

Kelowna International Airport 2016 ALC Exclusion Application
Property B Photos
(PID 011-510-544)

Photo 4 taken from the midpoint of Property B's East property line. Photo is South facing with Old Vernon Road shown on the left of the photo. The fence in the distance is the fence line between Properties B and C. The buildings in the distance are on Property C.

Photo 5 taken from the midpoint of Property B's East property line. Photo is South-West facing. The fence in the distance is the fence line between Properties B and C. The buildings in the distance are on Property C.

Photo 6 taken from the mid-point of Property B's East property line. Photo is West-South-West facing. The fence in the distance is the fence line between Properties B and C. The building in the distance is on Property C. The trees in the upper right corner of the photo are a part of Shadow Ridge Golf Course. The pavement slightly in front of those trees is the runway for Kelowna International Airport.

Photo 7 taken from the midpoint of Property B's East property line. Photo is West facing. The trees in the distance are on the knoll present on Property B. The trees in the upper left hand corner of the photo are a part of Shadow Ridge Golf Course. The pavement slightly in front of these trees is the runway for Kelowna International Airport. The building structure just behind the grass in the right corner of the photo is the terminal building for Kelowna International Airport.

Photo 8 is taken from the midpoint of Property B's East property line. Photo is North-West facing. The trees on the left side of the photo are on the knoll present on Property B. The buildings and planes in the background are a part of Kelowna International Airport. The trees in the distance on the right hand side of the photo are a part of the Dog Park that is North of Property B.

Photo 9 taken from the midpoint of Property B's East property line. Photo is North-North-West facing. The buildings on the left hand side of the photo are a part of Kelowna International Airport. The trees in the middle of the photo are a part of the Dog Park that is North of Property B. The tall building towards the top and in the middle of the photo is NAV Canada's tower which directs traffic for Kelowna International Airport. The road on the right hand side of the photo is Old Vernon Road.

Panoramic Photo 10 taken from the top of the knoll on Property B. Photo pans from South facing on the left to North facing on the right. The dirt road on the left hand side is just on the other side of the property line between Properties B and C. Planes in the middle of the photo are Convairs, which are not flight-ready and are being stored. The patch of trees above and slightly to the left of the planes is Shadow Ridge Golf Course. The cement strip between the planes and Shadow Ridge Golf Course is the runway for Kelowna International Airport. The buildings in the West and North-West direction are Kelowna International Airport. The trees on the very far right of the picture, in behind the knoll, are a part of the Dog Park that is North of Property B.
