RIM No. 1250-30

To: City Manager

From: Community Planning Department (LK)

Application: Z17-0033 **Owner:** Benjamin & Perfecta Page-et

Subject: Rezoning Application

Existing OCP Designation: S2RES – Single/Two Unit Residential

Existing Zone: RU1 – Large Lot Housing

Proposed Zone: RU1c – Large Lot Housing with Carriage House

1.0 Recommendation

THAT Rezoning Application No. Z17-0033 to amend the City of Kelowna Zoning Bylaw No. 8000 by changing the zoning classification of Lot 5 District Lot 143 ODYD Plan 24833, located at 840 Mayfair Road, Kelowna, BC from the RU1 – Large Lot Housing zone to the RU1c – Large Lot Housing with Carriage House zone, be considered by Council;

AND THAT the Rezoning Bylaw be forwarded to a Public Hearing for further consideration;

AND THAT final adoption of the Rezoning Bylaw be considered subsequent to the outstanding conditions of approval as set out in Attachment "A" attached to the Report from the Community Planning Department dated May 10, 2017.

2.0 Purpose

To rezone the subject property from RU1 – Large Lot Housing to RU1c – Large Lot Housing with Carriage House to facilitate the future construction of a carriage house.

3.0 Community Planning

Community Planning Staff support the proposed rezoning application to facilitate the future development of a carriage house on the subject property. Rezoning the subject property to add the 'c' designation meets several of City of Kelowna policy objectives including fostering a mix of housing forms and concentrating growth within the Permanent Growth Boundary. The proposed rezoning is also consistent with the property's future land use designation and there are a number of properties in the neighbourhood currently zoned both RU1c – Large Lot Housing with Carriage House and RU6 – Two Dwelling Housing.

4.0 Proposal

4.1 Project Description

The applicant is proposing a single storey, three-bedroom carriage house in the northwest corner of the lot. The property does not have a rear lane, therefore all parking for the existing dwelling and the proposed carriage house will be from the existing front driveway. Three parking spaces are provided and no variances are anticipated, this will allow the project to proceed directly to a Building Permit.

5.0 Current Development Policies

5.1 Kelowna Official Community Plan (OCP)

Development Process

Compact Urban Form.¹ Develop a compact urban form that maximizes the use of existing infrastructure and contributes to energy efficient settlement patterns. This will be done by increasing densities (approximately 75 - 100 people and/or jobs located within a 400 metre walking distance of transit stops is required to support the level of transit service) through development, conversion, and re-development within Urban Centres (see Map 5.3) in particular and existing areas as per the provisions of the Generalized Future Land Use Map 4.1.

Sensitive Infill.² Encourage new development or redevelopment in existing residential areas to be sensitive to or reflect the character of the neighborhood with respect to building design, height and siting.

Healthy Communities.³ Through current zoning regulations and development processes, foster healthy, inclusive communities and a diverse mix of housing forms, consistent with the appearance of the surrounding neighbourhood.

Carriage Houses & Accessory Apartments.⁴ Support carriage houses and accessory apartments through appropriate zoning regulations.
