

Value for [?] Money Assurance Program Unsheltered Community Costs (Phase 2)

November 25, 2024

Objective

To review how the city governs and coordinates resources between departments concerning unsheltered community costs.

Approach

**Collaborate with
key
stakeholders**

**Develop clear
objectives,
criteria, and
scope**

**Conduct
exploratory
interviews**

**Review and
analyze relevant
data and
documentation**

**Evaluate
findings**

Prepare report

Recommendations

Effective governance

Senior leadership implement a single, centralized governance structure for the unsheltered community response

Resource coordination

Increased involvement in defining and reinforcing interdepartmental roles and responsibilities

Cost identification

Determine the level of reporting necessary to understand and manage costs
