

# RGS Draft Priority Projects Plan Plan

March 13<sup>th</sup>, 2017

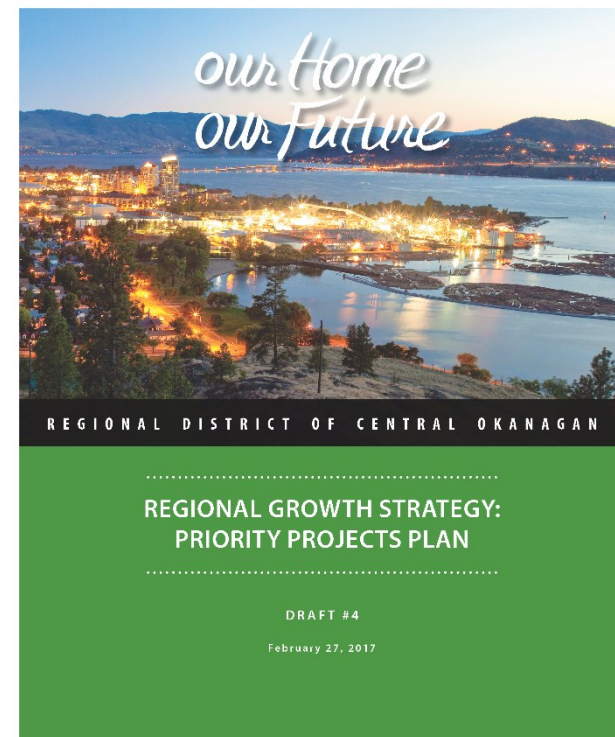

# Background on RGS

- ▶ Regional Growth Strategy adopted in 2014
- ▶ Collaborative approach
- ▶ Regional planning

# RGS Implementation

- ▶ RGS Implementation - *Five Year Action Plan*:
  - “through a collaborative process, staff and officials will develop a 5-year action plan to outline the priority initiatives to implement the RGS.”

# Importance of Regional Approach

- ▶ Challenges are regional
- ▶ Shares resources
- ▶ Leverages funding
- ▶ Coordinated response is stronger

