Contracting

The Lessee covenants that:

- (a) it will not pay directly or indirectly to any of its directors or their relatives by blood or marriage (including common-law marriage) any money obtained from the operation of the Lands or the Building, or from the operation of other premises leased from the Lessor, or otherwise received from the Lessor, the Commission or the Province, without the express written consent of the Lessor, the Commission and/or the Province, as the case may be;
- (b) it will not, by contract or otherwise, pay to any of its former directors or their relatives by blood or marriage (including common-law marriage), pursuant to any contract or arrangement made when the former director was a director of the Lessee, money obtained from the operation of the Lands or the Building, or from the operation of other premises leased from the Lessor, or otherwise received from the Lessor, the Commission or the Province, without the express written consent of the Lessor, the Commission and/or the Province, as the case may be;

- (c) subject to sub-paragraphs (a) and (b), the Lessee may enter into bona fide arm's length contracts with occupants of the Building for the provision of services in furtherance of the good management of the Lands and the Building; and
- (d) notwithstanding the foregoing, the Lessee may reimburse its directors or occupants of the Building for out-of-pocket expenses incurred for the proper management of the Lands or the Building but only upon the proof of such expenditure by the production of bona fide receipts.

The Lessor may not terminate this Lease on account of a breach of this section 6.5 but such directors will forthwith and forever be disqualified from such directorship.

6.6 Permitted Encumbrances

The Lessor and the Lessee covenant and agree that, during the Term, the Lessee, at its expense, will perform and observe all of the obligations of the Lessor and may enjoy all of the rights of the City as Lessor (but not those rights of the City in its regulatory capacity) set out in the Permitted Encumbrances. None of the Permitted Encumbrances will merge or be deemed to have merged with the Lessor's title to the Lands, and accordingly all Permitted Encumbrances will be deemed to be in full force and effect. The Lessor will execute such documents as might reasonably be requested by the Lessee to enable it to comply with its obligations and to enjoy its rights in respect of the Permitted Encumbrances. The Lessee further covenants and agrees with the Lessor that if the City exercises any of its rights in its regulatory capacity under the Permitted Encumbrances, such exercise will not be a breach of the Lessor's covenant for quiet enjoyment.

6.7 Obligations of the Commission

The Commission will:

- (a) cause the Operator to use the Lands and the Building in a manner that is consistent with the Lessee's obligations contained in section 6.1;
- (b) cause the Operator to operate the Building on a non-profit basis and to operate and manage the Lands and Building in the manner approved by the Commission; and

ARTICLE 7 REPAIRS AND MAINTENANCE

7.1 Lessor Not Obliged to Repair

The Lessor will not be obliged to furnish any services or facilities or to make repairs or Alterations in or to the Lands or the Building, and the Lessee hereby assumes the full and sole responsibility for the condition, operation, repair, replacement, maintenance and management of the Lands and the Building and all expenses related thereto.

7.2 Repairs by the Lessee

Reasonable wear and tear excepted, so long as the reasonable wear and tear does not unreasonably affect the exterior appearance of the Building:

- (a) the Lessee at the Lessee's cost and expense will put and keep in good order and condition, or cause to be put and kept in good order and condition, the Lands and Building (and any equipment located thereon and therein), both inside and outside, including but not limited to fixtures, walls, foundations, roofs, vaults, stairways, elevators (if any) and similar devices, heating and air conditioning equipment, sidewalks, yards and other like areas, water and sewer mains and connections, water, steam, gas and electric pipes and conduits, and all other fixtures and appurtenances to the Lands and the Building and machinery and equipment used or required in the operation thereof, whether or not enumerated herein, and will, in the same manner and to the same extent as a prudent owner, make any and all necessary repairs and, subject to section 4.5, Alterations, ordinary or extraordinary, foreseen or unforeseen, structural or otherwise, and keep the Building and any and all fixtures and equipment therein fully usable for the purposes for which the Building was constructed. Such repairs and Alterations will be in all respects to a standard at least substantially equal in quality of material and workmanship to the original work and material in the Building, and will in each case be performed only in accordance with all applicable terms and conditions of the Permitted Encumbrances;
- (b) the Lessee will not commit or suffer waste to the Lands or the Building or any part thereof;
- (c) at the expiration or earlier termination of this Lease, the Lessee will, except as otherwise expressly provided herein, surrender and deliver up the Lands with the Building, and the fixtures, appurtenances and equipment thereon and therein, or any replacements or substitution therefor, in good order and condition; and
- (d) if the Lessee does not fulfil its obligations set out in this Article 7, the Lessor or the Commission, through their agents, servants, contractors and subcontractors, may, but will not be obliged to, enter (without hindrance by the Lessee) upon the Lands and the Building as required for the purpose of making any repairs necessary to put the Lands and the Building in good order and condition, provided that the Lessor or the Commission will make such repairs only after giving the Lessee not less than fourteen (14) days written notice of its intention to do so, except in the case of an emergency when no notice will be required. Any costs and expenses (including overhead costs) incurred by the Lessor or the Commission in making such repairs to the Lands and Building will be reimbursed to the Lessor or the Commission, as the case may be, by the Lessee on demand, together with interest at the Prime Rate plus three percent (3%) per annum, calculated and compounded monthly, from the date incurred until the date paid.

7.3 Removal of Ice and Snow from Sidewalks

The Lessee covenants and agrees with the Lessor that if the Lessee at any time fails to keep the public sidewalk adjacent to the Lands reasonably clean from rubbish, ice and snow during the times and to the extent lawfully required of an owner, the Lessor, through its agents, servants, contractors and subcontractors, may remove such rubbish, ice and snow and the Lessor will not be required to give the Lessee any notice of its intention to do so. Any costs and expenses incurred by the Lessor in removing such ice and snow will be reimbursed to the Lessor by the Lessee on demand, together with interest at the Prime Rate plus three percent (3%) per annum, calculated and compounded monthly, from the date incurred until paid.

