

Performance Security Policy Modernization and Replacement

January 18 2021

Council Policy 160, Background

- ▶ Was new in 1986 and last updated in 2010
- ▶ City practices have evolved
- ▶ Development Engineering, have a current practice but no supporting Policy

Council Policy 160, Discussion

- ▶ ***Modernize*** content to current ***best practices***
- ▶ ***Include*** Development Engineering security practices
- ▶ Move to ***City Administrative Policy*** Instead of Council Policy to empower staff to make operational adjustments more simply
