

Report to Council

Date: October 17, 2016
File: 0280-70
To: City Manager
From: Matt Friesen, Acting Revenue Manager
Subject: 2017 Permissive Tax Exemption Bylaw No. 11290

Recommendation:

THAT Council receives, for information, the Report from the Acting Revenue Manager dated October 17, 2016 with respect to the 2017 Permissive Tax Exemption Bylaw;

AND THAT Bylaw No. 11290, being the 2017 Permissive Tax Exemption Bylaw be forwarded for reading consideration.

Purpose:

Council to consider a property tax exemption for those organizations that have met the qualification as outlined in Permissive Tax Exemption Policy #327.

Background:

Section 224 of the Community Charter provides the authority for permissive tax exemptions. Council may exempt land and improvements in their entirety or a portion thereof for a period of up to 10 years. Authority to grant permissive tax exemptions is a policy tool available to council to promote or achieve specific goals. As a general rule when Council grants a permissive tax exemption on a specific property, that property is automatically exempted from municipal, school, regional district, hospital and BC Assessment taxes. The permissive tax exemption does not apply to utility fees such as garbage/landfill/recycle charges or to parcel taxes such as the Water Parcel tax.

Permissive Tax Exemption Policy #327, originally approved by Council in 2005 and endorsed again by Council in 2012, sets out the extent, conditions, and penalties, along with the general process and the eligibility criteria used by the City of Kelowna to determine property eligibility for Permissive Tax Exemptions.

There is no obligation on the part of Council to grant a permissive tax exemption in any year. Permissive tax exemptions that are granted in any year reduce the total value of the tax base for that year and thereby increase the burden of taxation to properties that are not exempt.

The process requires the completion of applications on a five year basis for places of worship, private schools and hospitals, with other non-profit organizations reapplying and being reconsidered annually. The year 2017 is the second in a five year cycle for places of worship, private schools and hospitals, so applications were only received from non-profit organizations over the summer of 2016.

All currently exempt applicants as well as new applicants were reviewed by staff in relation to Council Policy # 327 and the below recommendations represent the changes to the status of each applicant.

Legal/Statutory Authority:

Council may, by bylaw in accordance with sections 220, 224 and 225 of the Community Charter exempt land or improvements, or both, from taxation to the extent, for the period and subject to the conditions provided in the bylaw.

Legal/Statutory Procedural Requirements:

Under section 227 of the Community Charter Council must give notice of a proposed bylaw in accordance with section 94 [public notice must be once a week for 2 consecutive weeks prior], identifying the property that would be subject to the bylaw, describe the proposed exemption, state the number of years that the exemption may be provided and provide an estimate of the amount of taxes that would be imposed on the property if it were not exempt, for the year in which the proposed bylaw is to take effect and the following 2 years.

Under Division 7 - Permissive Exemptions of the Community Charter a bylaw may only be adopted by an affirmative vote of the majority of Council, and does not apply to taxation in a calendar year unless it comes into force on or before October 31 in the preceding year.

Existing Policy:

Permissive Tax Exemption Policy 327

Financial/Budgetary Considerations:

Tax exemptions are not financed through a budgetary line item in the same way as municipal spending, nor do they affect the amount that has to be raised through property taxes. Nevertheless, tax exemptions do impose a cost on taxpayers who are not exempt. Tax exemptions reduce the total value of the tax base (i.e. the taxable value of property). Therefore, tax exemptions transfer the burden of taxation from properties that are exempt to properties that are taxable. An increase in the value of tax exemptions increases the taxes paid by properties that are not tax exempt. Refer to Appendix A, 2017 Tax Exemptions Summary - General Exemption and Permissive Exemption - Municipal Tax Impact and Appendix B, 2017 Tax Exemptions Summary - Permissive Exemption - Municipal Tax Impact.

