

CITY OF KELOWNA

MEMORANDUM

Date: January 14, 2016

File No.: Z15-0060

To: Community Planning (RR)

From: Development Engineering Manager (SM)

Subject: 1280 Wilmot Avenue A1, RU1, RU1H to RU1H

Development Engineering has the following comments and requirements associated with this application.

1. General

Utility service improvements are triggered by this rezoning application. The Development Engineering division will defer servicing requirements including storm drainage, water and sewer servicing to Subdivision Application S15-0089 for this property. The cost of required service installations will be paid by the applicant.

Steve Muenz, P. Eng.
Development Engineering Manager
