Bachelder Construction

**Attention: John Bachelder**

Dear Sir,

**RE: ASBESTOS ABATEMENT ~ 409 Park Ave.  
Kelowna, B.C.**

Let this letter serve as acknowledgement that Grayhawk Industries has removed (and disposed of) identified asbestos containing materials from the above noted building. Materials were identified in the supplied Pre-Renovation Hazardous Materials Survey dated December 14, 2019. The abatement work was completed on March 4 – 18, 2019. Furthermore, asbestos materials were abated under guidelines as specified by WorkSafe BC.

## **Materials Removed**

- Drywall – Throughout
- Plaster – Throughout
- Vermiculite – Attic
- Duct Wrap - Crawlspace

Please contact the undersigned, should you have any questions.

Yours truly,

**GRAYHAWK INDUSTRIES LTD.**

Brent Carlin  
Project Manager
