The Deputy City Clerk advised that no correspondence or petitions had been received.

Mayor Basran invited the applicant anyone in the public gallery who deemed themselves affected to come forward, followed by comments of Council.

Gallery:

Arlene Huxtable, Edgehill Avenue

- Disappointed that the RCMP site was not identified to expand the Community Theatre; believes the size of this community warrants a larger theatre to serve cultural needs.
- Suggested a larger Community Theatre with a rooftop restaurant for patrons to enjoy the lake view.
- Raised concern with the building heights being proposed.
- Believes the City of Vernon and Penticton are doing a better job with their Community Theatres and promoting culture.

Staff:

- Confirmed discussions through the planning process included a performing arts centre; there is an opportunity to expand the Community Theatre on the existing site and this has been identified as the best long term plan.
- Confirmed there is a placeholder for the expansion of the Theatre and staff will provide a feasibility study, however, there is no funding identified at this time.
- Confirmed that the proposed heights are identified as maximum building heights and there is no certainty the buildings will achieve maximum build out.
- Clarified the reconfiguration of the Art Walk through the existing RCMP site. The Theatre and RCMP are currently part of the same lot and will be subdivided.