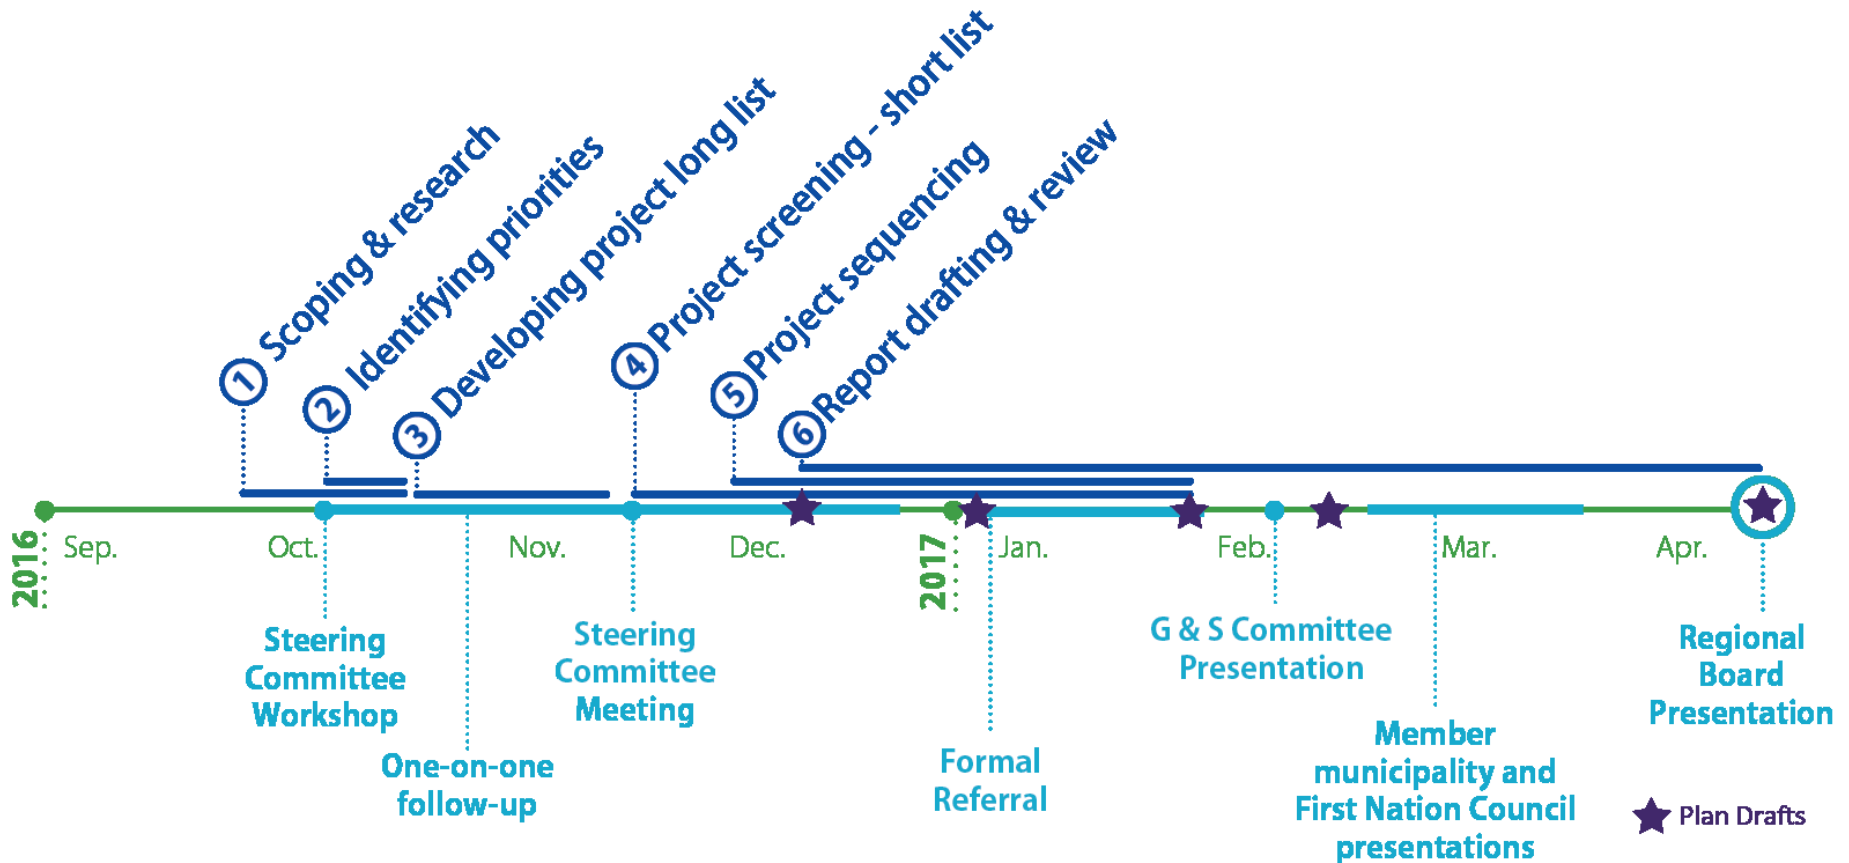

# Priority Projects Plan Objectives

- ▶ Process is collaborative
- ▶ Take account of current implementation work
- ▶ Five-year focus (2017 to 2022)

# Priority Projects Plan Process

# Five-year Action Plan

- ▶ All projects benefit from regional approach
- ▶ Projects selected to fill gaps
- ▶ Pragmatically sequenced
- ▶ Flexible, adaptable schedule