ARTICLE 8 ADDITIONAL RENT

8.1 All Defaults in Payment as Additional Rent

If the Lessee defaults in the payment of any sums required to be paid by it pursuant to the terms of this Lease, or fails to fulfil any of its obligations under this Lease, the Lessor may (but will be under no obligation to) pay such sums or fulfil such obligations on behalf of the Lessee, and any losses, costs, charges and expenses suffered by the Lessor as a result, including sums payable by way of indemnity, whether or not expressed in this Lease to be rent, may at the option of the Lessor be treated as and deemed to be Additional Rent, in which event the Lessor will have all remedies for the collection of such sums, costs, expenses or other amounts when in arrears as are available to the Lessor for the collection of rent in arrears.

ARTICLE 9

INSURANCE

9.1 Insurance During Construction of Building

Prior to the Commencement of Construction of the Building, and throughout the entire period of construction until substantial completion of the Building pursuant to section 4.2, the Lessee will effect or will cause its contractor or contractors to effect and maintain in full force the following insurance coverage:

- (a) wrap-up liability insurance with limits of not less than Five Million Dollars (\$5,000,000), or such other amount as the Lessor and the Commission may require from time to time, per occurrence, issued in the joint names of the Lessee, the Lessor, the Commission, the Lessee's contractors, any subcontractors and their respective Personnel, protecting them against claims for bodily injury, death or property damage or other third party or public liability claims arising from any accident or occurrence upon, in or about the Lands from any cause, including the risks occasioned by the construction of the Building; and
- (b) all-risk course of construction insurance issued in the joint names of the Lessee, the Lessor and the Commission, protecting them from all loss or damage of or to the Building and all fixtures, equipment, improvements and building materials on

the Lands from time to time, both during and after construction (but which may be by different policies effected from time to time covering the risk during different phases of construction of the Building, provided that at no time will the Building be uninsured) against fire, earthquake, flood and all other perils from time to time customarily included in the usual all-risks builders' risk form of policy applicable to similar properties during construction and effected in the province of British Columbia by prudent owners, and such other perils as the Lessor or the Commission may reasonably require to be insured against, to the full replacement value thereof at all times.

9.2 Commercial General Liability Insurance

The Lessee will effect and keep in force commercial general liability insurance with limits of not less than Five Million Dollars (\$5,000,000), or such other amount as the Lessor and the Commission may require from time to time, per occurrence, against public liability claims for bodily injury, death and property damage (including loss of use) arising from the Lessee's use and occupancy of the Building and from any occurrence or accident on the Lands or Building. Such insurance will be written on an occurrence basis and will provide for blanket contractual liability, including liability assumed by the Lessee under this Lease. The policy will also contain a cross liability or severability of interests clause and will name the Lessor, the Commission and their respective Personnel as additional insureds with respect to third party claims arising out of the Lessee's operations pursuant to this Lease.

9.3 All Risk Property, Pressure Vessel and Rental Income Insurance

Immediately following substantial completion of the Building and at all times thereafter during the Term, the Lessee will effect and maintain property insurance in the joint names of the Lessor, the Commission and the Mortgagee (if any) as their interests may appear, to the full replacement value of the Building and fixtures on the Lands, protecting them against "All Perils" of loss or damage including flood, sewer backup and earthquake, and will include:

- (a) rental income insurance in an amount equal to the maximum annual rental income of the Building pursuant to the Operating Agreement; and
- (b) boilers and pressure vessels, protecting against usual and unusual perils, including damage caused by rupture of steam pipes.

The policies described in this section 9.3 will contain a clause directing insurers to make losses payable to the Lessee, the Lessor, the Commission and the Mortgagee as their interests may appear.

9.4 Insurance – Additional Provisions

The following provisions will apply to all policies of insurance which are referred to in this Article 9:

- (a) the policies will be primary and non-contributing with respect to any policy or self-insured fund otherwise held or established on behalf of the Lessor or the Commission;

- (c) each policy will be written on a form acceptable to the Lessor and the Commission and with insurers licensed to do business in the province of British Columbia and acceptable to the Lessor and the Commission;
- (d) any deductible amounts applying to a claim against a policy will be of an amount approved by the Lessor and the Commission;
- (e) each policy will contain a clause requiring that the insurers provide to the Lessor and the Commission a minimum of sixty (60) days prior written notice of any cancellation (except for cancellation resulting from non-payment of premiums, in which case applicable statutory provisions will apply); and
- (f) all premiums and deductibles required under said policies will be paid by the Lessee to the insurers and proof of such payment will be submitted to the Lessor and the Commission.

In addition to the notification obligations of the insurers required by section 9.4(e), the Lessee will provide to the Lessor and the Commission a minimum of sixty (60) days prior written notice of any cancellation, lapse or material change resulting in reduction of coverage, either in whole or in part, in respect of any of the policies of insurance which are referred to in this Article 9.

Prior to the Lease Commencement Date the Lessee will provide the Lessor and the Commission with evidence of all insurance required to be taken out pursuant to this Lease, in the form of one or more detailed certificates of insurance, in such form(s) and contents as the Lessor and the Commission requests. Each certificate of insurance must identify the Lease number, policy holder and subject matter, and must not contain any disclaimer. If the Lessee fails to restore, reconstruct or replace the loss or damage in respect of which the insurance monies were paid to the Trustee within a reasonable time, the Lessor and the Commission will be entitled to effect such restoration, reconstruction or replacement and the Trustee will pay such insurance monies to the Lessor or the Commission in the same manner that the Trustee would have done had the Lesse effected such restoration, reconstruction or replacement.

