Leo Mariotto, Applicant Representative

- Spoke to the original Development Permit and noted it was based on a bylaw from 1976.
- Previous bylaw had zero requirement for bicycles; parking issues would be alleviated with bike stalls.
- Parking stall size requirements will be in compliance with the current bylaw.
- Not asking for a relaxation on the number of parking stalls, only asking for this project to be the same as those in the surrounding area.
- Responded to questions from Council.

There were no further comments.
