2.0 Purpose

To rezone the subject property from the C10 – Service Commercial zone to the C10rcs – Service Commercial (Retail Cannabis Sales) zone to facilitate a retail cannabis sales establishment.

3.0 Development Planning

Development Planning recommends support for the proposed rezoning to the C10- Service Commercial (Retail Cannabis Sales) zone to allow a retail cannabis sales establishment on the subject property. This proposal is consistent with the Future Land Use Designation of SC – Service Commercial in the Official Community Plan.

This proposal complies with Zoning Bylaw No. 8000 regulations in relation to minimum distances between stores and there are no variances or text amendments being requested. Currently, the nearest retail cannabis sales establishment to this property is located at 1675-1677 Commerce Ave, which is over 500 metres away.

Should Council adopt the proposed rezoning bylaw, the property would be rezoned to allow a retail cannabis sales establishment. Development Planning Staff would send a recommendation to the British Columbia Liquor and Cannabis Regulation Branch indicating support for issuance of a non-medical cannabis retail store license for this property.