The Lessee will immediately notify the Lessor and the Commission of any dispute involving third parties that arises in connection with obtaining and maintaining the workers compensation insurance coverage required hereby if such dispute results or may result in the required insurance coverage not being in place, and the Lessee will take all reasonable steps to ensure resolution of such dispute forthwith. The Lessee will further ensure that no amount payable pursuant to the WCA is left unpaid so as to create a lien on the Lands or the Building. Notwithstanding the foregoing, with the prior written consent of the Lessor, a contractor hired by the

Lessee to perform work on the Lands on its behalf may be designated as the Prime Contractor instead of the Lessee.

provided however that the Commission hereby assigns such refund to all Mortgagees, if any, and such refund will be paid by the Lessor to such Mortgagees in the same priority as registration of their Mortgages, if any;

(e) Notwithstanding anything contained herein, in the event the Lessee terminates this Lease in accordance with this section 10.5, this section will nevertheless survive such termination and remain in full force and effect and be binding upon

the parties and their respective successors and assigns so long as any obligations of the parties under this section 10.5 or any part thereof remains unperformed; and

 - (i) firstly, to reimburse the Lessee for all costs and expenses necessarily incurred by the Lessee in the demolition and removal of the Building and all foundations and debris from the Lands and the restoration of the Lands as aforesaid;

amount payable = (balance of insurance monies) x (days remaining in the Term \div total days in Term),

provided however that any amount payable to the Lessee will be paid directly to the Commission;

(c) If this Lease is terminated pursuant to this section 10.6, then upon the Lessee, substantially completing the work required by section 10.6(b), the Lessor will

forthwith refund to the Commission a portion of the Basic Rent payable pursuant to this Lease, calculated as follows:

amount payable = (Basic Rent) x (days remaining in the Term as of the date of substantial completion of such work \div total days in the Term),

The Lessor and the Lessee agree that it will be lawful for representatives of the Lessor and the Commission to enter the Lands and the Building at all reasonable times during the Term and to examine the condition thereof. If the Lessor or the Commission determines that any of the repairs described in section 7.2 are required, notice of such required repairs will be given by the Commission or the Lessor to the Lessee, and the Lessee will within thirty (30) days after every such notice, or such longer period as provided in section 18.1(d), repair and make good accordingly.

11.2 Exhibition by Lessor

During the final year of the Term, the Lessor will be entitled to display upon the Lands the usual signs advertising the Lands and Building as being available for purchase or lease, provided such signs are displayed in such a manner as not to unreasonably interfere with the Lessee's use and enjoyment of the Lands and the Building.

The Lessee covenants to competently and faithfully observe and comply with all laws, bylaws and lawful orders which apply to the Lands and the Building or the Lessee's occupation of or activities on the Lands or in the Building, and to not use or occupy or permit to be used or occupied the Lands or the Building or any part thereof for any illegal or unlawful purpose or in any manner which would result in the cancellation or threatened cancellation of any insurance, or in the refusal of any insurer to issue any insurance as requested. If any law, bylaw or lawful order is directed at or places a duty or obligation upon the Lessor, then the same will be performed and observed by the Lessee, at its cost, in the place and stead of the Lessor.

ARTICLE 13 RIGHTS OF LESSOR AND LESSEE

- (b) each of the Lessee, the Lessor and the Commission acknowledges and agrees that it will not modify or replace the Air Space Parcel Charges without the prior written consent of the other parties; however, if any of the Air Space Parcel Charges contemplate future modification or replacement, if requested by the Lessor, the Lessee covenants with the Lessor that the Lessee will consent to such modification or replacement and perform the Lessor's obligations contained therein;
- (c) if the Lessor is obligated to pay the holders of the Air Space Parcel Charges for the value of any work or service benefiting the Lands and Building, the Lessee covenants with the Lessor to reimburse the Lessor for such amounts as Additional Rent, on demand; and
- (d) the Lessee covenants with the Lessor and the Commission, which will, at their option, be deemed to have an interest in all actions and arbitrations concerning the rights and obligations arising from the Air Space Parcel Charges, to promptly provide the Lessor and the Commission with written notice of all such actions and arbitrations and, if necessary, the Lessee covenants to consent to the Lessor and/or the Commission becoming a party to such actions or arbitrations. If the Lesser or the Commission may only be a party in the name of the Lessor, the Lessor covenants to permit such standing by the Lessee and the Commission in the Lessor's name.

ARTICLE 14 EXCLUSION OF LIABILITY AND INDEMNITY

14.2 Exclusion of Liability

Notwithstanding section 14.1, neither the Lessor nor the Commission nor their respective Personnel or contractors will be liable for:

- (a) consequential, business, economic or indirect loss or damage of any nature whatsoever, however caused, which may be suffered or sustained by the Lessee or any other person who may be in or about the Lands or the Building; or

- 14.3 Indemnification

The Lessee hereby agrees to indemnify and save harmless the Lessor, the Commission and their respective Personnel and contractors from and against all Losses which the Lessor, the Commission or their respective Personnel or contractors may suffer or incur arising out of, or in any way connected with, or that would not or could not be made or incurred but for this Lease; provided, however, that such indemnity will not apply to the extent, if any, to which such Losses directly result from the respective negligence of the Lessor, the Commission or their respective Personnel or contractors, as the case may be. Without derogating from the generality of the foregoing, the Lessee agrees to indemnify and save harmless the Lessor, the Commission and their respective Personnel and contractors in respect of all Losses:

14.5 Indemnity Exemption for PRHC

None of the provisions of the Lease which require the Lessee to indemnify the Lessor or the Commission will apply if PRHC is the Lessee under this Lease. However, upon the request of the Lessor, the Commission agrees to apply to the Minister of Finance to allow the Commission or PRHC to grant such indemnities, and the Commission will use its best efforts to obtain the necessary consent so as to grant such indemnities to the Lessor.

