DATA & TECH COMMUNITY

Key milestones...

- ▶ February 15 - Design lab (workshop)
- ▶ March 1 - Final challenge statement refined
- ▶ April 24 - Application due

An aerial photograph of a city, likely Victoria, British Columbia, Canada. The city is nestled between a large body of water (the harbor) and a range of mountains. The foreground shows a lush green park area with trees and a path. The middle ground is filled with residential and commercial buildings, including several high-rise apartment complexes. The background features a range of mountains under a blue sky with scattered clouds. The text is overlaid on the lower left portion of the image.
