Proposed Regulatory Changes for Second Dwellings in the ALR

Proposal

- ▶ To facilitate a discussion with Council regarding second residences in the Agricultural Land Reserve and review options to regulate based on Council Priorities.

Development Process

Legislation

- ▶ (2021) ALC regulation allows a secondary dwelling for select properties within the ALR.
 - ▶ For properties up to 40ha and have a principal dwelling that is less than 500m², a 90m² additional residence is permitted.
 - ▶ For properties that are over 40ha, a second residence up to 186m² is permitted. There are conditions associated with the size of the principal dwelling.
- ▶ Secondary dwelling can be a carriage house, garden suite, manufactured home or suite within existing accessory building.
- ▶ Intent is to allow owners to have short/long-term rental, agritourism, family or farm help. No longer required to be for immediate family members.

Parcels **less than 40 ha**

OR

Parcels **more than 40 ha**

Current Regulations

Adopted with Zoning Bylaw #12375

- One secondary suite (within the principal dwelling) or one carriage house/mobile home will be permitted on a property;
- The property must be 2 ha in size or greater;
- All secondary residences must be located within the designated and covenanted residential footprint area as per the OCP's Farm Protection DP Guidelines;
- The maximum floor area of the secondary residences is 90m² or 986ft²;
- The maximum size of the principal dwelling must be 500m² or less; and
- secondary residence could not be subdivided or strata titled

Farm Residential Footprint Covenant

- ▶ Staff require a Farm Residential Footprint covenant to be registered on Title.
 - ▶ This covenant area can be up to 2,000m² (0.2ha) for the principal dwelling and 1,000m² (0.1ha) for mobile home.
- ▶ This was introduced in-lieu of a Farm Development Permit with the intent to create a Homeplate.
- ▶ It is required for any new dwelling or addition over 30m².

Total Number of ALR Properties Affected

Property size	Number of properties
Less than 1 ha	617
1 ha to 40 ha	1296
> 2 ha (recommended minimum size for secondary residence)	1087
Greater than 40 ha	33

- ▶ There are 1,329 parcels in the ALR above 1 ha
- ▶ Many of these may also have homes over than 500m².

Potential Amendments

- ▶ Staff are proposing to align directly with the ALC Act and Regulations with the exception of the 1 ha minimum of the Okanagan Basin Water Board requirements. This would include the following regulations and restrictions:
 - Both one secondary suite (within the principal dwelling) and one carriage house/mobile home or suite within an accessory building will be permitted on a property;
 - The property must be 1 ha in size or greater;
 - All secondary residences must be located within the designated and covenanted residential footprint area as per the OCP's Farm Protection DP Guidelines;
 - The maximum floor area of the secondary residences is 90m² or 986ft² for properties under 40 ha in size;
 - The maximum floor area of the secondary residences is 186m² for properties over 40 ha in size;
 - The maximum size of the principal dwelling must be 500m² or less; and

- ▶ Staff are proposing to align secondary residential uses with the provincial regulations:
 - ▶ Allow for greater housing options and flexibility for property owners and agricultural producers;
 - ▶ Mitigate impacts through existing City policy, specifically the Farm Residential Footprint requirements;
 - ▶ Minimum lot size of 1ha helps to ensure OBWB guidelines met; and
 - ▶ Limited number of units anticipated. One permit has been issued in the first 8 months with an estimated 5-10 units in varying levels of the permitting process. |