ARTICLE 15 SUBLETTING AND ASSIGNING

15.1 Subletting and Assigning by Lessee

The Lessee will not sublease, assign, transfer, sell or encumber the Lease or enter into any agreement for the purpose of sub-leasing, assignment, transferring, selling or encumbering the Lease, the Building or the Lands, except as expressly permitted in this Lease, or with the prior written consent of the Lessor and the Commission, which consent the Lessor and the Commission may arbitrarily withhold; provided, however, that if the Lessee is PRHC, the Corporation or a Mortgagee which is an Approved Lender, the Lessor and the Commission will not unreasonably withhold their consent. The Lessee may sublet or grant licences or other rights to occupy or use any part of the Building to:

- (a) Eligible Occupants; or
- (b) staff and other personnel authorized by the Lessor and the Commission who are required to operate and maintain the Building and the Lands for the purposes of this Lease and who are bona fide employees of the Lessee.

15.3 Where Mortgagee is Approved Lender, Commission or Corporation

If a Mortgagee which is an Approved Lender, the Commission or the Corporation takes an assignment of the rents payable to the Lessee by holders of occupation rights granted by the Lessee pursuant to section 15.1, the Lessee is permitted to enter into such assignment of rents, without the consent of the Lessor or the Commission, as collateral or additional security for an Insured Loan, if such Mortgagee has registered that assignment in the Land Title Office as a charge against the interest of the Lessee in the Lands and the Building or any part thereof. The Lessor agrees that such an assignment of rents will have priority over any similar assignment of those particular rents granted to the Lessor by this Lease.

ARTICLE 16 MORTGAGE

16.1 Mortgaging by Lessee

The Lessee may mortgage its leasehold interest in the Lands and the Building only with the prior written consent of the Lessor, which consent may not be unreasonably withheld, and the Commission, which consent may be arbitrarily withheld. Notwithstanding any such Mortgage, the Lessee will be and remain liable for the payment of all Basic Rent and Additional Rent, and the performance of all of its obligations set out in this Lease.

16.2 Tripartite Agreement

At the request of the Mortgagee, the Lessor will execute and deliver to the Mortgagee an agreement among the Lessee, the Lessor and the Mortgagee, or between the Lessor and the Mortgagee, which will be binding and enforceable against the Lessee (if a party thereto), the Lessor and the Mortgagee and their successors and assigns, whereby the Lessor will agree with the Mortgagee to afford to the Mortgagee the rights and remedies afforded to Mortgagees under this Lease.

ARTICLE 17 BANKRUPTCY OF LESSEE

17.1 Bankruptcy of Lessee

Subject to the provisions of section 18.2(c), if the Term is at any time seized or taken in execution by any creditor of the Lessee, or if the Lessee makes a general assignment for the benefit of creditors, or institutes proceedings to subject itself to the *Winding-up and Restructuring Act* (Canada) or to be adjudicated a bankrupt or insolvent, or consents to the institution of bankruptcy or insolvency proceedings against it, or files an application or petition or answer or consent seeking reorganization or readjustment of the Lessee under the *Bankruptcy and Insolvency Act* (Canada) or the *Companies' Creditors Arrangement Act* (Canada) or any law of Canada or any province thereof relating to bankruptcy or insolvency, or consents to the filing of any such application or petition, or consents to the appointment of a receiver, or if the Lessee or its directors pass any resolution authorizing the dissolution or winding-up of the property of the Lessee is

ARTICLE 18 DEFAULT BY LESSEE

18.1 Re-entry on Certain Defaults by Lessee

The Lessee, the Lessor and the Commission agree that, subject to the provisions of sections 18.2 and 23.1, if and whenever:

- (a) Basic Rent or any part thereof is not paid on the day appointed for payment thereof; or
- (b) the Lessee defaults in payment of Additional Rent or any other sums required to be paid to the Lessor or the Commission by any provision of this Lease, and such default continues for thirty (30) days following any specific due date on which the Lessee is to make such payment or, in the absence of such specific due date, for thirty (30) days following notice by the Lessor or the Commission requiring the Lessee to pay the same; or
- (c) the Building is abandoned or remains vacant for more than thirty (30) days; or
- (d) the Lessee defaults in performing or observing any of its other covenants or obligations under this Lease, or any contingency occurs which by the terms of this Lease constitutes a breach hereof or confers upon the Lessor the right to re-enter or forfeit or terminate this Lease, and the Lessor has given to the Lessee notice of such default or the happening of such contingency, and if at the expiration of forty-five (45) days after the giving of such notice the default or contingency continues to exist, or in the case of a default or contingency which cannot with due diligence be cured within the period of forty-five (45) days aforesaid, if the Lessee does not commence the rectification of such default or contingency within the said forty-five (45) day notice period and thereafter promptly and diligently and continuously proceed with such rectification; or
- (e) this Lease expires or is forfeited or terminated pursuant to any other provision contained herein, including, without restricting the generality of the foregoing, the termination of this Lease pursuant to the provisions of sections 4.3 or 10.5,

then and in every such case, it will be lawful for the Lessor at any time thereafter without notice or demand, with or without process of law and by forced entry if necessary, to enter into and upon the Lands and the Building, or part thereof in the name of the whole, and, if this Lease has not already expired or been forfeited or terminated, to terminate this Lease by leaving upon the Lands notice in writing of such termination. If the Lessor terminates this Lease pursuant to this section 18.1, or otherwise as a result of default of the Lessee, or if the Lessee has forfeited this Lease, the Lessee will be liable to the Lessor for the rents and all other amounts to be paid and the covenants to be performed by the Lessee up to the date of such termination or forfeiture.

