Subject: Development Variance Permit DVP18-0147

Hello Stephen,

I like to express my opposition to the proposed **Development Variance Permit DVP18-0147**.

As an owner of property in The Royal Kelowna located at 1288 Water St, Kelowna, BC V1Y 9P4 I feel this variance to allow for a very large electronic sign would have a detrimental effect on my property value, access and overall property appeal.

Regards,

Steve
