

Report to Council

Date: February 5, 2018
File: 0605-15
To: City Manager
From: Sam Samaddar, Airport Director
Subject: Kelowna International Airport Initial Discussion of Soaring Beyond 2.5 Million Passengers AIF Capital Development Program
Report Prepared by: Toni McQueenie, Airport Administration Manager

Recommendation:

THAT COUNCIL receive for information the report of the Airport Director dated February 5, 2018 with respect to the Soaring Beyond 2.5 Million Passengers airport improvement fee capital development program.

Purpose:

To obtain Council's input on the Soaring Beyond 2.5 Million Passengers airport improvement fee capital development program including the preliminary design for the future expansion of the airport terminal building.

Background:

During this meeting, Council will be provided with an update as set out in Appendix A on how the issues identified and feedback received as a part of the 2045 Master Plan have been used to develop the Soaring Beyond 2.5 Million Passenger airport improvement fee capital development program. This meeting will focus on schematic design development of the terminal expansion and will highlight stakeholder feedback received to date, major planning blocks and phasing and how the 2045 Master Plan recommendations are being captured in the design program.