Council Policy

Permissive Tax Exemption Policy

APPROVED August 8, 2005

RESOLUTION: R375/10/04/26
REPLACING: R446/06/05/15; R759/05/08/08
DATE OF LAST REVIEW: April 2010

A. PREAMBLE

The City of Kelowna recognizes the significant value of volunteers, volunteer groups and agencies to the spiritual, educational, social, cultural, and physical well-being of the community. A permissive tax exemption is a means for Council to support organizations within the community that further Council's objective to enhance the quality of life while delivering services economically to the citizens of Kelowna.

The Permissive Tax Exemption Policy is intended to:

- Provide clarity, consistency and certainty to the municipality, the public and prospective applicants.

B. EXTENT, CONDITIONS, AND PENALTIES

1. Council may designate only a portion of land/improvements as exempted where the following circumstances exist:
 - a. A portion of the land/improvements is used by private sector and/or organization not meeting Council's exemption criteria.
 - b. The applicant already receives grant in aid from the municipality, provincial or federal government.
 - c. The applicant meets all eligibility criteria, however Council may at its discretion grant a partial exemption.
2. Council may impose conditions on the exempted land/improvements with the applicant organization, including but not limited to:
 - a. Registration of a covenant restricting use of the property
 - b. An agreement committing the organization to continue a specific service/program
 - c. An agreement committing the organization to have field/facilities open for public use for specific times or a total amount of time
 - d. An agreement committing the organization to offer use of the field/facility to certain groups free of charge or at reduced rates
 - e. An agreement committing the organization to immediately disclose any substantial increase in the organization's revenue or anticipated revenue (i.e. receives large operating grant from senior government)
3. Council may impose penalties on an exempted organization for knowingly breaching conditions of exemption, including but not limited to:

- a. Revoking exemption with notice
- b. Disqualifying any future application for exemption for specific time period
- c. Requiring repayment of monies equal to the foregone tax revenue.

C. PROCESS

Council will consider permissive tax exemption applications from Places of Worship, Private Schools and Hospitals for a period of up to 5 years. Other Non-Profit organizations will be considered annually.

The opportunity to apply for a permissive tax exemption will be advertised in the local newspaper once in the month of June. Application forms can be downloaded from the City of Kelowna website, or picked up at City Hall in the Revenue Branch of the Financial Services Department.

Application Forms

Places of Worship, Private Schools and Hospitals are required to complete the Place of Worship, Private School, and Hospital 5 Year Application. The City of Kelowna will administer these applications on a 5 year cycle. If the application is approved the organization will be exempt for the number of years remaining in the cycle. At the end of the 5 year cycle all organizations must complete an application for the next 5 years. It is the organization's responsibility to notify the City of Kelowna of any changes in property ownership and/or use of the property.

For example:

Application Period	Number of Years Exempt	Application Due Date
2011 – 2015	5 Years	July 15, 2010
2012 – 2015	4 Years	July 15, 2011
2013 – 2015	3 Years	July 15, 2012
2014 – 2015	2 Years	July 15, 2013
2015	1 Year	July 15, 2014

Other Non-Profit Organizations will be required to complete a Comprehensive Non-Profit Application. If the application is approved for the next tax year, the organization will be required to submit a short renewal application every year for the next 4 tax years. The renewal application is confirmation that ownership and use of property has not changed and will be reviewed and approved before a permissive tax exemption is granted.

The Place of Worship, Private Schools and Hospital applications and the Comprehensive Non-Profit applications must have the following information attached before consideration of a 5 year permissive tax exemption:

Copy of last Registered Charity Information Return or Non-Profit Organization Information Return submitted to the CCRA

Copy of most current Audited Financial Statements

Financial Budget (pro-forma Balance Sheet and Income Statement) for the current 12 months

Scale Drawing of Property, that includes buildings, parking lots, landscaping, playgrounds, fields, etc.

Copy of Lease Agreement if applicable

Applications with required supporting information must be submitted prior to July 15th of each year to be considered for the next permissive tax exemption year or cycle.

