

DRAFT RESOLUTION

Re: Council Tour of the H2O Adventure + Fitness Centre and Parkinson Recreation Centre

THAT a portion of the Regular AM Council Meeting scheduled for Monday May 9, 2022 be at a location other than City Hall Council Chamber, being the H2O Adventure + Fitness Centre – 4075 Gordon Drive, and the Parkinson Recreation Centre – 1800 Parkinson Way, Kelowna BC starting at 9:00 am.

BACKGROUND:

A Council tour of the H2O Adventure + Fitness Centre and Parkinson Recreation Centre is arranged as part of Council's decision-making process for the re-development of the Kelowna Community Campus/Parkinson Recreation Centre. The tour itself is considered a Council meeting since a quorum of Council members will be participating, and the information received is part of their decision-making process for this initiative.

The tours will not be broadcast due to privacy concerns. A report will be presented at a future Monday PM Meeting.