18.2 Notice to and Remedies of Mortgagee

The following provisions will apply with respect to any Mortgagee:

- (a) no re-entry, termination or forfeiture of this Lease by the Lessor will be valid against the Mortgagee who has filed with the Lessor a notice of Mortgage and specified an address for notice in accordance with Article 25, unless the Lessor has first given to the Mortgagee written notice of the default or contingency entitling the Lessor to re-enter, terminate or forfeit this Lease, specifying the nature of that default or contingency, and stating the Lessor's intention to take such proceedings and requiring the Mortgagee:
 - (i) to cure the default or contingency specified in the notice within a period of sixty (60) days from the date of receipt of that notice by the Mortgagee; or
 - (ii) if the default or contingency is other than the failure to pay Basic Rent or Additional Rent or any other sums required to be paid to the Lessor by any provision of this Lease, and if the default or contingency cannot reasonably be cured within such sixty (60) day period, then to immediately commence to cure the same and to diligently prosecute to conclusion all acts necessary to cure the default or contingency,

and the Lessor hereby grants the Mortgagee access to the Lands and the Building for that purpose. If the default or contingency is cured within the period specified, or in the circumstances referred to in 18.2(a)(ii), if cured within a reasonable period, the Mortgagee will be entitled to continue as tenant for the balance of the Term remaining at the date of the notice of default or contingency providing that the Mortgagee attorns as tenant to the Lessor and undertakes to be bound by and to perform and observe all of the Lessee's obligations, covenants and agreements under this Lease until such Mortgagee as tenant assigns its leasehold estate as permitted by this Lease and delivers to the Lessor an agreement from the assignee which is enforceable and binding on the assignee and its heirs, executors, successors, administrators and assigns as of the date of the assignment and by which the assignee agrees with the Lessor to attorn as tenant to the Lessor and to be bound by and to perform and observe all of the Lessee's obligations, covenants and agreements under this Lease. If the Mortgagee consists of more than one mortgagee, each having a separate charge upon the Lessee's interest in this Lease, and more than one of them wishes to cure the default or contingency specified in the notice aforesaid, then the Lessor hereby agrees to permit curing of the default or contingency specified as aforesaid by that Mortgagee that is willing to cure the default or contingency and attorn as tenant as aforesaid and whose charge ranks in priority over the charge or charges held by the other Mortgagee or Mortgagees willing to cure and attorn as aforesaid, except that in the event that any Mortgagee has commenced a foreclosure action, the provisions of section 18.2(b) will apply;

- (b) in the event the Mortgagee commences foreclosure proceedings against the Lessee, whether or not the Lessee is in default of the performance of its covenants and agreements with the Lessor under this Lease at the time such foreclosure proceedings are commenced, the Lessor will not re-enter, terminate or forfeit this Lease after the commencement of foreclosure proceedings on the ground of any default or contingency entitling the Lessor to re-enter, terminate or forfeit this Lease if the Mortgagee:
 - (i) has given to the Lessor notice of the foreclosure proceedings;
 - (ii) is actively prosecuting the foreclosure proceedings;
 - (iii) except for the bankruptcy or insolvency of the Lessee, which will be governed by section 18.2(c), cures the default or contingency within a period of sixty (60) days from the date of receipt of notice from the Lessor specifying the nature of the default or contingency, or if the default or contingency is other than the failure to pay Basic Rent or Additional Rent or any other sums required to be paid to the Lessor by any provision of this Lease and if such default or contingency cannot reasonably be cured within such sixty (60) day period, immediately commences to cure the same and to diligently prosecute to conclusion all acts necessary to cure the default or contingency; and
 - (iv) performs and observes all of the Lessee's covenants and agreements under this Lease, except for any obligation to cure the bankruptcy or insolvency of the Lessee and except for the obligations of the Lessee which the Mortgagee is exempt from pursuant to the terms of this Lease, and without undue delay diligently prosecutes to a conclusion the foreclosure proceedings commenced by the Mortgagee;

provided, however, that if the Mortgagee is an Approved Lender, the Corporation or the Commission, the curing of the default or contingency may be delayed until the earlier of the date of the assignment of this Lease to a third party or an Approved Lender, the Corporation or the Commission acquiring the Lessee's interest in this Lease. In the event that the Mortgagee acquires the Lessee's interest in the Lands and Building pursuant to the foreclosure proceedings, the Mortgagee will thereupon become subrogated to the rights of the Lessee under this Lease, provided it attorns to the Lessor as tenant and undertakes to be bound by and perform the covenants and agreements of this Lease until such Mortgagee as Lessee assigns its leasehold estate as permitted by this Lease and delivers to the Lessor an agreement from the assignee which is enforceable and binding on the assignee and its heirs, executors, successors, administrators and assigns as of the date of the assignment and by which the assignee agrees with the Lessor to attorn as tenant to the Lessor and to be bound by and to perform the covenants and agreements of this Lease. If the Mortgagee consists of more than one mortgagee and more than one of them commences foreclosure proceedings, the right to cure any default or contingency granted by this section 18.2(b) to a foreclosing Mortgagee will be deemed granted to them in the order of priority of the charges held by the foreclosing mortgagees;

