To: City Manager

From: Community Planning Department (JR/CB)

Application: LUCT 18-0004 **Owner:** Steven and Adele Williams
Gerald Bugera and Sandra Cooney

Address: 3308 & 3318 Slater Road **Applicant:** The City of Kelowna

Subject: Land Use Contract Termination (LUC 76-1033)

Existing OCP Designation: REP – Resource Protection Area

Existing Zone: A1 – Agriculture 1

1.0 Recommendation

WHEREAS the BC Provincial Government has mandated that all Land Use Contracts under the jurisdiction of a local government and in the Province of British Columbia be terminated by 2024;

AND WHEREAS the BC Provincial Government has provided a legislated process for the early termination of land use contracts when the local government has adopted a zoning bylaw that will apply to the land at the time the termination bylaw comes into force;

THEREFORE, BE IT RESOLVED THAT as the underlying A1 – Agriculture 1 zone in the City of Kelowna Zoning Bylaw No. 8000 applies to the subject property under Land Use Contract LUC76-1033;

THAT Application No. LUCT18-000 to terminate LUC76-1033 from Lot 1, Section 28, Township 23, ODYD, Plan 27206, located on 3308 Slater Road, Kelowna, BC, and Lot B Section 28 Township 28 ODYD Plan 25331 Except Plan 27206, located on 3318 Slater Road, Kelowna, BC, be considered by Council;

AND FURTHER THAT the Land Use Contract Termination Bylaw be forwarded to a Public Hearing for further consideration.

2.0 Purpose

To consider an application for the early termination of Land Use Contract LUC76-1033 and revert the subject properties to the underlying A1 – Agriculture 1 zone.

3.0 Community Planning

Staff are bringing forth and are recommending this Land Use Contract (LUC76-1033) be terminated for the subject properties. The current LUC affects 2 properties, 3308 and 3318 Slater Road. The Land Use Contract currently restricts the use to single family residential and allows the lot to be serviced with water from a well located on the adjacent lands.

The underlying zoning (A1 – Agriculture 1) fits with the established neighbourhood and is an appropriate zone for the existing land use. The Land Use Contract uses and regulations fit within the A1 – Agriculture 1 zone however, the new zone does permit more uses (e.g. secondary suite)

4.0 Proposal

4.1 Background

Land Use Contracts were a tool regularly used in the 1970's before it was eliminated on November 15th 1978. The purpose of the tool was to allow local governments to arrive at agreements with specific developers to grant development rights over and above what was allowed under current zoning. This was typically done in exchange for commitments by developers to help finance the infrastructure costs of development.

Issues have arisen, specifically with the continued application of land use contracts as they supersede any subsequent bylaw dealing with land use and development including: Zoning Bylaws, Development Cost Charge Bylaws, and Development Permits. The Local Government Act was amended in 2014 stating all land use contracts in the province will be terminated as of June 30th 2024. Land use contracts will remain in force until that date unless terminated early by the municipality. By June 20th 2022, local governments must have appropriate zoning regulations in place to replace land use contracts upon their termination. However, LUC terminations (unlike LUC discharges) do not initially apply when Council adopts the bylaw. Terminations require a one-year grace period as outlined by the Local Government Act before the LUC is removed and the underlying zone comes into effect.

4.2 Notification

Local governments must provide notice to each owner that the termination of land use contract is occurring and must provide notice of what the new zoning regulations apply to the land. The municipality will send additional letters after the bylaw(s) are adopted for further information. The Land Title Office will notify owners after the one-year grace period is complete to inform the property owners of which land use regulations apply to their property(ies).

Staff are not providing notification signage on the subject properties as per the Council approved Land Use Contract Termination Strategy. Notification signage was not recommended as: Land Use Contract Terminations are a City initiative, could involve hundreds of properties, and the elimination is mandated by the Local Government Act. Staff have mailed notification to all properties affected by the LUC under consideration for termination.

4.3 Site Context

The subject properties are designated REP – Resource Protection Area in the Official Community Plan and the surrounding area is agriculture.

Specifically, adjacent land uses are as follows:

Orientation	Zoning	Land Use
North	A1 – Agriculture 1	Agriculture - Farming
East	A1 – Agriculture 1	Agriculture - Farming
South	A1 – Agriculture 1	Agriculture - Farming
West	A1 – Agriculture 1	Agriculture - Farming
