

Dear local neighbours:

Below is a plan of what our new concept will be on 160 Hwy 33 West. The concept is as follows:

The purpose of the project is to create a small craft distillery that will sell small product both on-site in the form of cocktails and for take-home consumption. Since it will have a lounge endorsement, we aim to install a wood fired pizza oven that will sell pizza and Calzones: as well as offer beer, wine and other non-alcoholic refreshments. All of the alcoholic products will be served in a responsible manner.

This project has many benefits for the Rutland area including:

- Cleans up an otherwise dormant building and parking lot.
- Creates excitement into the area.
- Creates a minimum of 5 new jobs.
- Provides a new entrant for the Rutland area: There is no distillery or wood fired pizza place.
- Creates potential for tourists to stop which will add to greater residual benefit to the area.
- Allows for something new for locals to visit.

Should you have any further questions or concerns please do let me know.
