Purpose of proposed tree cutting:

QUALIFIED PROFESSIONAL ARBORIST

Contact Name:	Arborist Certification Number:
Company Name:	Phone:

ARBORIST ASSESSMENT(copy this page if needed for additional trees)

Description of tree proposed to be removed	
Tree Species:	
Size (Diameter at Breast Height):	
Describe what factors indicate tree health is failing or why the tree is a safety hazard:	
Are tree branches/roots being impacted by buildings or other structures/utilities/paving?	
Tree Replacement Plan	
Arborist – please consider:	
<ul style="list-style-type: none"> - Is the tree to be removed part of a stand of trees that provide support and wind protection? - Will removal create an adverse impact such as danger of flooding, erosion, land slip or contamination of watercourses? 	
Indicate on air photo where replacement tree(s) will be planted to mitigate this impact.	
Can the tree trunk be retained for slope/stream bank protection and wildlife habitat? Y / N <i>(retained trunks may reduce the number of replacement trees required)</i>	
Replacement Tree Description Tree Species: Size:	Replacement Tree Description Tree Species: Size:
<p>Two (2) replacement trees are required for each tree removed unless other equitable compensation arrangements are approved by the City of Kelowna. At least one of the replacement trees must be of the same type (i.e. either a coniferous or deciduous tree) as the tree type being removed. The minimum size of replacement trees shall be 3.0 m (10 feet) in height for conifers and 80 mm (3.2 inches) diameter at breast height (DBH) for deciduous species.</p> <p>Replacement trees should not be planted in summer (mid-June to mid-August). New trees are most likely to survive if planted in the fall or spring. Replacement trees must be watered for the first 2-3 years. After successful establishment additional watering should not be needed.</p>	

Applicant initial	Required Item
	Air photo with: - tree to be cut circled - replacement tree locations marked with an 'X'
	Replacement Plan Cost Estimate (copy of quote or invoice)
	Security Bond - If replacement delayed to next planting season, 125% of the replacement planting cost must be submitted in the form of a cheque or letter of credit: \$_____

APPLICANT CONFIRMATION

I have attached to this application the required plans and rationale of the proposed tree cutting in accordance with the application checklist. **I accept responsibility for processing delays caused by incorrect or insufficient submission materials.**

I understand that this application form is a public document and that any and all information contained in it, including personal information as that term is defined in the Freedom of Information and Protection of Privacy Act of B.C., is open for inspection by the public and may be reproduced and distributed to the public as part of a report(s) to Council or for purposes of a public hearing. Any questions regarding this collection should be directed to the Director of Planning & Development Services, 1435 Water Street, Kelowna.

I confirm that all required information has been provided and that the statements made are true and correct.
