

# MANAGEMENT PLAN

**FILE #** 3402739  
**DID #:** 924978  
**PURPOSE:** Water intake and all the associated works.  
**LEGAL DESCRIPTION:** Block A, District Lot 1720A and 5246, Osoyoos Division Yale District and containing 17.40 hectares.

The infrastructure at this location includes an access road, power line, buildings, spillway, water intake, and settling ponds, as illustrated on Page 2 of this Management Plan.

Any future alterations or additions to the improvements will require our prior written consent.

Any structures impounding water must comply with applicable bylaws and regulations including the Dam Safety Regulation under the *Water Sustainability Act*.

This document supersedes any earlier Management Plans. The signature of the Province's authorized representative is solely for the purpose of acknowledging the Province's acceptance of this document as the Management Plan for community and institutional purposes and does not represent a certification by the Province or its signatory of any factual content or acceptance of professional responsibility by the Province's signatory for any advice or analysis contained in this document.
