

CITY OF KELOWNA

BYLAW NO. 12420

Development Cost Charge Bylaw

WHEREAS a local government may, by bylaw, impose development cost charges;

AND WHEREAS development cost charges may be imposed for the purpose of providing funds to assist the municipality in paying the capital cost of providing, constructing, altering, or expanding sewage, water, drainage and highway facilities, other than off-street parking facilities and providing parkland and improving parkland, to serve directly or indirectly, the development in respect of which the charges are imposed;

AND WHEREAS the Council of the City of Kelowna has considered the matters referred to in section 564(4) of the Local Government Act;

AND WHEREAS in the opinion of the Council, the charges imposed by this Bylaw are related to capital costs attributable to projects included in the City's financial plan, and projects consistent with the City's Official Community Plan.

PART 3 – IMPOSITION OF DEVELOPMENT COST CHARGES

- 3.1 Development Cost Charges for the purpose of providing funds to assist with each of the services set out in Schedule A, attached to and forming part of this bylaw, including providing and improving parkland, are hereby imposed on every person who obtains:
- (a) approval of a subdivision creating at least one additional **Single Residential Lot**, or
 - (b) a building permit for any additional **Residential Dwelling Unit(s)**, or any additional **floor area** for a **Commercial, Light Industrial, Institutional A** or **Institutional B** use
 - (c) a building permit involving additional **Site Area** for **Heavy Industrial** or **Seasonal Agricultural Industrial** uses.
- 3.2 Development Cost Charges imposed under section 3.1(a) must be paid before the approval of the subdivision plan, and Development Cost Charges under section 3.1(b) must be paid before the building permit is issued.

PART 4 – CALCULATION OF APPLICABLE CHARGES

- 4.1 The amount of development cost charges payable shall be calculated in accordance with Schedule A, as follows:
- (a) in the case of a subdivision, development cost charges for each of the services shown in Schedule A shall be the product of the number of additional **Lots** times the relevant amounts for the use in question, all as shown in Schedule A,
 - (b) in the case of a building permit for additional **Floor Area**, development cost charges shall be the product of the total **Floor Area** shown in the building permit plans, in square metres, times the relevant amounts for the use in question, all as shown in Schedule A,

(c) in the case of a building permit involving additional **Site Area**, development cost charges shall be the product of the **Site Area** shown in the building permit plans, in hectares, times the relevant amounts for the use in question, all as shown in Schedule A.

4.2 Despite section 3.1(b), if the total **Floor Area** shown in the building permit plans is 93 square metres or less, the development cost charges for that Floor Area shall be 93 times the relevant amounts shown in Schedule A.

4.3 Despite section 3.1(c), if the **Site Area** shown in the building permit plans is 0.405 hectare or less, the development cost charges for that Site Area shall be 0.405 times the relevant amounts shown in Schedule A.
