AND THAT the Rezoning Bylaw be forwarded to a Public Hearing for further consideration;

AND THAT final adoption of the Rezoning Bylaw be considered subsequent to the outstanding conditions of approval as set out in Schedule "A" attached to the Report from the Community Planning Department dated June 28, 2018;

AND FURTHER THAT final adoption of the Rezoning Bylaw be considered in conjunction with Council's consideration of a Development Permit and Development Variance Permit for the subject property.

## 2.0 Purpose

To rezone the subject property from RU6 – Two Dwelling Housing to RM5 – Medium Density Multiple Housing to facilitate the development of apartment housing.

### 3.0 Community Planning

Community Planning supports the proposed rezoning from RU6 – Two Dwelling Housing to RM5 – Multiple Unit Residential (Medium Density) to facilitate the development of apartment housing. The RM5 zone is consistent with the Official Community Plan (OCP) Future Land Use of MRM – Multiple Unit Residential (Medium Density); and the building form is consistent with the RM5 zone. The proposed rezoning meets the OCP Urban Policy of Compact Urban Form – increasing density on fully serviced lots.

Should Council support the proposed rezoning, Staff will bring forward a Development Permit and Development Variance Permit for Council consideration.

### 4.0 Proposal

#### 4.1 Background

The subject property has a duplex on it that will be demolished as a function of this development. This is the first redevelopment application on Hein Rd.

#### 4.2 Project Description

The proposed development is a 4 ½ storey 24-unit apartment building with a combination of parkade and surface parking. Currently, Staff are tracking a variance to parking stall ratio and site coverage.
