1.0 Recommendation

WHEREAS the BC Provincial Government has mandated that all Land Use Contracts under the jurisdiction of a local government and in the Province of British Columbia be terminated by 2024;

AND WHEREAS the BC Provincial Government has provided a legislated process for the early termination of land use contracts when the local government has adopted a zoning bylaw that will apply to the land at the time the termination bylaw comes into force;

THEREFORE, BE IT RESOLVED THAT as the underlying A1 – Agriculture 1 zone for the subject properties under Land Use Contract LUC76-1035 outlined in 'Schedule A' does not meet the land use requirements under City of Kelowna Zoning Bylaw No. 8000;

THAT Application No. LUCT19-0001 to terminate LUC76-1035 from properties identified in 'Schedule A', located on Bartholomew Court and Crawford Road, Kelowna, BC, be considered by Council;

AND THAT Rezoning Application No. Z19-0074 to amend the City of Kelowna Zoning Bylaw No. 8000 by changing the zoning classification for properties identified in 'Schedule B', located on Bartholomew Court, Kelowna, BC from the A1 – Agriculture 1 zone to RU1 – Large Lot Housing be considered by Council;

AND THAT Rezoning Application No. Z19-0074 to amend the City of Kelowna Zoning Bylaw No. 8000 by changing the zoning classification for properties identified in 'Schedule C', located on Bartholomew Court and Crawford Road, Kelowna, BC from the A1 – Agriculture 1 zone to RR2 – Rural Residential 2 be considered by Council;

AND THAT the Land Use Contract Termination Bylaw be forwarded to a Public Hearing for further consideration;

AND FURTHER THAT Council, in accordance with the *Local Government Act* s.464(2), waive the Public Hearing for Zoning Bylaw No. 11873.

2.0 Purpose

To consider an application for the early termination of Land Use Contract LUC76-1035 and rezone the parcels to the RU1 – Large Lot Housing and RR2 – Rural Residential 2 zones as identified in 'Schedule A, B and C'.

3.0 Development Planning

Staff are bringing forth and recommending this Land Use Contract (LUC 76-1035) be terminated and for the subject properties to be rezoned. The underlying zoning (A1 – Agriculture 1) does not fit within the established neighbourhood and is not appropriate to support the existing land use. Staff are proposing to adopt the adjacent RU1 – Large Lot Housing zone to the subject properties identified in Schedule 'B'. In addition, staff are proposing to also adopt the adjacent RR2 – Rural Residential 2 zone for the subject properties identified in Schedule 'C'. Two rezonings are required as there are two different lot sizes located on Bartholomew Court and Crawford Road.

RU1 Properties (Refer to Schedule 'B')

RR2 Properties (Refer to Schedule 'C')

The existing Land Use Contract (LUC) affects 13 properties on Bartholomew Court and 1 property on Crawford Road, and currently restricts the use to one single family residential dwelling per lot. The Land Use Contract uses and regulations fit within the RU1 and RR2 zones however, the new zones do not allow for agri-tourism (agriculture in general), animal clinics, forestry, kennels and stables, and wineries and cideries.

4.0 Proposal

4.1 Background

Land Use Contracts were a tool regularly used in the 1970's before it was eliminated on November 15th 1978. The purpose of the tool was to allow local governments to arrive at agreements with specific developers to grant development rights over and above what was allowed under current zoning. This was typically done in exchange for commitments by developers to help finance the infrastructure costs of development.

Issues have arisen, specifically with the continued application of land use contracts as they supersede any subsequent bylaw dealing with land use and development including: Zoning Bylaws, Development Cost Charge Bylaws, and Development Permits. The Local Government Act was amended in 2014 stating all land use contracts in the province will be terminated as of June 30th 2024. Land use contracts will remain in force until that date unless terminated early by the municipality. By June 20th 2022, local governments must have appropriate zoning regulations in place to replace land use contracts upon their termination. However, LUC terminations (unlike LUC discharges) do not apply when Council adopts the bylaw. Terminations require a one-year grace period as outlined by the Local Government Act.

4.2 Notification

Local governments must provide notice to each owner that the termination of land use contract is occurring and must provide notice of what the new zoning regulations apply to the land. The municipality must send additional letters after the one-year grace period is complete informing the property owners of which land use regulations apply to their properties.

Staff are recommending Council Notification Policy #367 including early notification and development signage be waived for all Land Use Contract terminations. Public consultation in this case is not recommended as the notification policy is a City initiative. Staff are suggesting the standard development notification, as outlined above, be sent to properties affected by the LUC under consideration for termination.

4.3 Site Context

The subject properties have a total area of 43,635 m² and are located on Bartholomew Court and Crawford Road. The properties are designated S2RES – Single / Two Unit Residential in the Official Community Plan and the surrounding area is residential subdivision and agriculture.

Specifically, adjacent land uses are as follows:

Orientation	Zoning	Land Use
North	A1 – Agriculture 1	Farming
East	RR2 – Rural Residential 2	Residential Subdivision
South	A1 – Agriculture 1	Farming
West	RU1 – Large Lot Housing	Residential Subdivision
