Pacific Avenue Rentals – Anagram Properties

Sub-Rezone Application for RM-6-r

Existing DP: DP17-0296 & DVP17-0297

Existing BP: BP 61090

MQN Architects have been engaged to complete a sub-rezone of this project to the recently created Rental suffix. The sub-rezone application is in response to concerns discussed between the client and the City of Kelowna regarding the Car Share agreement related to the existing development permit. The proposed sub-rezone would bring the parking requirements in alignment with the City of Kelowna's revised Section 08 – Parking and Loading in the Zoning Bylaw and would no longer require the car share as part of the project.

The project is currently under construction and the intent of this revision is to be processed while construction continues. The project is not seeking any changes from the approved DP & BP for form and character and the parking counts and bicycle parking revisions are entirely within the parking level of the building.

The table on the following page provides a synopsis of the parking requirements and the number of stalls required. The attached RZ-01 drawing sheet also shows the layout of the parking stalls and bicycle parking.

Regards,

Roger Green