- (c) if this Lease is subject to termination or forfeiture pursuant to Article 17 by reason of the bankruptcy or insolvency of the Lessee and the Mortgagee has filed with the Lessor a notice of Mortgage in favour of the Mortgagee and specified an address for notice in accordance with Article 25, the Lessor will give to the Mortgagee notice of the bankruptcy or insolvency of the Lessee entitling the Lessor to terminate or forfeit this Lease and stating the Lessor's intention to take such proceedings and requiring the Mortgagee to cure the Lessee default under this Lease (except for the bankruptcy or insolvency of the Lessee), and the Lessee's default will be deemed to have been sufficiently cured if the Mortgagee will:
 - take possession and control of the Lands and Building, or cause a receiver to be appointed under the terms of the Mortgagee's charge or by a court of competent jurisdiction, which receiver will take possession and control of the Lands and Building, and the Lessor hereby grants the Mortgagee or such receiver access to the Lands and Building for that purpose;
 - (ii) cure every default under this Lease (except for the bankruptcy or insolvency of the Lessee) within a period of sixty (60) days from the date of receipt by the Mortgagee of the notice from the Lessor of the bankruptcy or insolvency of the Lessee, or if such default or defaults are other than the failure to pay Basic Rent or Additional Rent or any other sums required to be paid to the Lessor by any provision of this Lease and if such default or defaults cannot reasonably be cured within such sixty (60) day period, immediately commence to cure the same and to diligently prosecute to conclusion all acts necessary to cure such default or defaults; provided, however, that if the Mortgagee is an Approved Lender, the Commission or the Corporation, the curing of the default or contingency may be delayed until the earlier of the date of the assignment of this Lease to a third party or an Approved Lender, the Corporation acquiring the Lessee's interest in this Lease; and
 - (iii) subject to the right of an Approved Lender, the Commission or the Corporation to delay the curing of the default or contingency as set out in section 18.2(c)(ii), attorn as tenant to the Lessor and undertake to observe, be bound by and perform the obligations, covenants and agreements of the Lessee under this Lease until such Mortgagee, as tenant, assigns its leasehold estate as permitted under this Lease and delivers to the Lessor an agreement from the assignee which is enforceable and binding on the assignee and its heirs, executors, successors, administrators and assigns as of the date of the assignment and by which the assignee agrees with the Lessor to attorn as tenant to the Lessor and to observe, be bound by and

perform the obligations, covenants and agreements of the Lessee under this Lease.

If the Mortgagee consists of more than one mortgagee, the right to take possession and control, to cure any default and to assume the Lease as aforesaid will be deemed granted to them in the order of the priority of their respective charges;

- (d) any re-entry, termination or forfeiture of this Lease made in accordance with the provisions of this Lease as against the Lessee will be valid and effectual against the Lessee even though made subject to the rights of any Mortgagee to cure any default of the Lessee and to continue as tenant under this Lease; and
- (e) no entry upon the Lands or into the Building by the Mortgagee for the purpose of curing any default of the Lessee will release or impair the continuing obligations of the Lessee.

18.3 Change of Use

If the Lessee, by foreclosure or otherwise, acquires or intends to assign or sublet an interest in the Lands, the Lessee, assignee or subtenant will not be obliged to observe or perform the Lessee's obligations under section 6.1 but will otherwise comply with all the Lessee's other obligations under this Lease. If the Lessee, assignee or subtenant elects not to use and occupy the Lands for the use set out in section 6.1 and commences to use and occupy the Lands for another use, the Basic Rent will be adjusted, from time to time, to reflect the fair rental value of the Lands, without reference to the Improvements thereon, given the use to which the Lands is put, from time to time. If the parties cannot agree on the Basic Rent or the dates when the Basic Rent is to be adjusted, the Basic Rent and/or adjustment dates will be settled by arbitration pursuant to ARTICLE 19.

18.4 Remedies of Lessor and the Commission are Cumulative

The remedies of the Lessor and the Commission specified in this Lease are cumulative and are in addition to any remedies that the Lessor and the Commission may have at law or equity. No remedy will be deemed to be exclusive, and the Lessor and the Commission may from time to time have recourse to one or more or all of the available remedies specified herein, or at law or equity. In addition to any other remedies provided in this Lease, the Lessor and the Commission will be entitled to restrain by injunction any violation or attempted or threatened violation by the Lessee of any of the covenants or agreements contained herein.

18.5 Waiver by Lessor and Commission

The failure of the Lessor or the Commission to insist upon the strict performance of any covenant or agreement contained in this Lease will not waive such covenant or agreement, and the waiver by the Lessor or the Commission of any breach of any covenant or agreement of the Lessee under this Lease will not constitute a waiver of such covenant or agreement in respect of any other breach. The receipt and acceptance by the Lessor of rent or other monies due hereunder with knowledge of any breach of any

covenant or agreement by the Lessee will not constitute a waiver of such breach. No waiver by the Lessor or the Commission will be effective unless made in writing.

ARTICLE 19 ARBITRATION

19.1 Arbitration

If a disagreement arises pursuant to sections 4.3, 4.6, or 6.1, the same will be settled by arbitration. The arbitration will be conducted by a single arbitrator chosen by the Commission which arbitrator will be at arm's length from the Commission. The costs and expenses of the reference and award will be dealt with as follows:

- (a) each party will bear its own expense of preparing and presenting its case to the arbitrator, irrespective of whether any such expense was incurred or contracted for prior to the election for arbitration, including the expenses of appraisals, witnesses and legal representation; and
- (b) the fees of the arbitrator will be shared by the parties equally.

The *Commercial Arbitration Act* (British Columbia) will apply with respect to the arbitration. If an Approved Lender or the Corporation holds a Mortgage of the Lessee's leasehold interest in the Lands and Building, any notice of a dispute given under this section by one of the parties to the others will be given at the same time to such Mortgagee, if it has specified an address for notice, and such Mortgagee so notified will be given a reasonable opportunity by the parties to participate in the arbitration proceedings if it considers such proceedings may affect the Mortgage security.

ARTICLE 20

SURRENDER OF LEASE

20.1 Surrender of Lease

At the termination or expiration of the Term, whether by forfeiture, default or lapse of time, the Lessee will surrender the Lands and Building to the Lessor in the condition in which they were required to be kept by the Lessee pursuant to the provisions of this Lease, including, without restricting the generality of the foregoing, the provisions of sections 10.5(c) and 10.6(b), except as herein otherwise expressly provided.

ARTICLE 21

QUIET ENJOYMENT, OWNERSHIP OF TENANTS' FIXTURES AND OWNERSHIP OF BUILDING

21.1 Covenant for Quiet Enjoyment

Subject always to the Lessor's and the Commission's rights herein, and subject always to the Permitted Encumbrances as extended or modified from time to time, if the Lessee pays the rent hereby reserved and all other amounts payable hereunder, and observes and performs all of the obligations, covenants and agreements of the Lessee herein contained, the Lessee may peaceably enjoy and possess the Lands for the Term, without any interruption or disturbance whatsoever from the Lessor or any other person, firm or corporation lawfully claiming through, from or under the Lessor, provided however that the enforcement by the Lessor, in its capacity as a municipality, of laws, bylaws and orders that touch and concern the Lands and Building will not be a breach of the Lessor's covenant set forth in this section 21.1.

