Subject: 200-2600 Enterprise Way (LL18-0022)

I support the application for a primary liquor license for this facility. It's a good clean business where people can go to have some fun in an interactive environment and keep our golfers active during the winter.....and provide another way for people to be active and to train throughout the year.

Subject: Writing in support for a liquor licence for Simplex 200-2600 Enterprise Way (LL18-0022)

I am writing this email to support Simplex in its application for a liquor licence. This business exudes professionalism and the liquor licence would allow patrons to enjoy a beverage while they enjoy using the sporting golf simulators much like they would at any of the golf courses in town.

The business is clean with ample space to consume alcohol without affecting other parties that may be there as well.

I am in full support of this application. Thank you for reading.
