AND THAT final adoption of the Rezoning Bylaw be considered subsequent to the approval of the Ministry of Transportation and Infrastructure;

AND FURTHER THAT if the Rezoning Bylaw is adopted, Council direct Staff to send a recommendation to the British Columbia Liquor and Cannabis Regulation Branch that they support issuance of a non-medical cannabis retail store license for this legal lot with the following comments:

- The proposed location meets local government bylaw requirements and as such, no negative impact is anticipated;
- The views of the residents were captured during a public hearing process for the rezoning of the property and Council meeting minutes summarizing those views are attached; and

- Local government recommends that the application be approved because of compliance with local regulations and policies.

2.0 Purpose

To rezone the subject property from C₄ and C₄rls to C₄rcs and C₄rls/rcs to facilitate the development of a retail cannabis sales establishment.

3.0 Development Planning

Development Planning Staff recommend support for the rezoning application to allow for a retail cannabis sales establishment on the subject property. This application was received prior to the close of the first intake of retail cannabis sales establishment applications on November 30, 2018. As such, it was evaluated in accordance with a Council-endorsed process and was selected, through a lottery process, to move forward with the City's standard rezoning process, established in the Development Application Procedures Bylaw. This application received a score of 63.57, and the overall average overall score of all applications evaluated was 69.53.

Should Council support the proposed Rezoning Bylaw, the property would be rezoned to a retail cannabis sales subzone, and Staff would send a recommendation to the British Columbia Liquor and Cannabis Regulation Branch indicating support for issuance of a non-medical cannabis retail store for this property.

The application meets Zoning Bylaw No. 8000 and no variances are being requested. Further, the applicant has confirmed the completion of public notification in accordance with Council Policy No. 367.
