Heritage Week 2017 celebrates Canada's Sesquicentennial birthday and the history of our communities and our people in the Central Okanagan, sharing stories of the past as well as visions for the future.

This year, Heritage Week also celebrates:

- 125th Anniversary of Benvoulin Heritage Church
- 125th Anniversary of the new town sites of Benvoulin (Mission) and Kelowna
- 35th Anniversary of the Central Okanagan Heritage Society

Our Heritage Week feature image this year is 'Sacred Spotted Lake' by Okanagan artist David Wilson.

In this painting he captures the holistic nature of our heritage and connections throughout the Okanagan Valley with the sacred lake of the Okanagan People.