21.2 Ownership of Tenant's Fixtures

The Lessee may confer upon tenants or occupants of the Building the right of property in, or the right to remove, fixtures or improvements which are of the nature of usual tenants' fixtures and normally removable by tenants, and which are not part of the Building or the Lands. The Lessee will make good, or will cause such tenants to make good, any damage to the Building caused by any removal of the tenants' fixtures.

21.3 Ownership of Building

The Building will become the absolute property of the Lessor, free and clear of all liens, charges, encumbrances, equities or claims of any kind or nature whatsoever, save and except for the Permitted Encumbrances, upon the expiration or earlier termination of the Term or any permitted period of overholding, except as provided in Article 10, but will be deemed, as between the Lessor and the Lessee during the Term, to be the separate property of the Lessee and not of the Lessor but subject to and governed by all the provisions of this Lease, provided always that the Lessor's absolute right of property in the Building, which will arise at the expiration or earlier termination of the Term or any permitted period of overholding, will take priority over any other interest in the Building that may now or hereafter be created by the Lessee without the prior written consent of the Lessor, and provided that all dealings by the Lessee with the Building which in any way affect title thereto will be made expressly subject to this right of the Lessor and the Lessee will not assign, encumber or otherwise deal with the Building separately from any permitted dealing with the leasehold interest under this Lease, to the intent that no person will hold or enjoy any interest in this Lease acquired from the Lessee who does not at the same time hold a like interest in the Building.

ARTICLE 22 OVERHOLDING

22.1 Overholding

The Lessee covenants and agrees with the Lessor that if the Lessee will hold over and the Lessor will accept rent after the expiration of the Term, the new tenancy thereby created will be a tenancy from month to month and not a tenancy from year to year and will be subject to the covenants and conditions herein contained so far as the same are applicable to a tenancy from month to month, provided however that the monthly Basic Rent payable by the Lessee will be the then market rental value of the Lands and the Building as determined from time to time in the bona fide opinion of the Lessor's Director of Housing and Properties or his or her successor in function, and such monthly Basic Rent

will be paid in advance. The Lessee will also pay monthly as Additional Rent one-twelfth of the then current sum described in section 3.1 or 3.2 hereof, as the case may be.

ARTICLE 23 ADDITIONAL RIGHTS OF THE COMMISSION

23.1 Notice to Commission

Unless otherwise agreed in writing by the Commission and unless failure of the Lessor to act in the circumstances would result in an emergency situation, the Lessor may not exercise any of its rights which arise as a result of a default by the Lessee under this Lease until ninety (90) days (the "Notice Period") after receipt by the Commission of written notice describing the Lessee's default.

If at the expiration of the Notice Period:

- (a) the Commission has not cured such default; or
- (b) the Commission has not given the Lessor a notice in writing (the "Attornment Notice") advising the Lessor that the Commission or its nominee will attorn as tenant under this Lease; or
- (c) the Commission has not entered into a new Operating Agreement with a new Operator;

then the Lessor will be at liberty to proceed to exercise any of the powers given to it under this Lease.

Upon receipt of the Attornment Notice the Lessor will enter into the necessary agreement with the Commission or its nominee allowing them to attorn as tenant under the Lease.

23.2 Rights of Commission Not Limited

The Lessee and the Lessor agree that the rights given to the Commission pursuant to Article 23 are not to be construed in any manner whatsoever so as to limit or otherwise prejudice the rights of the Commission as against the Lessee under any Operating Agreement or any other agreement between the Commission and the Lessee or the Commission and the Lessor.

23.3 Commission May Perform Obligations of Lessee

Where the Commission chooses to perform an obligation of the Lessee under this Lease in order to avoid forfeiture, the Lessor will accept that performance as if the same had been performed by the Lessee.

ARTICLE 24 ENVIRONMENTAL MATTERS

24.1 Definitions

For the purposes of this Article 24:

- (a) "Contaminants" mean any pollutants, contaminants, deleterious substances, underground or aboveground tanks, asbestos materials, urea formaldehyde, dangerous substances or goods, hazardous, corrosive or toxic substances, special waste or waste of any kind or any other substance which is now or hereafter prohibited, controlled or subject to Environmental Laws; and
- (b) "Environmental Laws" means any statutes, laws, regulations, orders, bylaws, standards, guidelines, permits and other lawful requirements of any governmental authority having jurisdiction over the Lands or Building, now or hereafter in force and relating in any way to the environment, health, occupational health and safety, product liability or transportation of dangerous goods, and includes the principles of common law and equity.
- 24.2 Lessee's Covenants and Indemnity

The Lessee covenants and agrees as follows:

- (a) not to use or permit to be used all or any part of the Lands or Building for the sale, storage, manufacture, disposal, handling, treatment, use or any other dealing with Contaminants, without the prior written consent of the Lessor, which consent may be arbitrarily or unreasonably withheld;
- (b) to strictly comply, and cause all persons for whom it is at law responsible to comply, with all Environmental Laws regarding the use and occupancy of the Lands and Building;
- (c) to promptly provide to the Lessor a copy of any environmental site investigation, assessment, audit or report relating to the Lands or Building and conducted by or for the Lessee at any time before, during or after the Term, or any renewal or extension thereof. The Lessee hereby waives the requirement for the Lessor to provide a site profile for the Lands pursuant to the *Environmental Management Act* (British Columbia), any regulations enacted pursuant thereto, or any similar or successor legislation;
- (d) to promptly provide to the Lessor on request such written authorizations as the Lessor may require from time to time to make inquiries of any governmental authorities regarding the Lessee's compliance with Environmental Laws;
- (e) to promptly notify the Lessor in writing of the existence or release of any Contaminant on, in or under the Lands or Building or of any other occurrence or condition at the Lands or any adjacent property that could contaminate the Lands or the Building or result in the non-compliance of the Lands or Building with