Additional Information

Council may request a presentation from applying organization.

The City of Kelowna may request additional information.

The City of Kelowna reserves the right to review records and/or property to verify information provided in support of

application.

Successful applicants may be asked to publicly acknowledge the exemption.

Council may, at its discretion, reject any or all applicants in any given year.

This policy does not apply to permissive tax exemptions for heritage revitalization, riparian, and other special exemption authority.

Eligibility Criteria

To be eligible for a permissive tax exemption an organization must comply with all of the eligibility criteria outlined below. The application forms and supporting documentation are an integral part of this policy. There is no obligation on the part of Council to grant permissive tax exemptions in any given year.

The applicant(s):

1. qualifies for an exemption under the provisions of the Community Charter, general authority for permissive exemptions. (Part 7, Division 7, Section 224).
2. and/or the property owner is in compliance with municipal policies, plans, bylaws, and regulations (i.e. business licensing, zoning).
3. is a Non-Profit Organization.

Tax exemptions will only be granted to organizations that are a Registered Charity or Non-Profit Organization.

The intent of this requirement is to ensure that municipal support is not used to further activities of an organization or individual that, if not for its not-for-profit status would otherwise be considered business, i.e. an organization that is operating as a Non-Profit; although it charges market value for services available, and would be comparable in operations and perception to public as a For Profit Business.

Non-profit organizations conducting retail and/or commercial activity and charging rates or fees at market value are considered to be in competition with for-profit businesses and will not be eligible for tax exemption.

4. provides services or programs that are compatible or complementary to those offered by the City of Kelowna. When a service or program is offered by a non-profit group or club, the Community may benefit from a more cost effective provision of services.

Services provided by an organization should fulfill some basic need, or otherwise improve the quality of life for residents of Kelowna.

5. principal use of property meets Council's objectives. The "principal use of the property" refers to the use related directly to the principal purpose of the organization **owning** the property.

Permissive tax exemptions will be based on the principal use of the property, not on the non-profit or charitable services of the organization.

6. will provide benefits and accessibility to the residents for Kelowna. Specifically, members of the public, within the appropriate age range, are able to join a club or organization and participate in its activities for a nominal rate or fee.

Kelowna residents must be the primary beneficiaries of the organization's services. The services provided on the property must be accessible to the public. Council may at its discretion provide partial exemptions.

7. that provide liquor and/or meal services as their primary function and/or source of revenue will not be eligible for permissive tax exemption.

CITY OF KELOWNA

COUNCIL POLICY NO. 327

Page 4 of 4

8. provides short term housing with length of stay up to a maximum of two years.

This would include: emergency shelters, transitional housing, supportive housing for people with special needs, and group homes.

9. that have a residence in the building or on the property will only be exempt if a caretaking function is performed and the property owner (organization) can provide a copy of an agreement demonstrating:
 1. rent is not collected on the residence, and
 2. there is a caretaker agreement in place.

Administration

The Revenue Branch in the Financial Services Department will review all applications for completeness and contact the applicant if additional information is necessary.

The Revenue Branch will prepare a summary report of applications and bylaw for presentation to Council the first week of October for approval and adoption prior to October 31st of each year.

A public notice will be placed in the local newspaper of proposed bylaw. The notice will include:

Property subject to bylaw

Description of the proposed exemption

Number of years the exemption will be provided

Estimate of the amount of taxes that would be imposed on the property if it were not exempt for the year of exemption and following 2 years.

Public notice will be in accordance with Section 94 of the Community Charter.

Places of Worship, Private Schools, and Hospitals that have been approved for permissive tax exemption will be exempt for up to 5 years.

All other Non-Profit Organizations that have been approved will be exempt for 1 year. To be considered for future years a renewal application must be submitted prior to July 15th of each year of the next 4 tax years. A comprehensive application must be submitted at least every 5 years.

