3.2 Accessibility Feedback - Community Communications, Christine Matte

Staff:

- Provided an overview of the communications work being provided to accessibility planning around the airport, transportation and access to the community in general.
- Spoke to the goals in the communication strategy around accessibility including ongoing content review to ensure accessibility.

- The upcoming national week of recognition, AccessAbility Week runs from May 26th to June 1st. The series of social posts being coordinated by the City were reviewed.
- Discussion ensued regarding content for community stories on the City website. Committee members Jeff Bourne and Beth Flynn expressed interest in working with Communications to develop story content.
- Feedback was provided by the Committee on the use of photography and accessibility in the community.
- The committee recommended that the opportunity to have the top viewed pages on the City website ASL accessible be considered.
- Discussion ensued on finding ways to highlight invisible disabilities and raise awareness.

3.3 Alternate Member

Staff:

- Provided an update on the need to consider an alternate member for the Committee to ensure quorum at future meetings.
- To review the intake of applications and advise the Committee of potential interest.
- The Committee expressed interest in representation from the community in relation to sight impairment as a beneficial voice on the Committee.

4. New Business

4.1 The Accessibility List

Vice Chair:

- Provided an explanation of the list, representing a virtual list of “to dos” around accessibility in the community as a shared electronic folder for the committee to access.
- The list will assist the consultants in completing the Accessibility Plan and provide an ongoing repository of identified accessibility “to dos”.

Staff will complete the set-up of the spreadsheet and share the list at the next meeting.