Environmental Laws, or subject the Lessor or Lessee to any fines, penalties, orders, investigations or proceedings under Environmental Laws;

- (f) on the expiry or earlier termination of this Lease, or at any time if requested by the Lessor or required pursuant to Environmental Laws, to remove from the Lands and Building all Contaminants, and to remediate any contamination of the Lands or any adjacent or other affected property resulting from Contaminants, in either case brought onto, used at, created upon or released from the Lands by the Lessee or any person for whom the Lessee is at law responsible. The Lessee will perform these obligations promptly at its own cost and in accordance with Environmental Laws. All such Contaminants will remain the property of the Lessee, notwithstanding any rule of law or other provision of this Lease to the contrary and notwithstanding their degree of affixation to the Lands or Building; and
- (g) without limiting the generality of Article 14, to indemnify the Lessor, the Commission, PRHC and their respective Personnel and contractors from any and all Losses (including the cost of remediation of the Lands and Building and any other affected property) arising from or in connection with:
 - (i) any breach of or non-compliance with the provisions of this Article 24 by the Lessee; or
 - (ii) the release or alleged release of any Contaminants at or from the Lands related to or as a result of the use and occupation of the Lands and Building by, or any act or omission of, the Lessee or any person for whom the Lessee is responsible at law.

The obligations of the Lessee under this Article 24 will survive the expiry or earlier termination of this Lease, and the obligations of the Lessee under this Article 24 are in addition to, and will not limit, the other obligations of the Lessee under this Lease.

From: City Clerk

Subject: Regional District of Central Okanagan Starling Control Program Service Area Establishment Bylaw

Report Prepared by: S. Horning, FOI-Legislative Coordinator

Recommendation:

THAT the City of Kelowna hereby consents to the Regional District adopting Regional District of Central Okanagan Starling Control Program Grant Service Establishment Bylaw No. 1393.

Purpose:

To seek Council's consent for the Regional District to continue the Starling Control Program in the Central Okanagan.

Background:

In 2010 and 2013, the Regional Board approved support for the starling control program managed by the BC Grapegrowers' Association, and each time adopted an establishment bylaw for a 3-year period. Support for the program was contingent upon both the North Okanagan and Okanagan Similkameen Regional Districts providing a minimum of \$25,000 in funding. Both regional districts approved support for the service and adopted establishment bylaws with no end date. Regional District staff is recommending that the Central Okanagan adopt an establishment bylaw with no end date as well.

The participating partners in the Central Okanagan's bylaw are the City of Kelowna, District of Peachland and District of Lake Country. Central Okanagan West and Central Okanagan East Electoral Areas provide their support through their electoral area grant in aid fund. In addition, over the past six (6) years, the City of West Kelowna has provided their apportionment of funding directly to the BC Grapegrowers' Association. Consent for the new bylaw is being sought by the Regional District from all municipalities and electoral areas.

The new establishment bylaw provides the option for participating partners to withdraw from the service by providing at least a 16-month notice in writing prior to September 1st in any given year. This would allow the Regional Board time to consider the merits of continuing the service, and should that not occur, the Regional Board could provide sufficient notice to the BC Grapegrowers' Association and the other regional districts that the funding would be ending the following year.

The Regional Board gave the Regional District of Central Okanagan's Starling Control Program Grant Service Establishment Bylaw No. 1393, first and second readings at its regular board meeting on October 13, 2016. A copy of the Regional District's Bylaw No. 1393 is attached hereto. Once municipal consent is received, the Bylaw will go back to the Regional Board for third reading and forwarded to the Inspector of Municipalities for approval.

Legal/Statutory Authority:

Local Government Act, Section 338.

Legal/Statutory Procedural Requirements:

Establishment bylaw must be adopted prior to the end of December.

Financial/Budgetary Considerations:

The maximum financial contribution to the BC Grapegrowers' Association is \$25,000. Administrative overhead at the lowest level is added in accordance with the RDCO policy. In 2016, the rate was 4.9%. The Bylaw is written as 'the maximum amount that may be requisitioned annually for the service shall not exceed \$30,000".

The apportionment of funding, including overhead, in the 2016 budget is as follows:

- City of Kelowna \$17,855
- District of Lake Country \$1,922
- District of Peachland \$837

٠	Centr	al Okanag	an West El	ectoral Ar	ea - \$612	
	-				A	A

• Central Okanagan East Electoral Area - \$543 = \$21,769

(Cost sharing is on the basis of assessed values by area.)

City of West Kelowna's contribution was \$4,284	+	4,284
	Total:	<u>\$26,053</u>

The Starling Control program has been in place for several years and there are no budgetary concerns from the City of Kelowna's perspective.

Recommendation:

That Council receives, for information, the Report from the Manager, Real Estate Services dated October 24, 2016, recommending that Council adopt the proposed road closure of road adjacent to 4075 McClain Road;

AND THAT Bylaw No. 11301 being proposed closure of road adjacent to 4075 McClain Road, be forwarded for reading consideration.

Purpose:

To close a 3,172 sq. m. portion of unused roadway adjacent to 4075 McClain Road.

Background:

The proposed 3,172 sq. m. road closure area is unconstructed and, due to severe topographical challenges, has limited future ability to serve as a vehicular connection between McClain Road and McCulloch Road. A utility right of way over the closed roadway to protect existing utility services, a highway reserve/right of way for a future turn around at the new terminus of McClain Road, as well as a highway reserve over a 2,294 sq. m. portion of 4062 McClain Road to accommodate the future extension of Carter Road will be required.