Late Application

Applications received after the deadline for submission will be held until the next scheduled October presentation to Council that meets the application due date. Applicants may, at that time, request Council to consider a refund of the Municipal portion of taxes paid for the property to be exempted the following year.

REASON FOR POLICY

Provide clarity for permissive property tax exemption applications.

Ms. Lynn M Walter, CPA, CMA
Revenue Manager, City of Kelowna

cc. Mayor and Council

September 30, 2016

Dear Ms. Walter,

Thank you for your email. Please note there was no change in Arion from January 1 to August 31, 2016 which complies with the present policy and the property tax exemption which has been received for years. At least for that time period the exemption should clearly be granted, and I believe there are two other factors that should be considered to continue our qualification for property tax exemption indefinitely:

1. Currently the Arion Therapeutic Riding Association (ATRA) charity is utilizing most of the property, and we intend to maintain ATRA as a major leaseholder for the short and long-term.
2. The City of Kelowna's 2005 policy pre-dates the new innovative model of social enterprise, Community Contribution Companies (CCCs), which the Province of BC legalized in 2013. Before that date the only corporate models available were charities, non-profits and conventional businesses. CCC's are businesses with social objectives whose surpluses are principally reinvested for those community-oriented purposes.

Therefore I would like to request a review of the City of Kelowna policy to include the Province of BC's new CCC entity which indeed meets the standards and intentions set out by the City. For your consideration I have listed below the primary and secondary purposes of the Arion Therapeutic Farm Community CCC:

The primary community purposes of the Company are as follows:

- (a) To create a farm sanctuary with educational and wellness facilities offering specialized programs and events to visitors and residents;
- (b) To demonstrate compassionate animal husbandry techniques and well-designed habitat, as well as teach organic growing practices and nutrition;
- (c) To promote healing and mind-body-spirit wellbeing by providing visitors with the opportunity to interact directly with horses and other farm animals; and
- (d) To encourage the protection of the environment by maintaining an Environmental Farm Plan and spearheading creek stewardship and restoration initiatives.

The secondary purposes of the Company are as follows:

- (a) To improve and develop facilities on the existing farm parcel and potentially acquire other adjoining properties towards building agri-tourism attractions and an inclusive mixed-use community, with preference given to serving members with special needs;
- (b) To align with Agricultural Land Reserve objectives by transitioning substantial portions of the land to organic production and creating value-added crafted products;
- (c) To ensure that any new renovations, infrastructure and buildings meet high standards of green design and reflect a comprehensive "live, work, play and belong" concept;
- (d) To become a viable social enterprise by generating a diversity of revenue streams, such as memberships, admission fees, facility rentals, residential leases and visitor accommodation services;
- (e) To provide meaningful employment, volunteer and partnership opportunities; and
- (f) To work collaboratively with long-term leaseholders such as the Arion Therapeutic Riding Association (ATRA) to create an optimal experience and benefits for all concerned.

The preamble in the 2005 policy states: "The City of Kelowna recognizes the significant value of volunteers, volunteer groups and agencies to the spiritual, educational, social, cultural, and physical well-being of the community. A permissive tax exemption is a means for Council to support organizations within the community that further Council's objective to enhance the quality of life while delivering services economically to the citizens of Kelowna." This is still true of Arion Farm. This is the basis of which we won the Anita Tozer Award.

To summarize, the Arion Therapeutic Farm Community Contribution Company Ltd. was incorporated on September 1st, 2016. Up until this time (January 2016 – August 31, 2016) the lease between the ATRA Society and ourselves remained. We are currently drafting a new lease that ensures this valuable charity can be financially sustained on the property. This could only be achieved by creating a social enterprise that undertakes additional improvements and activities that complement the charity in a comprehensive vision.

I would like to appeal your decision to deny Arion tax exemption status, and I would be pleased to speak with Council regarding the request for the addition of the change in the policy. Thank you for your consideration of our special case.

Sincerely,

Heather Henderson
