OCP Objectives & Policies

- **Prioritize infrastructure investment targeting high growth areas**
 - Prioritize infrastructure investment using a multiple bottom line decision-making approach
- **Ensure fiscally responsible management of existing and proposed infrastructure**
 - Make planning and capital investment decisions with a long-term life-cycle asset management perspective for the design, maintenance and renewal of infrastructure and facilities, including natural assets
 - Coordinate between City divisions, other levels of government and utility service providers to ensure all infrastructure projects consider multiple objectives

Staff Recommendation

- Staff recommend support for the proposal as it is consistent with OCP objectives and will facilitate:
 - Replacement of Glenmore Firehall Station#5
 - Construction of a new protective services campus
 - Improved public health and safety for residents
 - Integrated design and delivery process
