Photo 11 is taken from the top of the knoll on Property B. Photo is South-East facing. The road in behind the structures is Old Vernon Road. The dirt road along the fence is on Property C. The fence in the foreground is the property line between Properties B and C. All structures in the Photo are on Property C. The rounded structure with the brown roof is completely enclosed and is used for storage. The white structure in the foreground is open air on the other side and is not currently being used. The rounded white structure with tan trim is open air on the Old Vernon Road side and is used for storage. The house shown on the right hand side of the photo is currently being rented to a tenant. Property C slopes downward from East to West, as shown in the photo.

Photo 12 is taken from the top of the knoll on Property B. This Photo is South facing. The fence in the foreground is on the property line between Properties B and C. The dirt road in the foreground is on Property C. The fence in the background is the Southern property line of Property D. The vehicle in the background is on the polo fields that are South of Property D.

Photo 13 is taken from the top of the knoll on Property B. This Photo is South-West facing. The dirt road in the foreground is on Property C and is just South of the property line that Property B and C share. The fence in the foreground does not depict a property line. The fence in the background on the left hand side of the photo is the Southern property line of Property D. The polo fields are on the Southern side of this property line. The fence that is in the background on the right hand side of the photo is the Western property line of Properties C and D. The trees in the upper right hand corner of the photo are a part of Shadow Ridge Golf Course. The structures between the fence with white signs on it and Shadow Ridge Golf Course are a part of Kelowna International Airport's Instrument Landing System. The pavement in the upper right hand corner of the photo, in front of the Shadow Ridge Golf Course, is the Southern end of the runway for Kelowna International Airport.

Photo 14 is a panoramic photo of Properties B, C and D. The photo is taken close to the North-West corner of Property C and pans from North-East to South-West. On the left hand side of the photo is the knoll on Property B. The dirt road is just to the South of the property line between Properties B and C. This dirt road leads to Old Vernon Road. The four buildings to the right of the dirt road are on Property C. The fence on the right hand-side of the photo is the property line between Properties C/D and the Federal lands that Kelowna International Airport is on.

Photo 15 is a panoramic photo of Properties B, C and D. The photo is taken close to the South-East corner of Property C and pans from South on the left to North on the right. The fence on the left side of the photo is the property line between Properties C/D and the polo fields. The group of trees in the middle of the photo are Shadow Ridge Golf Course. The planes and structures towards the right of the photo are a part of Kelowna International Airport. The knoll on the right hand side of the photo is the knoll on Property B. The structures on the far right of the photo are on Property C.
